The Company provides US consumers and small businesses with high-speed fixed Internet access in selected towns. The Company also offers platform services which provide solutions to support Communication Service Providers (“CSPs”) including subscription and billing management, network orchestration and provisioning, individual developer tools, and other professional services. It provides these services primarily through a global Internet-based distribution network of Internet Service Providers, web hosting companies and other providers of Internet services to end-users.

2. Basis of Presentation:

The accompanying unaudited interim consolidated balance sheets, and the related consolidated statements of operations and comprehensive income and cash flows reflect all adjustments, consisting of normal recurring adjustments, that are, in the opinion of management, necessary for a fair presentation of the financial position of Tucows and its subsidiaries as at September 30, 2022 and the results of operations and cash flows for the interim periods ended September 30, 2022 and 2021. The results of operations presented in this Quarterly Report on Form 10-Q are not necessarily indicative of the results of operations that may be expected for future periods.

The accompanying unaudited interim consolidated financial statements have been prepared by Tucows in accordance with the rules and regulations of the United States Securities and Exchange Commission (the “SEC”). Certain information and footnote disclosures normally included in the Company's annual audited consolidated financial statements and accompanying notes have been condensed or omitted. Other than the exception noted below, these interim consolidated financial statements and accompanying notes follow the same accounting policies and methods of application used in the annual financial statements and should be read in conjunction with the Company's audited consolidated financial statements and notes thereto for the year ended December 31, 2021 included in Tucows' 2021 Annual Report on Form 10-K filed with the SEC on March 1, 2022 (the “2021 Annual Report”). There have been no material changes to our significant accounting policies and estimates during the three and nine months ended September 30, 2022 as compared to the significant accounting policies and estimates described in our 2021 Annual Report, except as described in Note 13 - Segment Reporting and Note 18 - Redeemable Preferred Shares.

3. Recent Accounting Pronouncements:

Recent Accounting Pronouncements Not Yet Adopted

None.

4. Acquisitions:

On October 1, 2021, the Company acquired the domain registry related assets of UNR Corp., UNR Inc. and Uni Naming and Registry Ltd. (each a seller and collectively "UNR"). For more information, see Note 3 - Acquisitions of the 2021 Annual Report.

On November 8, 2021, the Company acquired 100% of Simply Bits, LLC via an Agreement and Plan of Merger with one of our wholly owned subsidiaries. For more information, see Note 3 - Acquisitions of the 2021 Annual Report.

5. Derivative Instruments and Hedging Activities:

The Company is exposed to certain risks relating to its ongoing business operations. The primary risks managed by using derivative instruments are foreign exchange rate risk and interest rate risk.

Since October 2012, the Company has employed a hedging program with a Canadian chartered bank to limit the potential foreign exchange fluctuations incurred on its future cash flows related to a portion of payroll, taxes, rent and payments to Canadian domain name registry suppliers that are denominated in Canadian dollars and are expected to be paid by its Canadian operating subsidiary. In May 2020, the Company entered into a pay-fixed, receive-variable interest rate swap with a Canadian chartered bank to limit the potential interest rate fluctuations incurred on its future cash flows related to variable interest payments on the Second Amended 2019 Credit Facility. The notional value of the interest rate swap was $70 million.

The Company does not use hedging forward contracts for trading or speculative purposes. The foreign exchange contracts typically mature between one and twelve months, and the interest rate swap matures in June 2023.
Table of Contents

The Company has designated certain of these foreign exchange transactions as cash flow hedges of forecasted transactions under ASU 2017-12, *Derivatives and Hedging* (Topic 815) (“ASC Topic 815”). For certain contracts, as the critical terms of the hedging instrument, and of the entire hedged forecasted transaction, are the same, in accordance with ASC Topic 815, the Company has been able to conclude that changes in fair value and cash flows attributable to the risk of being hedged are expected to completely offset at inception and on an ongoing basis. The Company has also designated the interest rate swap as a cash flow hedge of expected future interest payments. Accordingly, for the foreign exchange, unrealized gains or losses on the effective portion of these contracts have been included within other comprehensive income and reclassified to earnings when the hedged transaction is recognized in earnings. Cash flows from hedging activities are classified under the same category as the cash flows from the hedged items in the consolidated statements of cash flows. The fair value of the contracts, as of September 30, 2022 and December 31, 2021, is recorded as derivative instrument assets or liabilities. For certain contracts where the hedged transactions are no longer probable to occur, the loss on the associated forward contract is recognized in earnings.

During the third quarter of fiscal year 2022, the Company elected to discontinue its application of hedge accounting to its interest rate swaps prospectively. The derivatives continue to be carried at fair value in the accompanying Consolidated Balance Sheets with changes in their fair value from the date of discontinuance recognized in current period earnings in Interest expense, net in the Consolidated Statements of Operations and Comprehensive Income. Amounts previously accumulated in Accumulated other comprehensive income prior to discontinuance will continue to be realized over the remaining term of the underlying forecasted interest payments as a component of Accumulated other comprehensive income in Stockholders’ equity and the amounts in AOCI as of the date of the hedge discontinuance will be recorded into interest expense over the original term of the hedged debt. Prior to the discontinuance, for the interest rate swap contracts, unrealized gains or losses on the effective portion of these contracts had been included within other comprehensive income and reclassified to earnings when the hedged transaction is recognized in earnings.

As of September 30, 2022, the notional amount of forward contracts that the Company held to sell U.S. dollars in exchange for Canadian dollars was $64.6 million, of which $64.6 million met the requirements of ASC Topic 815 and were designated as hedges.

As of December 31, 2021, the notional amount of forward contracts that the Company held to sell U.S. dollars in exchange for Canadian dollars was $25.2 million, of which $25.2 million met the requirements of ASC Topic 815 and were designated as hedges.

As of September 30, 2022, we had the following outstanding forward contracts to trade U.S. dollars in exchange for Canadian dollars:

6. Goodwill and Other Intangible Assets:

Goodwill:

Goodwill represents the excess of the purchase price over the fair value of tangible and identifiable intangible assets acquired and liabilities assumed in our acquisitions.

The Company’s Goodwill balance is $130.4 million as of September 30, 2022 and $130.4 million as of December 31, 2021. The Company’s goodwill relates 83% ($107.7 million) to the Tucows Domains operating segment, 17% ($22.7 million) to the Ting operating segment and nil to the Wavelo operating segment.

Goodwill is not amortized, but is subject to an annual impairment test, or more frequently if impairment indicators are present. No impairment was recognized during the three and nine months ended September 30, 2022 and 2021.

Other Intangible Assets:

Intangible assets consist of acquired brand, technology, customer relationships, surname domain names, direct navigation domain names and network rights. The Company considers its intangible assets consisting of surname domain names and direct navigation domain names as indefinite life intangible assets. The Company has the exclusive right to these domain names as long as the annual renewal fees are paid to the applicable registry. Renewals occur routinely and at a nominal cost. The indefinite life intangible assets are not amortized but are subject to impairment assessments performed throughout the year. As part of the normal renewal evaluation process during the periods ended September 30, 2022 and September 30, 2021, the Company assessed that all domain names that were originally acquired in the June 2006 acquisition of Mailbank.com Inc. that were up for renewal, should be renewed.

Intangible assets, comprising brand, technology, customer relationships and network rights are being amortized on a straight-line basis over periods of two to fifteen years.

Net book value of acquired intangible assets consist of the following (Dollar amounts in thousands of U.S. dollars):

7. Loan Payable:

Amended 2019 Credit Facility

On June 14, 2019, the Company and its wholly-owned subsidiaries, Tucows.com Co., Ting Fiber, Inc., Ting Inc., Tucows (Delaware) Inc. and Tucows (Emerald), LLC entered into an Amended and Restated Senior Secured Credit Agreement (the “Amended 2019 Credit Facility”) with Royal Bank (“RBC”), as administrative agent, and lenders party thereto (collectively with RBC, the “Lenders”) under which the Company had access to an aggregate of up to $240 million in funds, which consisted of $180 million guaranteed credit facility and a $60 million accordion facility. The Amended 2019 Credit Facility replaced the Company’s 2017 Amended Credit Facility.

In connection with the Amended 2019 Credit Facility, the Company incurred $0.3 million of fees paid to the Lenders and $0.2 million of legal fees related to the debt issuance. Of these fees, $0.4 million are debt issuance costs, which have been reflected as a reduction to the carrying amount of the loan payable and will be amortized over the term of the credit facility agreement and $0.1 million were recorded in General and administrative expenses for the year ended December 31, 2019.

The obligations of the Company under the Amended 2019 Credit Agreement are secured by a first priority lien on substantially all of the personal property and assets of the Company and has a four-year term, maturing on June 13, 2024.

Second Amended 2019 Credit Facility

On October 26, 2021, the Company entered into a Second Amended and Restated Senior Secured Credit Agreement (the “Second Amended 2019 Credit Agreement”) with the Lenders and Toronto-Dominion Bank (collectively the “New Lenders”) to, among other things, increase the existing revolving credit facility from $180 million to $240 million. The Second Amended Credit Agreement provides the Company with access to an aggregate of $240 million in committed funds. The Second Amended Credit Agreement also provides for two additional interest rate tiers if the Company exceeds a 3.50x Total Funded Debt to Adjusted EBITDA Ratio.

In connection with the Second Amended 2019 Credit Facility, the Company incurred $0.3 million of fees related to the debt issuance, which have been reflected as a reduction to the carrying amount of the loan payable and will be amortized over the term of the credit facility agreement.

Third Amended 2019 Credit Facility

On August 8, 2022, the Company entered into a Third Amended and Restated Senior Secured Credit Agreement (the “Amended Credit Agreement”) with its existing syndicate of lenders (the “Lenders”). The Amended Credit Agreement continues to provide the Company with access to an aggregate of $240 million in committed funds (the Credit Facility). Under the Amended Credit Agreement, and in connection with the Unit Purchase Agreement (as defined in Note 18 - Redeemable preferred shares), the Lenders agreed that Ting Fiber Inc. (converted to Ting LLC) and its wholly owned subsidiaries ceased to be Guarantors under the Credit Facility and shall automatically be released from the respective guarantee and security documents, including a release of the Lenders’ security interests and liens upon the assets of such entities. Additionally, the Amended Credit Agreement has extended the maturity of the Credit Facility to June 14, 2024. The Company is subject to the following financial covenants at all times, which are to be calculated on a rolling four quarter basis: (i) maximum Total Funded Debt to Adjusted EBITDA Ratio of 4.00:1.00 until September 29, 2023 and 3.75:1.00 thereafter; and (ii) minimum Interest Coverage Ratio of 3.00:1.00. The financial covenant calculations will exclude the financial results of Ting Fiber Inc. (converted to Ting LLC) and its wholly owned subsidiaries. The Amended Credit Agreement also requires the Company to comply with other customary terms and conditions. The Amended Credit Agreement added SOFR Loans as a form of advance available under the Credit Facility to replace LIBOR Rate Advances, and such SOFR Loans may bear interest based on Adjusted Daily Simple SOFR (defined to be the applicable SOFR rate published by the Federal Reserve bank of New York plus 0.10% per annum subject to a floor of zero) or Adjusted Term SOFR (defined to be the applicable SOFR rate published by CME Group Benchmark Administration Limited plus 0.10% for one-month, 0.15% for three-months, and 0.25% for six-months per annum).

Credit Facility Terms

The Credit Facility is revolving with interest only payments with no scheduled repayments during the term.

The Amended Credit Facility Agreement contains customary representations and warranties, affirmative and negative covenants, and events of default. The Amended Credit Agreement was entered into in August 2022 which requires the Company to comply with the following financial covenants at all times, which are to be calculated on a rolling four quarter basis: (i) maximum Total Funded Debt to Adjusted EBITDA Ratio of 4.00:1.00 until September 29, 2023; (ii) 3.75:1.00 thereafter and; (iii) minimum Interest Coverage Ratio of 3.00:1.00. During the three and nine months ended September 30, 2022, and the three and nine months ended September 30, 2021 the Company was in compliance with these covenants. The Amended Credit Agreement definition of Adjusted EBITDA which is used to calculate the Company's compliance with covenants was previously amended in March of 2022 to align to the definition of Adjusted EBITDA used in Note 13 – Segment Accounting.

Borrowings under the Amended Credit Agreement will accrue interest and standby fees based on the Company’s Total Funded Debt to Adjusted EBITDA ratio and the availment type as follows:

8. Income Taxes:

The Company’s provision for income taxes for interim periods is determined by using an estimated annual effective tax rate, adjusted for discrete items arising during the quarter. At each quarter, the Company updates the estimated annual effective tax rate and makes a year-to-date adjustment to the provision. The estimated annual effective tax rate is subject to volatility due to several factors, including accurately forecasting the Company’s net income before tax and taxable income or loss and the mix of tax jurisdictions to which they relate, intercompany transactions, and changes in statutes, regulations, and case law.

For the three months ended September 30, 2022, the Company recorded an income tax recovery of $0.8 million on net loss before income taxes of $9.0 million, using an estimated effective tax rate for the fiscal year ending December 31, 2022. Our effective tax rates for the three months ended September 30, 2022 differs from the U.S. federal statutory rate primarily due to changes in valuation allowance on foreign tax credit, state tax expense and the impact of foreign earnings.

For the nine months ended September 30, 2022, the Company recorded an income tax expense of $0.8 million on net loss before income taxes of ($13.3) million, using an estimated effective tax rate for the fiscal year ending December 31, 2022. Our effective tax rates for the nine months ended September 30, 2022 differs from the U.S. federal statutory rate primarily due to changes in valuation allowance on foreign tax credit, state tax expense and the impact of foreign earnings.

Comparatively, for the three months ended September 30, 2021, the Company recorded an income tax recovery of $0.3 million on net income before income taxes of $1.1 million, using an estimated effective tax rate for the fiscal year ending December 31, 2021 (“Fiscal 2021”). Our income tax recovery includes a $0.8 million tax recovery related to discrete adjustments resulting from foreign exchange and mark-to-market adjustments as well as the inclusion of a $0.2 million tax recovery related to ASU No. 2016-09— Compensation—Stock Compensation (Topic 718): Improvements to Employee Share-Based Payment Accounting (“ASU 2016-09”), which requires all excess tax benefits and tax deficiencies related to employee share-based payments to be recognized through income tax expense (recovery).

Comparatively, for the nine months ended September 30, 2021, the Company recorded an income tax expense of $0.7 million on income before income taxes of $6.0 million, using an estimated effective tax rate for Fiscal 2021. Our income tax expense includes a $1.6 million tax recovery related to discrete adjustments resulting from foreign exchange and mark-to-market adjustments as well as the inclusion of a $0.4 million tax recovery related to ASU 2016-09.

In assessing the realizability of deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the years in which those temporary differences become deductible. Management considers projected future taxable income, uncertainties related to the industry in which the Company operates, and tax planning strategies in making this assessment.

9. Basic and Diluted Earnings per Common Share:

</tbody>
</table>
For the three and nine months ended September 30, 2022, the Company recorded a net loss, thus all outstanding options were considered anti-dilutive and excluded from the computation of diluted income per common share.

For the three months ended September 30, 2021 options to purchase 92,470 common shares were not included in the computation of diluted income per common share because the options’ exercise price was greater than the average market price of the common shares for the period.

For the nine months ended September 30, 2021, options to purchase 44,150 common shares were not included in the computation of diluted income per common share because the options’ exercise price was greater than the average market price of the common shares for the period.

10. Revenue:

Significant accounting policy

The Company’s revenues are derived from (a) the provisioning of retail fiber Internet services through Ting, (b) the CSP solutions and professional services through Wavelo; and from (c) domain name registration contracts, other domain related value-added services, domain sale contracts, and other advertising revenue through Tucows Domains Services. Certain revenues are disclosed under Tucows Corporate as they are considered non-core business activities including Mobile Retail Services, Transition Services Agreement (“TSA”) revenue and eliminations of intercompany revenue. Amounts received in advance of meeting the revenue recognition criteria described below are recorded as deferred revenue. All products are generally sold without the right of return or refund.

Revenue is measured based on consideration specified in a contract with a customer and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfies a performance obligation by transferring control over a product or service to a customer.

In the third quarter of 2022, the Company renamed its three operating and reportable segments to reflect their branded names: Ting, Wavelo and Tucows Domains, previously called Fiber Internet Services, Platform Services and Domain Services, respectively. There were no changes to the activities or financial results attributed to each segment.

Nature of goods and services

The following is a description of principal activities – separated by reportable segments – from which the Company generates its revenue. For more detailed information about reportable segments, see Note 13 – Segment Reporting.

(a) Ting

The Company generates Ting revenues primarily through the provisioning of fixed high-speed Internet access, Ting Internet.

Ting Internet contracts provide customers Internet access at their home or business through the installation and use of our fiber optic network. Ting Internet contracts are generally prepaid and grant customers with unlimited bandwidth based on a fixed price per month basis. Because consideration is collected before the service period, revenue is initially deferred and recognized as the Company performs its obligation to provide Internet access. Though the Company does not consider the installation of fixed Internet access to be a distinct performance obligation, the fees related to installation are immaterial and therefore revenue is recognized as billed.

Ting Internet access services are primarily contracted through the Ting website, for one month at a time and contain no commitment to renew the contract following each customer’s monthly billing cycle. The Company’s billing cycle for all Ting Internet customers is computed based on the customer’s activation date. In addition, revenues associated with the sale of Internet hardware to subscribers are recognized when title and risk of loss is transferred to the subscriber and shipment has occurred. Incentive marketing credits given to customers are recorded as a reduction of revenue.

In those cases, where payment is not received at the time of sale, revenue is not recognized at contract inception unless the collection of the related accounts receivable is reasonably assured. The Company records costs that reflect expected refunds, rebates and credit card charge-backs as a reduction of revenues at the time of the sale based on historical experiences and current expectations.

(b) Wavelo

The Company generates Wavelo revenues by providing billing and provisioning platform services to Communication Service Providers ("CSPs") to whom we also provide other professional services.

Platform service agreements contain both platform services and professional services. Platform services offer a variety of solutions that support CSPs, including subscription and billing management, network orchestration and provisioning, and individual developer tools. Consideration under platform service arrangements includes both a variable component that changes each month depending on the number of subscribers hosted on the platform, as well as fixed payments and credits. The Company recognizes variable subscriber fees, in excess of minimums, as the fees are invoiced. Platform services represent a single promise to provide continuous access (i.e. a stand-ready performance obligation) to the platform. As each month of providing access to the platform is substantially the same and the customer simultaneously receives and consumes the benefits as access is provided, the performance obligation is comprised of a series of distinct service periods. Professional services provided under platform service arrangements can include implementation, training, consulting or software development/modification services. Revenues related to professional services are distinct from the other promises in the contract(s) and are recognized as the related services are performed. Consideration is allocated between the platform services and professional services performance obligations by estimating the standalone selling price (“SSP”) of each performance obligation. The Company estimates the SSP of professional services based on observable standalone sales. The SSP of platform services is derived using the residual approach by estimating the total contract consideration and subtracting the SSP of professional services. Total contract consideration is estimated at contract inception, considering any constraints that may apply and updating the estimates as new information becomes available.

Other professional services consist of professional service arrangements with platform services customers which are billed based on separate Statement of Work (“SOW”) arrangements for bespoke feature development. Revenues for professional services contracted through separate SOWs are recognized at a point-in-time when the final acceptance criteria have been met.
Domain registration contracts, which can be purchased for terms of one to ten years, provide our resellers and retail registrant customers with the exclusive right to a personalized internet address from which to build an online presence. The Company enters into domain registration contracts in connection with each new, renewed and transferred-in domain registration. At the inception of the contract, the Company charges and collects the registration fee for the entire registration period. Though fees are collected upfront, revenue from domain registrations are recognized rateably over the registration period as domain registration contracts contain a ‘right to access’ license of IP, which is a distinct performance obligation measured over time. The registration period begins once the Company has confirmed that the requested domain name has been appropriately recorded in the registry under contractual performance standards.

Domain related value-added services like digital certifications, WHOIS privacy, website hosting and hosted email provide our resellers and retail registrant customers with tools and additional functionality to be used in conjunction with domain registrations. All domain related value-added services are considered distinct performance obligations which transfer the promised service to the customer over the contracted term. Fees charged to customers for domain related value-added services are collected at the inception of the contract, and revenue is recognized on a straight-line basis over the contracted term, consistent with the satisfaction of the performance obligations.

The Company is an ICANN accredited registrar. Thus, the Company is the primary obligor with our reseller and retail registrant customers and is responsible for the fulfillment of our registrar services to those parties. As a result, the Company reports revenue in the amount of the fees we receive directly from our reseller and retail registrant customers. Our reseller customers maintain the primary obligor relationship with their retail customers, establish pricing and retain credit risk to those customers. Accordingly, the Company does not recognize any revenue related to transactions between our reseller customers and their ultimate retail customers.

The Company also sells the rights to the Company’s portfolio domains or names acquired through the Company’s domain expiry stream. Revenue generated from sale of domain name contracts, containing a distinct performance obligation to transfer the domain name rights under the Company’s control, is generally recognized once the rights have been transferred and payment has been received in full.

Advertising revenue is derived through domain parking monetization, whereby the Company contracts with third-party Internet advertising publishers to direct web traffic from the Company’s domain expiry stream domains and Internet portfolio domains to advertising websites. Compensation from Internet advertising publishers is calculated variably on a cost-per-action basis based on the number of advertising links that have been visited in a given month. Given that the variable consideration is calculated and paid on a monthly basis, no estimation of variable consideration is required.

**Contract Balances**

The following tables provide information about contract assets and contract liabilities (deferred revenue) from contracts with customers. The Company accounts for contract assets and liabilities on a contract-by-contract basis, with each contract presented as either a net contract asset or a net contract liability accordingly.

Some of the Company’s long-term contracts with customers are billed in advance of service, such as domain contracts and some professional service contracts. Consideration received from customers related to performance obligations which have not yet been satisfied are contract liabilities and recorded as deferred revenues.

Deferred revenue primarily relates to the portion of the transaction price received in advance related to the unexpired term of domain name registrations and other domain related value-added services, on both a wholesale and retail basis, net of external commissions.
Significant changes in deferred revenue for the nine months ended September 30, 2022 were as follows (Dollar amounts in thousands of U.S. dollars):

The Company receives consideration for long-term mobile platform service contracts, which we collect variably each month depending on the number of subscribers hosted on the platform (subject to certain minimums) as well as through certain fixed platform fees and credits. Contract assets are recorded for services delivered under long-term mobile platform services contracts, to the extent that the services delivered exceed the services which have been billed to the customer at the reporting date. Contract assets are transferred to receivables when the rights to consideration become unconditional. All contract assets transfer to receivables within three months of when they are recognized. Significant changes in the contract assets for the nine months ended September 30, 2022 were as follows (Dollar amounts in thousands of U.S dollars):

Remaining Performance Obligations:

For retail mobile and internet access services, where the performance obligation is part of contracts that have an original expected duration of one year or less (typically one month), the Company has elected to apply a practical expedient to not disclose revenues expected to be recognized in the future related performance obligations that are unsatisfied (or partially unsatisfied).

Although domain registration contracts are deferred over the lives of the individual contracts, which can range from one to ten years, approximately 80 percent of our deferred revenue balance related to domain contracts is expected to be recognized within the next twelve months.

Deferred revenue related to Exact hosting contracts is also deferred over the lives of the individual contracts, which are expected to be fully recognized within the next twelve months.

Professional service revenue related to platform services may be deferred over the period not exceeding the term of the contract.

11. Costs to obtain and fulfill a Contract:

Deferred costs of fulfillment

Deferred costs to fulfill contracts primarily consist of domain registration costs which have been paid to a domain registry, and are capitalized as deferred costs of fulfillment. These costs are deferred and amortized over the life of the domain which generally ranges from one to ten years. The Company also defers certain technology design and data migration costs it incurs to fulfill its performance obligations contained in our platform services arrangements. For the nine months ended September 30, 2022, the Company deferred $128 million and amortized $128.8 million of contract costs. There was no impairment loss recognized in relation to the costs capitalized during the nine months ended September 30, 2022. Amortization expense of deferred costs is included in cost of revenue.

Operating lease payments include payments under the non-cancellable term, without any additional amounts related to options to extend lease terms that are reasonably certain of being exercised.

As of September 30, 2022, we have not entered into lease agreements that have not yet commenced.

The Company has elected to use the single exchange rate approach when accounting for lease modifications. Under the single exchange rate approach, the entire right of use asset is revalued at the date of modification in the Company’s functional currency provided the re-measurement is not considered a separate contract or if the re-measurement is related to change the lease term or assessment of a lessee option to purchase the underlying asset being exercised.

13. Segment Reporting:

Reportable operating segments:

We are organized and managed based on three operating segments which are differentiated primarily by their services, the markets they serve and the regulatory environments in which they operate. No operating segments have been aggregated to determine our reportable segments.

During the first quarter of 2022, the Company completed a reorganization of its reporting structure into three operating and reportable segments: Ting, Wavelo and Tucows Domains. Previously, the Company disclosed the three operating and reportable segments: Fiber Internet Services, Mobile Services and Domain Services. The retail portion of the previously disclosed Mobile Services, including the earn-out of the sale of legacy subscribers are now included within Tucows Corporate and ISP platform revenues and related results previously included within Ting are now included within Wavelo.

The change to our reportable operating segments was the result of a shift in our business and management structures that was completed during the first quarter of 2022. The operations supporting what was previously known as our Mobile Services segment have become increasingly operationally distinct between our mobile retail services and our platform services. As a result, commencing in the first quarter of 2022, our Chief Executive Officer (“CEO”), who is also our chief operating decision maker, reviews the operating results of Ting, Wavelo and Tucows Domains as three distinct segments in order to make key operating decisions as well as evaluate segment performance. Certain revenues and expenses disclosed under the Corporate category are excluded from segment EBITDA results as they are centrally managed and not monitored or reported to our CEO by segment, including Mobile Retail Services, eliminations of intercompany transactions, portions of Finance and Human Resources that are centrally managed, Legal and Corporate IT.

Our reportable operating segments and their principal activities consist of the following:

1. Ting - This segment derives revenue from the retail high speed Internet access to individuals and small businesses primarily through the Ting website. Revenues are generated in the United States.

2. Wavelo – This segment derives revenue from platform and other professional services related to communication service providers, including Mobile Network Operators and Internet Service Providers, and are primarily generated in the United States.

3. Tucows Domains – This segment includes wholesale and retail domain name registration services, value added services and portfolio services. The Company primarily earns revenues from the registration fees charged to resellers in connection with new, renewed and transferred domain name registrations; the sale of retail Internet domain name registration and email services to individuals and small businesses. Domain Services revenues are attributed to the country in which the contract originates, primarily Canada and the United States.

Our segmented results include shared services allocations, including a profit margin, from Tucows Corporate for Finance, Human Resources and other technical services, to the operating units. In addition, Wavelo charges Ting a subscriber based monthly charge services rendered. Financial impacts from these allocations and cross segment charges are eliminated as part of the Tucows Corporate results.

Key measure of segment performance:

The CEO, as the chief operating decision maker, regularly reviews the operations and performance by segment. The CEO reviews segment revenue, gross margin and adjusted EBITDA (as defined below) as (i) key measures of performance for each segment and (ii) to make decisions about the allocation of resources. Sales and marketing expenses, technical operations and development expenses and general and administrative expenses and not reviewed or managed by the CEO separate from adjusted EBITDA, and are thus not included as separate measurements of segment profitability. Depreciation of property and equipment, amortization of intangibles assets, impairment of indefinite life intangible assets, gain on currency forward contracts and other expense net are organized along functional lines and are not included in the measurement of segment profitability. Total assets and total liabilities are centrally managed and are not reviewed at the segment level by the CEO. The Company follows the same accounting policies and methods of application as described in the “2021 Annual Report” for the segments as those described in “Note 10 – Revenue”.

Our key measures of segment performance and their definitions are:

1. Segment gross margin - Net revenues less Direct cost of revenues attributable to each segment.

2. Segment adjusted EBITDA - segment gross margin as well as the recurring gain on sale of Ting Customer Assets, less network expenses and certain operating expenses attributable to each segment, such as sales and marketing, technical operations and development, general and administration expenses but excludes gains and losses from unrealized foreign currency, stock-based compensation and transactions that are one-time in nature and not indicative of on-going performance, including acquisition and transition costs. Certain revenues and expenses disclosed under the Tucows Corporate category are excluded from segment EBITDA results as they are centrally managed and not monitored by or reported to our CEO by segment, including Mobile Retail Services, eliminations of intercompany transactions, portions of Finance and Human Resources that are centrally managed, Legal and Corporate IT.
Our comparative period financial results have also been reclassified to reflect the current key measures of segment performance.

The Company believes that both segment gross margin and adjusted EBITDA measures are important indicators of the operational strength and performance of its segments, by identifying those items that are not directly a reflection of each segment’s performance or indicative of ongoing operational and profitability trends. Segment gross margin and segment adjusted EBITDA both exclude depreciation of property and equipment, amortization of intangibles assets, impairment of indefinite life intangible assets that are included in the measurement of income before provision for income taxes pursuant to generally accepted accounting principles (“GAAP”). Accordingly, adjusted EBITDA is a non-GAAP financial performance measure and should be considered in addition to, but not as a substitute for net income, cash flow provided by operating activities and other measures of financial performance prepared in accordance with GAAP. Total assets and total liabilities are centrally managed and are not reviewed at the segment level by the CEO. The Company follows the same accounting policies and methods of application as described in the “2021 Annual Report” for the segments as those described in “Note 10 – Revenue”.

Information by reportable segments (with the exception of disaggregated revenue, which is discussed in “Note 10 – Revenue”), which is regularly reported to the chief operating decision maker, and the reconciliations thereof to our income before taxes, are set out in the following tables (Dollar amounts in thousands of US dollars):

15. Share-based Payments:

Stock options

The fair value of each option grant is estimated on the date of grant using the Black-Scholes option-pricing model. Because option-pricing models require the use of subjective assumptions, changes in these assumptions can materially affect the fair value of the options. The assumptions presented in the table below represent the weighted average of the applicable assumption used to value stock options at their grant date. The Company calculates expected volatility based on historical volatility of the Company's common shares. The expected term, which represents the period of time that options granted are expected to be outstanding, is estimated based on historical exercise experience. The Company evaluated historical exercise behavior when determining the expected term assumptions. The risk-free rate assumed in valuing the options is based on the U.S. Treasury yield curve in effect at the time of grant for the expected term of the option. The Company determines the expected dividend yield percentage by dividing the expected annual dividend by the market price of Tucows Inc. common shares at the date of grant.

