The Lord's Prayer

Our Father, Who art in heaven,
Hallowed be Thy Name,
Thy kingdom come, Thy will be done,
on earth as it is in heaven.
Give us this day our daily bread
and forgive us our trespasses,
as we forgive those that trespass against us.
Lead us not into temptation
but deliver us from evil.
For Thine is the kingdom,
the power and the glory forever and ever.
Amen

The Brightest Star

My time is up and no one knows why,
I had so much to live for, I didn't want to die.

To say goodbye to all of you, is something I'd want to do.
I can't do that now, but I can leave some thoughts with you.

Live your lives to the full, look after my family I beg you from afar.
Then look to the night sky, I'll be there, shining brightly from a star.

I'll be the biggest and brightest thing in the sky,
I'll shine above for you to see.

So when heartache comes, just go for a walk, try to be strong,
Like I'd want you to be.

My light and my love will never dim on this you can always rely.
No matter where you are in the world,
you'll see me as the brightest star in the sky.
