

## How We Know God Better, The Bible Part 1

Read it like it's true.

*If prayer is how you talk to God, then how does God talk to you? Do you need God to open the heavens and talk to you face to face?*

*What do you have to have to know who God is?*

You need the Bible!

2 Timothy 3:14-17, "14 But as for you, continue in what you have learned and have firmly believed, knowing from whom you learned it 15 and how from childhood you have been acquainted with the sacred writings, which are able to make you wise for salvation through faith in Christ Jesus. 16 All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, 17 that the man of God may be complete, equipped for every good work.

*Where do you learn about Jesus?*

*What do you learn about Jesus in the Bible?*

You can only know Jesus through the Bible. And you can only know what Jesus did for us to save through the Bible.

*Is reading the Bible hard?*

*How do you read your Bible?*

Just read it. Just listen to it. Don't be afraid of it.

Must read it like it's all about Jesus. When you read it, ask yourself two questions: 1) where do I see the need for salvation and 2) where do I see my Savior meeting that need?

Read it like it's one big story and the story is not over.

Read it like it's enough for you to know Jesus.
