What in the world is...?

Hymns, Praise Songs?

Singing loudly is not just something we do in the shower. God gave us voices to sing about how awesome he is!

Confession?

God wants to hear what we did wrong. Tell him! He not only listens, he also forgives.

Prayer?

God cares so much for us that he taught us to pray. He wants us to know what to pray for and also how to pray. How amazing is that? Take a look in your parents' bulletin to check it out!

The Offering?

Ever wonder why we put money in that basket being passed around? God wants us to give to him and his church in joy as an act of worship!

The Sermon?

This is when the pastor helps us understand what God is telling us in the Bible. And the Bible is God's word!

Communion?

Communion is when we celebrate what Jesus did for us on the cross. We say the bread represents Jesus' body and the wine represents Jesus' blood. Weird huh? And awesome. It means Jesus is really spiritually present with us in Lord's Supper by the power of the Holy Spirit. And when we eat the bread and drink the wine God nourishes our spirits!!! Who gets to take communion? Those who believe in Jesus and have shared their faith with the leaders in the church.

Benediction?

This is the end of the church service where everyone receives God's blessing. Isn't it awesome that God shares this blessing with us?

SERMON NOTES

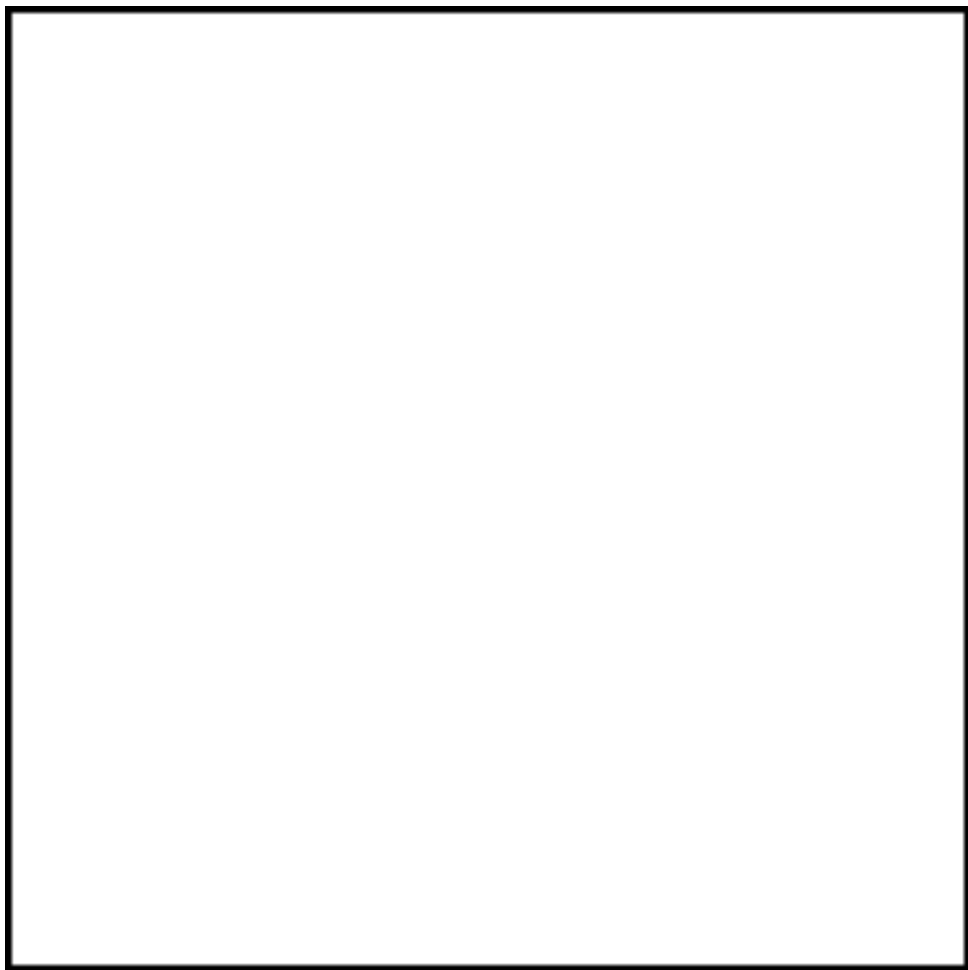

Can you remember if you've been sick this year? Strep throat or flu or COVID and you get a fever? Did you know a fever is your body's immune system responding and fighting off some virus or bad bacteria that's attacking your body. So, yes, a fever feels awful because you're sweaty, cold, achy, and uncomfortable. It's no fun but a fever is a sign that a fight is going on inside you. Your body is fighting back against an enemy.

Right at the beginning of his gospel, in Mark 2-3, Mark tells us all these conflict stories about Jesus. Jesus says something or does something that makes a bunch of people mad and feel bad. But it's like we're sick and we've got a fever, only Jesus is the fever fighting the bad stuff for us. Jesus comes fighting sin, death, and the devil - all our enemies for us.

Being a Christian and believing in Jesus can be hard. Life is not all sunshine, lollipops, and rainbows. But because Jesus lived for us, died for us, and was raised for us - he has won for us we too will win the fight against everything against us.
