Governance
Report

Following UN development goals:

ZERO HUNGER

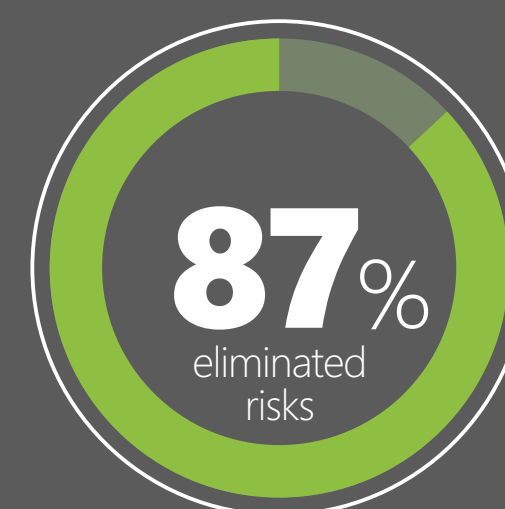

Meat produced (liveweight, tonnes)
55,000

Enough meat to feed
2,600,000 people

GOOD HEALTH & WELL BEING

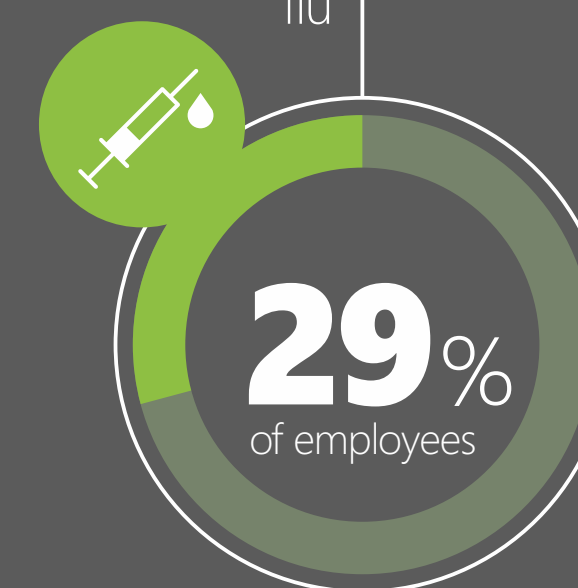

0 fatal incidents
8 accidents

30+ HES audits
388 risks identified
336 risks eliminated

32%
less risks compared to 2021

Employee vaccinations against flu

Employee training

380 Working in dangerous areas

380 Fire safety training

1000+ Work devices inspected

Gas, fuel, pressure, lifting, fire safety devices, measuring devices, work safety tools, etc.

Online technical inspection system implemented

Other implemented measures

Online newcomers and training program

Fully automatic alcohol check on entrance

Pork as a motivation & bio safety measure

1 pig / year

CLIMATE ACTION

16,000 MWh of green electricity supplied to the grid from biogas plants
32,000 tonnes of CO₂ emissions savings

Kilograms of CO₂ released for every 1 kg of meat produced

2.3 vs **3.0**
Idavang LT EU average

Less driving & flying after optimizing the organization & using online meeting tools

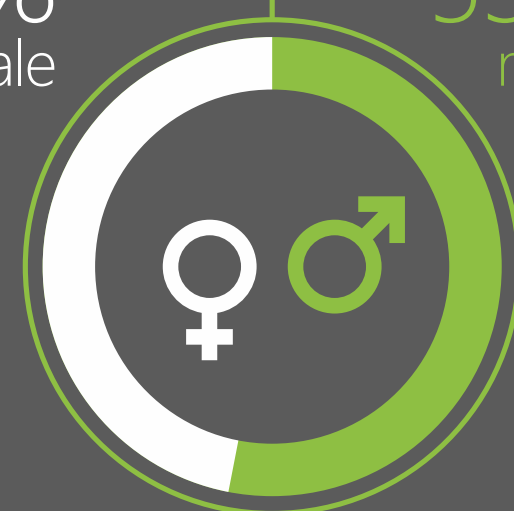

300,000 kw/h of electricity saved after applying saving mode

All LT dead animals utilized in biogas for green electricity production

GENDER EQUALITY

47% female

53% male

AFFORDABLE & CLEAN ENERGY

CFL LED
Luminescent lamps being upgraded to LED

Some electrical heating in administration and stables replaced with biogas

2,250 kW solar power plants installed in LT
8 biggest farms

8 farms get heating from biogas (no need to burn straw or fossil fuels)

Motion sensors, training and big personal will of Idavang employees in farms helped to save more than
20% electricity VS budget
this corresponds to the monthly savings of **300,000** kw/h

CLEAN WATER & SANITATION

4 farms Online water consumption monitoring (Mūša, Rupinskai, Lekečiai, Pasodėlė)

8 farms Waste water cleaning plants

306K EUR invested in updating biosafety measures

ANIMAL WELFARE

Antibiotic-free trial farm

PARTNERSHIP FOR THE GOALS

66,303 EUR of charity projects in LT

Christmas gifts to partners replaced by charity projects

www.idavang.com

RESPONSIBLE PRODUCTION & CONSUMPTION

R&D farm for better performance research
