Festival ready?

Got your chair or picnic blanket?
Sunscreen and water bottle?

Neruda Arts is making an effort to be as kind to the environment as possible at our festival.

- You can help us by:
- using the recycling bins provided
 - refilling your own water bottle (we have water in the Information Tent)

Well-behaved dogs are welcome!

Thank you for coming to KULTRÚN WORLD MUSIC FESTIVAL

Neruda Arts is a nonprofit world music presenter dedicated to building bridges in the community through music, dance, drama, and literary and visual arts. Each year, Neruda Arts presents Kultrún Festival which provides thousands of residents and visitors with access to high quality local, national and international world music artists, workshops and children's programming.

As a nonprofit organization, we are completely reliant on various fund-raising activities, sponsorships, grants and donations. This funding allows us to: support the artists and performers by paying a fare wage; maintain our office and studio; purchase or rent necessary equipment; provide free programs and events; and promote Neruda Arts.

Did you enjoy the Festival?

Please consider making a donation to support Neruda Arts vision.
