

WE ARE EXCITED TO WELCOME YOU TO THE 2009 CANADIAN CAREY FAMILY CONFERENCE!

For over 30 years the Carey Conference has been providing spiritual refreshment through sound Biblical teaching, warm Christian fellowship and family fun. We are eagerly anticipating similar blessings in 2009 when we meet August 22-28 at the Braeside Camp and Conference Centre in Paris, Ontario.

Our plenary speaker will be **THABITI ANYABWILE**, pastor of First Baptist Church of Grand Cayman and a regular conference speaker (see his blog at purechurch.blogspot.com). Pastor Anyabwile will speak five times on **QUESTIONS FOR JESUS**. In the other sessions, SGF pastors will bring biblical exposition and practical application to bear on the theme, **Foundations for the Family**. Instructional programs for children (4 yrs and up) are available during the weekday morning sessions. Full nursery care is available for all services.

Check out the new Carey website! See www.careyconference.net for additional information on this and previous conferences. Online registration is also available on the new site. Please pray that the Spirit of God will bless us all with a fresh appreciation of Christ and His grace.

ABOUT THABITI ANYABWILE...

Thabiti Anyabwile is Senior Pastor of First Baptist Church of Grand Cayman, Cayman Islands. A native of Lexington, North Carolina, he is also the happy husband of Kristie and the adoring father of two daughters, Afiya and Eden, and one son, Titus. Thabiti previously served as an elder/assistant pastor at Capitol Hill Baptist Church (Washington, DC) and as an elder at Church on the Rock (Raleigh, NC). He is the author of three books: *The Faithful Preacher* (07); *The Decline of African-American Theology* (07); and *What is a Healthy Church Member?* (08).

Having converted to Islam as an adult in his search for Truth, Thabiti was graciously saved by God through Christ and set apart for the Gospel ministry. The Lord has worked all these things for good in his life and gifted him with an authentic and winsome manner in handling the Word of Truth.
