

HYDROGEN TASK FORCE of MEDEF International & France Hydrogène

SUMMARY OF THE MAIN ACTIVITIES

2018 to present –

2023		
	Autumn , – dates tbd – Business mission to Tokyo	Japan
	June, 28-30 – Hyvolution Chile 2023: French Companies' Pavilion & Business Mission , in a partnership with GL Events and the CCI France Chile, MEDEF International will be organizing a business mission to Santiago and will be organizing and managing the collective Pavilion of French Companies	Chili Americas
	May , – dates tbd – Business mission to Sweden , in cooperation with Business Sweden and Vätgas Sverige	Sweden
	April , – dates tbd – Business mission to the USA	USA
	April/May , – dates tbd – Country Focus – Finland	Finland
	March, 27-31 – Business mission to Australia , with a focus on decarbonization issues and hydrogen in Victoria, Queensland & Western Australia	Australia
	March, 20 – Meeting with NEDO team in charge of Energy	Japan
	March, 17 – Country Focus – Singapore , with the participation of the Energy Ministry and the Economic Development Board	Singapore
	March, 15-16 – Business mission to the EBRD , as a part of MEDEF International's Unit dedicated to Finances, with a focus on Energy and Hydrogen on March, 16 th	Finance
	March, 8-10 – Business mission to Mauritania , in cooperation with BPI France, with a focus on Energy	Mauritania
	March, 6-8 – Business mission to Morocco , in cooperation with the CCI FM, Cap Energies, Iresen and CGEM	Morocco
	February, 22 – Webinar on EU's delegated acts on Renewable Hydrogen	Europe

	February, 9 – Meeting with Mrs. Ilze INDRIKSONE, Minister of Economy, and with Mr. Kaspars LIEPINS, CEO of Latvia's H2 Cluster, as a part of MEDEF International France-Latvia Business Council's meeting	Latvia
	February, 8 – France-Morocco Energy Day MEDEF International is partner of the 5 th edition of the France-Morocco Energy Day, with the participation of Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE, and with testimonies of H40 Index members	Morocco
	February, 7 – Presentation MEDEF International's initiatives in Hydrogen, during the France-Quebec Economic Cooperation Group	Finance
	February, 3 – Presentation of the Hydrogen Task Force, to IFC Infrastructures & Energy team in Europe	Finance
	February, 1 – Conference on "How certification & traceability improves hydrogen projects bankability?" as part of Hyvolution Paris 2023 ed., with the participation of Mrs. Laurence BOISRAMÉ, Global Sales Hydrogen of Bureau Veritas, Mr. Sylvain CARIOU, CEO of Crystal Chain and Mr. Germain GAUTHIER, member of the Steering Committee of the Hydrogen Task Force	World
	February, 1 – Networking cocktail, organized in cooperation with Invest in Denmark, with the participation of the Danish business delegation attending Hyvolution Paris and members of the Hydrogen Task Force	Denmark
	February, 1-2 – Hyvolution Paris 2023 ed. MEDEF International is exhibitor and partner of GL Events' Hyvolution 2023	World
	January, 17 – Meeting with the EIB teams in charge of Energy in Africa, chaired by Mr. Germain GAUTHIER, member of the Steering Committee of the Hydrogen Task Force	Africa
	January, 17 – Annual Reception of the Hydrogen Task Force, chaired by Mr. Frederic SANCHEZ, President of MEDEF International, co-President of the Hydrogen Task Force, with the participation of Mr. Geoffroy ROUX DE BEZIEUX, President of MEDEF, Mr. Uwe REMME, Head of the Hydrogen Unit, Mr. Philippe BOUCLY, President of France Hydrogène, Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force and Mrs. Florence ROUSSO-MOMPO, Head of Greentech Division of GL Events	World
	January, 5 – Launching of the "Echos du Reseau" by MEDEF International, a 6-month video campaign promoting French companies capabilities in Hydrogen	World
<h2>2022</h2>		
	December, 15 – Meeting with the Agence Française du Développement's team in charge of Hydrogen	AFD