16. Fair Value Measurement:

For financial assets and liabilities recorded in our financial statements at fair value we utilize a valuation hierarchy for disclosure of the inputs to valuation used to measure fair value. This hierarchy prioritizes the inputs into three broad levels. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2 inputs are quoted prices for similar assets and liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. Level 3 inputs are unobservable inputs based on the Company’s own assumptions used to measure assets and liabilities at fair value. A financial asset or liability’s classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement.

Equity investments without readily determinable fair value include ownership rights that do not provide the Company with control or significant influence. Such equity investments are recorded at cost, less any impairment, and adjusted for subsequent observable price changes as of the date that an observable transaction takes place. Subsequent adjustments are recorded in other income (expense), net.

17. Other income:

On August 1, 2020, the Company entered into an Asset Purchase Agreement (the “DISH Purchase Agreement”), by and between the Company and DISH Wireless L.L.C.(“DISH”). Under the DISH Purchase Agreement and in accordance with the terms and conditions set forth therein, the Company sold to DISH its mobile customer accounts that are marketed and sold under the Ting brand (other than certain customer accounts associated with one network operator) (“Transferred Assets”) and derecognized intangible assets and capitalized contract costs associated with the Transferred Assets in the amount of $3.5 million. For a period of 10 years following the execution of the DISH Purchase Agreement, DISH will pay a monthly fee to the Company generally equal to an amount of net revenue received by DISH in connection with the transferred customer accounts minus certain fees and expenses, as further set forth in the DISH Purchase Agreement. The gain is presented net of the original cost base of the Transferred Assets. The Company earned $4.7 million and $5.6 million under the DISH Purchase Agreement during the three months ended September 30, 2022 and 2021. The Company earned $14 million and $15.8 million under the DISH Purchase Agreement during the nine months ended September 30, 2022 and 2021, respectively.

18. Redeemable preferred shares:

The Company entered into a Series A Preferred Unit Purchase Agreement (the “Unit Purchase Agreement”) with Generate TF Holdings, LLC, a Delaware limited liability company (“Generate”) on August 8, 2022 (the “Effective Date”), and closed the transaction contemplated thereby on August 11, 2022 (the “Transaction Close”) pursuant to which the Company issued and sold 10,000,000 units of its Series A Preferred Units to Generate at a cash purchase price of $6.00 per unit (“Initial Funding”). Under the Unit Purchase Agreement, after the Transaction Close until the third anniversary of the Effective Date (the “End Date”) the Company will, upon the achievement of pre-determined operational and financial drawdown milestones and sell in subsequent fundings an aggregate of 23,333,333.34 units of additional Series A Preferred Units on the same terms and conditions as in the Initial Funding (“Milestone Fundings”). The investment provides the Company with $60 million of capital upon the Initial Funding, with an additional $140 million of capital commitments available to The Company over the subsequent three-year period if the milestones are achieved. From the Transaction Close until the earlier of (i) the End Date and (ii) the date upon which Generate has paid $140 million pursuant to Milestone Fundings, the Company is required to pay Generate a standby fee at a rate of 0.50% of any portion of the unpaid $140 million capital commitment which will be paid quarterly. The Series A Preferred Units accrue a preferred return to the holder at a rate of 15% per annum, subject to adjustments based on the value of approved projects under the Equity Capital Contribution Agreement (the “ECC Agreement”). The preferred return on the Series A Preferred Units purchased under the Unit Purchase Agreement may be adjusted down to a floor of 13% or up to a ceiling of 17% per annum based on commitment and contribution amounts under the ECC Agreement. The preferred return accrues daily, and is compounded quarterly. The preferred return accrued during the first two years is not payable unless and until the Series A Preferred Units are redeemed. The preferred return accrued after the second anniversary of the Transaction Close is payable by the Company quarterly. If the Company should redeem the Series A Preferred Units prior to the fourth anniversary of the Transaction Close, the Company is required to pay a make-whole premium, which is calculated as the cumulative and compounded preferred return that would have accrued (at the preferred return rate in effect immediately prior to such redemption) on the outstanding unreturned capital balance with respect to the Series A Preferred Units through and including the six-year anniversary of the Transaction Close had such Series A Preferred Unit not been redeemed, discounted at an agreed upon treasury rate plus 50 basis points, compounded quarterly (the “Make-Whole-Premium”).

The Company's Amended and Restated Limited Liability Company Agreement (the "LLC Agreement"), in the event that (i) the Company fails to pay the preferred return for two consecutive quarters, (ii) the Company fails to pay the redemption price in connection with any redemption of the Series A Preferred Units, (iii) the Company materially breaches its obligations under the LLC Agreement, (iv) there occurs an event of default (or similar term) under Tucows Inc.’s or its affiliates’ credit agreement, (v) there occurs material breach if not cured or otherwise remedied in accordance with the terms of any credit facility (taking into account any cure periods), by the Company or any of its Subsidiaries under any debt facilities where the Company or any of its Subsidiaries incurs indebtedness for borrowed money, or (vi) the Company breaches any covenant under the Unit Purchase Agreement, Generate has the option to either (i) convert Series A Preferred Units based on the Redemption Price into common units of the Company based on the then applicable conversion price; or (ii) compelling the sale of certain assets of the Company or its subsidiaries of equal value to the Redemption Price.

Under the terms of the LLC Agreement, the Company is mandatorily required to redeem the redeemable preferred shares prior to the earliest of (i) a sale of the Company, (ii) a public offering, (iii) an event of default (or similar term) by Tucows Inc. or any of its affiliates under, (iv) a material breach if not cured or otherwise remedied in accordance with the terms of any credit facility (taking into account any cure periods), by the Company or any of its Subsidiaries under any debt facilities where the Company or any of its Subsidiaries incurs indebtedness for borrowed money, (v) the Company failed to pay the preferred return for two consecutive quarters, and (vi) the six-year anniversary of the Transaction Close. Due to the fact that the redeemable preferred shares are mandatorily redeemable, the redeemable preferred units are classified as a liability in the accompanying consolidated balance sheets. The liability was initially recorded at fair value and subsequently recorded at the present value of the settlement amount, which includes the preferred return payments required until the instrument's expected maturity on the sixth anniversary of the Transaction Close, August 10, 2028 using the implicit rate of return of the instrument, 15%. The Company recorded and $1.3 million accretion expense on the redeemable preferred shares for the three and nine months ended September 30, 2022, recorded as interest expense, net in the accompanying consolidated statements of operations and comprehensive income (loss).

The Company incurred $0.8 million of legal fees related to the redeemable preferred share issuance, which have been reflected as a reduction to the carrying amount of the redeemable preferred unit balance and will be amortized to interest expense, net in the accompanying consolidated statements of operations and comprehensive income (loss) over the expected six-year term instrument.

The redeemable preferred units have an aggregate liquidation preference of $60 million, plus any accrued and unpaid preferred return thereon, plus a Make-Whole Premium should redemption occur before the fourth anniversary of the Transaction Date and are senior to the Ting Fiber, LLC common shares with respect to sale, dissolution, liquidation or winding up of the Company.

OVERVIEW

Our mission is to provide simple useful services that help people unlock the power of the Internet.

We accomplish this by reducing the complexity of our customers’ experience as they access the Internet (at home or on the go) and while using Internet services such as domain name registration, email and other Internet related services. During the first quarter of 2022, the Company completed a reorganization of its reporting structure into three operating and reportable segments: Ting, Wavelo and Tucows Domains. Previously, we disclosed the three operating and reportable segments: Fiber Internet Services, Mobile Services and Domain Services. The change to our reportable operating segments was the result of a shift in our business and management structures that was initiated in 2021 and completed during the first quarter of 2022. The operations supporting what was previously known as our Mobile Services segment have become increasingly operationally distinct between our mobile retail services and our platform services. Through the reorganization of our reporting structure, the Mobile Services segment was changed to the Wavelo segment, which no longer includes the 10-year payment stream on transferred legacy subscribers earned as part of the DISH Purchase Agreement as well as the retail sale of mobile phones, retail telephony services and transition services, all of which are not considered a part of our core business operations with the shift from Mobile Virtual Network Operator (MVNO) to Wavelo provider. The Wavelo segment includes our platform and professional services offerings, as well as the billing solutions to Internet services providers ("ISPs") (branded as Platypus), that was previously reported under the Ting segment. The Ting segment now only contains the operating results of our retail high speed Internet access operations, excluding the billing solutions moved to the new Wavelo segment. The product offerings included in the Tucows Domains segment remains unchanged. The three segments are differentiated primarily by their services, the markets they serve and the regulatory environments in which they operate.

Our management regularly reviews our operating results on a consolidated basis, principally to make decisions about how we utilize our resources and to measure our consolidated operating performance. To assist us in forecasting growth and to help us monitor the effectiveness of our operational strategies, our management regularly reviews revenues, operating results and performance for each of our service offerings in order to gain more depth and understanding of the key business metrics driving our business. Commencing in the first quarter of 2022, our Chief Executive Officer (CEO), who is also our chief operating decision maker, reviewed the operating results of Ting, Wavelo and Tucows Domains as three distinct segments in order to make key operating decisions as well as evaluate segment performance. Accordingly, effective January 1, 2022 we report Ting, Wavelo and Tucows Domains revenue separately. The 10-year payment stream on transferred legacy subscribers as well as retail sale of mobile phones, retail telephony services and transition services will be excluded from segment EBITDA results as they are no longer centrally managed and not monitored by or reported to our CEO by segment.

For the three months ended September 30, 2022 and September 30, 2021, we reported net revenue of $78.1 million and $75.9 million, respectively.

For the nine months ended September 30, 2022 and September 30, 2021, we reported net revenue of $242.2 million and $221.9 million, respectively.
On August 8, 2022, the Company entered into a Third Amended and Restated Senior Secured Credit Agreement (the “Amended Credit Agreement”) with its existing syndicate of lenders (“the Lenders”). The Amended Credit Agreement continues to provide the Company with access to an aggregate of $240 million in committed funds (“the Credit Facility”). Under the Amended Credit Agreement, and in connection with the Unit Purchase Agreement the Lenders have agreed that Ting Fiber, Inc. (converted to Ting LLC) and its wholly owned subsidiaries shall cease to be Guarantors under the Credit Facility and shall automatically be released from their respective guarantee and security documents, including a release of the Lenders' security interests and liens upon the assets of such entities. Additionally, the Amended Credit Agreement extended the maturity of the Credit Facility to June 14, 2024. The Company is subject to the following financial covenants at all times, which are to be calculated on a rolling four quarter basis: (i) maximum Total Funded Debt to Adjusted EBITDA Ratio of 4.00:1.00 until September 29, 2023 and 3.75:1.00 thereafter; and (ii) minimum Interest Coverage Ratio of 3.00:1.00. The financial covenant calculations will exclude the financial results of Ting Fiber Inc. (converted to Ting LLC) and its wholly owned subsidiaries. The Amended Credit Agreement added SOFR Loans as a form of advance available under the Credit Facility to replace LIBOR Rate Advances, and such SOFR Loans may bear interest based on Adjusted Daily Simple SOFR (defined to be the applicable SOFR rate published by the Federal Reserve Bank of New York plus 0.10% per annum subject to a floor of zero) or Adjusted Term SOFR (defined to be the applicable SOFR rate published by CME Group Benchmark Administration Limited plus 0.10% for one-month, 0.15% for three-months, and 0.25% for six-months per annum).

Ting

Ting and its wholly owned subsidiaries - Cedar, and Simply Bits includes the provision of fixed high-speed Internet access services to select towns throughout the United States, with further expansion underway to both new and existing markets. Our primary sales channel is through the Ting website. The primary focus of this segment is to provide reliable Gigabit Internet services to consumer and business customers. Revenues are all generated in the U.S. and are provided on a monthly basis and have no fixed contract terms.

Wavelo

Wavelo includes the provision of full-service platforms and professional services providing a variety of solutions that support Communication Services providers (“CSPs”), including subscription and billing management, network orchestration and provisioning, and individual developer tools. Wavelo's focus is to provide accessible telecom software to CSPs globally, minimizing network and technical barriers and improving internet access worldwide. Wavelo's suite of flexible, cloud-based software simplifies the management of mobile and internet network access, enabling CSPs to better utilize their existing infrastructure, focus on customer experience and scale their businesses faster. Wavelo launched as a proven asset for CSPs, with DISH using Wavelo’s Mobile Network Operating System (“MONOS”) software to drive additional value within its Digital Operator Platform since early 2021. More recently, Ting Internet has also integrated Wavelo’s Internet Service Operating System (“ISOS”) software to enable faster subscriber growth and footprint expansion. The Wavelo segment also includes the Platypus brand and platform, our legacy billing solution for ISPs, that was previously reported under the Ting segment. Wavelo revenues from MONOS, ISOS and professional services are all generated in the U.S. and our customer agreements have set contract lengths with the underlying CSP. Similarly, Platypus revenues are largely generated in the U.S., with a small portion earned in Canada and other countries.

Tucows Domains

Tucows Domains includes wholesale and retail domain name registration services, as well as value added services derived through our OpenSRS, eNom, Ascio, EPAG and Hover brands. We earn revenues primarily from the registration fees charged to resellers in connection with new, renewed and transferred domain name registrations. In addition, we earn revenues from the sale of retail domain name registration and email services to individuals and small businesses. Tucows Domains revenues are attributed to the country in which the contract originates, which is primarily in Canada and the U.S for OpenSRS and eNom brands. Ascio domain services contracts and EPAG agreements primarily originate in Europe.

Our primary distribution channel is a global network of approximately 35,000 resellers that operate in over 150 countries and who typically provide their customers, the end-users of Internet-based services, with solutions for establishing and maintaining an online presence. Our primary focus is serving the needs of this network of resellers by providing the broadest portfolio of generic top-level domain (“gTLD”) and the country code top-level domain options and related services, a white-label platform that facilitates the provisioning and management of domain names, a powerful Application Program Interface, easy-to-use interfaces, comprehensive management and reporting tools, and proactive and attentive customer service. Our services are integral to the solutions that our resellers deliver to their customers. We provide “second tier” support to our resellers by email, chat and phone in the event resellers experience issues or problems with our services. In addition, our Network Operating Center proactively monitors all services and network infrastructure to address deficiencies before customer services are impacted.
We believe that the underlying platforms for our services are among the most mature, reliable and functional reseller-oriented provisioning and management platforms in our industry, and we continue to refine, evolve and improve these services for both resellers and end-users. Our business model is characterized primarily by non-refundable, up-front payments, which lead to recurring revenue and positive operating cash flow.

Wholesale, primarily branded as OpenSRS, eNom, EPAG and Ascio, derives revenue from its domain service and from providing value-added services. The OpenSRS, eNom, EPAG and Ascio domain services manage 24.5 million domain names under the Tucows, eNom, EPAG and Ascio ICANN registrar accreditations and for other registrars under their own accreditations.

Value-Added Services include hosted email which provides email delivery and webmail access to millions of mailboxes, Internet security services, WHOIS privacy, publishing tools and other value-added services. All of these services are made available to end-users through a network of 35,000 web hosts, ISPs, and other resellers around the world. In addition, we also derive revenue by monetizing domain names which are near the end of their lifecycle through advertising or auction sale.

Retail, primarily the Hover and eNom portfolio of websites, including eNom, and eNom Central, derive revenues from the sale of domain name registration, email services to individuals and small businesses. Retail also includes our Personal Names Service – based on 36,000 surname domains – that allows roughly two-thirds of Americans to purchase a surname-based email address. The retail segment includes the sale of the rights to its portfolio of surname domains used in connection with our Realnames email service as well as our Exact Hosting Service, that provides Linux hosting services for websites of individuals and small businesses.

**KEY BUSINESS METRICS AND NON-GAAP MEASURES**

We regularly review a number of business metrics, including the following key metrics and non-GAAP measures, to assist us in evaluating our business, measure the performance of our business model, identify trends impacting our business, determine resource allocations, formulate financial projections and make strategic business decisions. The following tables set forth the key business metrics which we believe are the primary indicators of our performance for the periods presented:

**Adjusted EBITDA**

Tucows reports all financial information in accordance with United States generally accepted accounting principles (“GAAP”). Along with this information, to assist financial statement users in an assessment of our historical performance, we typically disclose and discuss a non-GAAP financial measure, adjusted EBITDA, on investor conference calls and related events that exclude certain non-cash and other charges as we believe that the non-GAAP information enhances investors’ overall understanding of our financial performance. Please see discussion of adjusted EBITDA in the Results of Operations section below.

Our revenue is primarily realized in U.S. dollars and a major portion of our operating expenses are paid in Canadian dollars. Fluctuations in the exchange rate between the U.S. dollar and the Canadian dollar may have a material effect on our business, financial condition and results from operations. In particular, we may be adversely affected by a significant weakening of the U.S. dollar against the Canadian dollar on a quarterly and an annual basis. Our policy with respect to foreign currency exposure is to manage our financial exposure to certain foreign exchange fluctuations with the objective of neutralizing some or all of the impact of foreign currency exchange movements by entering into foreign exchange forward contracts to mitigate the exchange risk on a portion of our Canadian dollar exposure. We may not always enter into such forward contracts and such contracts may not always be available and economical for us. Additionally, the forward rates established by the contracts may be less advantageous than the market rate upon settlement.

Ting

As an ISP, we have invested and expect to continue to invest in new fiber to the home (“FTTH”) deployments in select markets in the United States. The investments are a reflection of our ongoing efforts to build FTTH network via public-private partnerships in communities we identify as having strong, unmet demand for FTTH services. Given the significant upfront build and operational investments for these FTTH deployments, there is risk that future technological and regulatory changes as well as competitive responses from incumbent local providers, may result in us not fully recovering these investments.

The communications industry continues to compete on the basis of network reach and performance, types of services and devices offered, and price.

Wavelo

Wavelo launched as a proven asset for CSPs, with DISH using Wavelo’s MONOS software to drive additional value within its Digital Operator Platform since early 2021. More recently, Ting Internet has also integrated Wavelo’s ISOS software to enable faster subscriber growth and footprint expansion. With our external platform and professional services revenues concentrated to one customer in DISH, we are exposed to significant risk if we are unable to maintain this customer relationship or establish new relationships for any our Platforms in the future. Additionally, our revenues as a platform provider are directly tied to the subscriber volumes of DISH’s MVNO or Mobile Network Operator (“MNO”) networks, and our profitability is contingent on the ability of DISH to continue to add subscribers, either from organic growth or from migration off legacy systems, onto our platforms.

Tucows Domains

The increased competition in the market for Internet services in recent years, which we expect will continue to intensify in the short and long term, poses a material risk for us. As new registrars are introduced, existing competitors expand service offerings and competitors offer price discounts to gain market share, we face pricing pressure, which can adversely impact our revenues and profitability. To address these risks, we have focused on leveraging the scalability of our infrastructure and our ability to provide proactive and attentive customer service to aggressively compete to attract new customers and to maintain existing customers.

Substantially all of our Tucows Domains revenue is derived from domain name registrations and related value-added services from wholesale and retail customers using our provisioning and management platforms. The market for wholesale registrar services is both price sensitive and competitive and is evolving with the introduction of new gTLDs, particularly for large volume customers, such as large web hosting companies and owners of large portfolios of domain names. We have a relatively limited ability to increase the pricing of domain name registrations without negatively impacting our ability to maintain or grow our customer base. Growth in Tucows Domains revenue is dependent upon our ability to continue to attract and retain customers by maintaining consistent domain name registration and value-added service renewal rates and to grow our customer relationships through refining, evolving and improving our provisioning platforms and customer service for both resellers and end-users. In addition, we also generate revenue through pay-per-click advertising and through the OpenSRS Domain Expiry Stream. The revenue associated with names sales and advertising has recently experienced flat to declining trends due to the uncertainty around the implementation of ICANN’s New gTLD Program, lower traffic and advertising yields in the marketplace, which we expect to continue.

From time-to-time certain of our vendors provide us with market development funds to expand or maintain the market position for their services. Any decision by these vendors to cancel or amend these programs for any reason may result in payments in future periods not being commensurate with what we have achieved during past periods.

29
Other opportunities, challenges and risks

As described above, the Company is entitled to a long-term payment stream that is a function of the margin generated by the transferred subscribers over the 10-year term of the DISH Purchase agreement. This consideration structure may not prove to be successful or profitable in the long-term to us if the existing subscriber base churns at an above average rate. Additionally, given DISH controls the revenues and costs incurred associated with the acquired subscribers, there could arise a situation where profitability for the subscriber base is diminished either by lower price points or cost inflation. As part of the transactions contemplated by the DISH Purchase agreement, the Company retained a small number of customer accounts associated with one MNO agreement that was not reassigned to DISH at time of sale. We continue to be subject to the minimum revenue commitments previously agreed to with this excluded MNO agreement. The Company is able to continue adding customers under the excluded MNO network in order to meet the commitment. However, with no direct ability to change customer pricing and limited ability to renegotiate contract costs or significant terms, the Company may be unable to meet the minimum commitments with this MNO partner and could incur significant and recurring penalties until such a time that the contract is complete. These penalties would negatively impact our operational performance and financial results if enforced by the MNO. During the three months and nine months ended September 30, 2022, the Company was able to reverse the penalties previously accrued during the six months ended June 30, 2022, of $0.7 million as a result of a successful negotiation with the MNO partner, deferring the impact of the penalties into Fiscal 2023 and beyond. The Company expects to incur penalties starting in Fiscal 2023 and thereafter until the contract is complete.

Critical Accounting Estimates

The preparation of our consolidated financial statements in conformity with GAAP requires us to make estimates and judgements that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities. There have been no material changes to the critical accounting estimates as previously disclosed in Part II, Item 7 of our 2021 Annual Report.

Current COVID-19 response and expected impacts

The ongoing global COVID-19 pandemic continues to characterize Fiscal 2022 thus far, however the financial and operational impacts from COVID-19 on our business have been limited. Over the last two years, we’ve monitored the situation and its impacts on our business but have ultimately seen trends stabilize, with continued recovery in U.S. markets due to large-scale vaccination programs. Management continues to assess the impact regularly but expects limited financial and operational impact through the upcoming fiscal year, should the COVID-19 pandemic persist. While the spread of COVID-19 may eventually be contained or mitigated, there is no guarantee that a future outbreak will not occur as evidenced by numerous variants of the virus emerging. Since the onset of this pandemic in 2020, all employees who could conceivably work from home were and continue to be encouraged to do so. Since then we have transitioned to defining ourselves as a remote-first organization, and for the small group of employees who are unable to work from home, including our order fulfillment and Fiber installation teams, many of whom work in the field, they are encouraged to practice social distancing and to continue to follow hygiene best practices and safety protocols as outlined by the Centers for Disease Control and Prevention in connection with the COVID-19 pandemic. In 2020, the Ting team established an installation solution for our employees and customers that minimizes risks associated with person-to-person contact and they continue to effectively deploy this installation solution currently. We have also implemented a vaccination policy requiring those employees who work from a Company office, meet in person with customers or travel by plan or train for business purposes to be fully vaccinated.

We have not experienced any productivity issues, material resource constraints nor do we foresee requiring any material expenditures to continue to implement our business continuity plans described above. Likewise, we have not experienced nor do we foresee any future impacts to our liquidity position, credit risk, internal controls or impacts to our accounting policies as a result of the COVID-19 pandemic.

Inflation, rising interest rates and expected impacts

The Company continues to operate in a challenging macro environment as inflation and interest rates continue to rise globally. The impact of these issues on our business will vary by geographic market and operating segment. We continue to monitor economic conditions closely, as well as segment revenues, cash position, cash flow from operations, interest rates and other factors. Across our three operating segments - Ting, Wavelo and Tucows Domains, personnel costs were impacted by wage inflation in the current period, with issued increases in excess of 5% to align with economic conditions and market rates. These increases were necessary in order to remain competitive to attract and retain the best talent. The Company continues to monitor and assess wage inflation and is managing it against offsets in hiring plans and contractor mix. Outside of wage inflation, the operating segment most impacted by inflation overall is Ting, as sustained levels of inflation increase our Fiber Network build costs across both materials and contracted labor. We continue to assess ways to reduce build costs through more efficient management of our build design, build efficiency and real-time tracking of build costs to more effectively manage total cost estimates against actual spends. We are also managing our significant vendor relationships closely to mitigate supply chain disruptions and ensure optimal pricing. However, there can be no assurance as to the effectiveness of our efforts to mitigate any impact of the current and future adverse economic conditions, and other unknown developments.
The Company is an ICANN accredited registrar. Thus, the Company is the primary obligor with our reseller and retail registrant customers and is responsible for the fulfillment of our registrar services to those parties. As a result, the Company reports revenue in the amount of the fees we receive directly from our reseller and retail registrant customers. Our reseller customers maintain the primary obligor relationship with their retail customers, establish pricing and retain credit risk to those customers. Accordingly, the Company does not recognize any revenue related to transactions between our reseller customers and their ultimate retail customers.
Wholesale – Value-Added Services

We derive revenue from domain related value-added services like digital certifications, WHOIS privacy and hosted email and by providing our resellers and retail registrant customers with tools and additional functionality to be used in conjunction with domain registrations. All domain related value-added services are considered distinct performance obligations which transfer the promised service to the customer over the contracted term. Fees charged to customers for domain related value-added services are collected at the inception of the contract, and revenue is recognized on a straight-line basis over the contracted term, consistent with the satisfaction of the performance obligations.

We also derive revenue from other value-added services, which primarily consists of proceeds from the OpenSRS, eNom and Ascio domain expiry streams.

Retail

We derive revenues mainly from Hover and eNom’s retail properties through the sale of retail domain name registration and email services to individuals and small businesses. The retail segment also includes the sale of the rights to its portfolio of surname domains used in connection with our Realnames email service and Linux hosting services for websites through our Exact Hosting brand.

Tucows Corporate - Mobile Services and Eliminations

Although we still provide mobile telephony services to a small subset of customers retained through the Ting Mobile brand as part of the DISH Purchase Agreement executed in Fiscal 2020; this revenue stream no longer represents the Company's strategic focus going forward. Instead we have transitioned towards being a Wavelo provider for CSPs globally. Where these retail mobile services revenues were previously disclosed as part of a Mobile Services segment in the prior year, effective January 1, 2022 we have decided to exclude retail telephony services and transition services revenues from segment EBITDA results as they are no longer centrally managed and not monitored by or reported to our CEO by segment.

Ting Mobile wireless usage contracts grant customers access to standard talk, text and data mobile services. Ting Mobile contracts are billed based on the customer's selected rate plan, which can either be usage based or an unlimited plan. All rate plan options are charged to customers on a postpaid, monthly basis at the end of their billing cycle. All future revenues associated with Retail Mobile Services stream will only be for this subset of customers retained by the Company, as mentioned above. Ting Mobile services are primarily contracted through the Ting website, for one month at a time and contain no commitment to renew the contract following each customer’s monthly billing cycle. The Company's billing cycle for all Ting Mobile customers is computed based on the customer's activation date. In order to recognize revenue as the Company satisfies its obligations, we compute the amount of revenues earned but not billed from the end of each billing cycle to the end of each reporting period. In addition, revenues associated with the sale of wireless devices and accessories are recognized when title and risk of loss is transferred to the customer and shipment has occurred. Incentive marketing credits given to customers are recorded as a reduction of revenue.

These Mobile Services revenue streams also includes transitional services provided to DISH. These are billed monthly at set and established rates for services provided in period and include the provision of sales, marketing, customer support, order fulfillment, and data analytics related to the legacy customer base sold to DISH. The Company recognizes revenue as the Company satisfies its obligations to provide professional services. The Company expects transitional services revenues to continue to decrease through the remainder of Fiscal 2022 and thereafter as services are established directly by DISH.

As a form of consideration for the sale of the customer relationships, the Company receives a payout on the margin associated with the legacy customer base sold to DISH, over a period of 10 years. This has been classified as Other Income and not considered revenue in the current period.

Total net revenues for the three months ended September 30, 2022 increased by $2.2 million, or 3%, to $78.1 million from $75.9 million when compared to the three months ended September 30, 2021. The three-month increase in net revenue was driven by Ting which had a revenue increase of $4.6 million in the current period from the attraction of additional customers to Ting from the continued buildout of our Fiber network footprint across the United States. This increase was furthered by Wavelo, as a result of increased MONOS platform revenues (both fixed and variable) fees earned from the migration of additional subscribers onto our new platform. Wavelo accounted for a $0.2 million increase to total net revenues in the current period. The increases these two segments experienced were partially offset by reduced revenues from Mobile Services and eliminations of $2.2 million, attributable to decreased transitional services revenues; as well as reduced revenues from our Tucows Domains segment of $0.4 million from the continued normalization of domain name registration growth and renewal rates from those observed as a result of the COVID-19 pandemic in prior years.

Total net revenues for the nine months ended September 30, 2022 increased by $20.3 million, or 9%, to $242.2 million from $221.9 million when compared to the nine months ended September 30, 2021. The nine-month increase in net revenue was driven by Ting which had a revenue increase of $13.9 million in the current period from the attraction of additional customers to Ting from the continued buildout of our Fiber network footprint across the United States. This increase was furthered by Wavelo, as a result of increased MONOS platform revenues (both fixed and variable) fees earned from the migration of additional subscribers onto our new platform, as well as incremental professional services revenues. Wavelo accounted for a $12.6 million increase to total net revenues in the current period. The increases these two segments experienced were partially offset by reduced revenues from Mobile Services and eliminations of $4.9 million, attributable to decreased transitional services revenues; as well as reduced revenues from our Tucows Domains segment of $1.3 million from the continued normalization of domain name registration growth and renewal rates from those observed as a result of the COVID-19 pandemic in prior years.
Deferred revenue at September 30, 2022 decreased by $0.7 million to $147.1 million from $147.8 million at December 31, 2021. This was primarily driven by Tucows Domains, accounting for $0.6 million of the decrease which is due to the decrease in current period billings for domain name registrations and declining domain names under management. Additionally, Wavelo saw a decrease of $0.4 million, specifically related to Other Professional Services revenues for standalone technology services development work with DISH, which we defer until such time as that work is complete and we've satisfied our obligations to provide the professional services. These other professional services were completed in the current period and thus recognized out of previously deferred revenues. These decreases were partially offset by a small increase from Ting of $0.3 million, reflective of the continued growth in customer base and billings of that segment relative to December 31, 2021.

No customer accounted for more than 10% of total net revenue during the three and nine months ended September 30, 2022 or the three and nine months ended September 30, 2021. DISH accounted for 37% of total accounts receivable as at September 30, 2022 and 46% of total accounts receivable as at December 31, 2021. Though a significant portion of the Company’s Tucows Domains revenues are prepaid by our customers, where the Company does collect receivables, significant management judgment is required at the time revenue is recorded to assess whether the collection of the resulting receivables is reasonably assured. On an ongoing basis, we assess the ability of our customers to make required payments. Based on this assessment, we expect the carrying amount of our outstanding receivables, net of allowance for doubtful accounts, to be fully collected.

**Ting**

Ting generated $10.9 million in net revenue during the three months ended September 30, 2022, up $4.5 million or 70% compared to the three months ended September 30, 2021. This growth is driven by subscriber growth across our Fiber network relative to the three months ended September 30, 2021, as well as the continued expansion of our Ting Internet footprint to new Ting towns throughout the United States. Included in this current period increase is $2.2 million of revenues attributed to the prior period acquisition of Simply Bits, which closed in the fourth quarter of Fiscal 2021.

Ting generated $31 million in net revenue during the nine months ended September 30, 2022, up $14 million or 82% compared to the nine months ended September 30, 2021. This growth is driven by subscriber growth across our Fiber network relative to the nine months ended September 30, 2021, as well as the continued expansion of our Ting Internet footprint to new Ting towns throughout the United States. Included in this current period increase is $6.8 million of revenues attributed to the prior period acquisition of Simply Bits, which closed in the fourth quarter of Fiscal 2021.

As of September 30, 2022, Ting Internet had access to 90,000 owned infrastructure serviceable addresses, 19,000 partner infrastructure serviceable addresses and 33,000 active subscribers under its management; compared to having access to 68,000 owned infrastructure serviceable addresses, 14,000 partner infrastructure serviceable addresses and 23,000 active subscribers under its management as of September 30, 2021. These figures include the increase in serviceable addresses and subscribers attributable to the acquisition of Cedar in January 2020, but exclude those of Simply Bits.

**Wavelo**

**Platform Services**

Net revenues from Wavelo for the three months ended September 30, 2022 increased by $0.2 million to $4 million as compared to the three months ended September 30, 2021. This is driven from increased MONOS platform revenues (both fixed and variable) fees earned from the migration of additional DISH subscribers, from their Boost Mobile brand onto our new platform. The increased platform fees are partially offset by a reduction of revenues related to the amortization of the related contract asset with DISH. The Company expects the contract asset to continue to amortize against revenue through the remainder of Fiscal 2022 and thereafter as we continue to fulfill the performance obligations of the contract. Our full-service platforms support CSPs with subscription and billing management, network orchestration and provisioning, and individual developer tools. Wavelo launched as a proven asset for CSPs, with DISH using Wavelo’s MONOS software to drive additional value within its Digital Operator Platform since early 2021. More recently, Ting Internet has also integrated Wavelo’s ISOS software to enable faster subscriber growth and footprint expansion. Any intercompany ISOS revenues earned from Ting Internet are eliminated upon consolidation.

Net revenues from Wavelo for the nine months ended September 30, 2022 increased by $10.9 million to $18.1 million as compared to the nine months ended September 30, 2021. This is driven from increased MONOS platform revenues (both fixed and variable) fees earned from the migration of additional DISH subscribers, from their Boost Mobile brand onto our new platform. The increased platform fees are partially offset by a reduction of revenues related to the amortization of the related contract asset with DISH. The Company expects the contract asset to continue to amortize against revenue through the remainder of Fiscal 2022 and thereafter as we continue to fulfill the performance obligations of the contract. Our full-service platforms support CSPs with subscription and billing management, network orchestration and provisioning, and individual developer tools. More recently, Ting Internet has also integrated Wavelo’s ISOS software to enable faster subscriber growth and footprint expansion. Any intercompany ISOS revenues earned from Ting Internet are eliminated upon consolidation.

**Other Professional Services**

Net revenues from Other Professional Services for the three months ended September 30, 2022 and September 30, 2021 were nil. There was no standalone technology services development work for DISH in the current period or prior period.

Net revenues from Other Professional Services for the nine months ended September 30, 2022 increased to $1.8 million as compared to the nine months ended September 30, 2021. This increase was the result of completion of select standalone technology services development work for DISH in the current period, where nine months ended September 30, 2021 did not have any revenues from comparable services.
During the three months ended September 30, 2022, Wholesale domain services net revenue decreased by $0.1 million to $47 million, when compared to the three months ended September 30, 2021. Decreases from Wholesale domain registrations were driven from the continued normalization of domain name registration growth and slowed renewal rates from those observed as a result of the COVID-19 pandemic in prior years.

During the nine months ended September 30, 2022, Wholesale domain services net revenue decreased by $1.2 million to $140.8 million, when compared to the nine months ended September 30, 2021. Decreases from Wholesale domain registrations were driven from the continued normalization of domain name registration growth and slowed renewal rates from those observed as a result of the COVID-19 pandemic in prior years.

Total domains that were managed under the OpenSRS, eNom, EPAG, and Ascio domain services decreased by 0.9 million domain names to 24.5 million as of September 30, 2022, when compared to 25.4 million at September 30, 2021. The decrease in domains under management came largely from eNom, with smaller decreases from OpenSRS and the European brands, Ascio and EPAG.

During the three months ended September 30, 2022, value-added services net revenue remained flat at $4.9 million compared to the three months ended September 30, 2021.

During the nine months ended September 30, 2022, value-added services revenue increased by $0.7 million to $16.1 million compared to the nine months ended September 30, 2021. The increase was primarily driven by increased expiry revenue of $1.1 million from the OpenSRS, eNom, Ascio brands and their respective domain expiry streams, and was partially offset by other small decreases in Digital Certificates, Email and Other revenues of $0.4 million.

During the three months ended September 30, 2022, retail domain services net revenue decreased by $0.4 million or 5% to $8.4 million compared to the three months ended September 30, 2021. This was driven by decreased revenues related to retail domain name registrations of $0.4 million and partially offset by a small increase in Exact Hosting revenues of less than $0.1 million.

During the nine months ended September 30, 2022, retail domain services net revenue decreased by $0.9 million or 3% to $26.0 million compared to the nine months ended September 30, 2021. This was driven by decreased revenues related to retail domain name registrations of $1.3 million and partially offset by an outsized domain name portfolio sale of $0.2 million and a small increase in Exact Hosting revenues of $0.2 million.

Net revenues from Tucows Corporate for the three months ended September 30, 2022 decreased by $2.2 million or 44% to $2.8 million as compared to the three months ended September 30, 2021. This decrease was driven by decreased transitional services of $2.2 million, notably from a decreased level of customer support and marketing services provided to DISH in connection with the legacy Ting Mobile customer base. The Company expects transitional services revenues to continue to decrease through the remainder of Fiscal 2022 and thereafter as services are established directly by DISH. This decrease was partially offset by an increase in revenues of less than $0.2 million associated with the mobile telephony services and device revenues from the small group of customers retained by the Company as part of the DISH Purchase Agreement. Revenues increased as a result of the organic subscriber growth we experienced relative to the three months ended September 30, 2021. These decreases were partially offset by increased corporate eliminations of $0.2 million as a result of the revenues associated with ISOS platform billing between Wavelo and Ting, which began in Fiscal 2022.

Net revenues from Tucows Corporate for the nine months ended September 30, 2022 decreased by $4.9 million or 37% to $8.5 million as compared to the nine months ended September 30, 2021. This decrease was driven by decreased transitional services of $4.9 million, notably from a decreased level of customer support and marketing services provided to DISH in connection with the legacy Ting Mobile customer base. The Company expects transitional services revenues to continue to decrease through the remainder of Fiscal 2022 and thereafter as services are established directly by DISH. This decrease was partially offset by an increase in revenues of $0.5 million associated with the mobile telephony services and device revenues from the small group of customers retained by the Company as part of the DISH Purchase Agreement. Revenues increased as a result of the organic subscriber growth we experienced through Fiscal 2021, brought about by new unlimited usage rate plans introduced in late Fiscal 2020. Additionally, corporate eliminations increased by $0.5 million as a result of the revenues associated with ISOS platform billing between Wavelo and Ting, which began in Fiscal 2022.

### COST OF REVENUES

**Ting**

Cost of revenues primarily includes the costs for provisioning high speed Internet access for Ting and its subsidiaries - Cedar, and Simply Bits, which is comprised of network access fees paid to third-parties to use their network, leased circuit costs to directly support enterprise customers, the personnel and related expenses (net of capitalization) related to the physical planning, design, construction and build out of the physical Fiber network and as well as personnel and related expenses (net of capitalization) related to the installation, repair, maintenance and overall field service delivery of the Fiber business. Wavelo

Platform Services

Cost of revenues, if any, to provide the MONOS, ISOS platforms and our legacy Platypus ISP Billing software services including network access, provisioning and billing services for CSPs. This includes the amortization of any capitalized contract fulfillment costs over the period consistent with the pattern of transferring network access, provisioning and billing services to which the cost relates. Additionally, this includes any fees paid to third-party service providers primarily for printing services in connection with the Platypus ISP Billing software.

Other Professional Services

Cost of revenues to provide standalone technology services development work to our CSP customers to help support their businesses. This includes any personnel and contractor fees for any client service resources retained by the Company. Only a subset of the Company's employee base provides professional services to our customers. This cost reflects that group of resources.

Tucows Domains

WholeSale - Domain Services

Cost of revenues for domain registrations represents the amortization of registry and accreditation fees on a basis consistent with the recognition of revenues from our customers, namely rateably over the term of provision of the service. Registry fees, the primary component of cost of revenues, are paid in full when the domain is registered, and are initially recorded as prepaid domain registry fees. This accounting treatment reasonably approximates a recognition pattern that corresponds with the provision of the services during the period. Market development funds that do not represent a payment for distinct goods or services provided by the Company, and thus do not meet the criteria for revenue recognition under ASU 2014-09, are reflected as cost of goods sold and are recognized as earned.

WholeSale - Value-Added Services

Costs of revenues for value-added services include licensing and royalty costs related to the provisioning of certain components of related to hosted email and fees paid to third-party hosting services. Fees payable for trust certificates are amortized on a basis consistent with the provision of service, generally one year, while email hosting fees and monthly printing fees are included in cost of revenues in the month they are incurred.

Retail

Costs of revenues for our provision and management of Internet services through our retail sites, Hover.com and the eNom branded sites, include the amortization of registry fees on a basis consistent with the recognition of revenues from our customers, namely rateably over the term of provision of the service. Registry fees, the primary component of cost of revenues, are paid in full when the domain is registered, and are recorded as prepaid domain registry fees and are expensed rateably over the renewal term. Costs of revenues for our surname portfolio represent the amortization of registry fees for domains added to our portfolio over the renewal period, which is generally one year, the value attributed under intangible assets to any domain name sold and any impairment charges that may arise from our assessment of our domain name intangible assets.

Tucows Corporate

Cost of revenues for Retail Mobile Services includes the costs of provisioning mobile services, which is primarily our customers' voice, messaging, data usage provided by our MNO partner, and the costs of providing mobile phone hardware, which is the cost of mobile phone devices and SIM cards sold to our customers, order fulfillment related expenses, and inventory write-downs. Included in the costs of provisioning mobile services is any penalties associated with the minimum commitments with our MNO partner.

These Mobile Services costs also include the personnel and related costs of transitional services provided to DISH. These are billed monthly at set and established rates for services provided in period and include the provision of sales, marketing, customer support, order fulfillment, and data analytics related to the legacy customer base sold to DISH. The Company recognizes costs as the Company satisfies its obligations to provide professional services. The Company expects transitional services costs to continue to decrease through the remainder of Fiscal 2022 and thereafter as services are established directly by DISH.

Network expenses

Network expenses include personnel and related expenses related to the core technologies, site reliability engineering and network operations, IT infrastructure and supply chain teams that support our various business segments. It also includes network depreciation and amortization, communication and productivity tool costs, and equipment maintenance costs. Communication and productivity tool costs includes collaboration, customer support, bandwidth, co-location and provisioning costs we incur to support the supply of all our services.

Total cost of revenues for the three months ended September 30, 2022, increased by $2.2 million, or 4%, to $60.1 million from $57.9 million in the three months ended September 30, 2021. The three-month increase in cost of revenues was driven by a $3.4 million increase in Network Expenses. The increase from Network Expenses is a result of the expansion of the Company’s increased network infrastructure associated with the continuing expansion of the Ting Internet network footprint, the ramp up of Wavelo’s MONOS and ISOS platforms, as well as increased communication and productivity tool costs across our operating segments. Another contributing factor was a $0.7 million increase from Ting. As discussed above in the Net Revenues section, Ting has continued to add both serviceable addresses and active subscriptions relative to the three months ended September 30, 2021. Additionally, we experienced an increase from Wavelo of less than $0.1 million, driven by the increased amortization of capitalized contract fulfillment costs. These increases were partially offset by a $1.8 million decrease related to Tucows Corporate and $0.1 million from Tucows Domains. The decrease in costs for Tucows Corporate was driven by decreased transitional services costs from the provision of less transitional services to DISH in the current period. The decrease in costs for Tucows Domains is aligned with the reduced net revenues discussed above in the Net Revenues section and reduction in domains under management in the current period.

Total cost of revenues for the nine months ended September 30, 2022, increased by $12.9 million, or 8%, to $181 million from $168.1 million in the nine months ended September 30, 2021. The nine-month increase in cost of revenues was driven by a $10.7 million increase in Network Expenses. The increase from Network Expenses is a result of the expansion of the Company’s increased network infrastructure associated with the continuing expansion of the Ting Internet network footprint, the ramp up of Wavelo’s MONOS and ISOS platforms, as well as increased communication and productivity tool costs across our operating segments. Another contributing factor was a $3.5 million increase from Ting. As discussed above in the Net Revenues section, Ting has continued to add both serviceable addresses and active subscriptions relative to the nine months ended September 30, 2021. Additionally, we experienced a $1.9 million increase from Wavelo, driven by the completion of select standalone technology services development work for DISH in the current period. These increases were partially offset by a decrease of less than $0.8 million related to Tucows Domains and a $2.5 million decrease related to Tucows Corporate. The decrease in costs for Tucows Domains is aligned with the reduced net revenues discussed above in the Net Revenues section and reduction in domains under management in the current period. The decrease related to Tucows Corporate is also driven by decreased transitional services costs from the provision of less transitional services to DISH in the current period.

Deferred costs of fulfillment as of September 30, 2022 decreased by $0.8 million, or 1%, to $111.9 million from $112.7 million at December 31, 2021. This decrease was primarily driven by Wavelo of $1.6 million, related to the completion of Other Professional Services discussed above for standalone technology services development work with DISH. As these professional services were completed in the current period, the deferred costs to fulfill those services were amortized into costs of revenues. This decrease was partially offset by an increase from Tucows Domains of $0.8 million, which is due to increasing registry costs for domain name registrations and service renewals since December 31, 2021.

**Ting**

During the three months ended September 30, 2022, costs related to provisioning high speed Internet access increased $0.7 million or 19%, to $4.3 million as compared to $3.6 million during three months ended September 30, 2021. The increase in costs were primarily driven by increased direct costs, bandwidth and colocation costs related to the continued expansion of the Ting Fiber network. Included in this current period increase is $0.7 million of costs of revenues attributed to the prior period acquisition of Simply Bits, which closed in the fourth quarter of Fiscal 2021.

During the nine months ended September 30, 2022, costs related to provisioning high speed Internet access increased $3.5 million or 38%, to $12.7 million as compared to $9.2 million during nine months ended September 30, 2021. The increase in costs were primarily driven by increased direct costs, bandwidth and colocation costs related to the continued expansion of the Ting Fiber network. Included in this current period increase is $1.7 million of costs of revenues attributed to the prior period acquisition of Simply Bits, which closed in the fourth quarter of Fiscal 2021.

**Wavelo**

Cost of revenues from Wavelo for the three months ended September 30, 2022 increased $0.1 million or 68%, to $0.2 million as compared to $0.1 million for the three months ended September 30, 2021. Costs incurred are driven by the amortization of previously capitalized costs incurred to fulfill the DISH Master Services Agreement ("MSA") over the term of the agreement. The continued incurrence of additional costs to fulfill the contract have resulted in increased amortization in the current period relative to the fixed term of the agreement.

Cost of revenues from Wavelo for the nine months ended September 30, 2022 increased $0.3 million or 100%, to $0.6 million as compared to $0.3 million for the nine months ended September 30, 2021. No comparable costs were incurred in the prior period.

Tucows Domain

Wholesale - Domain Services

Costs for Wholesale domain services for the three months ended September 30, 2022 increased by $0.3 million or 1%, to $37.4 million, as compared to $37.1 million for the three months ended September 30, 2021. The increase is driven by the prior period including significant registry rebates, standard cost and hedging adjustments, partially offset by decreased registration costs aligned with the discussion above in the Net Revenue section associated with the continued normalization of domain name registrations, slowed renewal rates and reduction in domains under management in the current period.

Costs for Wholesale domain services for the nine months ended September 30, 2022 increased by $0.1 million or less than 1%, to $110.7 million, as compared to $110.6 million for the nine months ended September 30, 2021. The increase was driven by prior period including significant registry rebates, standard cost and hedging adjustments earned from the strong performance and additions to domains under management as a result of the COVID-19 pandemic during Fiscal 2020. Limited comparable rebates and adjustments were earned from registries in the current period. This increase was partially offset by decreased registration costs aligned with the discussion above in the Net Revenue section associated with the continued normalization of domain name registrations, slowed renewal rates and reduction in domains under management in the current period.

Costs for retail domain services for the nine months ended September 30, 2022 decreased by $1.0 million or 7%, to $12.4 million, as compared to $13.4 million for the nine months ended September 30, 2021. This was driven by decreased costs related to retail domain name registrations of $0.9 million from lower retail registrations and furthered by a small decrease in domain name portfolio costs of less than $0.1 million.
Cost of revenues from Tucows Corporate for the three months ended September 30, 2022 decreased by $1.8 million or 53%, to $1.7 million from $3.5 million in the three months ended September 30, 2021. Consistent with the above discussion around net revenues, this was a driven by decreased transitional services costs of $1.4 million, notably from a decreased level of customer support and marketing services provided to DISH in connection with the legacy Ting Mobile customer base. The Company expects transitional services costs of revenues to continue to decrease through the remainder of Fiscal 2022 and thereafter as services are established directly by DISH. This decrease was furthered by a decrease in costs of revenues of $0.4 million associated with the mobile telephony services and device costs associated with the small group of customers retained by the Company as part of the DISH Purchase Agreement. Costs of revenues decreased in the current period due to the reversal of the penalties previously accrued during the six months ended June 30, 2022, of $0.7 million. The Company was able to successfully negotiate with the MNO partner, deferring the impact of the penalties into Fiscal 2023 and beyond. The Company expects to incur penalties starting in Fiscal 2023 and thereafter until the contract is complete.

Cost of revenues from Tucows Corporate for the nine months ended September 30, 2022 decreased by $2.5 million or 26%, to $7.0 million from $9.5 million in the nine months ended September 30, 2021. Consistent with the above discussion around net revenues, this was a driven by decreased transitional services costs of $3.9 million, notably from a decreased level of customer support and marketing services provided to DISH in connection with the legacy Ting Mobile customer base. The Company expects transitional services costs of revenues to continue to decrease through the remainder of Fiscal 2022 and thereafter as services are established directly by DISH. This decrease was partially offset by an increase in costs of revenues of $1.4 million associated with the mobile telephony services and device costs associated with the small group of customers retained by the Company as part of the DISH Purchase Agreement. Costs of revenues increased as a result of the organic growth of the customer base we experienced through Fiscal 2021, brought about by new unlimited usage rate plans introduced in late Fiscal 2020. This increase was partially offset by the reversal of the penalties previously accrued during the six months ended June 30, 2022, of $0.7 million. The Company was able to successfully negotiate with the MNO partner, deferring the impact of the penalties into Fiscal 2023 and beyond. The Company expects to incur penalties starting in Fiscal 2023 and thereafter until the contract is complete.

Network Expenses

Network costs for the three months ended September 30, 2022 increased by $3.5 million or 42%, to $11.8 million, as compared to $8.3 million for the three months ended September 30, 2021. The three-month increase was driven by increased depreciation of $2.5 million driven by the Company's increased network infrastructure associated with the continuing expansion of the Ting Internet footprint and depreciation of Wavelo's new MONOS platform. This increase from depreciation was followed by increased network costs of $0.8 million from increased personnel and contracted-service costs focused on Ting and Wavelo, as well as a small increase in amortization of intangible assets of $0.4 million attributed to the prior period acquisition of Simply Bits. These increases were partially offset by a decrease in impairment charges of $0.2 million.

Network costs for the nine months ended September 30, 2022 increased by $10.7 million or 46%, to $34.0 million, as compared to $23.3 million for the nine months ended September 30, 2021. The nine-month increase was driven by increased depreciation of $7.3 million driven by the Company's increased network infrastructure associated with the continuing expansion of the Ting Internet footprint and depreciation of Wavelo's new MONOS platform. This increase from depreciation was followed by increased network costs of $2.9 million from increased personnel and contracted service costs focused on Ting and Wavelo segments, as well as a small increase in amortization of intangible assets of $0.8 million driven by the prior period acquisition of Simply Bits. These increases were partially offset by a decrease in impairment charges of $0.3 million.

SALES AND MARKETING

These costs include commissions and related expenses of our sales, product management, public relations, call center, support and marketing personnel. Sales and marketing expenses for the three months ended September 30, 2022 increased by $4.0 million, or 40%, to $13.9 million as compared to the three months ended September 30, 2021. This three-month increase primarily related to the investment in hiring additional personnel for both Ting Internet and Wavelo's sales, product, marketing, customer support and success teams to drive growth in Ting and to support the launch and go to market strategy of Wavelo. The current period also includes the teams acquired as part of the Simply Bits acquisition. Outside of additional hiring, personnel costs were impacted by wage inflation across our three segments, with issued increases in excess of 5% to align with economic conditions and market rates. In addition to personnel related costs, both marketing related costs and facility costs increased to drive active subscription growth given the increase in serviceable addresses available to Ting and to support our growing workforce in select Ting towns across the United States.

Sales and marketing expenses for the nine months ended September 30, 2022 increased by $11.8 million, or 43%, to $39.4 million as compared to the nine months ended September 30, 2021. This nine-month increase primarily related to the investment in hiring additional personnel for both Ting Internet and Wavelo's sales, product, marketing, customer support and success teams to drive growth in Ting and to support the launch and go to market strategy of Wavelo. The current period also includes the teams acquired as part of the Simply Bits acquisition. TECHNICAL OPERATIONS AND DEVELOPMENT

Technical operations and development expenses consist primarily of personnel costs and related expenses required to support the development of new or enhanced service offerings and the maintenance and upgrading of existing infrastructure. This includes expenses incurred in the research, design and development of technology that we use to register domain names, Platform Services, Fiber Internet Services, email, retail, domain portfolio and other Internet services, as well as to distribute our digital content services. All technical operations and development costs are expensed as incurred.

Technical operations and development expenses for the three months ended September 30, 2022 decreased by $0.8 million, or 20%, to $3.0 million when compared to the three months ended September 30, 2021. The decrease in costs relates primarily to increased capitalization of personnel costs for internal use software related to development aspects of the MONOS and ISOS Platforms, work which has accelerated in the current period. This was partially offset by increased personnel costs including wage inflation across our three segments, with issued increases in excess of 5% to align with economic conditions and market rates.

Technical operations and development expenses for the nine months ended September 30, 2022 increased by $0.2 million, or 2%, to $10.2 million when compared to the nine months ended September 30, 2021. The increase in costs relates primarily to increased spending on both personnel costs and external contractors to provide development resources to assist our internal engineering teams with development aspects of the MONOS and ISOS platforms. Personnel costs were also impacted by wage inflation across our three segments, with issued increases in excess of 5% to align with economic conditions and market rates. Of these costs, a significant portion has been capitalized as internal use software related to development aspects of the MONOS and ISOS Platforms. Outside of personnel costs, the Company also experienced increases in bandwidth costs in the current period, driven by the acquisition of Uniregistry assets in the fourth quarter of Fiscal 2021.

General and administrative expenses for the three months ended September 30, 2022 increased by $2.8 million, or 56%, to $7.9 million as compared to the three months ended September 30, 2021. The increase was primarily driven by an increase in personnel costs driven by the growth of teams acquired as part of the Simply Bits acquisition and continued investment in hiring for administrative teams to better support our segments as part of our new corporate reorganization. Outside of additional hiring, personnel costs were impacted by wage inflation across our three segments, with issued increases in excess of 5% to align with economic conditions and market rates. Another driver of the increase was the higher stock-based compensation expenses in order to attract, retain and scale core administrative teams to meet projected Company growth. Smaller contributors to the increase include bank charges, professional fees, and facility costs driven by Ting and the continuing expansion of the Ting Internet footprint.

General and administrative expenses for the nine months ended September 30, 2022 increased by $6.8 million, or 44% to $22 million as compared to the nine months ended September 30, 2021. LOSS (GAIN) ON CURRENCY FORWARD CONTRACTS

Although our functional currency is the U.S. dollar, a major portion of our fixed expenses are incurred in Canadian dollars. Our goal with regard to foreign currency exposure is, to the extent possible, to achieve operational cost certainty, manage financial exposure to certain foreign exchange fluctuations and to neutralize some of the impact of foreign currency exchange movements. Accordingly, we enter into foreign exchange contracts to mitigate the exchange rate risk on portions of our Canadian dollar exposure.

Other Income during the three months ended September 30, 2022 decreased by $3.9 million when compared to the three months ended September 30, 2021. This was driven by higher interest incurred of $3.1 million, driven both by our Amended Credit Agreement (as defined below) as well as interest on redeemable preferred shares. In addition to higher interest expense, the Company experienced a $0.8 million decrease in the gain on sale of Ting Customer Assets to DISH in the current period. As described above, the Company receives a payout on the margin associated with the legacy customer base sold to DISH over the 10-year term of the agreement, as form of consideration for the sale of the legacy customer relationships. The Company expects the gain on the sale of Ting Customer Assets to continue to decrease over the term of the payout as legacy customers naturally churn away from Ting Mobile.

Other Income during the nine months ended September 30, 2022 decreased by $7.1 million when compared to the nine months ended September 30, 2021. This was partly due to higher interest incurred of $5.3 million on our Amended Credit Agreement (as defined below) as well as interest on redeemable preferred shares. In addition to higher interest expense, the Company experienced a $1.8 million decrease in the gain on sale of Ting Customer Assets to DISH in the current period. As described above, the Company receives a payout on the margin associated with the legacy customer base sold to DISH over the 10-year term of the agreement, as form of consideration for the sale of the legacy customer relationships. Income taxes for the three months ended September 30, 2022 decreased by $0.7 million when compared to the three months ended September 30, 2021. The change in effective tax rate is primarily due to the change in net income before tax for the period, and it is partially offset by an increase in valuation allowance on foreign tax credits as a result of a change in the geographical mix of income and reduced excess tax benefits related to stock-based compensation.

Income taxes for the nine months ended September 30, 2022 increased by $0.1 million when compared to the nine months ended September 30, 2021. The change in effective tax rate is primarily due to the change in net income before tax for the period, and it is partially offset by an increase in valuation allowance on foreign tax credits as a result of a change in the geographical mix of income and reduced excess tax benefits related to stock-based compensation. There is aggregate tax expense over consolidated net loss for the period, primarily due to the geographical mix of income in taxable jurisdictions.

ADJUSTED EBITDA

We believe that the provision of this supplemental non-GAAP measure allows investors to evaluate the operational and financial performance of our core business using similar evaluation measures to those used by management. We use adjusted EBITDA to measure our performance and prepare our budgets. Since adjusted EBITDA is a non-GAAP financial performance measure, our calculation of adjusted EBITDA may not be comparable to other similarly titled measures of other companies; and should not be considered in isolation, as a substitute for, or superior to measures of financial performance prepared in accordance with GAAP. Because adjusted EBITDA is calculated before recurring cash charges, including interest expense and taxes, and is not adjusted for capital expenditures or other recurring cash requirements of the business, it should not be considered as a liquidity measure. See the Consolidated Statements of Cash Flows included in the attached financial statements. Non-GAAP financial measures do not reflect a comprehensive system of accounting and may differ from non-GAAP financial measures with the same or similar captions that are used by other companies and/or analysts and may differ from period to period. We endeavor to compensate for these limitations by providing the relevant disclosure of the items excluded in the calculation of adjusted EBITDA to net income based on GAAP, which should be considered when evaluating the Company’s results. Tucows strongly encourages investors to review its financial information in its entirety and not to rely on a single financial measure.

Our adjusted EBITDA definition excludes depreciation, amortization of intangible assets, income tax provision, interest expense (net), accretion of contingent consideration, stock-based compensation, asset impairment, gains and losses from unrealized foreign currency transactions and costs that are one-time in nature and not indicative of on-going performance (profitability), including acquisition and transition costs. Gains and losses from unrealized foreign currency transactions removes the unrealized effect of the change in the mark-to-market values on outstanding foreign currency contracts not designated in accounting hedges, as well as the unrealized effect from the translation of monetary accounts denominated in non-U.S. dollars to U.S. dollars.

