# SOFT MOBILITY

Get to the EPFL Innovation Park on foot or by bike to stay in shape

## Parking

Holders of a **Camipro** card have free access to a **324-space secure bike station** located near the M1 metro station, 24 / 7 and without registration.

## Cargobike

Borrow one of the campus' **6 cargobikes** for free to transport your equipment around the campus and in the surrounding area. One cargo bike is also available at the EPFL Innovation Park on the side of building H.

[go.epfl.ch/cargobikes](https://go.epfl.ch/cargobikes)

## PubliBike

7 bike-sharing stations are spread across the campus including one in the heart of the EPFL Innovation Park.

[go.epfl.ch/publibike-en](https://go.epfl.ch/publibike-en)

Passes at preferential rates are available for all companies of the Park. Get in touch with [sustainability@epfl-innovationpark.ch](mailto:sustainability@epfl-innovationpark.ch) to get the current promocode.

## Cycling to EPFL Innovation Park

Discover our recommended routes by bike from Lausanne, Renens, Morges or Prilly.

[go.epfl.ch/routes](https://go.epfl.ch/routes)

Worried about getting sweaty? Showers are available on site.

EPFL Innovation Park companies can benefit from subsidies for electric bikes from the municipality of Ecublens.

[ecublens.ch](https://ecublens.ch)

## Did you know?

Thanks to our partnership with Tandem, employees of companies based at the EPFL Innovation Park can benefit from a 5% discount on the purchase of an electric bike and 10% on accessories.

# PUBLIC TRANSPORTS

**Public transport services that enable you to get to the EPFL Innovation Park without wasting any time**

## **Accessibility**

The campus is located in zone 12 of the Mobilis tariff network. Travel times and services :

- Renens train station (~13', M1, bus 31)
- Morges train station (~17', bus 701)
- Lausanne train station (~27', M1)
- Lonay center (~30', bus 705)

## **tl counter**

The easiest way of accessing all public transport offers is to go to the single point of sale directly on the EPFL campus.

Maison de la Mobilité

Bâtiment BI, BI A0 432

Mo.-Fr.: 9am-1pm / 1.30am-5pm

## **Bus line extension**

In order to offer a direct line to the Lausanne train station, the TL 1 line is now in service ! Buses run on this section from Monday to Friday between 6.30am and 9am and between 3.30pm and 7pm, with a frequency of around 7.5 minutes. At off-peak times, the line continues to have its terminus at Lausanne, Maladière.

Timetables from Lausanne-station and from Ecublens VD, EPFL/Colladon are available on the TL website.

## **Did you know?**

EPFL Innovation Park companies can benefit from public transport subsidies of up to CHF 300 per employee from the municipality of Ecublens.

[ecublens.ch](http://ecublens.ch)

# BY CAR, DIFFERENTLY

**Flexible, economical and sustainable alternatives to commute to EPFL Innovation Park  
or for your business trips**

## **Carsharing**

Book one of the 9 Mobility cars on the campus and drive off! One is available in the Park near building H.

Transferable cards at preferential rates are available for all companies of the Park. Get in touch with [sustainability@epfl-innovationpark.ch](mailto:sustainability@epfl-innovationpark.ch) to get the instructions [mobility.ch/en/business-customers](https://mobility.ch/en/business-customers)

**fairmove**

## **Carpooling**

Find carpoolers who live near you and have compatible working hours on the EPFL Fairmove carpooling platform. You can plan your trips for the week or on a daily basis.

<https://epfl.fairmove.ch/prestations>

## **Electric mobility**

Across the campus, 6 charging stations are available to all, including visitors: Esplanade, BC, Quartier Nord and one specifically at the EPFL Innovation Park. Charging time is limited to 4h and parking fees apply.

The EPFL Innovation Park has 10 private spaces equipped with "Green Motion"/Eaton charging stations for rent to companies. If you are interested, please reach out to us at [sustainability@epfl-innovationpark.ch](mailto:sustainability@epfl-innovationpark.ch).

[epfl.ch/campus/services/camipro/additional\\_services/green\\_motion\\_electrical\\_vehicle\\_charging/](https://epfl.ch/campus/services/camipro/additional_services/green_motion_electrical_vehicle_charging/)

## **Did you know?**

If walking, cycling or using public transport is not an option for you, consider carpooling! Sharing your journey with another carpooler will allow you to have a good time, reduce stress and fatigue and cut in half the carbon footprint of your journey!

# PARKING

**A diverse offer to rationalize parking management and the use of space**

## Private spaces at EIP

Indoor and outdoor, according to a quota per company (no individual rental to employees).

### **Motorbikes / scooters:**

Indoor spaces CHF 30.-/ month before tax.

## Green spaces

Shared parking spaces reserved for EPFL employees, some EIP companies (limited quota for startups) and EPFL permanent service providers.

## White spaces

For campus visitors:

Payment using the parking meter, Parkingpay, EasyPark or Twint.

Prices: CHF 1.- (1st hour) then CHF 2.-/ hour

[go.epfl.ch/parkingsvisiteurs](https://go.epfl.ch/parkingsvisiteurs)

## Private spaces in the Quartier Nord

Available to all for rental in the Quartier Nord car park.

