Your Life. Your Moment.

# ABOUT US

We understand the challenges that our teenage daughters face.

They encounter academic stress, social media, and even mental health. They are feeling overwhelmed by the pressures of the world and social issues, which can lead to exhaustion and stress.

It is very important for them to know that they are loved and appreciated, and what better way for every parent to celebrate their daughter's coming of age with families, relatives and friends, and to give them reassurance before sending them off to college.

At Blooms, we create and sustain family traditions to provide love, service and value to each other as we strengthen family ties and raise responsible and considerate children.

We design your event with "WOW" factor legacies and form long-term relationships with our clients as their happiness is our happiness!

Our business has been set to ensure consistency within our brand, helping to create strong, recognizable, and innovative rental products and creative event design.

We love what we do, and we always do more than expected. We take great pride in the quality of our service.

We are owner - managed.  
Driven by creative passion.

We work straight from our hearts.

## BLOOM MISSION AT HEART STATEMENT

Blooms mission statement is, "for every event that we do, our company will help a child in need through our chosen nonprofit organization, ANCOP (Answering the Cry of the Poor) - Transforming lives through education, shelter, and humanitarian relief.

By doing this, we contribute in our own little way towards the growth of the community which translates into better societies.

# HOW BLOOM IS BORN

Our children, the most treasured gift given to us by God, are only ours for a fleeting moment, it seems... The years go by too quickly! You blink, and your precious daughter has grown into a lovely young lady.

Growing up in a traditional and conservative family, my intelligent, talented, and hard-working father was my Hero! He was a successful entrepreneur, and our family always knew that all of his efforts and sacrifices were for the love of his children.

As a father of seven, my Dad had only One WISH...to experience walking his daughters down the aisle on their wedding day. He had never gotten his wish, not even on my wedding day...

In 2016, he was terminally ill due to lung cancer, so when my younger sister became engaged, I rushed my sister's wedding, knowing my father only had months to live in this world.

My father got his "One Wish" when he was able to walk my sister down the aisle.

That bittersweet memory of seeing him struggle walking down the aisle while intubated was only matched by the love, pride and willpower we all saw in his eyes. It was very emotional for my entire family and friends to witness and treasure the joy he shared with my sister, to dance with her on the most important day of her life!

**This is the reason why BLOOMS was born!**

**We want to celebrate your Precious Daughter's Coming of Age.**

We want every teen to experience that celebration of life, the moment when she hears those heartfelt messages from her families and her closest friends... and that beautiful Father - Daughter moments that families hold onto forever.

Everyone will always remember that Father - Daughter dance, I so longed to turn back time and have that dance with my father on my 18th Debut celebration.

Blooms will create and capture a memorable and joyous family event, celebrating your love for your daughter, reaching a new milestone in her life! Let BLOOMS take all the Setup and Planning off your hands while we make this festive occasion spectacular!

Every detail attended to by our event specialists.

What better way to show how proud you are of her journey from childhood, through those difficult adolescent years, to becoming a confident, strong, and beautiful young lady.

This event will be you daughter's most Treasured Moments!
