## **Tracking Tools and Opt-Out**

The Services use cookies and similar technologies such as pixel tags, web beacons, clear GIFs and JavaScript (collectively, “Cookies”) to enable our servers to recognize your web browser, tell us how and when you visit and use our Services, analyze trends, learn about our user base and operate and improve our Services. Cookies are small pieces of data— usually text files – placed on your computer, tablet, phone or similar device when you use that device to access our Services. We may also supplement the information we collect from you with information received from third parties, including third parties that have placed their own Cookies on your device(s). Please note that because of our use of Cookies, the Services do not support “Do Not Track” requests sent from a browser at this time.

We use the following types of Cookies:

- **Essential Cookies.** Essential Cookies are required for providing you with features or services that you have requested. For example, certain Cookies enable you to log into secure areas of our Services. Disabling these Cookies may make certain features and services unavailable.
- **Performance/Analytical Cookies.** Performance/Analytical Cookies allow us to understand how visitors use our Services. They do this by collecting information about the number of visitors to the Services, what pages visitors view on our Services and how long visitors are viewing pages on the Services. Performance/Analytical Cookies also help us measure the performance of our advertising campaigns in order to help us improve our campaigns and the Services’ content for those who engage with our advertising. For example, Google LLC (“Google”) uses cookies in connection with its Google Analytics services. Google’s ability to use and share information collected by Google Analytics about your visits to the Services is subject to the Google Analytics Terms of Use and the Google Privacy Policy. You have the option to opt-out of Google’s use of Cookies by visiting the Google advertising opt-out page at [www.google.com/privacy\\_ads.html](http://www.google.com/privacy_ads.html) or the Google Analytics Opt-out Browser Add-on at <https://tools.google.com/dlpage/gaoptout/>.

You can decide whether or not to accept Cookies through your internet browser’s settings. Most browsers have an option for turning off the Cookie feature, which will prevent your browser from accepting new Cookies, as well as (depending on the sophistication of your browser software) allow you to decide on acceptance of each new Cookie in a variety of ways. You can also delete all Cookies that are already on your device. If you do this, however, you may have to manually adjust some preferences every time you visit our website and some of the Services and functionalities may not work.

To explore what Cookie settings are available to you, look in the “preferences” or “options” section of your browser’s menu. To find out more information about Cookies, including information about how to manage and delete Cookies, please visit <http://www.allaboutcookies.org/> or <https://ico.org.uk/for-the-public/online/cookies/> if you are located in the European Union.

We seek to protect your Personal Data from unauthorized access, use and disclosure using appropriate physical, technical, organizational and administrative security measures based on the type of Personal Data and how we are processing that data. You should also help protect your data by appropriately selecting and protecting your password and/or other sign-on mechanism; limiting access to your computer or device and browser; and signing off after you have finished accessing your account. Although we work to protect the security of your account and other data that we hold in our records,

please be aware that no method of transmitting data over the internet or storing data is completely secure.

We retain Personal Data about you for as long as you have an open account with us or as otherwise necessary to provide you with our Services. In some cases we retain Personal Data for longer, if doing so is necessary to comply with our legal obligations, resolve disputes or collect fees owed, or is otherwise permitted or required by applicable law, rule or regulation. We may further retain information in an anonymous or aggregated form where that information would not identify you personally.
