An Angel

A gift from up above,
She showered us with kindness,
And shared with us her love.

She cherished every moment,
With the man who was her life,
Walking hand in hand together,
Facing life with all its strife.

She loved her children dearly,
Each one a different way,
Nestled close within her heart,
Though, now, she's far away.

She's gone to live above,
But she's here with us today,
Smiling down on everyone of us,
And telling us, she's OK.