	December, 14 – Meeting with Mr. Yussuf AL HARTY, CEO of Oman Technology Fund	Oman
	December, 13 – Hydrogen Task Force Steering Committee - Meeting #4 co-chaired by Mr. Frederic SANCHEZ, President of MEDEF International, and President of Fives Group, and by Mr. Philippe BOUCLY, President of France Hydrogène	Steering Committee
	December, 8-9 – Round Table on Energy and Decarbonation, as a part of Mr. Geoffroy ROUX DE BEZIEUX's, President of MEDEF, visit to Poland, with the participation of Mr. Olivier BECHT, France's Ministry Delegate for Foreign Trade	Poland
	December, 8 – MoU Signature between the Hydrogen Task Force and the Polish Cluster of Hydrogen Technologies	Poland
	December, 6 – Country focus - Czech Republic, with the participation of Mr. Petr MERVART, Plenipotentiary of the Minister of Industry and Trade for Hydrogen Technologies	Czechia
	November, 28 – Country focus - Mexico, with Mexico H2 Cluster's management and members	Mexico
	November, 29 – MoU Signature between the Hydrogen Task Force and the Hydrogen Association of Kazakhstan, in the context of the official visit of the Kazakhstan's President to France	Kazakhstan
	November, 25 – MoU Signature between the Hydrogen Task Force and the Hydrogen Association of Romania	Romania
	November, 15 – Presentation of the Hydrogen Task Force, to Dansk Industri Energi's delegation, as part of MEDEF Energy Transition Committee's bilateral meeting	Denmark
	November, 25 – Country focus - Romania, with the participation of Mr. Dan DRAGAN, State Secretary on Energy, Mr. Tudor PRISECARU, State Secretary on Innovation	Romania
	November, 18 – MoU Signature between the Hydrogen Task Force and the Ministry on Innovation Development, , in the context of the official visit of the Uzbekistan's President to France	Uzbekistan
	November, 15-16 – Horizon Hydrogène Paris 2022 ed. MEDEF International was part of Horizon Hydrogène 2022 ed., with the participation of Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE, and Mrs. Valérie RUIZ-DOMINGO, member of the Steering Committee of the Hydrogen Task Force, Hydrogen Group Vice-President of Engie	World
	November, 15-16 – Business Mission to Sharm El-Sheikh, in the context of the COP27, co-chaired by Mr. Régis MONFRONT, President of MEDEF International's France-Egypt Business Council, Deputy General Director, CACIB, and by Mr. Philippe BOUCLY, President of France Hydrogène	Egypt

	November, 4 – Meeting with SOFOFA’s President, as part of MEDEF International’s France-Chile Business Council	Chile
	November, 3 – Presentation of the Hydrogen Task Force, to Petroleum Ministry’s representatives	Mauritania
	November, 3 – Briefing Meeting, to companies joining the Hydrogen Task Force’s business mission to the COP27, co-chaired by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE, and Mr. Régis MONFRONT, President of MEDEF International’s France-Egypt Business Council, Deputy General Director, CACIB	Egypt
	October, 21 – International Observatory on Hydrogen MEDEF International’s joined the International Observatory on Hydrogen, an initiative of France’s Strategic Export Committee on New Energy Systems, in partnership with the CEA, IFRI and Ademe.	World
	October, 21 – Presentation of the Hydrogen Task Force, to MIDA’s management	Malaysia
	October, 21 – Meeting, with ANCAP Management on group’s off-shore hydrogen strategy	Uruguay
	October, 19 – Presentation of the Hydrogen Task Force, to Flanders Investment Office in France	Belgium
	October, 10 – Meeting, with Mr. Hoang BUI, France’s coordinator of the Hydrogen National Strategy	France
	October, 6 – Pitching session, organized by Jetro Agency & GL Events, with the participation H40 Index companies	Japan
	October, 6 – Conference on the development of Hydrogen organized by MEDEF Haute-Savoie, with the participation of Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE, and Mr. Guy SIDOS, President of Vicat	World
	October, 3 – Meeting with Mr. Alan WINDE, Premier of the Western Cape Provincial Government, chaired by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE	South Africa
	September, 27-28 – Business Mission to Delhi, as a part of MEDEF International France-India Business Council’s mission, co-led by Mr. Bertrand DE ROSAMEL, member of the Steering Committee of the Hydrogen Task Force, International Senior Advisor of BNP Paribas	India
	September, 28 – Meeting	Finance

	<p>with the European Investment Bank's team in charge of Energy, focus on Chile and Brazil, moderated by Mr. Bogdan GADENNE-FEERTCHAK, COO of MEDEF International, coordinator of the Hydrogen Task Force, and by</p>	
	<p>September, 28 – Meeting with Mr. Nicolas GRAU, Minister of Economy of Chile, chaired by Mrs. Valérie RUIZ-DOMINGO, member of the Steering Committee of the Hydrogen Task Force, Hydrogen Group Vice-President of Engie</p>	Chile
	<p>September, 23 – Meeting with CSF "New Energy Systems" Committee, with the participation of Mr. Bogdan GADENNE-FEERTCHAK, COO of MEDEF International, coordinator of the Hydrogen Task Force</p>	World
	<p>September, 21 – Webinar on the cooperation in decarbonation and low-carbon energies in Türkiye, organized in partnership with DEIK, co-chaired by Mr. Jean LEMIERRE, President of MEDEF International's France-Türkiye Business Council, president of BNP Paribas, and by Mr. Çağatay ÖZDOĞRU, President of DEIK Türkiye-France Business Council, President of ESAS</p>	Türkiye
	<p>September, 16 – Presentation of the Hydrogen Task Force, to the French Development Agency "AFD", with the participation of Mr. Bogdan GADENNE-FEERTCHAK, COO of MEDEF International, coordinator of the Hydrogen Task Force, and of Mrs. Alice FERAY, Head of MEDEF International's Financing Unit</p>	Finance
	<p>September, 14 – Presentation of the Hydrogen Task Force, to NEDO's team in France, with the participation of Mr. Bogdan GADENNE-FEERTCHAK, COO of MEDEF International, coordinator of the Hydrogen Task Force</p>	Japan
	<p>September, 14 – Country Focus – Oman with the participation of Mr. Abdullah AL-ABRI, Expert at the International Energy Agency, co-chaired by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE</p>	Oman
	<p>September, 8 – Meeting with Mr. Young-jin JANG, First Vice Minister of Trade, Industry and Energy of Korea, co-chaired by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE</p>	Korea
	<p>September, 8 – Hydrogen Task Force Steering Committee - Meeting #4 co-chaired by Mr. Frederic SANCHEZ, President of MEDEF International, and President of Fives Group, and by Mr. Philippe BOUCLY, President of France Hydrogène</p>	Steering Committee
	<p>September, 8 – Meeting with the staff of Mr. Oliver BECHT, Minister Delegate for Foreign Trade of France, with the participation of Mr. Philippe GAUTIER, CEO of MEDEF International</p>	World
	<p>August 31 – September 2 – H2MEET KOREA Summit with the participation of Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE</p>	Korea
	<p>July, 28 – Meeting</p>	New-Zealand

