## **SMOKE-FREE WORKING ENVIRONMENT**

### **(03.010)**

#### **POLICY**

Northland Polytechnic Limited shall provide a safe environment for people on its sites. Northland Polytechnic Limited recognises the entitlement of everyone on campus to a smoke-free environment in all areas used for study and work; all grounds within any boundary; and at events organised by Northland Polytechnic Limited (whether or not held on Northland Polytechnic Limited grounds).

#### **PURPOSE**

To provide a smoke-free study and work environment in accordance with the *Smoke-free Environments Act 1990* and amendments (The Act). The Act provides for penalties against an employer who does not comply with the Act and for this reason, and concern for the general wellbeing of staff and students, all breaches of this policy shall be regarded in a serious light.

#### **APPLICATION AND SCOPE**

This policy applies to all Northland Polytechnic Limited staff, students, visitors, contractors, and members of outside agencies on all campuses, learning centres and other contracted teaching sites; and Northland Polytechnic Limited vehicles. This policy also applies to staff and students when wearing clothing or badges identifying the wearer as being associated with Northland Polytechnic Limited.

#### **DEFINITIONS**

- *Smoke and Smoking*  
As set out in s2 of the Smoke-free Environments Act 1990, and includes e-cigarettes (see below)
- *Smoke-free*  
Free from exposure to smoke or vapour produced from an ignited tobacco product, weed, plant, or e-cigarette
- *Study and Workplace*  
Any area that is occupied by Northland Polytechnic Limited and that is frequented by staff and students during their activities at Northland Polytechnic Limited. This includes all Northland Polytechnic Limited vehicles, buildings and all outside areas
- *E-cigarettes/electronic cigarettes*  
Electrical devices that heat a solution (or e-liquid), which produces a vapour that the user inhales or 'vapes'

#### **COMPLIANCE OBLIGATIONS**

- *Smoke-Free Environments Act 1990 and subsequent amendments*

<b>Responsibility</b>	Executive manager responsible for Health and Safety
<b>Approval dates</b>	September 2020

## GUIDELINES IN CASES OF NON-COMPLIANCE OF THE SMOKE-FREE WORKING ENVIRONMENT POLICY

- Staff and students can approach the person(s) who are in breach of the policy and request that they cease the activity and explain the reasons for the request.
- Should the person(s) fail to comply with the request, their name(s) and relationship with Northland Polytechnic Limited should be obtained/requested and a formal complaint in writing, detailing the time, date, circumstances, people involved and any witnesses should be lodged with the Manager Health and Safety.
- If detail is not available, then as much information as is available/obtainable should be supplied.
- Once a formal complaint has been laid, it shall be dealt with in terms of the formal complaints procedure.
- Visitors or members of outside agencies shall be formally advised, by their Northland Polytechnic Limited host, of our policy when they 'sign in', and must be instructed to comply with the policy while on Northland Polytechnic Limited premises.
