

# ENVIRONNEMENTAL CHARTER

We believe it is essential to be committed to the environment. The hotel is fully involved in sustainable tourism and the promotion of more respectful practices. For this reason, it is essential for us to ensure that responsible, ethical and supportive values are shared with our staff and guests.

## ENERGY SAVING

### OUR ACTIONS

- Low-energy light bulbs are used in all our lighting
- The whole hotel is equipped with double glazing
- The power goes off in the room without the presence of the magnetic card
- Monitoring our energy consumption

### YOUR ECO-ACTIONS

- Turn off all electrical appliances when you leave your room
- Unplug your electrical appliances when they are fully charged

## CLEANING

### OUR ACTIONS

- Towels and sheets are changed in your room every 3 days
- No chemicals are used

### YOUR ECO-ACTIONS

- Refuse the cleaning service during your stay by informing the reception
- Hang up your towels for reuse. Those on the floor will be replaced
- We can replace your sheets at your convenience

## WATER SAVING

### OUR ACTIONS

- All our rooms have showers, not bathtubs
- Our taps are fitted with energy-saving equipment
- Dual control flushing mechanism to regulate the flow rate of the toilets
- Monitoring our water consumption

### YOUR ECO-ACTIONS

- Don't let the water run unnecessarily when soaping, brushing your teeth, shaving...
- Report any water leakage to us

## WASTE REDUCTION

### OUR ACTIONS

- Waste sorting: glass, plastic packaging, paper and cardboard, light bulbs, ink cartridges, batteries, coffee
- Limiting single-use or single-dose products
- Elimination of single-use plastic
- Provision of digital newspapers

### YOUR ECO-ACTIONS

- Take part in the sorting process by putting plastic/paper bottles in the sorting bin at the reception desk
- Please drop off your batteries, light bulbs and glass bottles to be recycled

## AWARENESS TRAINING

### OUR ACTIONS

- Supporting our customers in taking into account their needs in an environmental approach
- Involving our subcontractors, suppliers and partners in our commitment
- Training and awareness-raising of our staff on our environmental policy
- An information folder is available at reception on request