	<p>with Mr. Grant ROBERTSON, Deputy Prime Minister of New-Zealand, co-chaired by Mr. Thierry MALLET, chairman of MEDEF International's France-New Zealand Business Council, CEO of Transdev, and Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE</p>	
	<p>July, 22 – Presentation of the H40 Index, to NewsTank news agency</p>	H40
	<p>July, 21 – Meeting with the Advisors to the Presidency of the DRC, chaired by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE</p>	Democratic Republic Congo
	<p>July, 21 – Meeting with Mr. Jamie ISBISTER, Australia's Ambassador for Climate, with the participation of Mr. Bogdan GADENNE-FEERTCHAK, COO of MEDEF International, coordinator of the Hydrogen Task Force</p>	Australia
	<p>July, 18 – Meeting with Mr. Jose Miguel CAPDEVILA VOLLAROEL, Ambassador of Chile to France, with the participation of French companies and investors active in the hydrogen sector, of Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE</p>	Chile
	<p>July, 18 – Presentation of the Hydrogen Task Force, to the Australian Hydrogen Council,</p>	Australia
	<p>July, 11 – Meeting of the H40 Index Selection Committee, chaired by Mrs. Anne-Françoise LAIME, member of the Steering Committee of the Hydrogen Task Force, Delegate for France of John Cockerill</p>	H40
	<p>June, 30 – Conference : "Journées Hydrogène dans les Territoires", with the participation of Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE</p>	France
	<p>June, 30 – Business Mission to the Headquarters of the European Investment Bank, organized in partnership with MEDEF International's Financing Unit, co-led by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE</p>	Finance
	<p>June, 30 – Meeting with the Hon. Anthony ALBANESE MP, Prime Minister of Australia, chaired by Mr. Geoffroy ROUX DE BEZIEUX, president of MEDEF, as a part of MEDEF International France-Australia Business Council's meeting</p>	Australia
	<p>June, 28 – Meeting with the high-level business delegation of the European Australian Business Council, as a part of MEDEF International France-Australia Business Council's meeting, chaired by Mr. Philippe GAUTIER, CEO of MEDEF International</p>	Australia
	<p>June, 22 – Global Power-to-X 2022 ed.</p>	Morocco

	with the participation of Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE	
	June, 22 – MoU Signature between the Hydrogen Task Force and Morocco's Green H2 Cluster	Morocco
	June, 17 – Conference: "Towards a cross-border hydrogen strategy" organized by MEDEF Moselle, with the participation of Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, Green Hydrogen Ambassador of the IAHE, and of Mr. Bogdan GADENNE-FEERTCHAK, COO of MEDEF International, coordinator of the Hydrogen Task Force	France & Germany
	June, 6-8 – Business Mission to Santiago and Antofagosta, led by Mrs. Valérie RUIZ-DOMINGO, member of the Steering Committee of the Hydrogen Task Force, Hydrogen Group Vice-President of Engie	Chile
	May, 18 – Webinar on multilateral financing - American Development Bank, organized with the support of MEDEF International's Desk in Washington, co-chaired by Mrs. Valérie RUIZ-DOMINGO, member of the Steering Committee of the Hydrogen Task Force, Hydrogen Group Vice-President of Engie, and by Mr. Germain GAUTHIER, member of the Steering Committee of the Hydrogen Task Force	Finance
	May, 16-17 – Conference "How to decarbonize Europe together, beyond borders?" organized by the French Embassy to Belgium, with the participation of the Hydrogen Task Force	Europe
	May, 13 – Webinar on the opportunities for the realization of H2 project-pilots and demonstrators in the context of the COP27, with the participation of the representatives of the Ministry of Electricity and of the Egyptian Port Development Authority	Egypt/COP27
	May, 11 – Hyvolution TV Conference: "Low-carbon Hydrogen: financiers get mobilized to move to the project realization" with the participation of Mrs. Valérie RUIZ-DOMINGO, member of the Steering Committee of the Hydrogen Task Force, Hydrogen Group Vice-President of Engie, Antoine TRIEUX, Managing Director, Head of Midstream, Hydrogen and Bio Energies of Natixis, moderated by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	Finance
	May, 11 – Hyvolution TV Conference Presentation of H40, the startups and small-caps Index by the Hydrogen Task Force	H40
	May, 11-12 – Hyvolution Paris 2022 ed. MEDEF International is exhibitor and partner of GL Events' Hyvolution 2022	World
	May, 10 – Meeting on the development of low-carbon hydrogen in Korea, with Mr. Leejae JANG, General Director for Innovation and Green Industry of the Ministry of Environment, chaired by Mr. Erwin PENFORNIS, member of the Steering Committee of the Hydrogen Task Force, Group Vice-President Hydrogen World Business Line of Air Liquide	Korea

