

How to become a member of Mill Mountain Zoo

🐾 To become a member of Mill Mountain Zoo is a quick and painless process!

🐾 First, read all our options for our memberships and decide which is best suited to you and your families' needs. We have created 3 different memberships to fit most family dynamics, these include our Parrot Company, Goat Tribe, and Wolf Pack Memberships. For each membership there are options to add additional adults to each plan.

🐾 Once you find the membership that fits you, click on the "Book Online" button under the membership description. If you are gifting the membership to family or a friend, click "yes" under the question "is this membership a gift?", if not, click "no".

🐾 The options of our membership will then become available for you to choose. Click the large circle beside the membership of your choice and if you need any modifications to your membership, click the down arrow to choose the modification needed. Once you have chosen your membership and applied the necessary modifications, fill out your name and the names of your family members you need included on your membership. If it is a gift, fill out their name and information and where you would like the membership card to be sent.

🐾 After all relevant information has been filled out, scroll down to the bottom, and click "add to cart". If you have a promotional code, add it to the box and click "apply" if not, click "complete purchase". This will take you to a log in page, if you already have a login, please log in to the website, if not, click "register" at the top of the box and fill in your email. Once you are onto the website, fill out your credit card information and scroll to purchase your membership!

Congratulations!

You are now a member of Mill Mountain Zoo and receive all the benefits that are gained as one of our valued members which includes:
