

List of public ALS controlled documents

To find ALS documents, use the website library search function and set filters for different document categories and languages. Many documents are available in multiple languages (Bahasa Indonesia, French, Spanish and Portuguese). If you need help finding a document, please contact jimena@hcvnetwork.org.

	Name	Type ¹	Languages available
General overview of the ALS	ALS Specification	O	ENG
	History of changes to the Assessor Licensing Scheme (ALS)	O	ENG
	Public list of ALS controlled documents	O	ENG
Licensed Assessors	Application Guidelines	O	ENG
	Terms and Conditions	O	ENG
	Code of Conduct	O	ENG
Quality Panel	Application Guidelines	O	ENG
	Terms and Conditions	O	ENG

¹**Type A:** Documents that concern the functioning of the ALS, but which do not need a wider consultation process.

Type B: Documents that concern the functioning of the ALS, where the purpose and content need stakeholder buy-in for them to be effective and credible. These documents govern procedures and requirements for individuals and organisations other than HCVN and its employees.

Type O: Forms, templates and summary or overview documents that are based on approved content from other documents and decision processes (from types A & B).

	Code of Conduct	O	ENG
	General guidance for Quality Panel evaluation of assessment reports	B	ENG