	May, 5 – Meeting of the H40 Index Selection Committee, chaired by Mrs. Anne-Françoise LAIME, member of the Steering Committee of the Hydrogen Task Force, Delegate for France of John Cockerill	H40
	October, 29 – MoU Signature between the Hydrogen Task Force and Hydrogène Québec	Canada
	October, 27 – MoU Signature between the Hydrogen Task Force and CHFCA	Canada
	April, 26-29 – Business mission to Alberta & Quebec, and participation to the Canadian Hydrogen Convention, co-led by Mr. Philippe GAUTIER, CEO of MEDEF International, and by Mr. Philippe BOUCLY, President of France Hydrogène	Canada
	April, 22 – Country Focus - Denmark, with the participation of Mr. Tejs JENSSENS, CEO of Hydrogen Denmark (Brintbranchen), Mr. Kim SCHULTZ, Special Advisor on Clean Techs of Invest in Denmark, co-chaired by Mr. Philippe BOUCLY, President of France Hydrogène, and by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	Denmark
	April, 22 – Hydrogen Task Force Steering Committee - Meeting #3 co-chaired by Mr. Frederic SANCHEZ, President of MEDEF International, and President of Fives Group, and by Mr. Philippe BOUCLY, President of France Hydrogène	Steering Committee
	April, 22 – H40 Index Organization Committee - Meeting #1 chaired by Mrs. Anne-Françoise LAIME, member of the Steering Committee of the Hydrogen Task Force, Delegate for France of John Cockerill	H40
	April, 19 – Country Focus - India, with the participation of Dr. Arunabha GHOSH, Founder and CEO of the Council on Energy, Environment and Water (CEEW), co-chaired by Mr. Philippe BOUCLY, President of France Hydrogène, and Mr. Paul HERMELIN, President of MEDEF International's France-India Business Council, President of Capgemini	India
	April, 14 – Country focus - Kazakhstan, with the participation of Mr. Azamat KOZHANOV, Managing Director of Task Force Kazakh Invest, chaired by Mr. Jean-François DELPONT, member of the Steering Committee of the Hydrogen Task Force, Representative of Syntec Ingénierie	Kazakhstan
	April, 13-14 – MEDEF International is partner of MIX.E	France
	April, 8 – Presentation of the Hydrogen Task Force, to Mr. Parviz SHAHBAZOV, Minister of Energy of Azerbaijan, to Socar's Management and Azerbaijan Agency for Renewable Energy	Azerbaijan
	April, 4 – Presentation of the Hydrogen Task Force, to the New-Zealand Hydrogen Council	New-Zealand
	March, 30 – Launching of H40,	H40

