

PRESS KIT

Press contact: Stephanie@finabilityus.org

FinAbility was founded to financially empower survivors of domestic abuse. By 2025, we aim to help 500,000 survivors gain access to the resources they need to achieve financial freedom and reclaim their independence.

Founding date: October 2020

Location: Portland, Oregon

Founders: Stacy Sawin (CEO), Asha Xu (Tech Advisor)

Meet FinAbility's CEO, Stacy Sawin

In 2015, Stacy was the victim of stalking, which exposed her to the challenges survivors of domestic abuse and stalking endure. This prompted Stacy to volunteer over 600 hours at women service organizations and to earn an MBA from London Business School. Stacy founded FinAbility in October of 2020 and is committed to ensuring all survivors have access to the financial resources needed to live independently and thrive.
