

# PROFESSIONAL DEVELOPMENT

**U Lead** is ELA's professional development training program. ELA provides teambuilding and leadership opportunities to support the growth and development of your workforce.

**U Lead** workshops are perfect for educators, administrators, professionals, and parents/guardians. You can select from our programming menu or work with our team to create a customized session or series that meets your critical needs. Our professional development programs promote learning and success through engaging and interactive activities. Programs conclude with reflection and discussion to build deeper connections to the content and applications within your organization.

## BUILDING TEAMS