	the Index gathering French start-ups and small-caps sharing the will to develop internationally, on the occasion of the Hydrogen Innovative Ecosystem Days organized by John Cockerill	
	March, 30 – The Hydrogen Task Force is partner of Hydrogen Innovative Ecosystem Days , organized by John Cockerill	World
	March, 29 – Presentation of the Hydrogen Task Force , to Djibouti's Office on Geothermal Energy Development and DjiboutiHY project team	Djibouti
	March, 25 – Meeting with Mr. Claudio HUEPE, Minister of Energy of Chile , in preparation of the Hydrogen Task Force's mission to Chili, in June	Chile
	March, 14 – MoU Signature between the Hydrogen Task Force and H2 Chile	
	March, 11 – Meeting on multilateral financing - EBRD , with the participation of Mr. Cristian CARRARETTO, Associate Director for Green Economy & Climate Action of the EBRD, chaired by Mr. Germain GAUTHIER, member of the Steering Committee of the Hydrogen Task Force	Finance
	March, 10 – Country Focus - Sweden , with the participation of Mr. Björn ARONSSON, CEO Vätgas Sverige (Hydrogen Sweden), Dr. Jazaer DAWODY, Senior Manager Swedish Energy Agency, and Ms. Anna LIBERG, Program manager Hydrogen, Business Sweden, chaired by Mr. Philippe GAUTIER, CEO of MEDEF International, moderated by Mr. Bogdan GADENNE-FEERTCHAK, COO of MEDEF International, coordinator of the Hydrogen Task Force	Sweden
	March, 3 – Country Focus - Denmark , participation of the Hydrogen Task Force to the presentation of the Danish Power-to-X Strategy	Denmark
	February, 18 – Webinar on low-carbon hydrogen in the UE-Africa relationship , on the occasion of the UE-AU Summit, with the participation Mr. Mikaa MERED and Mr. Sylvain CHARRIER, members of the Steering Committee of the Hydrogen Task Force	Africa
	February, 17 – Webinar with Mubadala Investment Company , chaired by Mr. Germain GAUTHIER, member of the Steering Committee of the Hydrogen Task Force	UAE
	February, 10 – Hydrogen Task Force Steering Committee - Meeting #2 co-chaired by Mr. Philippe GAUTIER, CEO of MEDEF International, and by Mr. Philippe BOUCLY, President of France Hydrogène	Steering Committee
	February, 2 – Presentation of the Hydrogen Task Force to the Ambassador of Indonesia , on the occasion of the Indonesian Presidency of the G20/B20	Indonesia/G20
	January, 21 – Meeting	Democratic Republic Congo

	with the Advisors to the Presidency of the DRC	
	January, 18 – Meeting of the 26th session of the CIECA, session on decarbonation (hydrogen & CCUS) with the participation of Air Liquide, TotalEnergies, Taiwan Power Company, hiPower Green	Taiwan
	January, 17-18 – Business Mission to Abu Dhabi & Dubai, co-led by Mr. Philippe GAUTIER, CEO of MEDEF International, and by Mr. Philippe BOUCLY, President of France Hydrogène	UAE
	January, 12 – Meeting of the Hydrogen Task Force Working Group on Financing, chaired by Mr. Germain GAUTHIER, member of the Steering Committee of the Hydrogen Task Force	Finance
	January, 11 – Country Focus - Japan, with the participation of Mr. Izuru KOBAYASHI, Deputy Commissioner of the Agency for Natural Resources and Energy, chaired by Mr. Frederic SANCHEZ, President of MEDEF International, co-President of the Hydrogen Task Force, and President of Fives Group	Japan

2021

	December, 8 – Participation to the workshop of UNECE: “How to jumpstart hydrogen production and export potential of CIS countries”	CIS
	November, 26 – Presentation of the Hydrogen Task Force, to the Energy Ministry of Senegal	Senegal
	November, 24 – Country Focus - Russia, organized in cooperation with RSPP, with the participation of Mr. Aleksey KULAPIN and Denis DERYUSHKIN, Director and Deputy Director of the Russian Energy Agency, and of the representatives of Gazprom Hydrogen, Rosatom, Transmash Holding, co-chaired by par Mrs. Géraldine LEMBLE, Deputy CEO of MEDEF International, and by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	Russia
	November, 12 – Country Focus - Iceland, participation of the Hydrogen Task Force to the Symposium on Green H2 in Iceland, with the participation of Mr. Guðni Th. JOHANNESON, President of Iceland, moderated by Mr. Paul LUCCHESI, member of the Steering Committee of the Hydrogen Task Force, IEA Hydrogen TCP President	Iceland
	November, 11 – MoU Signature between the Hydrogen Task Force and H2 Mexico	Mexico
	November, 10 – Country Focus - Colombia, with Mr. Diego MESA PUYO, Minister of Energy, co-chaired by Mr. Sylvain CHARRIER, member of the Steering Committee of the Hydrogen Task Force, Vice-President Public Affairs of HDF Energy, and by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	Colombia

