## CHC33015 - Certificate III in Individual Support (Disability)

alffie's CHC33015 - Certificate III in Individual Support (Disability) prepares participants for a client facing role in Australia's health and community services industry.

Throughout this course, our friendly team will assist participants in developing skills and knowledge that will enhance their ability to work confidently, effectively and safely in a variety of health and community services environments.

### From training.gov.au

*This qualification reflects the role of workers in the community and/or residential setting who follow an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason. Work involves using discretion and judgement in relation to individual support as well as taking responsibility for own outputs.*

### Course information

**Course duration:** 1215 hours

- Semester 1: 405 hours
- Semester 2: 690 hours

**Work placement:** 120 hours

**Important note:** Enrolment will be valid for up to 12 months.

This course is delivered online through a combination of written and audiovisual lesson material. The assessments are interactive and simulate real-life working conditions and environments.

To achieve this qualification, the student must complete 120 hours of work placement, as outlined in the assessment requirements for each unit of competency. **Please note**, alffie will assist with the work placement process but cannot guarantee practical placement. Participants are required to get a flu vaccination before starting work placement in an aged care facility.

## Entry requirements

It is a government requirement that all participants undertaking Nationally Recognised Training in Australia have a unique student identifier (USI). To begin this course, participants will need a USI.

For more information on USIs, go to: [www.usi.gov.au](http://www.usi.gov.au)

In addition to a USI, to begin and complete this course, participants will need:

- Regular access to a computer, tablet or smartphone (note: there may be activities in the course that need to be completed using a desktop computer rather than a tablet or smartphone)
- An email address and regular access to a reliable internet connection
- Basic to intermediate computer or digital device skills
- To meet certain language, literacy and numeracy (LLN) requirements and pass a short LLN test
- The ability to communicate directly with *alffie* in English
- The ability and willingness to study online lesson material, complete online assessment activities, and to complete a practical work placement
- PDF reader software (e.g., Adobe Acrobat) installed on a computer or the digital device being used to access the course
- The ability to understand and follow detailed instructions given verbally or written in English
- **To obtain any relevant mandatory industry checks.**

## Outcome

Most units in this course require work placement. To be issued with a CHC33015 - Certificate III in Individual Support (Disability) qualification, participants will need to meet all assessment requirements for all units of competency in the course. Please note, in the case that one, or some, but not all of the units of competency are completed, a Statement of Attainment can be issued. Examples of job roles this qualification may be relevant to include:

- Accommodation Support Worker
- Disability Service Officer
- Respite Care Worker
- Disability Support Worker
- Health Care Assistant.
