## Group Insurance Eligibility

### Employee Eligibility

Employees are eligible to participate in the KEYS' insurance plans if they are full-time employees working a minimum of 30 hours per week. Coverage will be effective the first of the month following 31 days of employment. For example, if an employee is hired on April 11, then the effective date of coverage will be June 1.

### Separation of Employment

If employee separates employment from KEYS, insurance will cease the date in which separation occurred. COBRA continuation of coverage may be available as applicable by law.

### Dependent Eligibility

A dependent is defined as the legal spouse or domestic partner and/or dependent child(ren) of the participant or spouse or domestic partner. The term "child" includes any of the following:

- A natural child
- A stepchild
- A legally adopted child
- A newborn child (up to the age of 18 months) of a covered dependent (Florida)
- A child for whom legal guardianship has been awarded to the participant or the participant's spouse or domestic partner

### Dependent Age Requirements

**Medical Coverage:** A dependent child may be covered through the end of the calendar year in which the child turns age 26. An over-age dependent may continue to be covered on the medical plan to the end of the calendar year in which the child reaches age 30, if the dependent meets the following requirements:

- Unmarried with no dependents; and
- A Florida resident, or full-time or part-time student; and
- Otherwise uninsured; and
- Not entitled to Medicare benefits under Title XVIII of the Social Security Act, unless the child is disabled.

**Dental Coverage:** A dependent child may be covered through the end of the calendar year in which the child turns age 30.

**Vision Coverage:** A dependent child may be covered through the end of the calendar year in which the child turns age 30.

*Please see Taxable Dependents if covering eligible over-age dependents.*

### Disabled Dependents

Coverage for an unmarried dependent child may be continued beyond age 26 if:

- The dependent is physically or mentally disabled and incapable of self-sustaining employment (prior to age 26); and
- Primarily dependent upon the employee for support; and
- The dependent is otherwise eligible for coverage under the group medical plan; and
- The dependent has been continuously insured

Proof of disability will be required upon request. Please contact Human Resources if further clarification is needed.

### Taxable Dependents

Employee covering adult child(ren) under employee's medical, dental and vision insurance plans may continue to have the related coverage premiums payroll deducted on a pre-tax basis through the end of the calendar year in which dependent child reaches age 26. Beginning January 1 of the calendar year in which dependent child reaches age 27 through the end of the calendar year in which the dependent child reaches age 30, imputed income must be reported on the employee's W-2 for that entire tax year and will be subject to all applicable Federal, Social Security and Medicare taxes. Imputed income is the dollar value of insurance coverage attributable to covering each adult dependent child. Contact Human Resources for further details if covering an adult dependent child who will turn age 27 any time during the upcoming calendar year or for more information.

*Please Note: There is no imputed income if adult dependent child is eligible to be claimed as a dependent for Federal income tax purposes on the employee's tax return.*

### Domestic Partner Coverage

Domestic partners may be eligible to participate in KEYS' group insurance plans if the partner is officially registered as a domestic partner with KEYS. The IRS guidelines state that employee may not receive a tax advantage on any portion of premiums paid related to domestic partner coverage. Employees insuring domestic partners and/or child dependent(s) of a domestic partner are required to pay imputed income tax on subsidy amounts and should consult a tax advisor. Please contact Human Resources for more information.

## Qualifying Events and Section 125

### Section 125 of the Internal Revenue Code

Premiums for medical, dental, vision insurance, contributions to Flexible Spending Accounts (FSA), and/or certain supplemental policies are deducted through a Cafeteria Plan established under Section 125 of the Internal Revenue Code and are pre-taxed to the extent permitted. Under Section 125, changes to employee's pre-tax benefits can be made ONLY during the Open Enrollment period unless the employee or qualified dependent(s) experience(s) a Qualifying Event and the request to make a change is made within 30 days of the Qualifying Event.

**Please Note:** This is not a KEYS policy, but is governed by the IRS Code, Section 125.

Under certain circumstances, employee may be allowed to make changes to benefit elections during the plan year, if the event affects the employee, spouse or dependent's coverage eligibility. An "eligible" Qualifying Event is determined by Section 125 of the Internal Revenue Code. Any requested changes must be consistent with and due to the Qualifying Event.