	November, 9 – Hydrogen Task Force Steering Committee - Meeting #1 co-chaired by Mr. Philippe GAUTIER, CEO of MEDEF International, and by Mr. Philippe BOUCLY, President of France Hydrogène	Steering Committee
	November, 9 – Country Focus - Namibia, with the participation of Mr. Hage GEINGOB, President of the Republic of Namibia, co-chaired by Mr. Philippe BOUCLY, President of France Hydrogène, and by Mr. Sylvain CHARRIER, member of the Steering Committee of the Hydrogen Task Force, Vice-President Public Affairs of HDF Energy	Namibia
	November, 8 – Country Focus - Uruguay, with Mr. Omar PAGANINI, Minister of Energy and Mining, chaired by Mr. Paul LUCCHESI, member of the Steering Committee of the Hydrogen Task Force, IEA Hydrogen TCP President	Uruguay
	November, 4-5 – Business Mission to Glasgow on the occasion of the COP26	COP26
	October, 27 – MoU Signature between the Hydrogen Task Force and H2KOREA	Korea
	October, 26-27 – Hyvolution Paris 2021 ed. MEDEF International is exhibitor and partner of GL Events' Hyvolution 2021 edition	World
	October, 26 – Webinar on multilateral financing - European Investment Bank, chaired by Mr. Germain GAUTHIER, member of the Steering Committee of the Hydrogen Task Force	Finance
	October, 25 – Round table on the development of hydrogen in Egypt, with the participation of Mr. Mohamed Shaker EL-MARKABI, Minister of Electricity and Renewable Energies, and of Mr. Mohammed MAAIT, Minister of Finances, by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	Egypt
	October, 25 – Webinar Country Focus - Slovakia, with the participation of Mr. Robert SULIK, Deputy Prime Minister, Mrs. Ingrid BROCKOVA, State Secretary for Foreign Affairs, the Slovak Hydrogen Association (NVAS), the Slovak Agency for Energy & Innovation (SIEA), co-chaired by Mrs. Géraldine LEMBLE, Deputy CEO of MEDEF International, and by Mr. Philippe BOUCLY, President of France Hydrogène	Slovakia
	October, 20 – Webinar Country Focus - India, with Mr. S. DASSAPPA, President of the Interdisciplinary Centre for Energy Research (IISc), Mr. Jawed ASHRAF, Ambassador of India to France, of H2Tech, Kiroskar Motor, and Avaada Group, co-chaired by Mr. Paul HERMELIN, President of the MEDEF International's France-India Business Council, and Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	India
	October, 19 – Webinar	Gulf countries

