FAQ

PRODUCT DELIVERY

After the proposal is accepted, deliver the items to the assigned location via drop-off or using one of the major shipping providers.

Drop off time: Mon – Fri: 10:00 AM – 5:00 PM.

Please do not ship or drop off your products before the proposal is accepted and make sure it meets [Product requirements](#).

PAYMENT

Once your products are delivered to Squareshot and we confirmed that the items match the proposal, we send you an invoice. Once you make the payment, we move to the shooting stage. We use Stripe so you can pay with all major Credit / Debit cards.

TEST SHOOT TURNAROUND TIME

For new clients or complex projects, we suggest making test shots. A test photoshoot is a great way to confirm guidelines and creative direction. This is especially beneficial for projects with 20+ images. Once you are satisfied with the test results, we'll send you an invoice.

Read more about [why test shots are important](#).

REVISIONS

Yes, any revisions made due to Squareshot's failure to follow your shooting directions are free of charge. Any revisions made due to unclear directions from the client which were open to interpretation and assumption will be paid. Please read our [Revision policy](#).