The following table reconciles adjusted EBITDA to net income:

¹Acquisition and other costs represent transaction-related expenses, transitional expenses, such as redundant post-acquisition expenses, primarily related to our acquisitions, including Simply Bits in November 2021. Expenses include severance or transitional costs associated with department, operational or overall company restructuring efforts, including geographic alignments.
Adjusted EBITDA decreased by $4.3 million to $7.9 million for the three months ended September 30, 2022 when compared to the three months ended September 30, 2021. The decrease in adjusted EBITDA from period-to-period was primarily driven by decreased contribution from Wavelo due to significant investments into building out both our teams and platforms in support of future growth as well as a current period charge for amortization of the contract asset related to the DISH agreement. This decrease was furthered by Tucows Domains and to a lesser extent from Ting. For Tucows Domains, we continue to experience reduced contribution from continued normalization of domain registrations and slowed renewal rates relative to patterns experienced over the last fiscal years from the COVID-19 pandemic; as well as domains under management. For Ting, the decreased contribution is from the increased investment for the ramp of expenditures related to the Fiber Internet network build and expansion plan.

Adjusted EBITDA decreased by $5.2 million to $30.9 million for the nine months ended September 30, 2022 when compared to the nine months ended September 30, 2021. The decrease in adjusted EBITDA from period-to-period was primarily driven by decreased contribution from the increased investment in Ting for the ramp of expenditures related to the Fiber Internet network build and expansion plan. This was further decreased from Tucows Domain as we experience the reduced contribution from continued normalization of domain registrations and slowed renewal rates relative to patterns experienced over the last fiscal years from the COVID-19 pandemic; as well as domains under management. These decreases were partially offset by a small increase in contribution from Wavelo due to increased revenue growth in MONOS platform fees as additional DISH subscribers migrate to the platform.

OTHER COMPREHENSIVE INCOME (LOSS)

To mitigate the impact of the change in fair value of our foreign exchange contracts on our financial results, in October 2012 we began applying hedge accounting for the majority of the contracts we need to meet our Canadian dollar requirements on a prospective basis.

These uses of cash were partially offset by $60 million proceeds from redeemable preferred shares, $48.3 million proceeds received from the drawdown of the Amended Credit Agreement, $17.0 million from cash provided from operating activities and $0.8 million from the proceeds received on the exercise of stock options.

The Second Amended Credit Agreement provides the Company with access to an aggregate of $240 million in committed funds. Under the Second Amended Credit Agreement, the Company has agreed to comply with the following financial covenants at all times, which are to be calculated on a rolling four quarter basis: (i) maximum Total Funded Debt to Adjusted EBITDA Ratio of 4.50:1.00 until March 31, 2023 and 4.00:1.00 thereafter; and (ii) minimum Interest Coverage Ratio of 3.00:1.00. The Second Amended Credit Agreement also provides for two additional interest rate tiers if the Company exceeds a 3.50x Total Funded Debt to Adjusted EBITDA Ratio.

Third Amended 2019 Credit Facility

On August 8, 2022, the Company entered into the Third Amended 2019 Credit Facility (the "Amended Credit Agreement") with the Lenders. The Amended Credit Agreement continues to provide the Company with access to the Credit Facility. Under the Amended Credit Agreement, and in connection with the Unit Purchase Agreement the Lenders agreed that Ting Fiber, Inc. (converted to Ting LLC) and its wholly owned subsidiaries ceased to be Guarantors under the Credit Facility and were released from their respective guarantee and security documents, including a release of the Lenders' security interests and liens upon the assets of such entities. Additionally, the Amended Credit Agreement has extended the maturity of the Credit Facility to June 14, 2024. The Company is subject to the following financial covenants at all times, which are to be calculated on a rolling four quarter basis: (i) maximum Total Funded Debt to Adjusted EBITDA Ratio of 4.00:1.00 until September 29, 2023 and 3.75:1.00 thereafter; and (ii) minimum Interest Coverage Ratio of 3.00:1.00. The financial covenant calculations will exclude the financial results of Ting Fiber Inc. (converted to Ting LLC) and its wholly owned subsidiaries. The Amended Credit Agreement added SOFR Loans as a form of advance available under the Credit Facility to replace LIBOR Rate Advances, and such SOFR Loans may bear interest based on Adjusted Daily Simple SOFR (defined to be the applicable SOFR rate published by the Federal Reserve Bank of New York plus 0.10% per annum subject to a floor of zero) or Adjusted Term SOFR (defined to be the applicable SOFR rate published by CME Group Benchmark Administration Limited plus 0.10% for one-month, 0.15% for three-months, and 0.25% for six-months per annum).

Cash Flow from Operating Activities

Net cash inflows from operating activities during the nine months ended September 30, 2022 totaled $17.0 million, a decrease of 11% when compared to the nine months ended September 30, 2021.

Net income, after adjusting for non-cash charges, during the nine months ended September 30, 2022 was $15.5 million, a decrease of 38% when compared to the prior year. Net income included non-cash charges and recoveries of $29.6 million such as depreciation, amortization, stock-based compensation, loss (gain) on change in fair value of currency forward contracts, net right of use operating asset or liability, accretion of contingent consideration, amortization of debt discount and issuance costs, impairment of property and equipment, loss on disposal of domain names, net amortization of contract costs, excess tax benefits on stock-based compensation, accretion of redeemable preferred shares, and deferred income taxes (recovery). In addition, changes in our working capital contributed net cash of $1.5 million. Utilized cash of $13 million from the changes in contract assets, inventory, customer deposits, deferred revenue, accounts receivable and accreditation fees payable were offset by positive contributions of $14.5 million from movements in accounts payable, income taxes recoverable, prepaid expenses and deposits, accrued liabilities, and deferred costs of fulfillment.

Cash Flow from Financing Activities

Net cash inflows from financing activities during the nine months ended September 30, 2022 totaled $104.6 million, an increase of 243% when compared to the nine months ended September 30, 2021. Total cash inflows were driven by $60 million of proceeds from redeemable preferred shares issued to Generate, $48.3 million of proceeds received from drawdown of the Credit Facility, as well as $0.8 million from proceeds received on exercise of stock options. These cash inflows were partially offset by $3.1 million related to the contingent consideration related to the acquisition of Cedar and Simply Bits, $0.8 million from deferred preferred financing costs, as well as $0.7 million related to the payment of loan payable costs.

Cash Flow from Investing Activities

Investing activities during the nine months ended September 30, 2022 used net cash of $100.1 million, an increase of 91% when compared to the nine months ended September 30, 2021. Cash outflows of $100 million primarily related to the investment in property and equipment, primarily to support the continued expansion of our Ting Internet Fiber network footprints in California, Colorado, Idaho, North Carolina and Virginia as we seek to extend both our current network and expand to new markets. We expect our capital expenditures on building and expanding our fiber network to continue to increase during Fiscal 2023. In addition to investment in property and equipment, the current period used $0.1 million for the acquisition of other intangible assets.

Material Cash Requirements

In order to continue the Company’s planned expansion of the Ting Internet footprint, the Company will need to access additional financing under the Unit Purchase Agreement by meeting certain predetermined operational and financial drawdown milestones. Under the Unit Purchase Agreement, from the Transaction Close until the earlier of (i) the End Date and (ii) the date upon which Generate has purchased $140 million of Series A Preferred units pursuant to Milestone Fundings, Ting LLC is required to pay Generate a standby fee at a rate of 0.50% of the unpaid $140 million capital commitment which will be paid quarterly. In addition, in order to further accelerate the expansion of the Ting Internet footprint, the Company may seek additional financing, which may include an equity or debt issuance, a partnership or collaborating arrangement with another third party. We may not be able to secure additional financing on favorable terms, or at all, at the time when we need that funding. We currently have no commitments or agreements regarding the acquisition of other businesses. Any additional financing may be dilutive to existing investors.

In our 2021 Annual Report, we disclosed our material cash requirements. As of September 30, 2022, other than the items mentioned above, there have been no other material changes to our material cash requirements outside the ordinary course of business.
We develop products in Canada and sell these services in North America and Europe. Our sales are primarily made in U.S. dollars, while a major portion of expenses are incurred in Canadian dollars. Our financial results could be affected by factors such as changes in foreign currency exchange rates or weak economic conditions in foreign markets. Our interest income is sensitive to changes in the general level of Canadian and U.S. interest rates, particularly since the majority of our investments are in short-term instruments. Based on the nature of our short-term investments, we have concluded that there is no material interest rate risk exposure as of September 30, 2022.

We are also subject to market risk exposure related to changes in interest rates under our Amended Credit Agreement. In an effort to mitigate a portion of our market risk exposure the Company has entered into a pay-fixed, receive-variable interest rate swap with a Canadian chartered bank to limit the potential interest rate fluctuations incurred on its future cash flows related to variable interest payments on the Amended Credit Agreement. The notional value of the swap at September 30, 2022 is $70 million, consistent with December 31, 2021.

Changes in interest rates will impact our borrowing cost. However, fluctuations in interest rates are beyond our control. We have entered into an interest rate swap as discussed above to mitigate risk on portions of our interest rate exposure. We will continue to monitor and assess the risks associated with interest expense exposure and may take additional actions in the future to mitigate these risks.

Although our functional currency is the U.S. dollar, a substantial portion of our fixed expenses are incurred in Canadian dollars. Our policy with respect to foreign currency exposure is to manage financial exposure to certain foreign exchange fluctuations with the objective of neutralizing some of the impact of foreign currency exchange movements. Exchange rates are, however, subject to significant and rapid fluctuations, and therefore we cannot predict the prospective impact of exchange rate fluctuations on our business, results of operations and financial condition. Accordingly, we have entered into foreign exchange forward contracts to mitigate the exchange rate risk on portions of our Canadian dollar exposure.

As of September 30, 2022, we had the following outstanding foreign exchange forward contracts to trade U.S. dollars in exchange for Canada dollars:

As of September 30, 2022, the Company had $64.6 million of outstanding foreign exchange forward contracts which will convert to $86.2 million Canadian dollars. Of these contracts, $64.6 million met the requirements for hedge accounting. As of December 31, 2021, the Company held contracts in the amount of $25.2 million to trade U.S. dollars in exchange for $32.0 million Canadian dollars. Of these contracts, $25.2 million met the requirements for hedge accounting.

We have performed a sensitivity analysis model for foreign exchange exposure over the three months ended September 30, 2022. The analysis used a modeling technique that compares the U.S. dollar equivalent of all expenses incurred in Canadian dollars, at the actual exchange rate, to a hypothetical 10% adverse movement in the foreign currency exchange rates against the U.S. dollar, with all other variables held constant. Foreign currency exchange rates used were based on the market rates in effect during the three months ended September 30, 2022. The sensitivity analysis indicated that a hypothetical 10% adverse movement in foreign currency exchange rates would result in a decrease in net income for the three months ended September 30, 2022 of approximately $1.5 million, before the effects of hedging. We will continue to monitor and assess the risk associated with these exposures and may take additional actions in the future to hedge or mitigate these risks.
Credit Risk

Financial instruments that potentially subject us to concentrations of credit risk consist principally of cash equivalents, marketable securities, foreign exchange contracts and accounts receivable. Our cash, cash equivalents and short-term investments are in high-quality securities placed with major banks and financial institutions whom we have evaluated as highly creditworthy and commercial paper. Similarly, we enter into our foreign exchange contracts with major banks and financial institutions. With respect to accounts receivable, we perform ongoing evaluations of our customers, generally granting uncollateralized credit terms to our customers, and maintaining an allowance for doubtful accounts based on historical experience and our expectation of future losses.

Interest rate risk

Our exposure to interest rate fluctuations relate primarily to our Amended Credit Agreement.

As of September 30, 2022, we had an outstanding balance of $238.9 million on the Amended Credit Agreement. The Amended Credit Agreement added SOFR Loans as a form of advance available under the Credit Facility to replace LIBOR Rate Advances, and such SOFR Loans may bear interest based on Adjusted Daily Simple SOFR (defined to be the applicable SOFR rate published by the Federal Reserve Bank of New York plus 0.10% per annum subject to a floor of zero) or Adjusted Term SOFR (defined to be the applicable SOFR rate published by CME Group Benchmark Administration Limited plus 0.10% for one-month, 0.15% for three-months, and 0.25% for six-months per annum). In May 2020, the Company entered into a pay-fixed, receive-variable interest rate swap with a Canadian chartered bank to limit the potential interest rate fluctuations incurred on its future cash flows related to the variable interest payments on the Credit facility. The notional value of the interest rate swap was $70 million as of September 30, 2022, consistent with December 31, 2021. The Company does not use the interest rate swap for trading or speculative purposes. The contract is coterminous with the Credit facility, maturing in June 2024. As of September 30, 2022, an adverse change of one percent on the interest rate would have the effect of increasing our annual interest payment on Amended Credit Agreement by approximately $1.7 million, after the effects of hedging, assuming that the loan balance as of September 30, 2022 is outstanding for the entire period.

Item 4. Controls and Procedures

(a) Evaluation of Disclosure Controls and Procedures

As required by Rule 13a-15(b) of the Securities Exchange Act of 1934 (the “Exchange Act”), management, with the participation of our Chief Executive Officer and Chief Financial Officer, evaluated, as of the end of the period covered by this report, the effectiveness of our disclosure controls and procedures as defined in Exchange Act Rule 13a-15(e). Management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving their objectives, and management necessarily applies its judgment in evaluating the cost-benefit relationship of possible controls and procedures. Our disclosure controls and procedures are designed to provide reasonable assurance of achieving their control objectives. Based on the evaluation of our disclosure controls and procedures as of the end of the period covered by this quarterly report, our Chief Executive Officer and Chief Financial Officer concluded that, as of September 30, 2022 our disclosure controls and procedures were effective at the reasonable assurance level.

(b) Changes in Internal Control over Financial Reporting

There were no changes made in our internal controls over financial reporting during the nine months ended September 30, 2022 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.
PART II.
OTHER INFORMATION

Item 1. Legal Proceedings

We are involved in various investigations, claims and lawsuits arising in the normal conduct of our business, none of which, individually or in the aggregate, we believe will materially harm our business. We cannot assure that we will prevail in any litigation. Regardless of the outcome, any litigation may require us to incur significant litigation expense and may result in significant diversion of our attention.

Item 1A. Risk Factors

The following risk factors are provided to update the risk factors previously disclosed under the heading “Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2021. The risks described in this Quarterly Report and in our Annual Report on Form 10-K and other Quarterly Reports are not the only risks facing the Company. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial also may adversely affect our business, financial condition or operating results.

Our preferred share unit financing arrangement could adversely affect our financial condition, our ability to operate our business, divert our cash flow from operations for debt payments, and prevent us from meeting our debt obligations. Our preferred share financing agreement imposes predetermined operational and financial drawdown milestones on our Ting segment, which may prevent us from obtaining additional financing under such preferred unit financing arrangement. In addition, the Company may need additional financing to further accelerate the expansion of the Ting Internet footprint.

On August 8, 2022, Ting LLC entered into the Unit Purchase Agreement with Generate under which Ting LLC has committed to issue and sell $60 million of Series A Preferred Units at the Initial Funding, subject to customary closing conditions, and an additional aggregate of $140 million Series A Preferred Units if the Milestones are achieved over a three year period from the date of the Transaction Close. The Series A Preferred Units will accrue a preferred return of 15% per annum (subject to certain adjustments as described below) on a non-cash basis under the first 24 months under the Unit Purchase Agreement. Our ability to achieve the Milestones to access the additional funding, as well as to generate cash flow from operations to make the payments in respect of the preferred return, will depend on our future performance, which will be affected by a range of economic, competitive and business factors as well as changes in government monetary or fiscal policy. The failure to access the additional funding or pay the preferred return, could have a material adverse effect on our business. In addition, the Company is obligated to redeem Generate's equity interests for an amount equal to the outstanding capital balance plus the unsatisfied preferred return (and pay a make-whole premium if the redemption occurs within the four years following the Transaction Close), upon certain conditions, including a material breach of any Tucows' credit agreement that is not cured, the failure to pay the preferred return in two consecutive quarters following the second anniversary of the Transaction Close, and the six year anniversary of the Transaction Close.

In addition, in order to further accelerate the expansion of the Ting Internet footprint, the Company may seek additional financing, which may include an equity or debt issuance, a partnership or collaborating arrangement with another third party. We may not be able to secure additional financing on favorable terms, or at all, at the time when we need that funding, and if not available, could have a material adverse effect on our business. Moreover, any additional financing may be dilutive to existing investors.

We are subject to minimum purchase commitments with some partner network providers

In some Ting markets, our Ting segment operates Internet networks owned by third parties, such as municipalities or private entities (“Partner Network Providers”), as opposed to owning and constructing the Internet network ourselves. The Company pays a fee to Partner Network Providers in exchange for the use of the Internet network. Fees are commonly subject to minimum purchase commitments which can vary in their structure, but often increase as the Internet network is constructed and Ting is provided access to more serviceable addresses. In order to generate profit and avoid losses in these partner markets, we must generate enough revenue to offset our costs, including our minimum purchase commitments by attracting new customers and managing attrition.

48
On February 10, 2022, the Company announced that its Board approved a stock buyback program (the “2022 Buyback Program”) to repurchase up to $40 million of its common stock in the open market. Purchases will be made exclusively through the facilities of the NASDAQ Capital Market. The stock buyback program commenced on February 11, 2022 and will terminate on or before February 10, 2023. For the three and nine months ended September 30, 2022, the Company did not repurchase any shares under the 2022 Buyback Program.

On August 8, 2022, Ting LLC entered into the Unit Purchase Agreement pursuant to which Ting LLC will sell and issue 10,000,000 of its Series A Preferred Units to Generate at a cash purchase price of $6.00 per Series A Preferred Unit for an aggregate purchase price of $60 million at the Initial Funding. The sale of such shares was not registered under the Securities Act because it was made in a transaction exempt from registration under Section 4(a)(2) of the Securities Act and/or Rule 506 promulgated thereunder.

Section 2.05. Mandatory Prepayments.

(1) An amount equal to the Net Proceeds from any Asset Sale by the Parent or any of its Subsidiaries in excess of $12,500,000 (or the Equivalent Amount in any other currency) in any Financial Year (whether individually or in aggregate and taking into account any proceeds received in another currency at the Equivalent Amount at the time such proceeds are received) shall be applied to the repayment of Accommodations Outstanding under the Credit Facility (and the Commitment shall be permanently reduced by an amount by which the Net Proceed of such Disposition exceed $12,500,000), except to the extent that the Net Proceeds from such Disposition of Assets are reinvested (other than in cash or Cash Equivalents) or used in the Business by the Parent and its Subsidiaries within 180 days of the date of such Asset Sale.

(2) An amount equal to the Net Proceeds from the issuance of any Equity Interests (other than the Net Proceeds of an Excluded Equity Issuances) by the Parent shall be applied forthwith upon receipt by or on behalf of the Parent or any of its Subsidiaries to the repayment of Accommodations Outstanding under the Credit Facility (and the Commitment shall be permanently reduced by the amount of such Net Proceeds). For the purposes hereof “Net Proceeds of an Excluded Equity Issuances” means the Net Proceed of an Equity Issuance which are used to fund a Permitted Acquisition or Capital Expenditures permitted hereunder.
(3) An amount equal to the Net Proceeds from the incurrence of any Funded Debt by Parent or any of its Subsidiaries, other than Funded Debt permitted by Section 9.02(1), shall be applied forthwith upon receipt by or on behalf of the Parent or any of its Subsidiaries to the repayment of Accommodations Outstanding under the Credit Facility (and the Commitment shall be permanently reduced by the amount of such Net Proceeds).

(4) An amount equal to the Net Proceeds of any insurance maintained by the Parent or any of its Subsidiaries (other than business interruption insurance) received by the Parent or any of its Subsidiaries in an amount in excess of $1,000,000 on account of each separate loss, damage or injury shall be applied forthwith upon receipt thereof, to the repayment of Accommodations Outstanding under the Credit Facility (and the Commitment shall be permanently reduced by an amount by which the Net Proceed of such Disposition exceed $1,000,000) except to the extent (y) such Net Proceeds shall have been expended by the Parent or its applicable Subsidiary for the repair or replacement of the affected property within 180 days of receipt of such Net Proceeds and the Parent shall have furnished to the Agent evidence satisfactory to the Agent of such expenditure, or (z) the Parent or one or more of its Subsidiaries has Committed to expend such Net Proceeds for the repair or replacement of the affected property within 180 days of receipt of such Net Proceeds and such Net Proceeds are actually used for the repair or replacement of the affected property within 365 days of the receipt thereof.

Section 2.06. Optional Reductions of Commitments.

(1) The Parent may, subject to the provisions of this Agreement and without penalty or bonus, prepay Accommodations Outstanding under the Credit Facility and/or reduce the Commitment, in each case, in whole or, subject to the next following sentence, in part, upon the number of Business Days’ notice to the Agent specified in Schedule 5 by a notice (a “Payment Reduction Notice”) substantially in the form of Schedule 11, which shall be irrevocable and binding on the Borrowers and which shall specify the proposed date and aggregate principal amount of the prepayment or reduction. In such case, the Borrowers shall pay to the applicable Lenders in accordance with such notice the amount of such prepayment or the amount by which the Accommodations Outstanding under the Credit Facility exceed the proposed reduced Commitment. Each partial prepayment or reduction shall be in a minimum aggregate principal amount of U.S.$500,000 and an integral multiple of U.S.$100,000. Notwithstanding the foregoing, the Parent may permanently reduce the Commitment of a Defaulting Lender in accordance with Section 2.13.

(2) Subject to the next following sentence, the Canadian Borrower may not, pursuant to this Section 2.06, prepay the amount of any Drawings, except on the maturity date for the relevant Drawing. The Canadian Borrower may, pursuant to this Section 2.06, prepay the amount of any Drawings by depositing with the Agent the Face Amount of such Drawings to be held by the Agent in a cash collateral account and invested in an interest bearing instrument and irrevocably authorizing and directing the Agent to apply such amount on the maturity date for the relevant Drawing to the repayment of the relevant BA Instrument. Interest on amounts held on deposit by the Agent for such deposits shall be paid to the Canadian Borrower on the maturity date for the relevant Drawing.
Section 2.07. Payments under this Agreement.

(1) Unless otherwise expressly provided in this Agreement, the Borrowers shall make any payment required to be made by it to the Agent by depositing the amount of the payment to the applicable Borrower’s Account not later than 12:00 p.m. (Toronto time) on the date the payment is due. The Agent shall distribute to each applicable Lender promptly on the date of receipt by the Agent of any payment, an amount equal to the amount then due to each Lender.

(2) Unless otherwise expressly provided in this Agreement, the Agent shall make Accommodations and other payments to the applicable Borrower under this Agreement by crediting the applicable Borrower’s Account (or causing the applicable Borrower’s Account to be credited) with the amount of the payment in the relevant currency not later than 1:00 p.m. (Toronto time) on the date the payment is to be made.

(3) The Borrowers shall pay to the Agent on behalf of each applicable Lender on written demand any amounts required to compensate the Lenders for any actual loss suffered or incurred by it as a result of (i) the failure of the Borrowers to effect an Accommodation in the manner and at the time specified in any Accommodation Notice; (ii) any payment being made in respect of a BA Instrument other than on the applicable maturity thereof or a SOFR Loan other than on the date permitted hereunder in respect thereof; or (iii) the failure of the Borrowers to make a payment or a mandatory repayment in the manner and at the time specified in this Agreement. Written notice as to the amount of any such loss submitted in good faith by a Lender to the Borrowers shall be prima facie evidence of such amount.

Section 2.08. Application of Payments and Prepayments.

(1) Subject to Section 10.03, all amounts received by the Agent from or on behalf of the Borrower and not previously applied pursuant to this Agreement shall be applied by the Agent as follows (i) first, in reduction of the Borrowers’ obligations to pay any unpaid expenses of the Agent; (ii) second, in reduction of the Borrowers’ obligations to pay any unpaid interest and any Fees which are due and owing; (iii) third, in reduction of the Borrowers’ obligations to pay any claims or losses referred to in Section 17.01; (iv) fourth, in reduction of the Borrowers’ obligations to pay any amounts due and owing on account of any unpaid principal amount of Advances which are due and owing; (v) fifth, in reduction of the Borrowers’ obligations to pay any other unpaid Accommodations Outstanding which are due and owing; (vi) sixth, in reduction of any other obligation of the Borrowers under this Agreement and the other Loan Documents; and (vii) seventh, to the Borrowers or such other Persons as may lawfully be entitled to or directed to receive the remainder.

Section 2.09. Computations of Interest and Fees.

(1) All computations of interest shall be made by the Agent taking into account the actual number of days occurring in the period for which such interest is payable, and (i) if based on the Canadian Prime Rate, the Base Rate (Canada) or the Base Rate (United States), on the basis of a year of 365 or 366 days, as the case may be; provided that, to the extent that clause (ii) of the definition of Base Rate (Canada) or the Base Rate (United States) contemplates that the Base Rate (Canada) or the Base Rate (United States), as applicable, shall be determined by reference to the Federal Funds Rate, any such determination shall be made on the basis of the actual number of days elapsed over a year of 360 days; and (ii) if based on Daily Simple SOFR or Term SOFR, on the basis of a year of 360 days.
(2) All computations of Fees shall be made by the Agent on the basis of a year of 365 or 366 days, as the case may be, taking into account the actual number of days occurring in the period for which such fees are payable.

(3) For purposes of the Interest Act (Canada), whenever any interest or fee under this Agreement is calculated using a rate based on a number of days less than a full year, such rate determined pursuant to such calculation, when expressed as an annual rate, is equivalent to (x) the applicable rate, (y) multiplied by the actual number of days in the calendar year in which the period for which such interest or fee is payable (or compounded) ends, and (z) divided by the number of days based on which such rate is calculated. The principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement. The rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

Section 2.10. Adjustment for Currency Fluctuations.

If the Agent shall notify the Parent in writing not later than 4:00 p.m. (Toronto time) on an Exchange Rate Determination Date that solely by reason of fluctuations in currency valuation, the Accommodations Outstanding under the Credit Facility exceed 103% of the Commitment on the date immediately preceding such Exchange Rate Determination Date (the amount by which such Accommodations Outstanding exceed such Commitment on such date being the “Excess”), the Borrowers shall, within three (3) Business Days thereafter, make a payment by repaying Advances outstanding under the Credit Facility in an amount equal to the Excess or, (y) if the Borrowers do not have Advances outstanding under the Credit Facility in an amount equal to the Excess, make a payment by repaying all Advances in amounts less than the Excess (if any) under the Credit Facility and by depositing with the Agent an amount equal to the amount by which the Excess exceeds the amount of the Advances under the Credit Facility repaid to be held by the Agent in trust for the applicable Lenders and irrevocably authorizing and directing the Agent to apply such payment as a repayment of any reimbursement obligation in respect of any Drawings outstanding under the Credit Facility on the next applicable maturity date. Any interest on the amount deposited with the Agent shall be held in trust for the Borrowers and shall be paid to the Borrowers on the next Exchange Rate Determination Date.

Section 2.11. Commitment Fees.

(1) The Borrowers shall pay to the Agent, for the account of the Lenders, a fee calculated at a rate per annum equal to the Applicable Commitment Fee Rate calculated in respect of each Lender, on the unused and un-cancelled portion of the Commitment of such Lender (without regard to any Swingline Advances which such Lender is contingently liable for pursuant to Section 3.01(3)), calculated daily and payable in arrears on the third Business Day of each calendar quarter in respect of the immediately preceding calendar quarter, and on the Maturity Date.
Section 2.12. Defaulting Lender Adjustments.

(1) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by Law:

(i) Waivers and Amendments. No Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Defaulting Lender may not be increased or extended without the consent of such Defaulting Lender. No Defaulting Lender shall be included as a Lender for purposes of the calculation of “Majority Lenders”.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees, indemnity payments or other amounts received by the Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to ARTICLE 10 or otherwise) or received by the Agent from a Defaulting Lender pursuant to Section 13.01 shall be applied at such time or times as may be determined by the Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to each Fronting Letter of Credit Lender hereunder; third, to Cash Collateralize each Fronting Letter of Credit Lender’s Fronting Exposure with respect to such Defaulting Lender in accordance with Section 5.10; fourth, as the Parent may request (so long as no Default or Event of Default exists), to the funding of any Accommodation in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; fifth, if so determined by the Agent and the Parent, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender’s potential future funding obligations with respect to Accommodations under this Agreement and (y) Cash Collateralize each Fronting Letter of Credit Lender’s future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 5.10; sixth, to the payment of any amounts owing to the Lenders or each Fronting Letter of Credit Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender or Fronting Letter of Credit Lender against such Defaulting Lender as a result of such Defaulting Lender’s breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender’s breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Accommodations or Letter of Credit Obligations in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Accommodations were made or the related Letters of Credit were issued at a time when the conditions set forth herein were satisfied or waived, such payment shall be applied solely to pay the Accommodations made by, and Letter of Credit Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Accommodations made by, or Letter of Credit Obligations owed to, such Defaulting Lender until such time as all Accommodations and funded and unfunded participations in Letter of Credit Obligations are held by the Lenders pro rata in accordance with their applicable Commitments without giving effect to Section 2.12(1)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.12(1)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.
(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee pursuant to Section 2.11 and Section 5.06 for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender); provided such Defaulting Lender shall be entitled to receive fees pursuant to Section 5.06 for any period during which that Lender is a Defaulting Lender only to the extent allocable to its pro rata share of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 5.10.

(B) With respect to any fee not required to be paid to any Defaulting Lender pursuant to clause (A) above, the Borrowers shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender’s participation in Letter of Credit Obligations that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to the applicable Fronting Letter of Credit Lender the amount of any such fee otherwise payable to such Defaulting Lender with respect to such Fronting Letter of Credit Lender’s Fronting Exposure to such Defaulting Lender that has not been reallocated pursuant to clause (iv) below (except where the Borrowers shall have provided Cash Collateral for such Fronting Exposure pursuant to Section 5.10, in which case the Borrowers shall not be required to pay any fee relating to the amount of such Cash Collateral) and (z) not be required to pay the remaining amount of any such fee.
(iv) **Reallocation of Participations to Reduce Fronting Exposure.** Upon written notice to the Parent, all or any part of such Defaulting Lender’s participation in Letter of Credit Obligations shall be automatically reallocated among the Non-Defaulting Lenders in accordance with their respective pro rata share of the Commitment (calculated without regard to such Defaulting Lender’s Commitment) but only to the extent that such reallocation does not cause the aggregate Accommodations Outstanding under the Credit Facility of any Non-Defaulting Lender to exceed the Commitment held by such Non-Defaulting Lender. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of the Borrowers, the Agent or any Fronting Letter of Credit Lender as a result of such breach or a Non-Defaulting Lender as a result of such Non-Defaulting Lender’s increased exposure following such reallocation.

