Hilton Garden Inn Jacksonville Ponte Vedra Sawgrass Celebrates Completion of All-Encompassing Renovation

Ponte Vedra Beach, FL (August 16, 2022) – [Hilton Garden Inn Jacksonville Ponte Vedra Sawgrass](#) today announced the much-anticipated completion of its extensive, all-encompassing renovation, providing a total overhaul and refresh of the property’s guest rooms, lobby, market, fitness center, outdoor pool, as well as its on-site full-service restaurant and bar, [Mulligan’s Pub](#).

Thoughtful guest room upgrades aimed at enhancing the guest experience include new coastal-inspired furniture and fixtures as well as refreshed paint and carpeting throughout. Several technological enhancements were implemented as well, including the installation of new 52-inch HDTVs with entertainment offerings allowing guests to stream their Netflix and Hulu accounts in-room, as well as smartphone check-in and digital key capabilities.

Appealing to a variety of travelers, Hilton Garden Inn Jacksonville Ponte Vedra Sawgrass is pleased to introduce two all-new innovative room options established during the renovation. Boasting a king bed, 52-inch HDTV, and an in-room Peloton bike and assorted workout equipment, the **Five Feet to Fitness** rooms provide a haven for movement and mindfulness, allowing guests to wake up and work out in the comfort of their own space. Perfect for family vacations, bachelor and bachelorette trips and more, the hotel has also added a **Super Suites** option comprised of three adjoining rooms that can comfortably sleep 8-10 guests.

“Every element of the hotel’s renovation was implemented to reflect the needs and wants of today’s business and leisure travelers,” said Bob Arndt, general manager of the hotel. “We are extremely proud of our refreshed space and are excited to welcome guests – new and returning – to enjoy our new look and amenities.”

Other notable upgrades include a new health and fitness center with state-of-the-art workout equipment with a golf-specific focus, and a stylistic refresh of The Shop, the hotel's 24/7 market offering an assortment of for-purchase drinks and snacks. Perfect for soaking up the Florida sunshine, the hotel's outdoor pool was refinished during the renovation with new patio furniture and loungers, and an open-air patio was added to the hotel's on-site restaurant and bar, Mulligan's Pub, inviting guests to enjoy a selection of Irish-inspired dishes, craft beer and cocktails, live music, and more. The restaurant also received new furniture, fixtures, and a reconfigured layout, creating a more efficient flow and modernized feel.

To showcase the hotel's renovation, the St. Johns County Chamber of Commerce will be hosting Business After Hours at Mulligan's Pub on Wednesday, August 24th. Local business leaders and other interested parties are encouraged to come out for an evening of networking with refreshments and tours of the renovated spaces.
