Short Bio

Schuyler Bailar (he/him) is an educator, bestselling author, and activist who made history as the first transgender athlete to compete in any sport on an NCAA Division 1 men's team. Originally recruited to swim for the Harvard women's team, Schuyler made the difficult choice to transition while potentially giving up the prospect of being an NCAA Champion. His story has appeared everywhere from *60 Minutes* to *The Washington Post*. Schuyler's tireless advocacy has earned him numerous honors, including LGBTQ Nation's Instagram Advocate for 2020. In 2023, Schuyler's critically acclaimed nonfiction bestseller became the preeminent resource on trans inclusion, [*He/She/They: How We Talk About Gender and Why It Matters*](#). Schuyler's works include his middle-grade novel, [*Obie Is Man Enough*](#), LaneChanger.com, his online gender literacy training and [*Dear Schuyler*](#), his hit podcast including exclusive interviews with trans icons and allies like Lia Thomas, Dylan Mulvaney, Rafael de la Fuente, and many more.