[locationlausanne@comptoir-immo.ch](mailto:locationlausanne@comptoir-immo.ch)

## Fairmove for prepaid daily booking parking slots

The Parkshare platform has now been shut down in favor of a brand new Fairmove interface for booking and for paying parking slots. All users with access to the [tenant portal](#) can log in to the Fairmove application.

The Fairmove offer is available at the following parking places: The indoor parking O, the indoor parking N, outdoor parking spaces around the Park, including building L. And for the tenants of our buildings in Saint-Sulpice: The indoor parking of building M, the outdoor parking of building N.

<https://www.epfl-innovationpark.ch/working-here/fairmove>

# BUSINESS TRIPS

## Tools to plan an environmentally friendly business trip

### Travel Less Without Loss

Within the TLWL project, the School of Life Sciences from EPFL has established a series of recommendations to make business travel more sustainable. EIP companies are encouraged to use them as a guide for their travel policies:

- Choose videoconferencing or the train for destinations less than 6h away
- Plan your trip with routeRANK
- Limit the impact of plane trips by choosing direct flights in economy class
- For flights out of Zurich: travel by train from Lausanne to Zurich

### Travel smart

To assess your whole route and find the most environmentally friendly option, use the routeRANK trip planning tool.

<https://www.routerank.com/en/>

### Did you know?

A trip from Paris to Lausanne by car for one person would represent an emission of 100kgCO<sub>2</sub>e whereas it is only 2,09 kgCO<sub>2</sub>e by train.

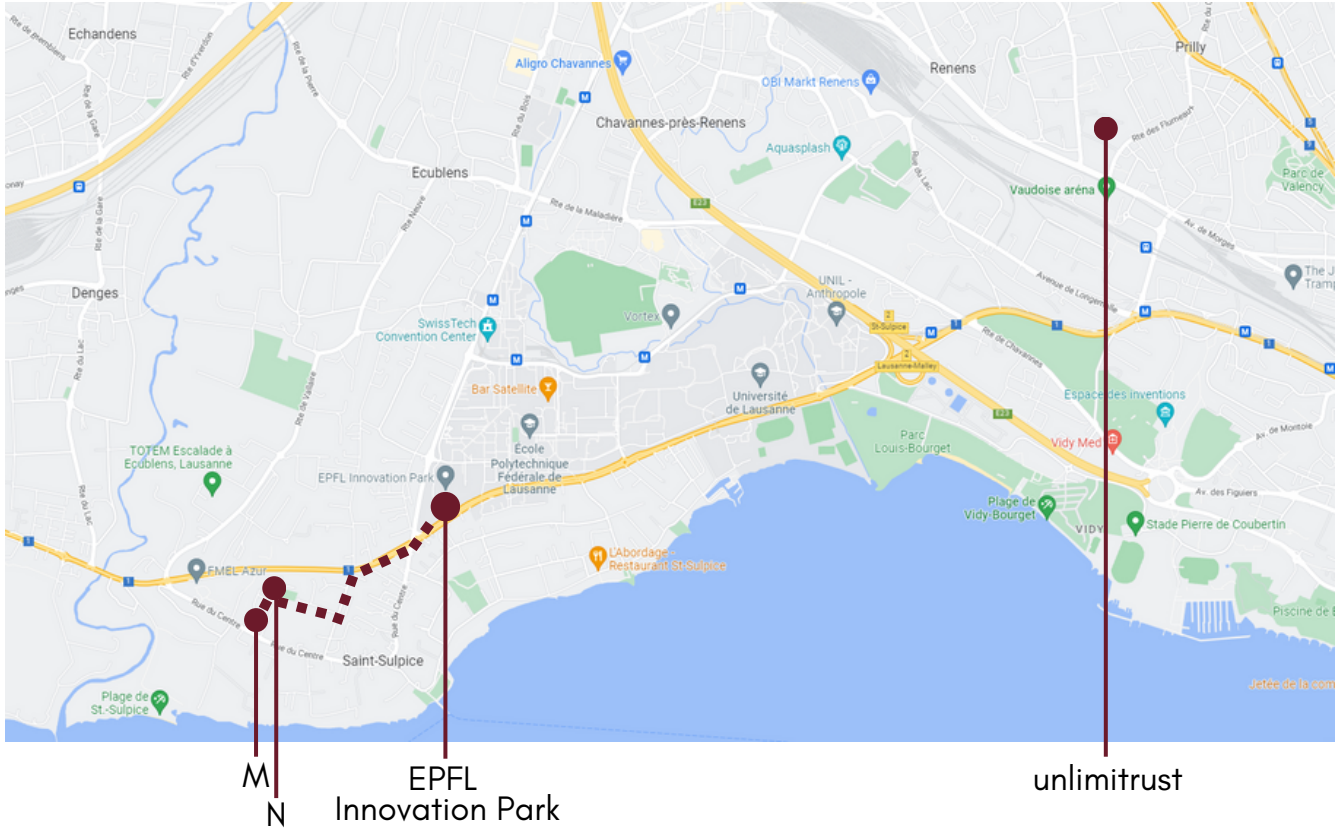

You may find this guide not exhaustive or wish to make some comments. If so, please do not hesitate to contact me.
