HIGHLIGHTS OF THE MONTH

As the days lengthen and temperatures ease, the climate is absolutely ideal for visiting Paris day and night.
Enjoy the first cherry blossoms on Boulevard St Germain.

Do not miss the 47th Paris International Marathon on April 7th.

If you are a passionate reader, the international book fair will take place at the "Grand Palais Ephémère", from April 12th to 14th, with over 150 exhibitors on site.

The annual Paris art fair will also be held from April 4th to 7th at the "Grand Palais", bringing together modern and contemporary art with thousands of renowned and emerging artists from over 75 countries.