	Country Focus – Gulf Countries, with the participation of Mr. Philippe GASSMANN, Head of the Economic Section for the Arabic Peninsula, and his team, chaired by Mr. Paul LUCCHESI, member of the Steering Committee of the Hydrogen Task Force, and President of the IEA Hydrogen TCP	
	October, 19 – Meeting of the Hydrogen Task Force Working Group on Financing, with the participation of Mrs. Magali CESANA, Head of Bilateral Affairs of the French Treasury, and the Export Credit team, chaired by Mr. Philippe GAUTIER, CEO of MEDEF International	Finance
	October, 8 – Webinar Country Focus – Arctic Region, with the participation of Mr. Mads FREDERIKSEN, Director General of the Arctic Economic Council, representatives of Rosatom, LKAB, Equinor, Total, chaired by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	Arctic
	October, 7 – Round table of the Hydrogen Task Force during BPI France's BIG 2021 ed., focus on the hydrogen ecosystems in the UAE and in Saudi Arabia, moderated by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris, and by Mr. Sylvain CHARRIER, member of the Steering Committee of the Hydrogen Task Force, Vice-President Public Affairs of HDF Energy	Gulf countries
	September, 26 – Meeting with Mr. Alparslan BAYRAKTAR, Deputy Minister of Energy, as a part of MEDEF International's business mission to Ankara	Türkiye
	September, 24 – Webinar on the Energy & Sustainable Development opportunities in the Arctic Region, organized with the French Polar Cluster on the occasion of the French Polar Season 2021, chaired by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	Arctic
	September, 23 – Round Table on the Hydrogen projects in Saudi Arabia , with the participation of Mr. Roland KAEPPNER, Director Energy & Water of Neom	Saudi Arabia
	September, 16 – Webinar Country Focus – Portugal, with the participation of Mr. Joao GALAMBA, State Secretary for Energy, and the Portugal's H2 association, chaired by Mr. Philippe GAUTIER, CEO of MEDEF International	Portugal
	September, 15 – Meeting with the International Solar Alliance (ISA), with the participation of Mr. Ajay MATHUR, General Director of ISA, co-chaired by Mr. Philippe GAUTIER, CEO of MEDEF International, and by Mr. Cyril CARABOT, General Secretary of the Syndicat des Energies Renouvelables (SER)	World
	September, 9 – Webinar Country Focus – Lithuania, with the participation of Mrs. Daiva GARBALIAUSKAITE, Deputy Minister of Energy,	Lithuania

	co-chaired by Mrs. Géraldine LEMBLE, Deputy CEO of MEDEF International, and by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	
	August, 24 – Round table at the MEDEF’s “REF Francophone” 2021 ed. on the cooperation in the low-carbon hydrogen sector, with the participation of John Cockerill (Belgium), Paul WURTH (Luxembourg), Eneo (Cameroon), Senelec (Senegal), IRESEN (Morocco) and CIE (Côte d'Ivoire), chaired by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	World
	June, 30 – Meeting Country Focus - Chile, with the participation of Mr. Juan Carlos JOBET, Minister of Energy & Mining, co-chaired by Mr. Philippe GAUTIER, CEO of MEDEF International, and by Mr. Philippe BOUCLY, President of France Hydrogène	Chile
	June, 29 – Webinar Country Focus - Morocco, organized in partnership with the CGEM and Iresen, with the participation of Mr. Mohamed OUHMED, Coordinator of the Hydrogen National Commission, Mr. Mohamed ZNIBER, President of the Morocco's H2 Cluster, co-chaired by Mr. Philippe GAUTIER, CEO of MEDEF International, and by Mr. Saïd EL HADI, President of the Commission on Green Economy of the CGEM	Morocco
	June, 28 – Webinar on multilateral financing - Asian Development Bank, with the participation of Mr. Yongping ZHAI, Chief of the Energy Sector Group, and Mr. Toru ITO, Senior Energy Specialist (Hydrogen), chaired by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	Finance
	June, 22 – Webinar Country Focus - Chile, with the participation of Mr. Juan Carlos JOBET, Minister of Energy & Mining, of the H2Chile Cluster, du cluster H2 Chili, chaired by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	Chile
	June, 21 – Webinar Country Focus - Australia, with the participation of the Department for Industry, Sciences & Energy, ARENA, CEFC and NERA, co-chaired by Mr. Philippe GAUTIER, CEO of MEDEF International, and by Mrs. Jennifer MACKINLAY, General Manager ai Europe of Austrade	Australia
	June, 18 – Webinar Country Focus - Poland, with the participation of Mr. Adam GUIBOURGE-CZETWERTYNSKI, Under Secretary of State for Climate, Mr. Szymon BILINSKI, Director for Electromobility and Hydrogen of the Ministry of Climate & Environment, the PKK-Lewiathan, the H2 Cluster of Poland, co-chaired by Mrs. Géraldine LEMBLE, Deputy CEO of MEDEF International, and by Mr. Mikaa MERED, member of the Steering Committee of the Hydrogen Task Force, lecturer on Hydrogen Markets and Geopolitics at HEC Paris	Poland
	June, 9 – Webinar	Korea