(v) **Cash Collateral.** If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrowers shall, without prejudice to any right or remedy available to it hereunder or under Law, Cash Collateralize each Fronting Letter of Credit Lender’s Fronting Exposure, to the extent such re-allocation has not eliminated the Defaulting Lender’s participation in Letter of Credit Obligations in accordance with the procedures set forth in Section 5.10.

(2) **Defaulting Lender Cure.** If the Parent, the Agent and each Fronting Letter of Credit Lender agree in writing that a Lender is no longer a Defaulting Lender, the Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of Accommodations Outstanding of the other Lenders or take such other actions as the Agent may determine to be necessary to cause the Accommodations Outstanding and funded and unfunded participations in Letters of Credit to be held pro rata by the applicable Lenders in accordance with the applicable Commitments (without giving effect to Section 2.12(1)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender’s having been a Defaulting Lender.

(3) **New Letters of Credit.** So long as any Lender which has a Commitment is a Defaulting Lender, no Fronting Letter of Credit Lender shall be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

(4) **Termination of Defaulting Lender Commitment.** The Parent may terminate the unused amount of the Commitment of a Defaulting Lender upon not less than three (3) Business Days’ prior notice to the Agent (who will promptly notify the Lenders thereof), provided that such termination will not be deemed to be a waiver or release of any claim the Borrowers, the Agent, any Fronting Letter of Credit Lender or any other Lender may have against such Defaulting Lender.
Section 2.13. Replacement Lenders.

The Parent at its own cost and expense may designate an Eligible Assignee with the prior written consent of the Agent (and acceptable to each Fronting Letter of Credit Lender and the Swingline Lender), such consent not to be unreasonably withheld, conditioned or delayed (a “Replacement Lender”) to assume all or any part of the Commitments and the obligations of any Defaulting Lender hereunder, and to purchase the Accommodations Outstanding of such Defaulting Lender and such Defaulting Lender’s rights hereunder and with respect thereto, and within ten (10) Business Days of such designation the Defaulting Lender shall (x) sell to such Replacement Lender, without recourse upon, warranty by or expense to such Defaulting Lender, by way of an Assignment and Assumption for a purchase price equal to (unless such Defaulting Lender agrees to a lesser amount in writing) the outstanding principal amount of the Accommodations made by such Defaulting Lender, plus all interest accrued and unpaid thereon and all other amounts owing to such Defaulting Lender hereunder, and (y) assign to such Replacement Lender the Commitments of such Defaulting Lender. In the event any Defaulting Lender fails to execute the Assignment and Assumption in connection with an assignment pursuant to this Section, the Agent may, but only after such Defaulting Lender has been paid in full what it is entitled to be paid under this Section, upon two (2) Business Days’ prior notice to the Defaulting Lender, execute such agreement on behalf of the Defaulting Lender, and each Lender hereby grants to the Agent an irrevocable power of attorney (which shall be coupled with an interest) for such purpose. Upon such assumption and purchase by the Replacement Lender and subject to acceptance and recording of such Assignment and Assumption by the Agent pursuant to Section 18.01(3) hereof, such Replacement Lender shall be deemed to be a “Lender” for purposes of this Agreement and such Defaulting Lender shall cease to be a “Lender” for purposes of this Agreement and shall no longer have any obligations or rights hereunder (other than any obligations or rights which according to this Agreement shall survive the termination of the Commitments). Additionally, in the event a Defaulting Lender has been a Defaulting Lender for more than ninety (90) consecutive days, the Borrowers, at their own cost and expense, may repay in full all outstanding obligations under the Loan Documents (except for the Eligible Hedging Agreements and Other Secured Obligations) owed to such Defaulting Lender and terminate in full all of the Commitment held by such Defaulting Lender, and upon such repayment and termination such Defaulting Lender shall cease to be a “Lender” for purposes of this Agreement and shall no longer have any obligations or rights hereunder (other than any obligations or rights which according to this Agreement shall survive the termination of the Commitments).

(1) From time to time by notice in writing to the Agent, given at least 180 days prior to the Maturity Date, the Parent may request that the Commitment be increased, such increase to be in a minimum amount of $10,000,000 for any one increase (and integrals of $1,000,000), to a maximum aggregate increase in the Commitments taken as a whole of $60,000,000 (each such increase of the Commitment being an “Increased Commitment”). Such notice shall specify the amount of the Increased Commitment requested at such time and the effective date thereof (which date shall not be earlier than 10 Business Days and not later than 30 days after the date of such notice (or such shorter or longer period as agreed to by the Agent and the Parent), the “Effective Date”). The Agent shall immediately advise the Lenders and offer each Lender an opportunity to provide its pro rata share portion of the Increased Commitment (in relation to a Lender’s pro rata share of the Commitment) in respect of such Lender and shall also offer any such Lender willing to provide such portion of the Increased Commitment (each a “Consenting Lender”) the opportunity to provide the amount of the Increased Commitment of each Lender that has not consented to provide its pro rata portion of the Increased Commitment (each a “Non-Consenting Lender” and the pro rata portion attributable to the Increased Commitment of each Non-Consenting Lender (each a “Non-Consenting Lender’s Increased Commitment Amount”)).
(2) If the Consenting Lenders have not offered to acquire all of the Non-Consenting Lender’s Increased Commitment Amount, then the Parent may arrange for one or more other financial institutions acceptable to the Agent, the Swingline Lender and the Fronting Letter of Credit Lender, acting reasonably (each, a “Substitute Lender”), to offer to provide the balance of such Non-Consenting Lender’s Increased Commitment Amount and any such Substitute Lender that has agreed to provide an Increased Commitment shall sign an addendum to this Agreement, in form and substance satisfactory to the Agent, pursuant to which such Substitute Lender becomes a Lender under this Agreement and the parties thereto may specify the other term and conditions thereof (provided that the maturity date for any such Increased Commitment shall not be prior to the Maturity Date).

(3) The availability of any Increased Commitment is subject to the conditions precedent that (i) the representations and warranties contained in Section 8.01 (other than those made as of an earlier date only) are true and correct in all material respects as if they were made on the Effective Date; (ii) no Default or Event of Default has occurred and is continuing; (iii) with respect to any Substitute Lender, the consent of the Agent, the Swingline Lender and the Fronting Letter of Credit Lender, such consent not to be unreasonably withheld, conditioned or delayed; (iv) the financial covenants set forth in Section 9.03 would be satisfied on a pro forma basis as of the Effective Date; and (v) the Agent and each Lender shall have been reimbursed by Borrowers for all fees, costs and expenses incurred in connection with the request for, and implementation of, such Increased Commitment. The Increased Commitment shall be effective on the Effective Date.

ARTICLE 3
ADVANCES

Section 3.01. The Advances.

(1) Each applicable Lender severally and not jointly agrees, in accordance with the terms and conditions of this Agreement and in accordance with the applicable Borrowing Notice, to make Advances to the Borrowers from time to time on any Business Day prior to the Maturity Date. The Swingline Lender agrees, in accordance with the terms and conditions of this Agreement, to make Swingline Advances (on a same day basis) to the Borrowers from time to time on any Business Day prior to the Maturity Date.

(2) Each Borrowing under the Credit Facility shall consist of Advances made to the applicable Borrower on the same day by the applicable Lenders in accordance with each applicable Lender’s relevant rateable portion. Each requested Advance shall be in at least the minimum aggregate amount and in an integral multiple of the amount set forth in Schedule 5.
(3) The Swingline Lender may, in its sole discretion, give notice to the Agent who shall forthwith notify the Lenders that the principal amount of the Swingline Lender’s outstanding Swingline Advances to the Borrowers shall be funded with a Borrowing or Borrowings under the Credit Facility (provided that such notice shall be deemed to have been given (y) on the Maturity Date if the Borrowers shall not have repaid all Swingline Advances on or prior to such day, and (z) upon the occurrence of an Event of Default, in which case Advances under the Credit Facility) (each such Borrowing, a “Mandatory Borrowing”) shall be made on the next Business Day by all Lenders so that, immediately after the Mandatory Borrowing, each Lender shall share rateably in the Accommodations Outstanding under the Credit Facility and the proceeds of such Mandatory Borrowing shall be applied directly by the Agent to repay Advances outstanding to the Swingline Lender. Each Lender shall make Advances pursuant to a Mandatory Borrowing in the amount and in the manner specified in writing by the Agent notwithstanding (i) that the amount of the Mandatory Borrowing may not comply with the minimum amount for Borrowings otherwise required under this Agreement; (ii) that the conditions specified in ARTICLE 7 are not then satisfied; (iii) that a Default or an Event of Default has occurred and is continuing; (iv) the date of such Mandatory Borrowing; and (v) any reduction in the Commitment after any Swingline Advance was made by the Swingline Lender. In addition to the foregoing, the Borrower shall cause each Swingline Advance to be repaid in full on the last Business Day of each calendar week.

(4) In connection with the use or administration of Daily Simple SOFR, Term SOFR or SOFR, the Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Daily Simple SOFR, Term SOFR or SOFR, as applicable.

Section 3.02. Procedure for Borrowing.

(1) Except as provided in Section 3.02(2), each Borrowing shall be made on the number of days prior notice specified in Schedule 5, given not later than 11:00 a.m. (Toronto time) by the applicable Borrower to the Agent. Each notice of a Borrowing (a “Borrowing Notice”) shall be in substantially the form of Schedule 1, shall be irrevocable and binding on the applicable Borrower and shall specify (i) the requested date of the Borrowing; (ii) the Type of Advance requested; (iii) the aggregate amount of the Borrowing; and (iv) in the case of a SOFR Loan, whether the Advance will bear interest at Daily Simple SOFR or Adjusted Term SOFR, and, the initial Interest Period. Upon receipt by the Agent of funds from the applicable Lenders and fulfilment of the applicable conditions set forth in ARTICLE 7, the Agent will make such funds available to the applicable Borrower in accordance with ARTICLE 2.

(2) Each Swingline Advance (i) may be made on the same day’s telephone request (followed by notification via a Borrowing Notice) made on or before 11:00 a.m. (Toronto time) on such day and in such amount, as requested by the applicable Borrower to the Swingline Lender, providing the same information to the Swingline Lender as would be contained in a Borrowing Notice (which shall be deemed to have been so provided); or (ii) shall be made by the Swingline Lender, without notice from or to the Borrowers, in respect of any overdraft in any one or more of the accounts of the Borrowers with the Swingline Lender by deposit to such account of an amount equal to such overdraft. All payments of principal and interest with respect to a Swingline Advance shall be made by the Borrowers, as applicable, directly to the Swingline Lender, and the Swingline Lender is hereby irrevocably authorized and directed to debit any bank account maintained by the Borrowers with the Swingline Lender in order to effect such payment.
Section 3.03. Conversions and Rollovers Regarding Advances.

(1) Subject to the Types of Accommodation and Advances, the Borrowers may elect to (i) change any Advance outstanding, or any portion thereof, in each case, in the minimum aggregate amount referred to in Schedule 5 to another Type of Advance or convert an Advance outstanding to another Type of Accommodation in the case of an Advance other than SOFR Loan, as of any Business Day, and in the case of a SOFR Loan as of the last day of the Interest Period applicable thereto; provided that in the case of the change or conversion of an Advance denominated in one currency to an Advance denominated in another currency, the principal amount and interest thereon of such Advance to be changed or converted is paid in full on the date of such change or conversion; or (ii) continue any Advance other than an Advance bearing interest at the Term SOFR Reference Rate for a further Interest Period beginning on the last day of the then current Interest Period applicable to such Advance.

(2) Each election to change or convert an Advance into another Type of Advance or Type of Accommodation or to continue an Advance other than an Advance bearing interest at the Term SOFR Reference Rate for a further Interest Period, shall be made on the number of days prior notice specified in Schedule 5 given, in each case, not later than 11:00 a.m. (Toronto time) by the applicable Borrower to the Agent. Each such notice (an “Interest Rate Election Notice”) shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the applicable Borrower. If the applicable Borrower fails to deliver an Interest Rate Election Notice to the Agent for any Advance other than an Advance bearing interest at the Term SOFR Reference Rate or Daily Simple SOFR as provided in this Section 3.03(2), such Advance shall be converted (as of the last day of the applicable Interest Period) to and be outstanding as a Base Rate (Canada) Advance or Base Rate (United States) Advance, as applicable. No Borrower shall select an Interest Period which conflicts with the definition of Interest Period.
Section 3.04. Circumstances Affecting SOFR Loans

(1) If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund Advances whose interest is determined by reference to Daily Simple SOFR, Term SOFR or SOFR, or to determine or charge interest rates based upon Daily Simple SOFR, Term SOFR or SOFR, then, upon notice thereof by such Lender to the Borrower (through the Agent), (a) any obligation of such Lender to make or continue Advances bearing interest at Daily Simple SOFR, Term SOFR or SOFR or to convert Base Rate (Canada) Advances/Base Rate (United States) Advances to Advances bearing interest at Daily Simple SOFR, Term SOFR or SOFR shall be suspended, and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate (Canada) Advances/Base Rate (United States) Advances the interest rate on which is determined by reference to Adjusted Term SOFR component of the Base Rate (Canada)/Base Rate (United States), the interest rate on which Base Rate (Canada) Advances/Base Rate (United States) Advances of such Lender shall, if necessary to avoid such illegality, be determined by the Agent without reference to the Adjusted Term SOFR component of the Base Rate (Canada)/Base Rate (United States), in each case until such Lender notifies the Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (i) the Borrower shall, upon demand from such Lender (with a copy to the Agent), prepay or, if applicable, convert all applicable SOFR Loans of such Lender to Base Rate (Canada) Advances/Base Rate (United States) Advances (the interest rate on which Base Rate (Canada) Advances/Base Rate (United States) Advances of such Lender shall, if necessary to avoid such illegality, be determined by the Agent without reference to the Adjusted Term SOFR component of the Base Rate (Canada)/Base Rate (United States) immediately, if such Lender may not lawfully continue to maintain such SOFR Loan and (ii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon Daily Simple SOFR, Term SOFR or SOFR, as applicable, the Agent shall during the period of such suspension compute the Base Rate (Canada/Base Rate (United States) applicable to such Lender without reference to the Adjusted Term SOFR component thereof until the Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Daily Simple SOFR, Term SOFR or SOFR, as applicable. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to this Agreement.

(2) If any Change in Law (i) shall subject any Lender (or its lending office) to any tax, duty or other charge with respect to its SOFR Loans owed to it or its obligation to make SOFR Loans, or shall change the basis of taxation of payments to such Lender (or its lending office) of the principal of or interest on its SOFR Loans or any other amounts due under this Agreement or any other Loan Document in respect of its SOFR Loans or its obligation to make SOFR Loans (except for changes in the rate of tax on the overall net income of such Lender or its lending office imposed by the jurisdiction in which such Lender's principal executive office or lending office is located); or (ii) shall impose, modify or deem applicable any reserve, special deposit or similar requirement (including any such requirement imposed by the FRB) on such Lender (or its lending office) or shall impose on such Lender (or its lending office) or on the interbank market any other condition affecting its SOFR Loans or its obligation to make SOFR Loans; and the result of any of the foregoing is to increase the cost to such Lender (or its lending office of making or maintaining any SOFR Loan, or to reduce the amount of any sum received or receivable by such Lender (or its lending office) under this Agreement or under any other Loan Document with respect thereto, by an amount deemed by such Lender to be material, then, upon notice thereof by such Lender to the Borrower any obligation of such Lender to make or continue SOFR Loans shall be suspended (to the extent of the affected SOFR Loans and the affected Interest Periods) until such Lender revokes such notice in addition to any other obligations hereunder. Upon receipt of such notice, (i) the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans (to the extent of the affected SOFR Loans and the affected Interest Periods) or, failing that, the Borrower will be deemed to have converted any such request into a request for an Advance of or conversion to Base Rate (Canada) Advances in the amount specified therein and (ii) any outstanding affected SOFR Loans will be deemed to have been converted into Base Rate (Canada) Advances immediately. Upon any such conversion, the Borrower shall also pay any additional amounts required pursuant to this Agreement.
Section 3.05. Interest on Advances.

(1) The Borrowers shall pay interest on the unpaid principal amount of each Advance to it from the date of such Advance (or conversion of another Type of Advance into such Advance) until the date on which the principal amount of the Advance is repaid in full (or is converted into another Type of Advance or Type of Accommodation) at the following rates per annum:

(a) **Base Rate (Canada) Advances.** If and so long as such Advance is a Base Rate (Canada) Advance and subject as provided in the following sentence, at a rate per annum equal at all times to the Base Rate (Canada) in effect from time to time plus the Applicable Margin, calculated daily and payable in arrears (i) on the first Business Day of each month in each year; and (ii) on the day on which such Base Rate (Canada) Advance becomes due and payable in full pursuant to the provisions hereof. Any amount of principal of, or interest on, any such Base Rate (Canada) Advance which is not paid when due (whether at stated maturity, by acceleration or otherwise) shall be payable on demand and shall bear interest (both before and after judgment), from the date on which such amount is due until such amount is paid in full, at a rate per annum equal to the Base Rate (Canada) in effect from time to time plus the Applicable Margin plus, to the extent permitted by law, 2%.

(b) **Base Rate (United States) Advances.** If and so long as such Advance is a Base Rate (United States) Advance and subject as provided in the following sentence, at a rate per annum equal at all times to the Base Rate (United States) in effect from time to time plus the Applicable Margin, calculated daily and payable in arrears (i) on the first Business Day of each month in each year; and (ii) on the day on which such Base Rate (United States) Advance becomes due and payable in full pursuant to the provisions hereof. Any amount of principal of, or interest on, any such Base Rate (United States) Advance which is not paid when due (whether at stated maturity, by acceleration or otherwise) shall be payable on demand and shall bear interest (both before and after judgment), from the date on which such amount is due until such amount is paid in full, at a rate per annum equal to the Base Rate (United States) in effect from time to time plus the Applicable Margin plus, to the extent permitted by law, 2%.

(c) **Canadian Prime Rate Advances.** If and so long as such Advance is a Canadian Prime Rate Advance and subject as provided in the following sentence, at a rate per annum equal at all times to the Canadian Prime Rate in effect from time to time plus the Applicable Margin, calculated daily and payable in arrears (i) on the first Business Day of each month in each year; and (ii) on the day on which such Canadian Prime Rate Advance becomes due and payable in full pursuant to the provisions hereof. Any amount of principal of, or interest on, any such Canadian Prime Rate Advance which is not paid when due (whether at stated maturity, by acceleration or otherwise) shall be payable on demand and shall bear interest (both before and after judgment), from the date on which such amount is due until such amount is paid in full, at a rate per annum equal to the Canadian Prime Rate in effect from time to time plus the Applicable Margin plus, to the extent permitted by law, 2%.
(d) **Adjusted Daily Simple SOFR Loans.** If and so long as such SOFR Loan bears interest at Adjusted Daily Simple SOFR and subject as provided in the following sentence, at a rate per annum equal at all times during any Interest Period for such SOFR Loan to Adjusted Daily Simple SOFR for such Interest Period plus the Applicable Margin, calculated daily and payable in arrears on (i) the applicable Interest Payment Date in respect thereof; and (ii) on the day on which such SOFR Loan becomes due and payable in full pursuant to the provisions hereof. Any amount of principal of or interest on any such SOFR Loan which is not paid when due (whether at stated maturity, by acceleration or otherwise) shall be payable on demand and shall bear interest (both before and after judgment), from the date on which such amount is due until such amount is paid in full, at a rate per annum equal to the Base Rate (Canada) in effect from time to time plus the Applicable Margin plus, to the extent permitted by law, 2%.

(e) **Adjusted Term SOFR Loans.** If and so long as SOFR Loan bears interest at Adjusted Term SOFR and subject as provided in the following sentence, at a rate per annum equal at all times during any Interest Period for such SOFR Loan to Adjusted Term SOFR for such Interest Period plus the Applicable Margin, calculated daily and payable in arrears, on (i) the applicable Interest Payment Date in respect thereof; and (ii) on the day on which such SOFR Loan becomes due and payable in full pursuant to the provisions hereof. Any amount of principal of or interest on any such SOFR Loan which is not paid when due (whether at stated maturity, by acceleration or otherwise) shall be payable on demand and shall bear interest (both before and after judgment), from the date on which such amount is due until such amount is paid in full, at a rate per annum equal to the Base Rate (Canada) in effect from time to time plus the Applicable Margin plus, to the extent permitted by law, 2%.

(f) Anything herein to the contrary notwithstanding, the obligations of the Borrowers hereunder shall be subject to the limitation that payments of interest shall not be required, for any period for which interest is computed hereunder, to the extent (but only to the extent) that contracting for or receiving such payment by the respective Lender would be contrary to the provisions of any law applicable to such Lender limiting the highest rate of interest which may be lawfully contracted for, charged or received by such Lender, and in such event the Borrowers shall pay such Lender interest at the highest rate permitted by applicable law ("Maximum Lawful Rate"); provided, however, that if at any time thereafter the rate of interest payable hereunder is less than the Maximum Lawful Rate, the Borrowers shall continue to pay interest hereunder at the Maximum Lawful Rate until such time as the total interest received by Agent, on behalf of Lenders, is equal to the total interest that would have been received had the interest payable hereunder been (but for the operation of this paragraph) the interest rate payable since the Closing Date as otherwise provided in this Agreement.

**Section 3.06 Effect of Benchmark Transition Event.**

(1) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Agent and the Borrowers may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (Toronto time) on the fifth (5th) Business Day after the Agent has posted such proposed amendment to all affected Lenders and the Borrowers so long as the Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Majority Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 3.06(1) will occur prior to the applicable Benchmark Transition Start Date.
(2) Each Eligible Hedging Agreement shall be deemed to be a “Loan Document” for purposes of this Section 3.06.

(3) In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(4) The Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Benchmark Replacement Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Agent will promptly notify the Borrower of the removal or reinstatement of any tenor of a Benchmark pursuant to Section 3.06(5). Any determination, decision or election that may be made by the Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section.

(5) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Agent in its reasonable discretion or (B) the administrator of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks (the “IOSCO Principles”), then the Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable, non-representative, non-compliant or non-aligned tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative or in compliance with or aligned with the IOSCO Principles for a Benchmark (including a Benchmark Replacement), then the Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(6) Upon the Borrowers’ receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a SOFR Loan or conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate (Canada) Advance.
ARTICLE 4
BANKER’S ACCEPTANCES

Section 4.01. Acceptances and Drafts.

(1) Each applicable Lender (other than the Swingline Lender) severally agrees, in accordance with the terms and conditions of this Agreement and in accordance with the applicable Drawing Notice, from time to time on any Business Day prior to the Maturity Date (i) in the case of a Lender which is willing and able to accept Drafts, to create acceptances (“Banker’s Acceptances”) by accepting Drafts and to purchase such Banker’s Acceptances in accordance with Section 4.03(2); and (ii) in the case of a Lender which is unwilling or unable to accept Drafts, to purchase completed Drafts (which have not been and will not be accepted by the Lender or any other Lender) in accordance with Section 4.03(2), in each case, as requested by the Canadian Borrower in accordance with this ARTICLE 4.

(2) Each requested Drawing shall be in the minimum aggregate Face Amount and in an integral multiple of the amount set forth in Schedule 5 and shall consist of the creation and purchase of Banker’s Acceptances or the purchase of Drafts on the same day, in each case for the applicable Drawing Price, by the relevant Lenders, in accordance with Section 4.03 and their respective applicable Commitment.

(3) The aggregate Face Amount of the Banker’s Acceptances to be created and purchased by a Lender or Drafts to be purchased by a Lender on any Drawing Date (upon a conversion or otherwise), shall be determined by the Agent based upon each Lender’s rateable portion of the Drawing, except that, if the Face Amount of any Banker’s Acceptance to be created and purchased or Draft to be purchased, determined as aforesaid, would not be in an integral multiple of Cdn.$100,000, the Agent in its sole discretion may increase such Face Amount to the nearest whole multiple of Cdn.$100,000 or may reduce such Face Amount to the nearest whole multiple of Cdn.$100,000.

Section 4.02. Form of Drafts.

Each Draft presented by the Canadian Borrower shall (i) be in an integral multiple of Cdn.$100,000; (ii) be dated the date of the Drawing; and (iii) mature and be payable by the Canadian Borrower (in common with all other Drafts presented in connection with such Drawing) on a Business Day which occurs 1, 2 or 3, at the election of the Canadian Borrower, after the Drawing Date and on or prior to the Maturity Date. It is the intention of the parties that all Drafts accepted by the Lenders (other than a Lender which elects to accept Banker’s Acceptances in the form of bills of exchange instead of depository bills) under this Agreement shall be issued in the form of a depository bill, be deposited with and be made payable to a “clearing house” (as defined in the Depository Bills and Notes Act (Canada)). The Agent and the Lenders shall effect the following practices and procedures and, subject to the approval of the Majority Lenders, establish and notify the Canadian Borrower and the Lenders of any additional procedures, consistent with the terms of this Agreement and the requirements of the Depository Bills and Notes Act (Canada), as are reasonably necessary to accomplish such intention: (i) each Draft accepted and purchased by a Lender hereunder shall have marked prominently and legibly on its face and within its text, at or before the time of issue, the words “This is a depository bill subject to the Depository Bills and Notes Act”; (ii) any reference to authentication of such Banker’s Acceptance will be removed; and (iii) such Banker’s Acceptance shall not be marked with any words prohibiting negotiation, transfer or assignment of it or of an interest in it.
Section 4.03. Procedure for Drawing.

(1) Each Drawing shall be made on notice (a “Drawing Notice”) given by the Canadian Borrower to the Agent not later than 11:00 a.m. (Toronto time) on the number of days’ notice specified in Schedule 5. Each Drawing Notice shall be in substantially the form of Schedule 3, shall be irrevocable, except as provided in Section 4.06(1), shall be binding on the Canadian Borrower and shall specify (i) the Drawing Date; (ii) the aggregate Face Amount of Drafts to be accepted, if applicable, and purchased; and (iii) the term thereof.

(2) Not later than 12:00 noon (Toronto time) on an applicable Drawing Date, each applicable Lender shall complete one or more Drafts in accordance with the Drawing Notice and either (i) accept the Drafts and purchase the Banker’s Acceptances so created for the Drawing Price; or (ii) purchase the Drafts for the Drawing Price. In each case, upon receipt by the Agent of funds from the applicable Lenders on account of the Drawing Price and upon fulfilment of the applicable conditions set forth in ARTICLE 7, the Agent shall make such funds available to the Canadian Borrower in accordance with ARTICLE 2.

(3) The Canadian Borrower shall, at the request of any Lender, issue one or more non-interest bearing, promissory notes (each a “BA Equivalent Note”) payable on the maturity date of any unaccepted Draft referred to above, in such form as such Lender may reasonably specify and in a principal amount equal to the Face Amount of, and in exchange for, any unaccepted Draft which such Lender has purchased in accordance with Section 4.03(2).

(4) Banker’s Acceptances, Drafts and BA Equivalent Notes purchased by a Lender may be held by it for its own account until the maturity date thereof or sold by it at any time prior to that date in any relevant Canadian market in such Lender’s sole discretion.

Section 4.04. Presigned Draft Forms.

(1) Subject to paragraph (2) of this Section 4.04, in order to enable the Lenders to create Banker’s Acceptances or complete Drafts in the manner specified in this ARTICLE 4, the Canadian Borrower shall supply each Lender or its agent with such number of Drafts as it may reasonably request, duly signed on behalf of the Canadian Borrower. Each Lender hereby agrees to indemnify the Canadian Borrower against any loss or improper use thereof by such Lender or its agents, will exercise and cause its agents to exercise such care in the custody and safekeeping of Drafts as it would exercise in the custody and safekeeping of similar property owned by it and will, upon request by the Canadian Borrower, promptly advise the Canadian Borrower of the number and designations, if any, of uncompleted Drafts held by it or its agents for the Canadian Borrower. The signature of any officer of the Canadian Borrower on a Draft may be mechanically reproduced and any BA Instrument bearing a facsimile signature shall be binding upon the Canadian Borrower as if it had been manually signed. Even if the individuals whose manual or facsimile signature appears on any BA Instrument no longer hold office at the date of its acceptance by the applicable Lender or at any time after such date, any BA Instrument so signed shall be valid and binding upon the Canadian Borrower. No Lender shall be liable for its failure to accept a Draft as required hereby if the cause of such failure is, in whole or in part, due to the failure of the Canadian Borrower to provide Drafts to such Lender on a timely basis.
(2) The Canadian Borrower hereby irrevocably appoints each Lender as its attorney to sign and endorse on its behalf, manually or by facsimile or mechanical signature, any BA Instrument necessary to enable each Lender to make Drawings in the manner specified in this ARTICLE 4. All BA Instruments signed or endorsed on the Canadian Borrower’s behalf by a Lender shall be binding on the Canadian Borrower, all as if duly signed or endorsed by the Canadian Borrower. Each Lender shall (i) maintain a record with respect to any BA Instrument completed in accordance with this Section 4.04(1), voided by it for any reason, accepted and purchased or purchased or, in the case of a BA Equivalent Note, exchanged for another BA Instrument by it pursuant to this Section 4.04, and cancelled at its respective maturity; and (ii) retain such records in the manner and for the statutory periods provided by Laws which apply to such Lender and make such records available to the Canadian Borrower acting reasonably. On request by the Canadian Borrower, a Lender shall cancel and return to the possession of the Canadian Borrower all BA Instruments which have been pre-signed or pre-endorsed on behalf of the Canadian Borrower and which are held by such Lender and are not required to make Drawings in accordance with this ARTICLE 4.

Section 4.05. Payment, Conversion or Renewal of BA Instruments.

