## What in the world is...?

### Hymns, Praise Songs?

Singing loudly is not just something we do in the shower. God gave us voices to sing about how awesome he is!

### Confession?

God wants to hear what we did wrong. Tell him! He not only listens, he also forgives.

### Prayer?

God cares so much for us that he taught us to pray. He wants us to know what to pray for and also how to pray. How amazing is that? Take a look in your parents' bulletin to check it out!

### The Offering?

Ever wonder why we put money in that basket being passed around? God wants us to give to him and his church in joy as an act of worship!

### The Sermon?

This is when the pastor helps us understand what God is telling us in the Bible. And the Bible is God's word!

### Communion?

Communion is when we celebrate what Jesus did for us on the cross. We say the bread represents Jesus' body and the wine represents Jesus' blood. Weird huh? And awesome. It means Jesus is really spiritually present with us in Lord's Supper by the power of the Holy Spirit. And when we eat the bread and drink the wine God nourishes our spirits!!! Who gets to take communion? Those who believe in Jesus and have shared their faith with the leaders in the church.

### Benediction?

This is the end of the church service where everyone receives God's blessing. Isn't it awesome that God shares this blessing with us?

## SERMON NOTES

Do you know what it means to say the gospel is simple AND awesome? On the one hand the gospel is so simple we could talk about in a sentence: "Jesus saves." And on the other hand it is so awesome we could talk about it forever which is why we talk about it every Sunday: who Jesus is, what he has done to save us, what he is doing right now caring for us, what he will do when he comes back for us and make everything perfect! The gospel is like an ocean, shallow enough for even little children to wade into and deep enough that we'll never plumb all its depths even when we're big and old!
