

Fiji Family Fun on the Reef Endeavour

Discover the pristine beaches, turquoise waters and remote villages of the 'real' Fiji on Captain Cook Cruises three, four, seven and eleven night cruises onboard the 120-passenger, fully accommodated MV Reef Endeavour cruise ship. With wonderful activities for the whole family, and a new and exciting kids club, both parents and children will have the time of their lives.

All cruises provide a unique cultural experience visiting unspoilt Fijian villages, churches, schools, handicraft markets, meet Fijian children and their families and take part in a traditional village sevusevu ceremony, Meke and Lovo feast.

As well as being immersed in Fijian culture there is plenty of time to relax and laze on warm white sandy beaches, snorkel or go glass bottom boating over amazing coral reefs and swim in crystal clear waters. The whole family can even experience a dive in spectacular blue lagoons.

Families can all be pampered at the ships Senikai Day Spa. Adults can enjoy a range of indulgent facial and massage treatments while kids can enjoy mini massages, facials, manicures, nail art, Lil Lawa workshops, hair braiding and corn braids at Senikai KIDZPA.

With complimentary Kids Club available for children 5-10 years between 9.00am and 12noon, 2.00pm to 5.00pm and from 6.30pm and 9.30pm, parents have plenty of time to relax while knowing their children are making new friends, having fun and learning about and experiencing the Fijian culture.

Kids Club activities include swimming in the ships pool, Meke dancing, playing board games, making arts and crafts, Talanoa storytelling, going ashore for twice daily excursions to a Fijian village, school or church, beachcombing, building sandcastles, snorkelling, and playing a range of beach games.

At night parents can enjoy cocktails and canapés in the ships lounge, followed by a relaxed dinner in the dining room, while their kids are having a supervised dinner at 6.00pm followed by nightly kids program until 8.45pm.

Nanny hire is compulsory for any children under 5 years.