#### Examples of Qualifying Events:

- Employee gets married or divorced
- Birth of a child
- Employee gains legal custody or adopts a child
- Employee's spouse and/or other dependent(s) die(s)
- Loss or gain of coverage due to employee, employee's spouse and/or dependent(s) termination or start of employment
- An increase or decrease in employee's work hours causes eligibility or ineligibility
- A covered dependent no longer meets eligibility criteria for coverage
- A child gains or loses coverage with other parent or legal guardian
- Change of coverage under an employer's plan
- Gain or loss of Medicare coverage
- Losing or becoming eligible for coverage under a State Medicaid or CHIP (including Florida Kid Care) program (60 day notification period)

### IMPORTANT NOTES

If employee experiences a Qualifying Event, **Human Resources must be contacted within 30 days of the Qualifying Event** to make the appropriate changes to employee's coverage. Employee may be required to furnish valid documentation supporting a change in status or "Qualifying Event". If approved, changes may be effective the date of the Qualifying Event or the first of the month following the Qualifying Event. Newborns are effective on the date of birth. Qualifying Events will be processed in accordance with employer and carrier eligibility policy. Beyond 30 days, requests will be denied and employee may be responsible, both legally and financially, for any claim and/or expense incurred as a result of employee or dependent who continues to be enrolled but no longer meets eligibility requirements.

### Summary of Benefits and Coverage

A **Summary of Benefits & Coverage (SBC)** for the Medical Plan is provided as a supplement to this booklet being distributed to new hires and existing employees during the Open Enrollment period. The summary is an important item in understanding employee's benefit options. A free paper copy of the SBC document may be requested or is also available as follows:

## Dental Insurance

### Cigna Dental PPO Plan

KEYS offers dental insurance through Cigna Healthcare to benefit-eligible employees. The costs per pay period for coverage are listed in the premium table below and a brief summary of benefits is provided on the following page. For more detailed information about the dental plan, please refer to the carrier's summary plan document or contact Cigna's customer service.

#### Dental Insurance – Cigna Dental PPO Plan

24 Payroll Deductions - Per Pay Period Cost

Tier of Coverage	Monthly Cost	Employee Cost Per Pay
Employee Only	\$45.62	\$22.81
Employee + Family	\$107.83	\$53.92

#### In-Network Benefits

The Dental PPO plan provides benefits for services received from in-network and out-of-network providers. It is also an open-access plan which allows for services to be received from any dental provider without having to select a Primary Dental Provider (PDP) or obtain a referral to a specialist. The network of participating dental providers the plan utilizes is the Cigna Total DPPO Network. These participating dental providers have contractually agreed to accept Cigna's contracted fee or "allowed amount." This fee is the maximum amount a Cigna dental provider can charge a member for a service. The member is responsible for a Calendar Year Deductible (CYD) and then coinsurance based on the plan's charge limitations.

**Please Note:** Total DPPO dental members have the option to utilize a dentist that participates in either Cigna's Advantage Network or DPPO Network. However, members who use the Cigna Advantage Network will see additional cost savings from the added discount allowed for using an Advantage network provider. Members are responsible for verifying whether the treating dentist is an Advantage Dentist or a DPPO Dentist.

#### Out-of-Network Benefits

Out-of-network benefits are used when member receives services by a non-participating Cigna Total DPPO provider. Cigna reimburses out-of-network services based on what it determines as the Maximum Reimbursable Charge (MRC). The MRC is defined as the most common charge for a particular dental procedure performed in a specific geographic area. If services are received from an out-of-network dentist, the member may be responsible for balance billing. Balance billing is the difference between Cigna's MRC and the amount charged by the out-of-network dentist. Balance billing is in addition to any applicable plan deductible or coinsurance responsibility.

#### Calendar Year Deductible

The Dental PPO plan requires a \$50 individual or a \$100 family deductible to be met for in-network or out-of-network services before most benefits will begin. The deductible is waived for preventive services.

#### Calendar Year Benefit Maximum

The maximum benefit (coinsurance) the Dental PPO plan will pay for each covered member is \$2,000 for in-network and out-of-network services combined. Preventive services accumulate towards the benefit maximum. Once the plan's benefit maximum is met, the member will be responsible for future charges until next calendar year.

## Flexible Spending Accounts

KEYS offers Flexible Spending Accounts (FSA) administered through BenefitsWorkshop. The FSA plan year is from October 1 through September 30.