(1) Upon the maturity of a BA Instrument, the Canadian Borrower may (i) elect to issue a replacement Banker’s Acceptance or Draft by giving a Drawing Notice in accordance with Section 4.03(1); (ii) elect to have all or a portion of the Face Amount of the BA Instrument converted to an Advance (provided that in the case of a conversion of a portion only of the Face Amount of the BA Instrument, the remaining Face Amount, if any, of such BA Instrument shall not be less than the minimum Face Amount set forth in Schedule 5) by giving a Borrowing Notice in accordance with Section 3.02(1); or (iii) pay, on or before 11:00 a.m. (Toronto time) on the maturity date for the BA Instrument, an amount in Canadian Dollars equal to the Face Amount of the BA Instrument (notwithstanding that a Lender may be the holder of it at maturity). Any such payment shall satisfy the Canadian Borrower’s obligations under the BA Instrument to which it relates and the relevant Lender shall (y) then be solely responsible for the payment of the BA Instrument, and (z) thereafter indemnify the Canadian Borrower from any loss, cost or expense suffered by or imposed upon the Canadian Borrower in respect of any claim from a holder of such BA Instrument that the Canadian Borrower is liable for payment thereunder or any payment by the Canadian Borrower in connection with such claim.

(2) If the Canadian Borrower fails to pay any BA Instrument when due or request a replacement in the Face Amount of such BA Instrument pursuant to Section 4.05(1), the unpaid amount due and payable shall be converted to a Canadian Prime Rate Advance and shall bear interest calculated and payable as provided in ARTICLE 3. This conversion shall occur as of the maturity date of the BA Instrument and without any necessity for the Canadian Borrower to give a Borrowing Notice.
Section 4.06. Circumstances Making Banker’s Acceptances Unavailable.

(1) If, by reason of circumstances affecting the money market generally, as determined by the Agent, there is no market for Bankers’ Acceptances and Drafts, (i) the right of the Canadian Borrower to request a Drawing shall be suspended until the circumstances causing a suspension no longer exist; and (ii) any Drawing Notice which is outstanding shall be deemed to be a Borrowing Notice requesting a Canadian Prime Rate Advance unless it has been revoked by the Canadian Borrower before the specified Drawing Date.

(2) The Agent shall promptly notify the Canadian Borrower of the suspension of the Canadian Borrower’s right to request a Drawing and of the termination of any such suspension.

ARTICLE 5
LETTERS OF CREDIT

Section 5.01. Letters of Credit.

The Fronting Letter of Credit Lender agrees on the terms and conditions of this Agreement and in accordance with the applicable Issue Notice, to issue Letters of Credit for the account of the Borrowers on any Business Day prior to the Maturity Date.

Section 5.02. Issue Notice.

Each Issue shall be made on notice (an “Issue Notice”) given by the applicable Borrower to the Fronting Letter of Credit Lender not later than 11:00 a.m. (Toronto time) on the number of days’ notice specified in Schedule 5. The Issue Notice shall be in substantially the form of Schedule 4, shall be irrevocable and binding on the applicable Borrower and shall specify (i) the requested date of Issue (the “Issue Date”); (ii) the type and currency of such Letter of Credit; (iii) the Face Amount of the Letter of Credit; (iv) the expiration date of the Letter of Credit (which expiration date shall not (i) exceed 365 days from the Issue Date subject to such extensions thereof of not more than 365 days as may be notified by the applicable Borrower to the Fronting Letter of Credit Lender or (ii) extend beyond the Maturity Date, unless as of the applicable Issue Date or date of extension as to each Letter of Credit preceding the Maturity Date, such Letters of Credit are Cash Collateralized), and (v) the name and address of the Beneficiary.

Section 5.03. Form of Letters of Credit.

Each Letter of Credit shall (i) be dated the Issue Date; (ii) have an expiration date on the date specified in Section 5.02 or, if such date is not a Business Day on the Business Day immediately preceding such date; (iii) comply with the definition of Letter of Credit; (iv) be issued in Canadian Dollars, U.S. Dollars or any other currency agreed to by the Fronting Letter of Credit Lender; (v) be on the standard documentary forms required by the Fronting Letter of Credit Lender; and (vi) be subject to prior entry by the applicable Borrower into such master agreement, application and other standard forms required by the Fronting Letter of Credit Lender.
Section 5.04. Procedure for Issuance of Letters of Credit.

(1) Not later than 12:00 noon (Toronto time) on an applicable Issue Date, the Fronting Letter of Credit Lender will complete and issue an appropriate type of Letter of Credit (i) dated the Issue Date; (ii) in favour of the Beneficiary; (iii) in a Face Amount equal to the amount referred to in Section 5.02; and (iv) with the expiration date, as specified by the applicable Borrower in its Issue Notice (subject to Section 5.03).

(2) The aggregate undrawn Face Amount of all Letters of Credit shall not, at any time, exceed the lesser of (i) the Fronting Letter of Credit Lender’s Fronting Letter of Credit Commitment, and (ii) the remaining Commitment of all of the Lenders, less the aggregate outstanding principal balance of the Accommodations Outstanding under the Credit Facility (including, for greater certainty, Swingline Advances).

(3) Unless otherwise agreed by the Fronting Letter of Credit Lender, no Letter of Credit shall require payment against a conforming draft to be made thereunder on the same Business Day upon which such draft is presented, if such presentation is made after 10:00 a.m. (local time) on such Business Day.

(4) Prior to the Issue Date, the applicable Borrower shall specify a precise description of the documents and the verbatim text of any certificates to be presented by the Beneficiary which, if presented by the Beneficiary, would require the Fronting Letter of Credit Lender to make payment under its applicable Letter of Credit. The Fronting Letter of Credit Lender may, before the issue of the Letter of Credit and in consultation with the applicable Borrower, require changes in any such documentation or certificate.

(5) In determining whether to pay under any Letter of Credit, the Fronting Letter of Credit Lender shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit.

Section 5.05. Payment of Amounts Drawn Under Letters of Credit.

(1) The Fronting Letter of Credit Lender shall notify the applicable Borrower with notice to the Agent on or before the date on which the Fronting Letter of Credit Lender intends to honour any drawing under a Letter of Credit.

(2) In respect of each Letter of Credit, unless,

(a) on the date of such drawing, the applicable Borrower has in response to a demand from the Fronting Letter of Credit Lender deposited, in the same day funds, to the applicable Borrower’s Account an amount equal to the amount of such drawing,

then

(b) the applicable Borrower shall be deemed to have given a Borrowing Notice to the Agent, requesting a Canadian Prime Rate Advance, Base Rate (Canada) Advance or Base Rate (United States) Advance, as applicable, under the Credit Facility, and as determined by the Agent acting reasonably, based upon the amount required on the date on which such drawing is honoured in an amount equal to the amount of such drawing (and the obligations in respect of any Letter of Credit denominated in a currency other than Canadian Dollars or U.S. Dollars shall be converted to U.S. Dollars for purposes hereof based on the Equivalent Amount thereof in U.S. Dollars);
(c) the Lenders shall, on the date of such drawing, make such Canadian Prime Rate Advance, Base Rate (Canada) Advance or Base Rate (United States) Advance, as applicable, rateably under the Credit Facility, as applicable; and

(d) the Agent shall pay the proceeds thereof to the Fronting Letter of Credit Lender as reimbursement for the amount of such drawing. The Agent shall promptly notify the applicable Borrower of any such Canadian Prime Rate Advance, Base Rate (Canada) Advance or Base Rate (United States) Advance, as applicable.

(3) Each Lender, as applicable, shall be required to make its rateable portion of the Advances referred to in Section 5.05(2) notwithstanding, (i) the amount of the Borrowing may not comply with the minimum amount for Borrowings otherwise required under this Agreement; (ii) that the conditions specified in ARTICLE 7 are not then satisfied; (iii) that a Default or Event of Default has occurred and is continuing; (iv) the date of such Borrowing; (v) any reduction of the Commitment after any Letter of Credit was issued by the Fronting Letter of Credit Lender; or (vi) the Accommodations Outstanding under the Credit Facility after giving effect to such Advances would exceed the Commitment.

Section 5.06. Fees.

(1) The applicable Borrower shall pay to the Agent, for the account of the Lenders, as applicable, a Letter of Credit fee with respect to each outstanding Letter of Credit issued by the Fronting Letter of Credit Lender at a rate per annum equal to the Applicable Margin, calculated on the basis of the undrawn Face Amount of each such Letter of Credit, and a year of 365 or 366 days, calculated daily and payable in arrears on the third Business Day of each Financial Quarter in respect of the immediately preceding Financial Quarter, and on the Maturity Date in respect of the Credit Facility (the foregoing fees to be payable (x) in Canadian Dollars, with respect to Letters of Credit denominated in Canadian Dollars, (y) in U.S. Dollars, with respect to Letters of Credit denominated in U.S. Dollars), and (z) in the applicable currency of any Letter of Credit denominated in a currency other than Canadian Dollars or U.S. Dollars.

(2) The applicable Borrower shall pay to the Fronting Letter of Credit Lender, a fee equal to 25 basis points per annum, calculated on the basis of the undrawn Face Amount of each outstanding Letter of Credit issued by the Fronting Letter of Credit Lender and a year of 365 or 366 days, calculated daily and payable in arrears on the third Business Day of each Financial Quarter in respect of the immediately preceding Financial Quarter, and on the Maturity Date (the foregoing fees to be payable (x) in Canadian Dollars, with respect to Letters of Credit denominated in Canadian Dollars. (y) in U.S. Dollars, with respect to Letters of Credit denominated in U.S. Dollars), and (z) in the applicable currency of any Letter of Credit denominated in a currency other than Canadian Dollars or U.S. Dollars.
The applicable Borrower shall pay to the Fronting Letter of Credit Lender its (i) set-up fees, cable charges and other customary miscellaneous charges in respect of the issue of Letters of Credit by it; and (ii) documentary and administrative charges for amending, transferring or drawing under, as the case may be, Letters of Credit of a similar amount, term and risks upon the amendment or transfer of each Letter of Credit and each drawing made thereunder (the foregoing fees to be payable (x) in Canadian Dollars, with respect to Letters of Credit denominated in Canadian Dollars, (y) in U.S. Dollars, with respect to Letters of Credit denominated in U.S. Dollars), and (z) in the applicable currency of any Letter of Credit denominated in a currency other than Canadian Dollars or U.S. Dollars.

Section 5.07. Obligations Absolute.

Subject to Section 5.04(5), the obligation of the applicable Borrower to reimburse the Fronting Letter of Credit Lender for drawings made under the Letters of Credit issued by it shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including:

1. any lack of validity or enforceability of any Letter of Credit;
2. the existence of any claim, compensation, set-off, defence or other right which the applicable Borrower may have at any time against a Beneficiary or any transferee of any Letter of Credit (or any Persons for whom any such transferee may be acting), the Fronting Letter of Credit Lender or any other Person, whether in connection with this Agreement, the transactions contemplated herein and therein or any unrelated transaction (including any underlying transaction between the Parent or one of its Subsidiaries and the Beneficiary of any Letter of Credit);
3. any draft, demand, certificate or any other document presented under any Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect;
4. any other circumstances or happenings whatsoever, which are similar to any of the foregoing; or
5. that a Default or an Event of Default shall have occurred and be continuing.

Section 5.08. Indemnification; Nature of Fronting Letter of Credit Lender’s Duties.

In addition to amounts payable as elsewhere provided in this ARTICLE 5, the applicable Borrower hereby agrees to protect, indemnify, pay and save the Fronting Letter of Credit Lender harmless from and against any and all claims or losses (including reasonable legal fees and expenses) which the Fronting Letter of Credit Lender may incur or be subject to as a consequence, direct or indirect, of (i) the application for or issuance of or drawing under any Letter of Credit, other than as a result of the gross negligence or wilful misconduct of the Fronting Letter of Credit Lender as determined by a court of competent jurisdiction, provided that the Fronting Letter of Credit Lender acts in good faith; or (ii) the failure of the Fronting Letter of Credit Lender to honour a drawing under any Letter of Credit as a result of any act or omission, whether rightful or wrongful, of any present or future Governmental Entity prohibiting the payment of such drawing (all such acts or omissions herein called “Government Acts”).
As between the applicable Borrower and the Fronting Letter of Credit Lender, the applicable Borrower assumes all risks of the acts and omissions of, or misuse of any Letter of Credit issued by the Fronting Letter of Credit Lender, by the Beneficiary of such Letter of Credit. Except to ensure compliance with the applicable Letter of Credit, the Fronting Letter of Credit Lender shall not have any responsibility for (i) the form, validity, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for, issuance of or drawing under any Letter of Credit (even if it should in fact prove to be in any or all respects invalid, inaccurate, fraudulent or forged); (ii) the validity or sufficiency of any instrument transferring or assigning (or purporting to transfer or assign) any Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (iii) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise (whether or not they are in cipher); (iv) errors in interpretation of technical terms; (v) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any Letter of Credit or of the proceeds thereof; (vi) the misapplication by the Beneficiary of any Letter of Credit or of the proceeds of any drawing under such Letter of Credit; and (vii) any consequences arising from causes beyond the control of the Fronting Letter of Credit Lender including any Government Acts. None of the above shall affect, impair, or prevent the vesting of any of the Fronting Letter of Credit Lender’s powers hereunder. Any action taken or omitted by the Fronting Letter of Credit Lender under or in connection with any Letter of Credit issued by it or the related certificates if taken or omitted in good faith, shall not put the Fronting Letter of Credit Lender under any resulting liability to the applicable Borrower provided that the Fronting Letter of Credit Lender acts without intentional or gross fault and has not engaged in wilful misconduct.

The applicable Borrower shall have no obligation to indemnify the Fronting Letter of Credit Lender in respect of any liability incurred by the Fronting Letter of Credit Lender to the extent determined by a final non-appealable judgment of a court of competent jurisdiction to have been caused by the gross negligence or wilful misconduct of the Fronting Letter of Credit Lender, or out of the wrongful dishonour by the Fronting Letter of Credit Lender of a proper demand for payment made under any Letter of Credit issued by it.

Section 5.09. Repayments.

(1) If the applicable Borrower shall be required to repay the Accommodations Outstanding under the Credit Facility pursuant to ARTICLE 2 or ARTICLE 10, then the applicable Borrower shall pay to the Fronting Letter of Credit Lender, to the extent required pursuant thereto and in the amount provided therein, an amount equal to the Fronting Letter of Credit Lender’s contingent liability in respect of any Letter of Credit outstanding hereunder, including any Letter of Credit which is the subject matter of any order, judgment, injunction or other such determination (a “Judicial Order”) restricting payment by the Fronting Letter of Credit Lender under and in accordance with such Letter of Credit beyond the expiration date stated therein other than any Judicial Order permanently enjoining the Fronting Letter of Credit Lender from paying under such Letter of Credit. Payment in respect of each such Letter of Credit shall be due in the currency in which such Letter of Credit is denominated.
The Fronting Letter of Credit Lender shall, with respect to any Letter of Credit issued by it, upon the date on which any final and non-appealable order, judgment or other such determination has been rendered or issued either terminating the applicable Judicial Order or permanently enjoining the Fronting Letter of Credit Lender from paying under such Letter of Credit, pay to the applicable Borrower an amount equal to the aggregate of (y) the difference between the amount paid to the Fronting Letter of Credit Lender pursuant to Section 5.09(1) and the amounts paid by the Fronting Letter of Credit Lender under such Letter of Credit, and (z) interest on such amount, if any, determined at the Fronting Letter of Credit Lender’s applicable wholesale deposit rate for the relevant currency.

The Fronting Letter of Credit Lender shall, with respect to any Letter of Credit issued by it, upon the earlier of (i) the date on which either (x) the original counterpart of such Letter of Credit is returned to the Fronting Letter of Credit Lender for cancellation, or (y) the Fronting Letter of Credit Lender is released by the Beneficiary from any further obligations in respect thereof; and (ii) the expiry (to the extent permitted by Law) of such Letter of Credit, pay to the Borrower an amount equal to the aggregate of (y) the difference between the amount paid to the Fronting Letter of Credit Lender pursuant to Section 5.09(1) and the amounts paid by the Fronting Letter of Credit Lender under such Letter of Credit, and (z) interest on such amount, if any, determined at the Fronting Letter of Credit Lender’s applicable wholesale deposit rate for the relevant currency.

Section 5.10. Cash Collateral.

(1) Fronting Exposure. At any time that there shall exist a Defaulting Lender, within three (3) Business Days following the receipt by the applicable Borrower of written request of the Agent or any Fronting Letter of Credit Lender (with a copy to the Agent) the applicable Borrower shall Cash Collateralize such Fronting Letter of Credit Lender’s Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.12(1)(iv) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount.

(2) The applicable Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, shall grant to the Agent, for the benefit of the applicable Fronting Letter of Credit Lender, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lender’s obligation to fund participations in respect of the applicable Borrower’s Letter of Credit Obligations, to be applied pursuant to clause (3) below. If at any time the Agent reasonably determines that Cash Collateral is subject to any right or claim of any Person other than the Agent and the applicable Fronting Letter of Credit Lender as herein provided, or that the total amount of such Cash Collateral is less than the applicable Minimum Collateral Amount, the applicable Borrower will, promptly upon demand by the Agent, pay or provide to the Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(3) Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 5.10 or Section 2.12 in respect of Letters of Credit shall be applied to satisfy the Defaulting Lender’s obligation to fund participations in respect of Letter of Credit Obligations (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.
(4) Cash Collateral (or the appropriate portion thereof) provided to reduce any Fronting Letter of Credit Lender’s Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 5.10 (and shall be returned to the applicable Borrower within three (3) Business Days) following (i) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender whether by a cure of such status in accordance with Section 2.12(2) or by removal of such Lender pursuant to Section 2.13), or (ii) the determination by the Agent and the applicable Fronting Letter of Credit Lender that there exists excess Cash Collateral; provided that the Person providing Cash Collateral and the applicable Fronting Letter of Credit Lender may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations and provided further that to the extent that such Cash Collateral was provided by the applicable Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to the Loan Documents.

ARTICLE 6
SECURITY/GUARANTEES

Section 6.01. Security.

The Borrowers have provided or caused to be provided, as the case may be, to the Agent, for and on behalf of the Secured Parties as continuing collateral security for the present and future indebtedness and liability of the Borrowers and other Loan Parties to the Secured Parties hereunder and under the other Loan Documents, in each case, to the extent specified in the applicable documents relating to such security, the following security in form and substance satisfactory to the Agent acting reasonably, together with any relevant power of attorney, registrations, filings and other supporting documentation and opinions of counsel as requested by the Agent or its counsel (acting reasonably) (together with the security required pursuant to this Agreement or otherwise delivered in connection with this Agreement or the other Loan Documents from time to time, the “Security”):

(i) a full recourse guarantee from the Parent, each of the Borrowers and each other Subsidiary that becomes a Guarantor hereunder;

(ii) a general pledge and security agreement (or local law equivalent, including moveable hypothec to the extent the Parent or any of its Subsidiaries has any tangible Assets or is domiciled in the Province of Quebec) constituting a first-ranking charge on all personal property and assets of the Loan Parties (including a pledge in respect of all Equity Interests held by a Loan Party in the capital of any Subsidiary thereof, in each case, together with all certificates (if any) evidencing such ownership and stock transfer powers in respect of same), subject, if and to the extent applicable, to any Permitted Lien, the exceptions specified therein and other customary exceptions (each such agreement, a “Pledge and Security Agreement”);
in respect of any Intellectual Property registered with, or with respect to which an application (other than any United States trademark applications constituting Excluded Assets) for registration is pending with, the United States Patent and Trademark Office or the United States Copyright Office, a customary intellectual property security agreement in respect thereof governed by the laws of New York;

appropriate evidence showing loss payable and additional insured clauses or endorsements with respect to the applicable property and third party liability insurance policies of the Parent and its Subsidiaries in favour of the Agent; and

other security consistent with the foregoing which may be required in any applicable jurisdiction to effect the registration and perfection of any of the foregoing.

Section 6.02. Additional Guarantors.

The Parent shall ensure that the Adjusted EBITDA of the Loan Parties at all times represent at least 85% of the consolidated Adjusted EBITDA of the Parent (in each case for the last four Financial Quarters in respect of which the Agent and the Lenders have received a Compliance Certificate hereunder) and shall cause such additional Subsidiaries of the Parent to become Guarantors hereunder and provide the other Security required herein as may be necessary to comply with the foregoing requirements; provided that no Subsidiary of Parent which is not a Guarantor shall own, or hold exclusive rights in, any Material IP.

Section 6.03. Mortgaged Property.

The Parent shall, or shall cause its applicable Subsidiary to, provide and maintain with the Agent, for and on behalf of the Secured Parties no later than 90 days after the Closing Date or promptly upon the acquisition thereof, as applicable, a registered first priority debenture/hypothec (subject to Permitted Liens) in respect of any Material Owned Real Property owned on the Closing Date or acquired thereafter (the owned real/immoveable property so subject to such debentures/hypothes at any time is herein referred to as the “Mortgaged Property”), together with an opinion of Borrowers’ counsel with respect thereto, an ALTA lender’s title insurance policy insuring such debenture/hypothec, a current ALTA survey, certified to Agent by a licensed surveyor, a certificate from a national certification agency indicating whether such Mortgaged Property is located in a special flood hazard area, an environmental audit and any other item reasonably necessary in order to obtain any of the foregoing in form and substance reasonably acceptable to Agent.

(1) The documents constituting the Security shall secure the present and future indebtedness, obligations and other liabilities of each of the applicable Loan Parties specified therein to the Secured Parties under the Loan Documents to which such Loan Party is a party, other than Excluded Swap Obligations (the “Secured Obligations”) and all such Secured Obligations shall rank pari passu with each other and any proceeds from any realization of the Collateral shall be applied to the Secured Obligations ratably in accordance with Section 10.03 (whether such Collateral is in the name of the Agent or in the name of any one or more of the Lenders, the Service Lenders or Hedge Lenders and without regard to any priority to which any Lender, the Service Lenders or Hedge Lender may otherwise be entitled under applicable law). Notwithstanding the rights of the Hedge Lenders and the Service Lenders to benefit from the Security, all decisions concerning the Security and the enforcement thereof shall be made by the Lenders or the Majority Lenders in accordance with this Agreement and the other Loan Documents. No Hedge Lender or Service Lender shall have any additional right to influence the Security or the enforcement thereof as long as this Agreement remains in force.

(2) The Eligible Hedging Agreements shall not cease to be secured except in accordance with the terms of such agreements or with the prior written consent of the applicable Hedge Lender. If the Accommodations Outstanding have been indefeasibly paid and performed in full in cash and this Agreement and the Commitments have been terminated, the Hedge Lenders and the Service Lenders will release their interest in the Security upon receiving collateral to secure the present or future obligations under their respective Eligible Hedging Agreement or Other Secured Agreements, as applicable, in an amount and on terms satisfactory to such Hedge Lenders or Services Lenders, acting reasonably (or as otherwise provided in the applicable Eligible Hedging Agreement or Other Secured Agreement) and such Secured Obligations shall continue to rank pari passu with each other and such collateral shall be applied ratably to such Secured Obligations and decisions concerning the Security shall be made by the Hedge Lenders and the Service Lenders as they may determine among themselves). The provisions of this Section 6.04(2) shall survive the termination of this Agreement and the repayment of the Accommodations Outstanding.

Section 6.05. Further Assurances.

The Parent on behalf of itself and each of the other Loan Parties agrees that it will from time to time at its expense duly authorize, execute and deliver or cause to be duly authorized, executed and delivered to the Agent such further instruments and documents and take such further action within its control as the Agent may reasonably request for the purpose of obtaining or preserving the full benefits granted or intended to be granted to the Agent by the Loan Documents (other than Eligible Hedging Agreements or Other Secured Agreements) and of the rights and remedies therein granted to the Agent, including the filing of financing statements or other documents under any applicable Law with respect to the Liens created thereby. The Parent on behalf of itself and each of the other Loan Parties acknowledges that the Loan Documents have been prepared on the basis of applicable Law and the corporate structure and capitalization of the Parent and its Subsidiaries in effect on the date thereof, and that changes to applicable Law or the corporate structure and capitalization of the Parent and its Subsidiaries may require the execution and delivery of different forms of documentation, and accordingly the Agent shall have the right (acting reasonably) to require that the Loan Documents (other than Eligible Hedging Agreements or Other Secured Agreements) be amended, supplemented or replaced (and the Parent shall duly authorize, execute and deliver (or cause to be authorized, executed and delivered) to the Agent any such amendment, supplement or replacement reasonably requested by the Agent with respect to any of the Loan Documents (other than Eligible Hedging Agreements or Other Secured Agreements)) within 5 Business Days of presentation of reasonable drafts thereof (i) to reflect any change in applicable Law or the corporate structure and capitalization of the Parent and its Subsidiaries; (ii) to facilitate the creation and registration of appropriate forms of security in applicable jurisdictions; or (iii) to confer upon the Agent Liens similar to the Liens created or intended to be created by the Loan Documents.
Section 6.06. Security Principles

Notwithstanding anything to the contrary, the Collateral shall exclude the following: (i) (A) any owned and leased real/immoveable property other than Material Owned Real Property; (ii) any governmental licenses or state or local franchises, charters or authorizations, to the extent a security interest in any such licenses, franchise, charter or authorization would be prohibited or restricted thereby (including any legally effective prohibition or restriction, but excluding any prohibition or restriction that is ineffective under the PPSSA or the UCC (or similar regulation in any applicable jurisdiction)), (iii) pledges and security interests prohibited by applicable Law (including any legally effective requirement to obtain the consent of any Governmental Entity), (iv) Margin Stock and, to the extent prohibited by, or creating an enforceable right of termination in favor of any other party thereto under (other than the Loan Parties or any of their Affiliates), the terms of any applicable organizational documents, joint venture agreement or shareholders’ agreement, equity interests in any Person other than Wholly-Owned Subsidiaries, (v) Assets to the extent a security interest in such Assets would result in material adverse tax consequences as reasonably determined by the Parent in consultation with the Agent, (vi) any intent-to-use United States trademark application for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office, but solely to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law, (vii) any lease, license or other agreement in respect of personal property (including pursuant to a purchase money security interest or similar arrangement) and the property subject to such lease, license or agreement to the extent that a grant of a security interest therein would violate or invalidate such lease, license or agreement (or purchase money arrangement) or create a right of termination in favor of any other party thereto (other than the Parent or any of its Subsidiaries) after giving effect to the applicable anti-assignment provisions of the PPSA or the UCC (or similar regulation in any applicable jurisdiction) or other similar applicable law, other than proceeds and receivables thereof, the assignment of which is expressly deemed effective under the PPSA or the UCC (or similar regulation in any applicable jurisdiction) or other similar applicable Law notwithstanding such prohibition, and (viii) other assets agreed to by the Majority Lenders in writing. The Collateral may also exclude those Assets as to which the Agent and the Parent reasonably agree in writing that the cost of obtaining such a security interest or perfection thereof are excessive in relation to the benefit to the Secured Parties of the security to be afforded thereby (the foregoing described in the previous two sentences are collectively referred to as the “Excluded Assets”).

In addition, (a) no control agreements or other perfection actions shall be required with respect to any securities accounts or commodities accounts covered by Section 9.01(17), (b) no perfection actions shall be required with respect to letter of credit rights, except to the extent constituting a supporting obligation for other Collateral as to which perfection is accomplished solely by the filing of a PPSA or UCC financing statement (or similar filing in any applicable jurisdiction) (it being understood that no actions shall be required to perfect a security interest in letter of credit rights, other than the filing of a PPSA or UCC financing statement (or similar filing in any applicable jurisdiction)), and (c) no perfection actions shall be required with respect to motor vehicles and other assets subject to certificates of title with a value not in excess of $100,000 each and commercial tort claims with a value not in excess of $500,000 each other than the filing of a PPSA or UCC financing statement (or similar filing in any applicable jurisdiction).

ARTICLE 8
REPRESENTATIONS AND WARRANTIES

Section 8.01. Representations and Warranties.

The Parent represents and warrants to the Agent and the Lenders, acknowledging and confirming that the Agent and each Lender is relying thereon without independent inquiry in entering into this Agreement and providing Accommodations hereunder, that:

(1) **Existence and Standing.** The Parent and each of its Subsidiaries is a corporation, company, partnership or other entity, as the case may be, incorporated or organized and subsisting under the laws of its jurisdiction of incorporation or organization and has all requisite corporate or other constitutional power and authority to own, hold under licence or lease its property, undertaking and Assets and to carry on (i) its business; and (ii) the transactions contemplated by this Agreement and each other Loan Document to which it is a party.

(2) **Corporate Power.** The Parent and each Loan Party has all requisite corporate, partnership or other constitutional power and authority to enter into and perform its obligations under this Agreement and each other Loan Document to which it is a party, and to do all acts and things and execute and deliver all other documents and instruments as are required hereunder or thereunder to be done, observed or performed by it in accordance with the terms hereof and thereof.

(3) **Conflict with Other Instruments.** The execution and delivery by the Parent and each Loan Party and the performance by it of its obligations under, and compliance with the terms, conditions and provisions of, this Agreement and each other Loan Document to which it is a party will not conflict with or result in a breach of any of the terms, conditions or provisions of (i) its articles, memoranda or articles of association, by-laws, partnership agreement, shareholders’ agreement or other organizational documents applicable to it, as the case may be; (ii) any applicable Law; (iii) any Material Contract, Material Authorization or any material contractual restriction (including, for the avoidance of doubt, any indenture, mortgage or charge) binding on or affecting it or its Assets; or (iv) any material judgment, injunction, determination or award which is binding on it, in each such case except to the extent that such breach would not reasonably be expected to result in a Material Adverse Change.
(4) **Corporate Action, Governmental Approvals, etc.** The execution and delivery by the Parent and each Loan Party of this Agreement and each of the Loan Documents to which it is a party, and the performance by it of its obligations thereunder have been duly authorized by all necessary corporate, company, partnership or other action including, without limitation, the obtaining of all necessary shareholder, partnership or other material and relevant consents. No authorization, consent, approval, registration, qualification, designation, declaration or filing with any Governmental Entity or other Person, is or was necessary in connection with the execution and delivery of and performance by the Parent or any of its Subsidiaries of its obligations under this Agreement and the other Loan Documents to which it is a party, except such as are in full force and effect, unamended at the date hereof or where failure to obtain same would not reasonably be expected to have a Material Adverse Change.

