

Terra Molino Rose

Background: Spain has a long history of producing fine wines. Spain has the largest area of land dedicated to viniculture of any country in the world.

Grape Varietal: Spain's Noble red **Tempranillo** grape is used to produce this beautiful Rose Wine. The black skinned grapes are crushed and the skins are allowed to remain in contact with the juice for a short contact. Just long enough to give the wine its beautiful pink color. Tempranillo has been grown in Spain since the time of Phoenician settlements.
