

WORKPLACE GIVING

Achieve the SDGs in your workplace

The 17 Sustainable Development Goals (SDGs) are the world's best plan to build a better world for people and our planet by 2030. They recognise that ending poverty must go hand-in-hand with strategies that build economic growth and address a range of social needs

including education, health, equality and job opportunities, while tackling climate change and working to preserve our ocean and forests.

By joining Free To Shine's workplace giving program you will support the following seven SDGs:

GOAL 1 END POVERTY IN ALL ITS FORMS EVERYWHERE

TARGETS

By 2030, **eradicate extreme poverty** for all people everywhere, currently measured as people living on less than \$1.25 a day.

YOUR SUPPORT

You'll be achieving this by funding **safety visits** with families to address complex factors interlinked with poverty such as unemployment, debt, illness, migration, hunger, addiction, violence and family breakdown.

GOAL 2 END HUNGER, ACHIEVE FOOD SECURITY AND IMPROVED NUTRITION AND PROMOTE SUSTAINABLE AGRICULTURE

TARGETS

By 2030, **end hunger** and ensure access by all people, in particular the poor and people in vulnerable situations, including infants, to safe, **nutritious and sufficient food** all year round.

YOUR SUPPORT

You'll be achieving this by supplying families with **10 different types of seeds**, information about their nutritional content, and instruction on how to grow them, assisting families to grow enough fruits and vegetables to not only feed themselves, but also to sell any excess at the market.

GOAL 4 ENSURE INCLUSIVE AND QUALITY EDUCATION FOR ALL AND PROMOTE LIFELONG LEARNING

TARGETS

By 2030, ensure that all girls and boys complete free, **equitable and quality** primary and secondary education leading to relevant and effective learning outcomes.

YOUR SUPPORT

You'll be achieving this by providing the **educational support and materials** necessary for girls to access school including uniforms, books, pens, a backpack, and a bicycle, and providing the essential financial support for additional curriculum classes so girls can progress to the next grade.

GOAL 5 ACHIEVE GENDER EQUALITY AND EMPOWER ALL WOMEN AND GIRLS

TARGETS

Eliminate all forms of violence against all women and girls in the public and private spheres, including **trafficking** and sexual and other types of **exploitation**. Ensure women's full and effective participation and equal **opportunities for leadership** at all levels of decision making in political, economic and public life.

YOUR SUPPORT

You'll be **preventing the trafficking and exploitation of girls** by strengthening family and community systems to prioritize the safety and education of their children. You'll be funding **leadership skills training**, mentorship, and project management training to emerging leaders and **investing in university education** to develop the next generation of Cambodian women leaders.

GOAL 6 ENSURE ACCESS TO WATER AND SANITATION FOR ALL

TARGETS

By 2030, achieve universal and equitable access to safe and affordable **drinking water** for all.

YOUR SUPPORT

You'll be achieving this by providing families who would otherwise source their water from wells, ponds and streams, often becoming sick, with a locally made **water filter**.

GOAL 8 PROMOTE INCLUSIVE AND SUSTAINABLE ECONOMIC GROWTH, EMPLOYMENT AND DECENT WORK FOR ALL

TARGETS

Take immediate and effective measures to eradicate forced labour, **end modern slavery and human trafficking** and secure the prohibition and elimination of the worst forms of child labour, including recruitment and use of child soldiers, and by 2025 end child labour in all its forms.

YOUR SUPPORT

You'll be achieving this by **increasing girls' access to school**. According to the ILO (2009), getting girls into schools and keeping them there is vital to reducing their vulnerability to trafficking. You'll be funding **safety visits** at home and school as well as **workplace safety assessments**.

GOAL 16 PROMOTE JUST, PEACEFUL AND INCLUSIVE SOCIETIES

TARGETS

Significantly reduce all forms of violence and related death rates everywhere. **End abuse, exploitation, trafficking** and all forms of violence against and torture of children. Promote the rule of law at the national and international levels and ensure equal access to justice for all. Develop effective, accountable and transparent institutions at all levels

YOUR SUPPORT

You'll be partnering with communities and local government to **strengthen systems**. You'll be **keeping women and children safe from violence** by providing social work interventions which include safety planning, addressing risk factors, and increasing protective factors. You'll also be **funding law degrees** for emerging leaders to improve access to justice.