(5) **Due Execution; Validity and Enforceability; Defaults.** This Agreement and each other Loan Document to which the Parent or any Loan Party is a party has been duly executed and delivered, as the case may be, by the Parent or Loan Party which is a party thereto and constitutes a legal, valid and binding obligation, enforceable against it in accordance with its terms (except as such enforceability may be limited by the availability of equitable remedies and the effect of bankruptcy, insolvency or similar laws affecting the enforcement of creditor’s rights generally), is (or will be immediately upon the execution thereof by such Person) in full force and effect, and the Parent or the applicable Loan Party has performed and complied in all material respects with all the terms, provisions, agreements and conditions set forth herein and therein and required to be performed or complied with by it.

(6) **Authorizations, etc.** All Authorizations of the Parent and its Subsidiaries which are necessary to properly conduct their respective business as of the Closing Date are in full force and effect and neither the Parent nor any of its Subsidiaries is in default with respect thereto, except where the absence of such Authorization, the failure to maintain such Authorization in full force and effect, or the default thereunder would not reasonably be expected to result in a Material Adverse Change. The Material Authorizations described in Schedule 8.01(6) or as hereafter disclosed pursuant to Section 9.01(2)(v) in the Compliance Certificate required to be delivered for the Financial Quarter in which such Material Authorization was obtained are the only Authorizations necessary to properly conduct the business of the Parent and its Subsidiaries, the absence of which would reasonably be expected to result in a Material Adverse Change (it being understood that this representation will not be deemed breached pending the timely disclosure of any such subsequently obtained Material Authorizations).

(7) **Litigation and Other Proceedings.** As at the date hereof there is no litigation, arbitration, claim, dispute (whether labour, industrial or otherwise), governmental investigation, proceeding or inquiry pending or, to its knowledge, threatened against or affecting the Parent or any of its Subsidiaries which would reasonably be expected to result in a Material Adverse Change.

(8) **Ownership of Assets.** The Parent and its Subsidiaries have good and marketable title to their respective Assets, in each case free and clear of all Liens other than Permitted Liens.

(9) **Subsidiaries, etc.** As of the date hereof, no Person has any right or option to purchase or otherwise acquire any of the issued and outstanding Equity Interests of the Parent or any of its Subsidiaries. Each of the Borrowers is a Wholly-Owned Subsidiary of Parent.
(10) Ownership/Lease of Real Property. Except as set forth on Schedule 8.01(10), the Parent and its Subsidiaries do not own or lease any real property as at the date hereof.

(11) Place of Business. As at the date hereof, the only jurisdictions (or registration districts within such jurisdictions) in which the Borrowers or any of other Loan Party has any place of business or stores any tangible personal property with a realizable value in excess of $500,000 are set out in Schedule 8.01(11).

(12) No Default Under this Agreement. No Default (to the knowledge of the Parent) or Event of Default has occurred and is continuing.

(13) Material Contracts. As at the date hereof, neither the Parent nor any of its Subsidiaries is a party or otherwise subject to or bound or affected by any Material Contract, except as set out in Schedule 8.01(13). Except as set forth in Schedule 8.01(13), at the date hereof, all Material Contracts are in full force and effect, and neither the Parent nor any of its Subsidiaries, or to the Parent’s knowledge, any other party to any such agreement, is in material default with respect thereto.

(14) Compliance with Other Legal Obligations. Neither the Parent nor any of its Subsidiaries is in violation of any judgment or decree, relating in any way to it, to the present operation of its business or to its Assets, the breach or violation of which would reasonably be expected to result in a Material Adverse Change.

(15) Taxes. As of the date hereof the Parent and its Subsidiaries have filed or caused to be filed all U.S. federal income and all other material tax returns which, to its knowledge, are required to have been filed, and have paid all Taxes shown to be due and payable on said returns or on any written assessments made against it or any of its property and all other material amounts of Taxes, fees or other charges imposed on it or any of its property by any Governmental Entity (other than those the amount or validity of which is currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP or other applicable accounting principles have been provided in its books) and no Tax Liens (other than Permitted Liens) have been filed and, to the knowledge of the Parent, no claims are being asserted with respect to any such Taxes, fees or other charges, in each of the foregoing cases, which would reasonably be expected to result in a Material Adverse Change.

(16) Financial Statements/Other Information. The financial statements of the Parent which have been provided to the Agent pursuant to Section 9.01(1) are complete in all material respects, and fairly present the consolidated financial condition and business operations of the Parent in all material respects, as at the date thereof and (subject to Section 1.06) are prepared in accordance with GAAP (subject, in the case of any interim financial statements, to normal year-end adjustments and the absence of footnotes). No written information, exhibit or report furnished by the Parent or any of its Subsidiaries to the Agent or the Lenders for use in connection with the transactions contemplated by this Agreement or any of the other Loan Documents contains any material misstatement of fact or omits to state a material fact or any fact necessary to make the statement contained therein not materially misleading in the circumstances in which it was made.
Compliance with Laws. (i) The Parent and its Subsidiaries and the operation of their respective business and Assets, are in compliance with all applicable Laws; (ii) the business and other assets of the Parent and its Subsidiaries are in compliance with all Environmental Laws, and possess and are operated in compliance with all Environmental Permits which are required under all applicable Environmental Laws for the operation of such business and Assets, in each case, where such non-compliance or non-possession would reasonably be expected to result in a Material Adverse Change. To the knowledge of the Parent, the Borrower’s and its Subsidiaries’ business and Assets are not subject to any fact, condition or circumstance that could result in any liability under any Environmental Laws which would reasonably be expected to result in a Material Adverse Change.

Pension Plan. Schedule 8.01 sets forth a complete list and description of all Pension Plans established or maintained by the Parent or any its Subsidiaries as at the date hereof. All such Pension Plans are being operated, administered and maintained in compliance with their respective terms and all applicable Laws, except for such instances of non-compliance as have not resulted in and would not reasonably be expected to result in a Material Adverse Change. All premiums, contributions and any other amounts required by applicable Pension Plan documents or applicable Laws to be paid or accrued by the Parent and its Subsidiaries, to the extent failure to do so would reasonably be expected to result in a Material Adverse Change, are being paid or accrued as required.

(7) any final judgment or order (subject to no further right of appeal) for the payment of money in excess of $5,000,000 (or the Equivalent Amount in any other currency) which is not covered by insurance is rendered against or in respect of the Parent or any of its Subsidiaries or any of their respective Assets and either (i) enforcement proceedings have been commenced by a creditor upon the judgment or order, or (ii) there is any period of 30 consecutive days during which a stay of enforcement of the judgment or order, by reason of a pending appeal or otherwise, is not in effect;

(15) any of the Loan Documents (or any Lien granted thereunder) cease to be in full force and effect against the applicable Loan Party (except as such enforceability may be limited by the availability of equitable remedies and the effect of bankruptcy, insolvency or similar laws affecting the enforcement of creditor’s rights generally) and if the applicable Loan Party does not, within 15 Business Days of receipt of written notice of such Loan Document (or such Lien granted thereunder) not being in full force and effect, cause such Loan Document (or such Lien granted thereunder) to be in full force and effect (except as such enforceability may be limited by the availability of equitable remedies and the effect of bankruptcy, insolvency or similar laws affecting the enforcement of creditor’s rights generally) or replace such Loan Document (or Lien granted thereunder) with a new agreement (or new Lien) that is in form and substance satisfactory to the Majority Lenders acting reasonably; or

(16) the validity of any of the Loan Documents or the applicability thereof to the Accommodations or any other obligations purported to be secured thereby or any material part thereof shall be disaffirmed in writing by or on behalf of the Parent or any of the other Loan Parties;
then, the Agent shall, at the request of the Majority Lenders, by written notice to the Parent (i) terminate the Lenders’ obligations to make further Accommodations under the Credit Facility; (ii) (at the same time or at any time after such termination) declare the principal amount of all outstanding Advances, an amount equal to the Face Amount of each Banker’s Acceptance, purchased Draft and issued Letters of Credit and all interest and Fees accrued thereon and all other amounts payable under this Agreement in respect of the Credit Facility and all other Secured Obligations (except for those arising pursuant to the Eligible Hedging Agreements and Other Secured Obligations) to be immediately due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Parent and the Borrowers to the extent permitted by applicable Law, and/or (iii) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law; provided, that upon the occurrence of an Event of Default under Section 10.01(8), the obligation of each Lender to make any Accommodation shall automatically terminate, the principal amount of all outstanding Advances, an amount equal to the Face Amount of each Banker’s Acceptance, purchased Draft and issued Letters of Credit and all interest and Fees accrued thereon and all other amounts payable under this Agreement in respect of the Credit Facility and all other Secured Obligations shall be immediately due and payable, without presentment, demand, protest or further notice of any kind.

Section 10.02. Remedies Upon Demand and Default.

(1) Upon a declaration that the principal amount of all outstanding Advances, an amount equal to the Face Amount of each Banker’s Acceptance, purchased Draft and issued Letters of Credit and all interest and Fees accrued thereon and all other amounts payable under this Agreement are immediately due and payable pursuant to Section 10.01 (or such obligations otherwise becoming immediately due and payable as provided in Section 10.01), all other Secured Obligations (except for those arising pursuant to the Eligible Hedging Agreements and Other Secured Obligations) shall be immediately due and payable and the Agent shall, at the request of the Majority Lenders, commence such legal action or proceedings as may be deemed expedient, including the commencement of enforcement proceedings under the Loan Documents or any other security granted by the Loan Parties or any other Person in connection with the Credit Facility to the Agent, all without any additional notice, presentation, demand, protest, notice of dishonour, entering into of possession of any of the Assets, or any other action or notice, all of which the Parent and the Borrowers hereby expressly waive to the extent permitted by applicable Law.

(2) The rights and remedies of the Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are in addition to and not in substitution for any other rights or remedies. Nothing contained herein or in the Loan Documents or any other security hereafter held by the Agent and the Lenders with respect to the indebtedness or liability of the Loan Parties or any other Person to the Agent and the Lenders or any part thereof, nor any act or omission of the Agent and the Lenders with respect to the Loan Documents, the Collateral or such other security, shall in any way prejudice or affect the rights, remedies and powers of the Agent and the Lenders hereunder or under the Loan Documents.

Section 10.03. Application of Funds.

(1) After the exercise of remedies provided for in Section 10.02 (or after the Accommodations and other amounts have automatically become immediately due and payable pursuant to Section 10.01), including in any bankruptcy or insolvency proceeding, any amounts received on account of the Secured Obligations shall be applied by the Agent in the following order (subject, in the case of amounts owing to a Defaulting Lender, to Section 2.12(1)(ii)):
First, to payment of that portion of the Secured Obligations constituting indemnities and expenses (other than principal and interest and Fees, but including fees of counsel and other advisors engaged by the Agent) payable to the Agent in its capacity as such;

Second, to payment of that portion of the Secured Obligations constituting Fees (other than principal and interest) payable to the Lenders, rateably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Secured Obligations constituting accrued and unpaid interest (including, but not limited to, default interest and interest payable before and after the commencement of any insolvency or bankruptcy proceeding) on the Accommodations, rateably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Secured Obligations constituting unpaid principal of the Accommodations (including an amount necessary to Cash Collateralize the undrawn Face Amount of any Letter of Credit), the Swap Termination Value under Eligible Hedging Agreements and all Other Secured Obligations, rateably among the Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the payment of all other Secured Obligations of the Loan Parties that are due and payable to the Agent and the other Secured Parties on such date, rateably among the Secured Parties in proportion to the respective amounts described in this clause Fifth held by them; and

Last, the balance, if any, after all of the Secured Obligations have been indefeasibly paid in full (other than contingent indemnification obligations not then due), to the Parent or as otherwise required by Law;

provided, however, that proceeds of any Collateral shall only be applied to the Secured Obligations secured by such Collateral as specified in the applicable Loan Document.

(2) Amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Secured Obligations, if any, in the order set forth above and, if no Secured Obligations remain outstanding, to the Parent or as otherwise required by Law.

ARTICLE 11
YIELD PROTECTION

Section 11.01. Increased Costs.

(1) Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;
(b) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Accommodations made by it, or change the basis of taxation of payments to such Lender in respect thereof, except for Indemnified Taxes or Other Taxes covered by Section 11.02 and the imposition, or any change in the rate, of any Excluded Tax payable by such Lender; or

(c) impose on any Lender or any applicable interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Accommodations made by such Lender,

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Accommodation (or of maintaining its obligation to make any such Accommodation), or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then upon request of such Lender the applicable Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(2) **Capital/Liquidity Requirements.** If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender’s holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender’s capital or liquidity or on the capital or liquidity of such Lender’s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Accommodations made by such Lender, to a level below that which such Lender or its holding company could have achieved but for such Change in Law (taking into consideration such Lender’s policies and the policies of its holding company with respect to capital adequacy), then from time to time the applicable Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or its holding company for any such reduction suffered.

(3) **Certificates for Reimbursement.** A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section (“Additional Compensation”), including a description of the event by reason of which it believes it is entitled to such compensation, and supplying reasonable supporting evidence (including, in the event of a Change in Law, a photocopy of the applicable Law evidencing such change) and reasonable detail of the basis of calculation of the amount or amounts, and delivered to the applicable Borrower shall be conclusive absent manifest error. The applicable Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof. In the event the Lender subsequently recovers all or part of the Additional Compensation paid by the applicable Borrower, it shall promptly repay an equal amount to the applicable Borrower. The obligation to pay such Additional Compensation for subsequent periods will continue until the earlier of termination of the Accommodation or the Commitment affected by the Change in Law, change in capital requirements or the lapse or cessation of the Change in Law giving rise to the initial Additional Compensation. A Lender shall make reasonable efforts to limit the incidence of any such Additional Compensation and seek recovery for the account of the applicable Borrower upon the applicable Borrower’s request at the applicable Borrower’s expense, provided such Lender in its reasonable determination suffers no appreciable economic, legal, regulatory or other disadvantage. Notwithstanding the foregoing provisions, a Lender shall only be entitled to rely upon the provisions of this Section 11.01 if and for so long as it is not treating the applicable Borrower in any materially different or in any less favourable manner than is applicable to any other customers of such Lender, where such other customers are bound by similar provisions to the foregoing provisions of this Section 11.01.
(4) **Delay in Requests.** Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender’s right to demand such compensation, except that the applicable Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the applicable Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender’s intention to claim compensation therefore, unless the Change in Law giving rise to such increased costs or reductions is retroactive, in which case the nine-month period referred to above shall be extended to include the period of retroactive effect thereof.

**Section 11.02. Taxes.**

(1) **Payments Subject to Taxes.** Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Taxes except as required by applicable Law; provided that if any Loan Party, the Agent or any Lender is required by applicable Law (as determined in the good faith discretion of the applicable withholding agent) to deduct or withhold any Taxes in respect of any payment by or on account of any obligation of a Loan Party hereunder or under any other Loan Document, then (i) if such Tax is an Indemnified Tax (including any Other Taxes), the sum payable shall be increased by such Loan Party when payable as necessary so that after making or allowing for all required deductions and payments for Indemnified Taxes (which excludes, for the avoidance of doubt, Excluded Taxes) (including deductions and withholdings of Indemnified Taxes applicable to additional sums payable under this Section) the Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or payments for Indemnified Taxes (which excludes, for the avoidance of doubt, Excluded Taxes) been required, (ii) such Loan Party shall make any such deductions required to be made by it under applicable Law (as determined in the good faith discretion of the applicable withholding agent), and (iii) such Loan Party shall timely pay the full amount required to be deducted to the relevant Governmental Entity in accordance with applicable Law.

(2) **Payment of Other Taxes by the Borrowers.** Without limiting the provisions of paragraph (1) above, each Loan Party shall timely pay any Other Taxes to the relevant Governmental Entity in accordance with applicable Law.
(3) **Indemnification by the Borrowers.** The Borrowers shall indemnify the Agent and each Lender, within 15 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes in respect of any payments by or on account of any obligation of a Loan Party hereunder or under any Loan Document (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Agent or such Lender in respect of any payment by or on account of any obligation of a Loan Party hereunder or under any other Loan Document and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Entity. A certificate as to the amount of such payment or liability delivered to a Loan Party by a Lender (with a copy to the Agent), or by the Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(4) **Evidence of Payments.** As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Entity, such Loan Party shall deliver to the Agent the original or a certified copy of a receipt issued by such Governmental Entity evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Agent.

(5) **Status of Lenders.** Any Lender that is entitled to an exemption from or reduction of withholding tax with respect to payments hereunder or under any other Loan Document shall, at the request of the Borrower, deliver to the Borrowers (with a copy to the Agent), at the time or times prescribed by applicable Law or reasonably requested by the Borrowers or the Agent, such properly completed and executed documentation prescribed by applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Borrowers or the Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrowers or the Agent as will enable the Borrowers or the Agent to determine whether or not such Lender is subject to withholding or information reporting requirements provided, however, that notwithstanding any of the foregoing in this Section 11.02(5), no Lender shall be required to provide any documentation or information of any kind which it is not permitted to provide under applicable Law. Without limiting the generality of the foregoing, any Lender shall deliver to the Borrowers (with a copy to the Agent), at the time or times prescribed by applicable Law or reasonably requested by the Borrowers or the Agent: (i) in the case of a Lender that is a “U.S. person” as defined under Section 7701(a)(30) of the Code, an IRS Form W-9 certifying that such Lender is not subject to U.S. federal backup withholding tax, and (ii) in the case of a Lender that is not a “U.S. person” as defined under Section 7701(a)(30) of the Code, an IRS Form W-8BEN, IRS Form W-8BEN-E, IRS Form W-8ECI, IRS Form W-8IMY (including all applicable attachments) and, in the case of a Lender claiming the “portfolio interest exemption” from U.S. federal withholding tax, a certificate to the effect that such Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of any Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a “controlled foreign corporation” related to any Borrower as described in Section 881(c)(3)(C) of the Code along with its executed copies of IRS Form W-8BEN or IRS Form W 8BEN-E.
Treatment of Certain Refunds and Tax Reductions. If the Agent or a Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Borrowers or with respect to which a Loan Party has paid additional amounts pursuant to this Section 11.02, it shall pay to the applicable Borrower or Guarantor, as applicable, an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Agent or such Lender, as the case may be, and without interest (other than any net after-Tax interest paid by the relevant Governmental Entity with respect to such refund). A Loan Party, upon the request of the Agent or such Lender, agrees to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Entity) to the Agent or such Lender if the Agent or such Lender is required to repay such refund to such Governmental Entity. Notwithstanding anything to the contrary in this paragraph, in no event will the Agent or a Lender be required to pay over any amount to a Loan Party pursuant to this Section 11.02(6), the payment of which would place the Agent or such Lender, as the case may be, in a less favourable net after-Tax position than the Agent or such Lender, as the case may be, would have been if the indemnification payments or additional amounts giving rise to such refund had never been paid, deducted or withheld. This paragraph shall not be construed to require the Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Loan Parties or any other Person, to arrange its affairs in any particular manner or to claim any available refund.

(7) If a payment made to a Lender would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrowers and the Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Agent such documentation prescribed by applicable Law and such additional documentation reasonably requested by the Borrowers or the Agent as may be necessary for the Borrowers and the Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment under FATCA. For the avoidance of doubt, FATCA shall include any amendments to FATCA made after the Closing Date.

(8) Each Lender shall indemnify the Agent within 10 days after demand therefor, for the full amount of any Excluded Taxes attributable to and properly payable by such Lender that are payable or paid by the Agent, and reasonable expenses arising therefrom or with respect thereto, whether or not such Excluded Taxes were correctly or legally imposed or asserted by the relevant Governmental Entity. A certificate as to the amount of such payment or liability delivered to any Lender by the Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document against any amount due to the Agent under this paragraph (8). The agreements in this paragraph (8) shall survive the resignation and/or replacement of the Agent.

Section 11.03. Mitigation Obligations: Replacement of Lenders.

(1) Designation of a Different Lending Office. If any Lender requests compensation under Section 11.01, or requires the Borrowers to pay any Indemnified Taxes, including Other Taxes, or any additional amount to any Lender or any Governmental Entity for the account of any Lender pursuant to Section 11.02, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Accommodations hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender (with the prior consent of the Borrowers), such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 11.01 or Section 11.02, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment.
(2) **Replacement of Lenders.** If any Lender requests compensation under Section 11.01, if a Borrower is required to pay any Indemnified Taxes, including Other Taxes, or any additional amount to any Lender or any Governmental Entity for the account of any Lender pursuant to Section 11.02 or if any Lender’s obligations are suspended pursuant to Section 11.04, then the Borrowers may either, at their sole expense and effort, upon 10 days’ notice to such Lender and the Agent:

(i) repay all outstanding amounts due to such affected Lender (or such portion which has not been acquired pursuant to clause (ii) below) and thereupon such Commitment of the affected Lender shall be permanently cancelled and the aggregate Commitment shall be permanently reduced by the same amount and the Commitment of each of the other Lenders shall remain the same; or

(ii) require such Lender to assign, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, ARTICLE 18), all of its interests, rights and obligations under this Agreement and the related Loan Documents (other than Eligible Hedging Agreements and Other Secured Agreements) to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrowers pay the Agent the assignment fee specified in Section 18.01(2)(f);

(b) the assigning Lender receives payment of an amount equal to the outstanding principal of its Accommodations Outstanding and participations in disbursements under Letters of Credit, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any breakage costs and amounts required to be paid under this Agreement as a result of prepayment to a Lender) (other than Eligible Hedging Agreements and Other Secured Agreements) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 11.01 or payments required to be made pursuant to Section 11.02, such assignment will result in a reduction in such compensation or payments thereafter; and

(d) such assignment does not conflict with applicable Law.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.
Section 11.04. Illegality.

If any Lender determines that any applicable Law has made it unlawful, or that any Governmental Entity has asserted that it is unlawful, for any Lender or its applicable lending office to make or maintain any Accommodations, or to determine or charge interest rates based upon any particular rate, then, on notice thereof by such Lender to the Parent through the Agent, any obligation of such Lender with respect to the activity that is unlawful shall be suspended until such Lender notifies the Agent and the Parent that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall, upon demand from such Lender (with a copy to the Agent), prepay or, if conversion would avoid the activity that is unlawful, convert any Accommodations, or take any necessary steps with respect to any Letters of Credit in order to avoid the activity that is unlawful. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

ARTICLE 12
RIGHT OF SETOFF

Section 12.01. Right of Setoff.

If an Event of Default has occurred and is continuing, each of the Lenders and each of their respective Affiliates is hereby authorized at any time and from time to time to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrowers or any Guarantor against any and all of the obligations of the Borrowers or any Guarantor now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender has made any demand under this Agreement or any other Loan Document and although such obligations of the Borrowers or applicable Guarantor may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness; provided that if any Defaulting Lender exercises any such right of set-off, (x) all amounts so set off shall be paid over immediately to the Agent for further application in accordance with the provisions of Section 2.12(1)(ii) and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Agent, each Fronting Letter of Credit Lender and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Agent a statement describing in reasonable detail the obligations owing to such Defaulting Lender as to which it exercised such right of set-off. The rights of each of the Lenders and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff, consolidation of accounts and bankers’ lien) that the Lenders or their respective Affiliates may have. Each Lender agrees to promptly notify the Parent and the Agent after any such setoff and application, but the failure to give such notice shall not affect the validity of such setoff and application. If any Affiliate of a Lender exercises any rights under this Section 12.01, it shall share the benefit received in accordance with Section 13.01 as if the benefit had been received by the Lender of which it is an Affiliate.
ARTICLE 13
SHARING OF PAYMENTS BY LENDERS

Section 13.01. Sharing of Payments by Lenders.

If any Lender, by exercising any right of setoff as permitted by ARTICLE 12, obtains any payment or other reduction that might result in such Lender receiving payment or other reduction of a proportion of the aggregate amount of its Accommodations and accrued interest thereon or other obligations hereunder greater than its pro rata share thereof as provided herein, then the Lender receiving such payment or other reduction shall (a) notify the Agent of such fact, and (b) purchase (for cash at face value) participations in the Accommodations Outstanding and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders rateably in accordance with the aggregate amount of principal of and accrued interest on their respective Accommodations Outstanding and other amounts owing them, provided that:

(1) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest,

(2) the provisions of this Section shall not be construed to apply to (x) any payment made by the Borrowers or applicable Guarantor pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Accommodations or participations in disbursements under Letters of Credit to any assignee or participant, other than to the Borrowers or any Guarantor or any Affiliate of the Borrowers or any Guarantor (as to which the provisions of this Section shall apply); and

(3) the provisions of this Section shall not be construed to apply to (w) any payment made while no Event of Default has occurred and is continuing in respect of obligations of the Parent or any of its Subsidiaries to such Lender that do not arise under or in connection with the Loan Documents, (x) any payment made in respect of an obligation that is secured by a Permitted Lien or that is otherwise entitled to priority over the obligations under or in connection with the Loan Documents, (y) any reduction arising from an amount owing to the Borrowers or any Guarantor upon the termination of derivatives entered into between the Borrowers or any Guarantor and such Lender, or (z) any payment to which such Lender is entitled as a result of any form of credit protection obtained by such Lender.

The Borrowers and each Guarantor consents to the foregoing and agree, to the extent they may effectively do so under applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers and each Guarantor rights of setoff with respect to such participation in accordance with ARTICLE 12 as fully as if such Lender were a direct creditor of the Borrowers and each Guarantor in the amount of such participation.
ARTICLE 14
AGENT’S CLAWBACK

Section 14.01. Agent’s Clawback.

(1) Funding by Lenders; Presumption by Agent. Unless the Agent shall have received notice from a Lender prior to the proposed date of any advance of funds that such Lender will not make available to the Agent such Lender’s share of such advance, the Agent may assume that such Lender has made such share available on such date in accordance with the provisions of this Agreement concerning funding by Lenders and may (but shall not be obligated to), in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable advance available to the Agent, then the applicable Lender shall pay to the Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower to but excluding the date of payment to the Agent, at a rate determined by the Agent in accordance with prevailing banking industry practice on interbank compensation. If such Lender pays such amount to the Agent, then such amount shall constitute such Lender’s Accommodation included in such advance. If the Lender does not so forthwith, the applicable Borrower shall pay to the Agent forthwith on written demand such corresponding amount with interest thereon at the rate applicable to the advance in question. Any such payment by the applicable Borrower shall be without prejudice to any claim the applicable Borrower may have against a Lender that has failed to make such payment to the Agent.

(2) Payments by Borrowers; Presumptions by Agent. Unless the Agent shall have received notice from the applicable Borrower prior to the date on which any payment is due to the Agent for the account of any Lender hereunder that the applicable Borrower will not make such payment, the Agent may assume that the applicable Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute the amount due to the Lenders. In such event, if the applicable Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Agent forthwith the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Agent, at a rate determined by the Agent in accordance with prevailing banking industry practice on interbank compensation.

ARTICLE 15
AGENCY

Section 15.01. Appointment and Authority.

Each of the Lenders hereby irrevocably appoints Royal Bank of Canada (together with its successors and permitted assigns in accordance with the terms of this Agreement) hereunder to act on its behalf as the Agent hereunder and under the other Loan Documents (other than Eligible Hedging Agreements and Other Secured Agreements) and authorizes the Agent to take such actions on its behalf and to exercise such powers as are delegated to the Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Without limiting the foregoing, each of the Lenders authorizes the Agent to (x) enter into, on its own behalf and on behalf of each Lender, a subordination agreement in respect of Subordinated Debt; and (y) release any Guarantor from its respective guarantee and Security in accordance with the terms hereof or thereof or in order to give effect to the provisions of this Agreement, including a Disposition permitted hereunder (in each case, in whole or in part as may be necessary in the circumstances). The provisions of this Article (other than Section 15.07) are solely for the benefit of the Agent and the Lenders, and neither the Borrowers nor any Guarantor shall have rights as a third party beneficiary of any of such provisions, except in respect of this Section 15.01. In addition to the foregoing, the Agent shall provide and/or deliver such “know your client”, anti-money laundering or similar information in respect of the Loan Parties as may be reasonably requested by a Lender and that is in the possession of the Agent.
Section 15.02. Rights as a Lender.

The Person serving as the Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any the Parent or any of its Subsidiaries or any Affiliate thereof as if such Person were not the Agent and without any duty to account to the Lenders.

Section 15.03. Exculpatory Provisions.

(1) The Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Agent is required to exercise as directed in writing by the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly provided for in the Loan Documents), but the Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Agent to liability or that is contrary to any Loan Document or applicable Law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Parent or any of its Subsidiaries or any of the Parent’s Affiliates that is communicated to or obtained by the person serving as the Agent or any of its Affiliates in any capacity.

(2) The Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Majority Lenders (or such other number or percentage of the Lenders as is necessary, or as the Agent believes in good faith is necessary, under the provisions of the Loan Documents) or (ii) in the absence of its own gross negligence or wilful misconduct. The Agent shall be deemed not to have knowledge of any Default unless and until notice describing the Default is given to the Agent by the Parent or a Lender.
(3) Except as otherwise expressly specified in this Agreement, the Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition specified in this Agreement, other than to confirm receipt of items expressly required to be delivered to the Agent.

Section 15.04. Reliance by Agent.

The Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of an Accommodation that by its terms must be fulfilled to the satisfaction of a Lender, the Agent may presume that such condition is satisfactory to such Lender unless the Agent shall have received notice to the contrary from such Lender prior to the making of such Accommodation or the issuance of such Letter of Credit. The Agent may consult with legal counsel (who may be counsel for the Loan Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 15.05. Indemnification of Agent.

Each Lender agrees to indemnify the Agent and hold it harmless (to the extent not reimbursed by the Loan Parties), rateably according to its Applicable Percentage (and not jointly or jointly and severally) from and against any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel, which may be incurred by or asserted against the Agent in any way relating to or arising out of the Loan Documents or the transactions therein contemplated. However, no Lender shall be liable for any portion of such losses, claims, damages, liabilities and related expenses resulting from the Agent’s gross negligence or wilful misconduct.

Section 15.06. Delegation of Duties.

The Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Agent from among the Lenders (including the Person serving as Agent) and their respective Affiliates. The Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The provisions of this Article and other provisions of this Agreement for the benefit of the Agent shall apply to any such sub-agent and to the Related Parties of the Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.
Section 15.07. Replacement of Agent.

