Carey 2013—your family vacation!

You're invited to join us at the 2013 Canadian Carey Family Conference for a week of rest, edifying Christian fellowship, sound Biblical preaching and teaching for all ages. It's our prayer that the 2013 Carey Conference will be a blessing to you as it has been to so many over the last 30 years. The Carey takes place **August 17-23** at the Braeside Camp and Conference Centre in Paris, Ontario.

Our main speaker, **CONRAD MBEWE**, pastor of Kabwata Baptist Church, Zambia, will speak five times on the thrilling theme of **THE CROSS OF CHRIST**. On the weekend and in the morning sessions, our own men will explore the glory of the Church of Christ and address a number of very practical issues in a series entitled, **The Church: God's Spiritual House**.

Children's programs are available for those aged two years and up during the weekday morning sessions. Full nursery service is available for all services.

Organized sporting activities are available weekday afternoons for those aged 8 and older. Be blessed by the informal times of fellowship around campfires and over an afternoon coffee, where friendships are renewed and life-long relationships established. No wonder the Carey is the favourite week of the year for so many families!

Additional details, online registration and payment is available on our website: www.careyconference.net.

We're grateful for the facilities we are privileged to use, the many volunteers who give of their time and gifts to lead, teach, preach, organize and handle conference logistics, but we are convinced that unless God blesses us with His Holy Spirit those efforts will ultimately profit none of us. Please pray with us that those who teach and preach and all who sit under their ministry might experience God's presence and blessing. Pray that our times of fellowship will be sweet as we build each other up in our faith. It is our hope that Jesus Christ be exalted, the church edified and the unsaved brought to salvation.

ONLINE REGISTRATION AT WWW.CAREYCONFERENCE.NET

The website contains up-to-date accommodation availability and convenient online registration and payment.
