What in the world is...?

Hymns, Praise Songs?

Singing loudly is not just something we do in the shower. God gave us voices to sing about how awesome he is!

Confession?

God wants to hear what we did wrong. Tell him! He not only listens, he also forgives.

Prayer?

God cares so much for us that he taught us to pray. He wants us to know what to pray for and also how to pray. How amazing is that? Take a look in your parents' bulletin to check it out!

The Offering?

Ever wonder why we put money in that basket being passed around? God wants us to give to him and his church in joy as an act of worship!

The Sermon?

This is when the pastor helps us understand what God is telling us in the Bible. And the Bible is God's word!

Communion?

Communion is when we celebrate what Jesus did for us on the cross. We say the bread represents Jesus' body and the wine represents Jesus' blood. Weird huh? And awesome. It means Jesus is really spiritually present with us in Lord's Supper by the power of the Holy Spirit. And when we eat the bread and drink the wine God nourishes our spirits!!! Who gets to take communion? Those who believe in Jesus and have shared their faith with the leaders in the church.

Benediction?

This is the end of the church service where everyone receives God's blessing. Isn't it awesome that God shares this blessing with us?

SERMON NOTES

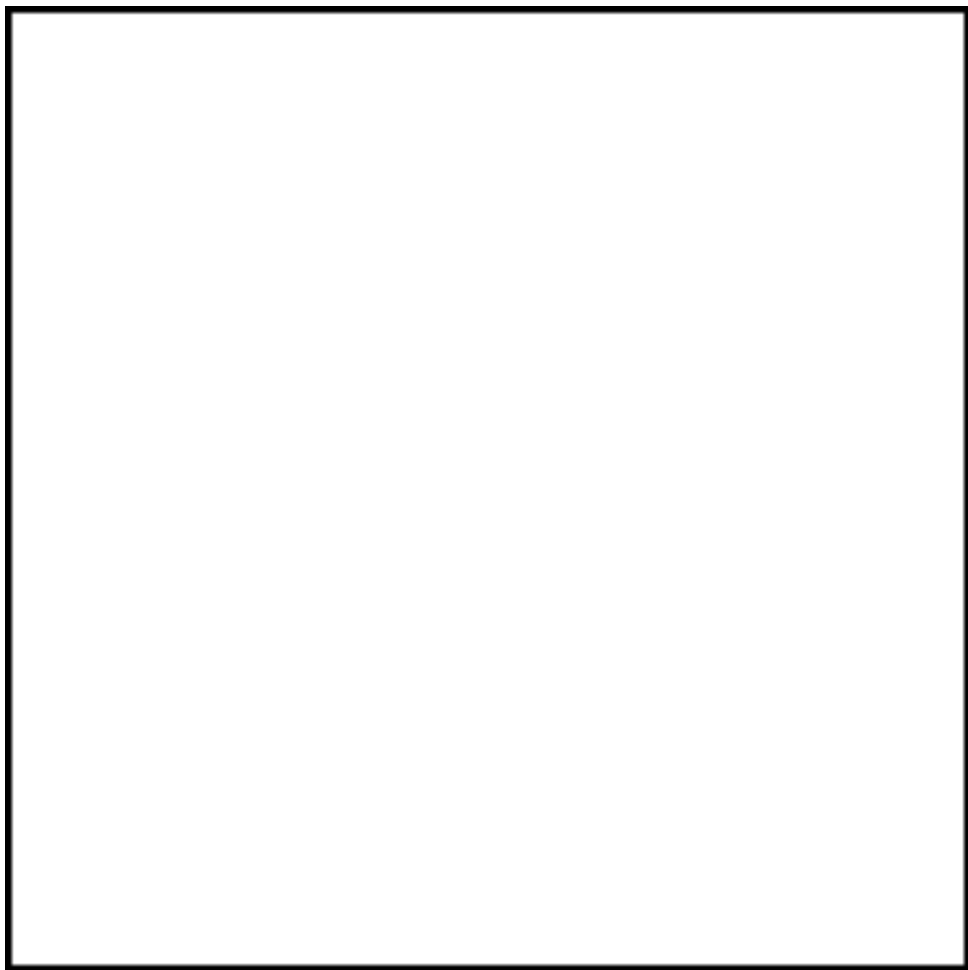

What if your parents told you they loved you because you were so smart and then you failed a test at school? What if your parents told you they loved you because you're so beautiful and then you trip and fall on your face and bust your nose, and get a black eye and you look all messed up? If that's why your parents loved - because you're good at something - then you'd be so scared to ever not be good because then they wouldn't love you. Your parents love you because they love you and that's awesome news!

So why do you think God loves you? The Bible says God loves you because HE LOVES YOU! And how do you know how much he loves you and always will love you? Because of Jesus. You know God loves you because God sent his Son to live and die for you on the cross while we were still sinners in order to save us forever! So when you doubt God's love or when you doubt if you're saved don't look at yourself. Don't look at whether or not you're good enough for God to love. Don't even look at how strong you think your faith is or be worried your faith isn't strong enough. Don't look at you when you doubt. Look at Jesus and you'll know he loves you and he's already saved you.
