## **Publishing and Education**

## **Publishing and Education**

Link4Fun brings technology into the learning field by integrating iPad apps with books and cards. With a turn of a page or a tap of a card, your child's imagination comes to life while learning fundamental words.

## **Publishing and Education**

451 Interactive Publishing redraws the boundaries of what comic book storytelling can be. By combining Touchcode technology with the visionary talents of the comic industry's leading artists we have created a first of its kind interactive experience. By creating characters and worlds so large they break through the confines of the panel and page we are captivating and engaging readers with a fresh and entirely unique experience.
