## What in the world is...?

### Hymns, Praise Songs?

Singing loudly is not just something we do in the shower. God gave us voices to sing about how awesome he is!

### Confession?

God wants to hear what we did wrong. Tell him! He not only listens, he also forgives.

### Prayer?

God cares so much for us that he taught us to pray. He wants us to know what to pray for and also how to pray. How amazing is that? Take a look in your parents' bulletin to check it out!

### The Offering?

Ever wonder why we put money in that basket being passed around? God wants us to give to him and his church in joy as an act of worship!

### The Sermon?

This is when the pastor helps us understand what God is telling us in the Bible. And the Bible is God's word!

### Communion?

Communion is when we celebrate what Jesus did for us on the cross. We say the bread represents Jesus' body and the wine represents Jesus' blood. Weird huh? And awesome. It means Jesus is really spiritually present with us in Lord's Supper by the power of the Holy Spirit. And when we eat the bread and drink the wine God nourishes our spirits!!! Who gets to take communion? Those who believe in Jesus and have shared their faith with the leaders in the church.

### Benediction?

This is the end of the church service where everyone receives God's blessing. Isn't it awesome that God shares this blessing with us?

## SERMON NOTES

What happens when you stub your toe? Is it just your toe that jumps up and down or does your whole body freak out?! What do your eyes do? Cry! What do your hands do? Grab your toe! And your knee bends, and your other foot holds you up. So, when one part of your body hurts, you can feel the pain through your whole body!

Romans 12 tells us the church is like a whole body AND you are a part of it!

So what? So what does that mean?

It means when one person in the church hurts we all hurt with them.

It means when one person celebrates in the church we all celebrate with them.

AND it means you need the church, like a pinky finger needs the whole body!

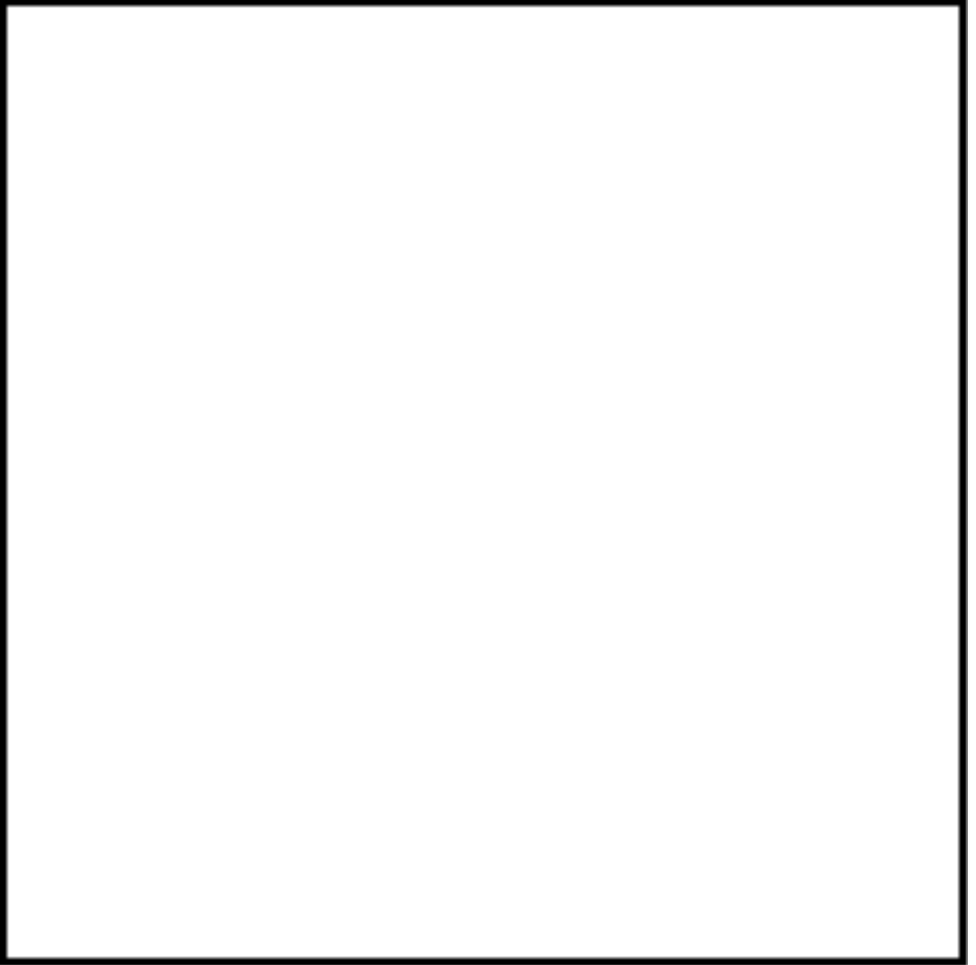

AND it means the church needs you, like a body needs its arms, legs, feet, hands, toes, ears, nose, eyes! And just like every one of those parts is important you are just as important as every other part of the body and the church needs you!

THIS is the last thing - Paul tells us in Romans 12 not that we are becoming the body of Christ - we already ARE one body.

It's Jesus who has saved us who has made us one body. We are already one body because of what Jesus has done for us on the cross and because he lives in each one of us - AND THAT MEANS WE NEED TO ACT LIKE ONE BODY! And we do that by loving and caring for one another.
