

COVID-19: CORONAVIRUS PREVENTION FOR CARE PROVIDERS

SYMPTOMS

Coughing

Breathing difficulties

Fever

Service users with a compromised immune system are more susceptible to the coronavirus, including older people, those with diabetes, cancer and chronic lung disease.

2.0m COVID-19 spreads in close contact (2 meters) and the risk increases with prolonged contact

72h The virus will only survive on infected surfaces for 72 hours

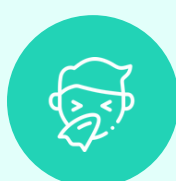

PREVENTION

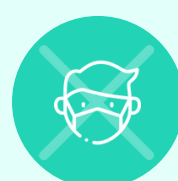

Wash your hands with soap and water, or use sanitiser with 60% alcohol

Don't touch your eyes, nose, and mouth with unwashed hands

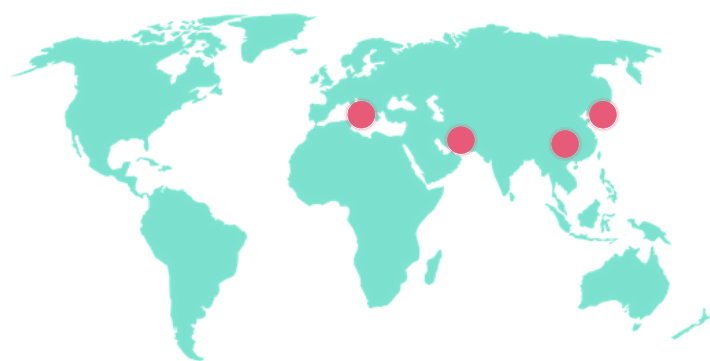

Cover your cough or sneeze with a tissue, then throw the tissue in a bin

Face masks don't protect from the virus, but must be used if infection is suspected

You should not attend work if you have returned from any of the following high-risk areas in the past **14 days**:

- China** Wuhan city and Hubei Province
- Iran** All areas
- South Korea** Daegu or Cheongdo
- Italy** Bertonico, Casalpusterlengo, Castelgerundo, Castiglione d'Adda, Codogno, Fombio, Maleo, San Fiorano, Somaglia, Terranova dei Passerini, Vò

IF INFECTED

Call 111 from your personal mobile
**Or 999 for emergencies*

Keep a 2m distance from other people

Avoid touching people, surfaces and objects

Cover your mouth and nose with a tissue when coughing or sneezing
**Or use the crook of your elbow*

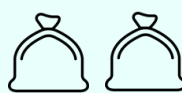

Contain used tissues in a bag before disposing of them in the bin

Use a separate bathroom while waiting for medical assistance

CLEANING AFTER AN INFECTION

Clean surfaces **visibly contaminated** with bodily fluids, as well as **toilets, door handles and phones**. Hallways don't need disinfection

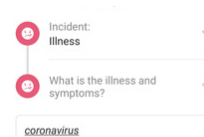

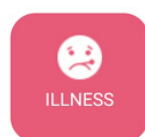

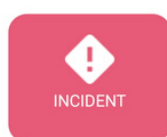

Bag waste from the infected individual **twice**, and **store** it

Store laundry from the site of a possible case separately

HOW TO LOG A SUSPECTED INCIDENT WITH Log my Care

Open the Carer App

Report an incident

Flag it as an illness

Add details

Log my Care has the option to flag incidents. When you flag an incident as an illness and list it as coronavirus, a care manager will receive it instantly.
