## Glen Breton 10 Year Old Rare Ice

### **Background:** North America's Only Single Malt Whisky Distillery

In the early 1800's, Scottish immigrants chose Cape Breton Island for their new home as its beauty so resembled the Highlands and islands of Scotland. Many tradition and secrets came with these pioneers. The making of a spirited whisky was one of them. The crystal clear Water from MacLellan's Brook flows from the Mabou Highlands located above Glenora Distillery, giving Glen Breton its classic and pure taste. The world's first single malt whisky aged in ice wine barrels. This is a Nova Scotia triumph.

Remarkably complex flavors of citrus, dried fruits and spice play on the palate. Finishes with lightly peaty and cedary perfume. The ice wine barrel-takes off all the normally fiery edges of a 10year-old-whisky. Just incredible, utterly unique and jaw-dropping!