If employee or family member(s) has predictable health care or work-related day care expenses, then employee may benefit from participating in an FSA. An FSA allows employee to set aside money from employee's paycheck for reimbursement of health care and day care expenses they regularly pay. The amount set aside is not taxed and is automatically deducted from employee's paycheck and deposited into the FSA. During the year, employee has access to this account for reimbursement of some expenses not covered by insurance. Participation in an FSA allows for substantial tax savings and an increase in spending power. Participating employee must re-elect the dollar amount to be deducted each plan year. There are two (2) types of FSAs:

### Health Care FSA

This account allows participant to set aside up to an annual maximum of \$3,050. This money will not be taxable income to the participant and can be used to offset the cost of a wide variety of eligible medical expenses that generate out-of-pocket costs. Participating employee can also receive reimbursement for expenses related to dental and vision care (that are not classified as cosmetic).

Examples of common expenses that qualify for reimbursement are listed below.

*Please Note: The entire Health Care FSA election is available for use on the first day coverage is effective.*

### Dependent Care FSA

This account allows participant to set aside up to an annual maximum of \$5,000 if single or married and file a joint tax return (\$2,500 if married and file a separate tax return) for work-related day care expenses. Qualified expenses include day care centers, preschool, and before/after school care for eligible children and dependent adults.

Please note, if family income is over \$20,000, this reimbursement option will likely save participants more money than the dependent day care tax credit taken on a tax return. To qualify, dependents must be:

- A child under the age of 13, or
- A child, spouse or other dependent who is physically or mentally incapable of self-care and spends at least eight (8) hours a day in the participant's household.

*Please Note: Unlike the Health Care FSA, reimbursement is only up to the amount that has been deducted from participant's paycheck for the Dependent Care FSA.*

### A sample list of qualified expenses eligible for reimbursement include, but not limited to, the following:

- |   |  |                               |

## Flexible Spending Accounts (Continued)

### FSA Guidelines

- The Health Care FSA allows a grace period at the end of the plan year (90 days). The grace period allows additional time to incur claims and use any unused funds on eligible expenses after the plan year ends. Once the grace period ends, any unused funds still remaining in the account will be forfeited.
- The Health Care FSA has a run out period at the end of the grace period (until March 31) to submit reimbursement on eligible expenses incurred during the period of coverage within the plan year and/or grace period.
- When a plan year ends and all claims have been filed, all unused funds will be forfeited and not returned.
- Employee can enroll in an FSA only during the Open Enrollment period, a Qualifying Event, or New Hire Eligibility period.
- Money cannot be transferred between FSAs.
- Reimbursed expenses cannot be deducted for income tax purposes.
- Employee and dependent(s) cannot be reimbursed for services not received.
- Employee and dependent(s) cannot receive insurance benefits or any other compensation for expenses reimbursed through an FSA.
- Domestic Partners are not eligible as Federal law does not recognize them as a qualified dependent.

### Filing a Claim

#### Claim Form

A completed claim form along with a copy of the receipt as proof of the expense can be submitted by mail or fax. The IRS requires FSA participants to maintain complete documentation, including copies of receipts for reimbursed expenses, for a minimum of one (1) year.

#### Debit Card

Health care FSA participants will automatically receive a debit card for payment of eligible expenses. With the card, most qualified services and products can be paid at the point of sale versus paying out-of-pocket and requesting reimbursement. The debit card is accepted at a number of medical providers and facilities, and most pharmacy retail outlets. Benefit Workshop may request supporting documentation for expenses paid with a debit card. Failure to provide supporting documentation when requested, may result in suspension of the card and account until funds are substantiated or refunded back to KEYS. This card will not expire at the end of the benefit year. Please keep the issued card for use next year. Additional or replacement cards may be requested, however, a small fee may apply.

### HERE'S HOW IT WORKS!

An employee earning \$30,000 elects to place \$1,000 into a Health Care FSA. The payroll deduction is \$38.46 based on a 24 pay period schedule. As a result, health care expenses are paid with tax-free dollars, giving the employee a tax savings of \$197.

	With a Health Care FSA	Without a Health Care FSA
Salary	\$30,000	\$30,000
FSA Contribution	-\$1,000	-\$0
Taxable Pay	\$29,000	\$30,000
Estimated Tax 19.65% = 12% + 7.65% FICA	-\$5,698	-\$5,895
After Tax Expenses	-\$0	-\$1,000
Spendable Income	\$23,302	\$23,105
<b>Tax Savings</b>	<b>\$197</b>	

**Please Note:** Be conservative when estimating health care and/or dependent care expenses. IRS regulations state any unused funds remaining in an FSA, after a plan year ends and after all claims have been filed, cannot be returned or carried forward to the next plan year. **This rule is known as "use-it or lose-it."**
