

HALLWORTH

Cassiopeia

ODYSSEY

A collection of lighting inspired by celestial bodies, space, dreams, things far and away. 'Odyssey' is a continuous exploration into the intrigues of other worlds.

CONSTELLATION

As if drawn from the sky, these flush mount fixtures are comprised of a series of hand-faceted glass lenses encased in spun brass linked together to illustrate different constellations. These fixtures hark to the endless fascination of the heroes of mythology and the stars that punctuate these stories.

THE SKY IS THE LIMIT

Andromeda, Apus, Aquarius, Aquila, Aries, Auriga, Cancer, Canes Venatici, Canis Major, Capricorn, Carina, Cassiopeia, Chamaeleon, Circinus, Columba, Corona Australis, Corona Borealis, Crux, Cygnus, Dorado, Draco, Eagle, Equuleus, Eridanus, Fornax, Gemini, Grus, Hercules, Horologium, Hydra, Hydrus, Indus, Leo, Lepus, Libra, Lynx, Monoceros, Octans, Pegasus, Perseus, Phoenix, Pisces, Sagitta, Sagittarius, Scorpio, Sculptor, Sextans, Taurus, Triangulum, Virgo.