(1) The Agent may at any time give notice of its resignation to the Lenders and the Parent. Upon receipt of any such notice of resignation, the Majority Lenders shall have the right, with the prior consent of the Parent, to appoint a successor, which shall be a Lender and having an office in Toronto, Ontario or an Affiliate of any such Lender with an office in Toronto. The Agent may also be removed at any time by the Majority Lenders upon 30 days’ notice to the Agent and the Parent as long as the Majority Lenders, with the prior consent of the Parent, appoint and obtain the acceptance of a successor within such 30 days, which shall be a Lender having an office in Toronto, or an Affiliate of any such Lender with an office in Toronto.

(2) If no such successor shall have been so appointed by the Majority Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications specified in Section 15.07(1); provided that if the Agent shall notify the Parent and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each Lender directly, until such time as the Majority Lenders appoint a successor Agent as provided for above in the preceding paragraph.

(3) Upon a successor’s appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the former Agent, and the former Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided in the preceding paragraph) other than as a result of such former Agent’s gross negligence or willful misconduct. The fees payable by the Borrowers to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the termination of the service of the former Agent, the provisions of this ARTICLE 15 and of ARTICLE 17 shall continue in effect for the benefit of such former Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the former Agent was acting as Agent.

Section 15.08. Non-Reliance on Agent and Other Lenders.

Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.
Section 15.09.  Collective Action of the Lenders.

Each of the Lenders hereby acknowledges that to the extent permitted by applicable Law, any collateral security and the remedies provided under the Loan Documents to the Lenders are for the benefit of the Lenders (including the Hedge Lenders and Service Lenders) collectively and acting together and not severally and further acknowledges that its rights hereunder and under any collateral security are to be exercised not severally, but by the Agent upon the decision of the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly provided for in the Loan Documents). Accordingly, notwithstanding any of the provisions contained herein or in any collateral security, each of the Lenders hereby covenants and agrees that it shall not be entitled to take any action hereunder or thereunder including, without limitation, any declaration of default hereunder or thereunder but that any such action shall be taken only by the Agent with the prior written agreement of the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly provided for in the Loan Documents). Each of the Lenders hereby further covenants and agrees that upon any such written agreement being given, it shall co-operate fully with the Agent to the extent requested by the Agent. Notwithstanding the foregoing, in the absence of instructions from the Lenders and where in the sole opinion of the Agent, acting reasonably and in good faith, the exigencies of the situation warrant such action, the Agent may without notice to or consent of the Lenders take such action on behalf of the Lenders as it deems appropriate or desirable in the interest of the Lenders.

Section 15.10.  Anti-Money Laundering Legislation.

(a)  Each of the Parent and the Borrowers acknowledges that, pursuant to (i) the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada), the Currency and Foreign Transactions Reporting Act of 1970 (31 U.S.C. 5311 et. seq., (the Bank Secrecy Act)) (United States), as amended by Title III of the Patriot Act, (ii) the Trading with the Enemy Act (United States), as amended, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto (United States), (iii) Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (66 Fed. Reg. 49079) (United States) and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” or “know your customer” Laws, whether within Canada, the United States or elsewhere (collectively, including any guidelines or orders thereunder, “AML Legislation”), the Lenders and the Agent may be required to obtain, verify and record information regarding each Loan Party, its directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Loan Parties, and the transactions contemplated hereby, including, without limitation, a Beneficial Ownership Certification in relation to any of Parent or any Borrower that qualifies as a “legal entity customer” under the Beneficial Ownership Regulation. The Parent shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or the Agent, or any prospective assign or participant of a Lender or the Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.
(b) If the Agent has ascertained the identity of the Loan Parties or any authorized signatories of the Loan Parties for the purposes of applicable AML Legislation, then the Agent:

(i) shall be deemed to have done so as an agent for each Lender, and this Agreement shall constitute a “written agreement” in such regard between each Lender and the Agent within the meaning of applicable AML Legislation; and

(ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each of the Lenders agrees that the Agent has no obligation to ascertain the identity of the Loan Parties or any authorized signatories of the Loan Parties on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Loan Parties or any such authorized signatory in doing so.

Section 15.11. No Other Duties, etc.

Anything herein to the contrary notwithstanding, none of the Bookrunners, Arrangers or holders of similar titles, if any, specified in this Agreement shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Agent or a Lender hereunder.

Section 15.12. Erroneous Payments By The Agent

(1) If the Agent notifies a Lender or other Secured Party, or any Person who has received funds on behalf of a Lender or other Secured Party (any such Lender, other Secured Party or other recipient, a “Payment Recipient”) that the Agent has determined in its sole reasonable discretion that any funds received by such Payment Recipient from the Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Payment Recipient) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “Erroneous Payment”) and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Agent, and such Payment Recipient shall promptly, but in no event later than one Business Day thereafter, return to the Agent, in same day funds (in the currency so received), the amount of any such Erroneous Payment (or portion thereof), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Agent (i) in respect of an Erroneous Payment in U.S. Dollars, at the greater of the Federal Funds Rate and a rate determined by the Agent in accordance with prevailing banking industry rules on interbank compensation from time to time in effect, or (ii) in respect of an Erroneous Payment in Canadian Dollars, at a rate determined by the Agent in accordance with prevailing banking industry rules on interbank compensation from time to time in effect. To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on “discharge for value” or any similar doctrine. A notice of the Agent to any Payment Recipient under this Section 15.12(1) shall be conclusive, absent manifest error.
(2) Without limiting immediately preceding Section 15.12(1), each Payment Recipient hereby further agrees that if it receives an Erroneous Payment from the Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Agent (or any of its Affiliates) with respect to such Erroneous Payment (the “Payment Notice”), or (y) that was not preceded or accompanied by a Payment Notice sent by the Agent (or any of its Affiliates), then, said Payment Recipient shall be on notice, in each case, that an error has been made with respect to such Erroneous Payment. Each Payment Recipient agrees that, in each such case, or if it otherwise becomes aware an Erroneous Payment (or portion thereof) may have been sent in error, such Payment Recipient shall promptly notify the Agent of such occurrence and, upon demand from the Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Agent the amount of any such Erroneous Payment (or portion thereof) in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Agent (i) in respect of an Erroneous Payment in U.S. Dollars, at the greater of the Federal Funds Rate and a rate determined by the Agent in accordance with prevailing banking industry rules on interbank compensation from time to time in effect, or (ii) in respect of an Erroneous Payment in Canadian Dollars, at a rate determined by the Agent in accordance with prevailing banking industry rules on interbank compensation from time to time in effect.

(3) Each Payment Recipient hereby authorizes the Agent to set off, net and apply any and all amounts at any time owing to such Payment Recipient under any Loan Document, or otherwise payable or distributable by the Agent to such Payment Recipient from any source, against any amount due to the Agent under any of the immediately preceding Sections 15.12(1) or 15.12(2) or under the indemnification provisions of this Agreement.

(4) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Agent for any reason, after demand therefor by the Agent (such unrecovered amount, an “Erroneous Payment Return Deficiency”), the Borrower and each other Loan Party hereby agrees that (x) the Agent shall be subrogated to all the rights of such Payment Recipient with respect to such amount (including, without limitation, the right to sell and assign the Advances (or any portion thereof), which were subject to the Erroneous Payment Return Deficiency) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Secured Obligations owed by the Borrower or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Agent from the Borrower or any other Loan Party for the purpose of making such Erroneous Payment. For the avoidance of doubt, no assignment of an Erroneous Payment Deficiency will reduce the Commitments of any Payment Recipient and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Agent has sold an Advance (or portion thereof) acquired pursuant to the assignment of an Erroneous Payment Deficiency, and irrespective of whether the Agent may be equitably subrogated, the Agent shall be contractually subrogated to all the rights and interests of the applicable Payment Recipient under the Loan Documents with respect to each Erroneous Payment Return Deficiency.
(5) Each party’s obligations, agreements and waivers under this Section 15.12 shall survive the resignation or replacement of the Agent, any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Secured Obligations (or any portion thereof) under any Loan Document.

ARTICLE 16

ARTICLE 17
EXPENSES; INDEMNITY: DAMAGE WAIVER

Section 17.01. Expenses; Indemnity: Damage Waiver.

(1) Costs and Expenses. The Parent shall pay or cause the Borrowers to pay (i) all reasonable out-of-pocket expenses incurred by the Agent and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Agent, in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all reasonable out-of-pocket expenses incurred by the Agent or any Lender including the reasonable fees, charges and disbursements of counsel, in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents, including its rights under this Section, or in connection with the Accommodations issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Accommodations.

(2) Indemnification by the Parent and the Borrower. The Parent and the Borrowers shall indemnify the Agent (and any sub-agent thereof), each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by any Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance or non-performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation or non-consummation of the transactions contemplated hereby or thereby, (ii) any Accommodation or the use or proposed use of the proceeds therefrom (including any refusal by the Fronting Letter of Credit Lender to honour a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release of Hazardous Materials on or from any property owned, leased, used or operated by the Parent or any of its Subsidiaries, or any Environmental Liabilities related in any way to the Parent or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by a Loan Party and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or from disputes amongst Indemnites or (y) result from a claim brought by the Parent or any other Loan Party against an Indemnitee for breach of such Indemnitee’s obligations hereunder or under any other Loan Document, if the Loan Party has obtained a final and non-appealable judgment in its favour on such claim as determined by a court of competent jurisdiction, nor shall it be available in respect of Taxes other than Taxes that represent losses or damages arising from any non-Tax claim or matters specifically addressed in Section 11.02 and Section 17.01(1).
(3) **Reimbursement by Lenders.** To the extent that the Parent or the Borrowers for any reason fail to indefeasibly pay any amount required under paragraph (1) or (2) of this Section to be paid by it to the Agent (or any sub-agent thereof) or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender’s Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this paragraph (3) are subject to the other provisions of this Agreement concerning several liability of the Lenders.

No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby, except to the extent such damages have resulted from the gross negligence or willful misconduct of such Indemnitee as determined by a court of competent jurisdiction by final and non-appealable judgment.

(5) **Payments.** All amounts due under this Section shall be payable promptly after demand therefor with documented particulars thereof. A certificate of the Agent or a Lender setting forth the amount or amounts owing to the Agent, Lender or a sub-agent or Related Party, as the case may be, as specified in this Section, including reasonable detail of the basis of calculation of the amount or amounts, and delivered to the Parent shall be conclusive absent manifest error.
ARTICLE 18

The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby except that neither the Parent, the Borrowers nor any Guarantor may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Agent and each Lender. No Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of paragraph (2) of this Section, (ii) by way of participation in accordance with the provisions of paragraph (4) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (6) of this Section and any other attempted assignment or transfer by any party hereto shall be null and void. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (4) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(2) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Accommodations Outstanding at the time owing to it); provided that:

(a) except if an Event of Default has occurred and is continuing or in the case of an assignment of the entire remaining amount of the assigning Lender’s Commitment and the Accommodations Outstanding at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Commitment being assigned (which for this purpose includes Accommodations Outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Accommodations Outstanding of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Agent or, if “Trade Date” is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than $5,000,000, unless each of the Agent and, so long as no Event of Default has occurred and is continuing, the Parent otherwise consents to a lower amount;

(b) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement with respect to the Accommodations Outstanding or the Commitment assigned, except that this clause (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate credits on a non-pro rata basis;

(c) any assignment of a Commitment must be approved by the Fronting Letter of Credit Lenders and the Swingline Lender (such approval not to be unreasonably withheld, conditioned or delayed) unless the Person that is the proposed assignee is itself already a Lender (other than a Defaulting Lender);

(d) except if any Event of Default has occurred and is continuing, any assignment must be approved by the Agent (such approval not to be unreasonably withheld, conditioned or delayed) unless:

(i) the proposed assignee is itself already a Lender; or
(ii) the proposed assignee is a bank whose senior, unsecured, non-credit enhanced, long term debt is rated at least A3, A- or A low by at least two of Moody’s, S&P and DBRS, respectively;

(e) any assignment must be approved by the Parent (such approval not to be unreasonably withheld or delayed) unless (i) the proposed assignee is itself an Affiliate of such assigning Lender or an Approved Fund; or (ii) if an Event of Default under Section 10.01(1), Section 10.01(2), Section 10.01(4)(ii), Section 10.01(8) or Section 10.01(9) has occurred and is continuing;

(f) the parties to each assignment shall execute and deliver to the Agent an Assignment and Assumption, together with a processing and recordation fee of Cdn.$3,500 payable by the Eligible Assignee (unless such assignment is from a Lender to an Affiliate or Approved Fund thereof) and such Eligible Assignee, if it shall not be a Lender, shall deliver to the Agent an administrative questionnaire satisfactory to the Agent; and

(g) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub-participations, or other compensating actions, including funding, with the consent of the Parent and the Agent, the applicable pro-rata share of Accommodations previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (1) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Agent, each Fronting Letter of Credit Lender and each other Lender hereunder (and interest accrued thereon), and (2) acquire (and fund as appropriate) its full pro rata share of all Accommodations and participations in Letters of Credit in accordance with the percentage equivalent of the ratio which such Defaulting Lender’s portion of the Commitment bears to the aggregate amount of the Commitment. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Agent pursuant to clause (d) of this paragraph 2, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement with respect to the interest assigned and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement and the other Loan Documents, including any collateral security, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of ARTICLE 11 and ARTICLE 17, and shall continue to be liable for any breach of this Agreement by such Lender, with respect to facts and circumstances occurring prior to the effective date of such assignment; provided that except to the extent otherwise expressly agreed to by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender. Any payment by an assignee to an assigning Lender in connection with an assignment or transfer shall not be or be deemed to be a repayment by the Borrowers or a new Accommodations to the Borrowers.
Notwithstanding any other provision of this Agreement, the Agent shall have no responsibility for monitoring any assignments or participations to Ineligible Transferees. The list of all Ineligible Transferees shall be made available to all Lenders.

(3) **Register.** The Agent shall maintain at one of its offices in Toronto, Ontario a copy of each Assignment and Assumption delivered to it and a register for the recording of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Accommodations Outstanding owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

Each Lender that sells a participation shall, acting solely for this purpose and as agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Accommodations Outstanding or other obligations under the Loan Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(4) **Participations.** Any Lender may at any time, without the consent of, or notice to, the Parent or the Agent, sell participations to any Person (other than a natural person, a Loan Party, any Affiliate of a Loan Party, a Defaulting Lender or an Ineligible Transferee) (each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Accommodations Outstanding owing to it); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Parent, the Borrowers, the Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any payment by a Participant to a Lender in connection with a sale of a participation shall not be or be deemed to be a repayment by the Borrowers or a new Loan to the Borrowers.
Subject to paragraph (5) of this Section, the Parent and each Borrower agrees that to the extent permitted by Law, each Participant shall be entitled to the benefits of ARTICLE 12 as though it were a Lender and had acquired its interest by assignment pursuant to paragraph (2) of this Section, provided such Participant agrees to be subject to ARTICLE 13 as though it were a Lender.

(5) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 11.01 and Section 11.02 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Parent’s prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of ARTICLE 11.

(6) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, but no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

ARTICLE 19
AMENDMENTS AND WAIVERS

Section 19.01. Amendments and Waivers

(1) Subject to subsections (2), (3) and (5), no acceptance, amendment or waiver of any provision of any of the Loan Documents, nor consent to any departure by the Loan Parties or any other Person from such provisions, shall be effective unless in writing and approved by the Majority Lenders. Any acceptance, amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. Any consent or acknowledgement provided by the Parent shall be binding on all Loan Parties.

(2) Subject to Section 2.12(1), only written acceptances, amendments, waivers or consents signed by (i) all of the Lenders shall increase the Commitment (other than as contemplated by Section 2.14) (and any increase of any Lender’s Commitment shall require the consent of such Lender); (ii) each Lender to whom such reduction shall apply, shall reduce the principal or amount of, or interest on, directly, any Accommodations Outstanding or any Fees (provided that, for greater certainty, the Majority Lenders may amend the definition of Total Funded Debt to Adjusted EBITDA Ratio or any of its constituent parts notwithstanding any effect on the Applicable Margin); (iii) each Lender to whom such postponement shall apply, shall postpone any date fixed for any payment of principal of, or interest on, any Accommodations Outstanding or any Fees; (iv) all of the Lenders shall change the percentage of the Commitments or the number or percentage of Lenders required for the Lenders, or any of them, or the Agent to take any action; (v) all of the Lenders shall permit any termination of any of the guarantees required hereunder or the Security or release any of the guarantees or all or substantially all of the Assets subject to the Security (except as contemplated by this Agreement or the other Loan Documents); (vi) all of the Lenders shall change the definition of Majority Lenders; (vii) all of the Lenders shall amend Section 10.03; or (viii) all of the Lenders shall amend this Section 19.01(2).
(3) Only written acceptances, amendments, waivers or consents signed by the Agent, in addition to the Majority Lenders, shall affect the rights or duties of the Agent in such capacity under the Loan Documents. Only written acceptances, amendments, waivers or consents signed by a Fronting Letter of Credit Lender shall affect the rights or duties of such Fronting Letter of Credit Lender in such capacity under the Loan Documents. Only written acceptances, amendments, waivers or consents signed by the Swingline Lender shall affect the rights or duties of the Swingline Lender in such capacity under the Loan Documents.

(4) Anything in this Agreement to the contrary notwithstanding, no waiver, amendment or modification of any provision of this Agreement that has the effect (either immediately or at some later time, or directly or indirectly) of enabling the Loan Parties to satisfy a condition precedent to the making of any Accommodation that represents an increase in the Accommodations Outstanding shall be effective against the Lenders only if the Majority Lenders have concurred with such waiver, amendment or modification.

(5) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, the Agent and the Borrower may, without the consent of any Lender, enter into amendments or modifications to this Agreement or any of the other Loan Documents or to enter into additional Loan Documents as the Agent deems appropriate in order to implement any Benchmark Replacement or any Benchmark Replacement Conforming Change or otherwise effectuate the terms of Section 3.06 in accordance with the terms thereof.

(1) If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due to a Lender in any currency (the “Original Currency”) into another currency (the “Other Currency”), the parties agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which, in accordance with normal banking procedures, such Lender could purchase the Original Currency with the Other Currency on the Business Day preceding the day on which final judgment is given or, if permitted by applicable Law, on the day on which the judgment is paid or satisfied.

(2) The obligations of the Loan Parties in respect of any sum due in the Original Currency from it to any Lender under any of the Loan Documents shall, notwithstanding any judgment in any Other Currency, be discharged only to the extent that on the Business Day following receipt by the Lender of any sum adjudged to be so due in the Other Currency, the Lender may, in accordance with normal banking procedures, purchase the Original Currency with such Other Currency. If the amount of the Original Currency so purchased is less than the sum originally due to the Lender in the Original Currency, the Loan Parties agree, as a separate obligation and notwithstanding the judgment, to indemnify the Lender, against any loss, and, if the amount of the Original Currency so purchased exceeds the sum originally due to the Lender in the Original Currency, the Lender shall remit such excess to the Parent.
ARTICLE 20
GOVERNING LAW; JURISDICTION; ETC.

Section 20.01. Governing Law; Jurisdiction; Etc.

(1) Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable in that Province.

(2) Submission to Jurisdiction. The Parent, the Borrowers and each Guarantor irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the courts of the Province of Ontario, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against a Loan Party or its properties in the courts of any jurisdiction.

(3) Waiver of Venue. The Parent, the Borrowers and each Guarantor irrevocably and unconditionally waives, to the fullest extent permitted by applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable Law, the defence of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(4) USA Patriot Act Notice. Each Lender that is subject to the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (as amended from time to time, the “Patriot Act”), and the Agent (for itself and not on behalf of any Lender), hereby notifies each Loan Party that, pursuant to the requirements of the Patriot Act, such Lender and the Agent are required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party (and other identifying information in the event this information is insufficient to complete verification) that will allow such Lender or the Agent, as applicable, to identify each Loan Party in accordance with the Patriot Act.

ARTICLE 21
WAIVER OF JURY TRIAL

Section 21.01. Waiver of Jury Trial

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTemplATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY), EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.
ARTICLE 22
COUNTERPARTS; INTEGRATION; EFFECTIVENESS; ELECTRONIC EXECUTION

Section 22.01. Counterparts; Integration; Effectiveness; Electronic Execution.

(1) **Counterparts; Integration; Effectiveness.** This Agreement and each other Loan Document may be executed in one or more counterparts (and by different parties hereto or thereto in different counterparts), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by fax or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. This Agreement shall become effective when it has been executed by the Agent and when the Agent has received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto.

(2) **Electronic Execution.** The words “execution,” “execute,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement or any other Loan Document shall be deemed to include electronic signatures, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including, without limitation, as in provided Parts 2 and 3 of the Personal Information Protection and Electronic Documents Act (Canada), the Electronic Commerce Act, 2000 (Ontario), the Electronic Commerce Act (Nova Scotia), the Electronic Transaction Acts (British Columbia), the Electronic Transactions Act (Alberta), or any other similar laws based on the Uniform Electronic Commerce Act of the Uniform Law Conference of Canada. The Agent may, in its discretion, require that any such documents and signatures executed electronically or delivered by fax or other electronic transmission be confirmed by a manually-signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature executed electronically or delivered by fax or other electronic transmission.
ARTICLE 23
TREATMENT OF CERTAIN INFORMATION: CONFIDENTIALITY

Section 23.01. Treatment of Certain Information: Confidentiality; Non-Public Information.

(1) Each of the Agent and the Lenders shall maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to it, its Affiliates and its and its Affiliates’ respective partners, directors, officers, employees, agents, advisors and representatives (to the extent necessary to administer or enforce this Agreement and the other Loan Documents) (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, with the applicable Agent or Lender being responsible for such Person’s compliance with this Section), (b) to the extent requested by any regulatory authority having jurisdiction over it (including any self-regulatory authority), (c) to the extent required by applicable Laws or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap, derivative, credit-linked note or similar transaction relating to the Parent and its obligations, (g) with the consent of the Parent or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section by such Person or actually known to such Person or (y) becomes available to, or has been made available to, the Agent or any Lender on a non-confidential basis from a source other than any Loan Party, and (z) for the avoidance of doubt, by Agent to any Secured Party. If the Agent or any Lender is requested or required to disclose any Information (other than to any bank or other regulatory examiner) pursuant to or as required by applicable Laws or by a subpoena or similar legal process, the Agent or such Lender, as applicable, shall use its reasonable commercial efforts to provide the Parent with notice of such requests or obligation in sufficient time so that the Parent may seek an appropriate protective order or waive the Agent’s, or such Lender’s, as applicable, compliance with the provisions of this Section, and the Agent and such Lender, as applicable, shall, to the extent reasonable, co-operate with the Parent in the Parent obtaining any such protective order.

(2) For purposes of this Section, “Information” means all information received from any Loan Party relating to the Parent or any of its Subsidiaries or any of their respective businesses. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. In addition, the Agent may disclose to any agency or organization that assigns standard identification numbers to loan facilities such basic information describing the facilities provided hereunder as is necessary to assign unique identifiers (and, if requested, supply a copy of this Agreement), it being understood that the Person to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to make available to the public only such Information as such person normally makes available in the course of its business of assigning identification numbers.
(3) In addition, and notwithstanding anything herein to the contrary, the Agent may provide basic information concerning the Parent, the Borrowers and the Guarantors and the credit facilities established herein to Loan Pricing Corporation and/or other recognized trade publishers of information for general circulation in the loan market.

(4) **MNPI**. Parent and the Borrowers acknowledge and agree that (A) the Loan Documents and all reports, notices, communications and other information or materials provided or delivered by, or on behalf of, the Loan Parties hereunder (collectively, the “Borrower Materials”) may be disseminated by, or on behalf of, Agent, and made available, to the Lenders by posting such Borrower Materials on an E-System; and (B) certain of the Lenders (each a "Public Lender") may have personnel who do not wish to receive material non public information ("MNPI") with respect to Parent and its Subsidiaries or any of their respective Affiliates, or the respective securities of any of the foregoing, and who may be engaged in investment and other market related activities with respect to such Persons’ securities. The Loan Parties hereby agree that they shall (and shall cause such parent company or Subsidiary, as the case may be, to) (A) identify in writing, and (B) to the extent reasonably practicable, clearly and conspicuously mark any Borrower Materials that is publicly available or that is not material for purposes of United States federal and state securities laws as “PUBLIC”. The Loan Parties agree that by identifying such Borrower Materials as “PUBLIC” or publicly filing such Information with the SEC, then Agent and the Lenders shall be entitled to treat such Borrower Materials as not containing any MNPI for purposes of United States federal and state securities laws. The Loan Parties further represent, warrant, acknowledge and agree that the following Information shall be deemed to be PUBLIC, whether or not so marked, and do not contain any MNPI: (I) the Loan Documents, including the schedules and exhibits attached thereto, and (II) administrative materials of a customary nature prepared by the Loan Parties or Agent (including any Accommodation Notice and any similar request or notice posted on or through an E-System). Before distribution of Borrower Materials, the Loan Parties agree to execute and deliver to Agent a letter authorizing distribution of the evaluation materials to prospective Lenders and their employees willing to receive MNPI, and a separate letter authorizing distribution of evaluation materials that do not contain MNPI and represent that no MNPI is contained therein. The Loan Parties acknowledge and agree that the list of Ineligible Transferees does not constitute MNPI and may be posted to all Lenders by Agent (including any updates or supplements thereto).

(5) Each of Agent and each Lender acknowledges and agrees that it may receive MNPI hereunder concerning the Loan Parties and their Affiliates and agrees to use such information in compliance with all relevant policies, procedures and applicable Laws (including United States federal and state securities laws and regulations). Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non public information with respect to the Parent or its securities for purposes of United States Federal or state securities laws.
Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by: (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution, and (b) the effects of any Bail-in Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability, (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document, or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

[Remainder of this page left intentionally blank.]
IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective authorized officers as of the date first above written.

The Series A Preferred Units issued to the Purchasers pursuant to this Agreement (including any units issued at the Initial Closing and any Milestone Units, as defined below) shall be referred to in this Agreement as the “Purchased Units”.

1.2 Initial Closing; Delivery.

   (a) The initial purchase and sale of the Purchased Units shall take place remotely via the exchange of documents and signatures on the date hereof, or at such other time and place as the Company and the Purchasers mutually agree upon, orally or in writing (which time and place are designated as the “Initial Closing”).

   (b) At each of the Initial Closing and each Milestone Closing (as defined below) (each, a “Closing”) and subject to the terms and conditions of this Agreement, in consideration for the Purchased Units, each Purchaser shall pay to the Company the applicable purchase price as set forth on Exhibit A or in the Company Notice (as defined below), in each case, by wire transfer of immediately available funds to a bank account designated by the Company.
1.3 Sale of Additional Preferred Units.

(a) Milestone Closings & Standby Fee

The terms of and conditions precedent for each Milestone Closing shall be equivalent to those applicable to the Initial Closing (as set forth in this Agreement, except as such terms and conditions solely relate to the Initial Closing), including (but not limited to) the price per Purchased Unit and the conditions of such Purchaser’s obligation to consummate such Milestone Closing as contemplated by Article IV hereeto. The Company may deliver a Company Notice not more than once during a calendar quarter during the period following the Initial Closing and ending on the End Date. The Standby Fee shall be calculated on a daily basis by multiplying (y) 0.50% by (z) the portion of the Milestone Amount which has not been paid by the Purchasers to the Company, and divided by 360. Provided that the Purchasers are not in breach of this Agreement or the Amended LLC Agreement, the Standby Fee shall accrue and be payable by the Company to the Purchasers pro rata in accordance with the Purchasers’ respective purchase commitments for the Milestone Amount at the Milestone Closings, as set forth on Exhibit A. (a) To the Knowledge of the Company, none of the representations or warranties of the Company contained in this Agreement and none of the information contained in any schedule, certificate, or other document or information delivered by or on behalf of the Company pursuant hereto (including any information contained in the Disclosure Schedules), taken as a whole, contain any untrue statement of a material fact, or omit to state any material fact, necessary to make the statements contained herein or therein not misleading in any material respect in light of the circumstances in which made.

(b) To the Knowledge of the Company, the information contained in the Electronic Data Room and all information provided by or on behalf of the Company to the Purchasers in connection with the transactions contemplated hereby, when taken as a whole together, does not include any untrue statement of a material fact, or omit to state any material fact, necessary to make such information taken as a whole not misleading in any material respect in light of the circumstances in which made.
2.28 **Exclusivity of Representations and Warranties.** EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 2 (AS MODIFIED BY THE DISCLOSURE SCHEDULE), THE OTHER TRANSACTION AGREEMENTS AND CERTIFICATES DELIVERED IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, THE COMPANY AND THE COMPANY SUBSIDIARIES DO NOT MAKE AND HAVE NOT MADE ANY REPRESENTATION OR WARRANTY IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR THE OTHER TRANSACTION AGREEMENTS. THE COMPANY AND THE COMPANY SUBSIDIARIES EXPRESSLY DISCLAIM ANY OTHER REPRESENTATIONS OR WARRANTIES OF ANY KIND OR NATURE, EXPRESS OR IMPLIED, NOTWITHSTANDING THE DELIVERY OR DISCLOSURE TO PURCHASERS OR THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, AGENTS OR REPRESENTATIVES OF ANY DOCUMENTATION OR OTHER INFORMATION (INCLUDING ANY FINANCIAL PROJECTIONS OR OTHER SUPPLEMENTAL DATA), INCLUDING AS TO THE CONDITION, VALUE OR QUALITY OF THEIR RESPECTIVE BUSINESSES OR THEIR ASSETS, AND THE COMPANY AND THE COMPANY SUBSIDIARIES SPECIFICALLY DISCLAIM ANY REPRESENTATION OR WARRANTY OF MERCHANTABILITY, USAGE, SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE WITH RESPECT TO THEIR ASSETS, ANY PART THEREOF, THE WORKMANSHIP THEREOF, AND THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT, IT BEING UNDERSTOOD THAT SUCH SUBJECT ASSETS ARE BEING ACQUIRED “AS IS, WHERE IS” ON THE CLOSING DATE, AND IN THEIR PRESENT CONDITION.

3. **Representations and Warranties of the Purchasers.** Each Purchaser hereby represents and warrants to the Company, severally and not jointly, that:

3.1 **Organization; Authorization.** To extent such Purchaser is an organization, such Purchaser is duly organized or formed, validly existing in good standing under the Laws of the jurisdiction of its incorporation or formation, and such Person has all requisite power and authority to execute and deliver this Agreement and the other Transaction Agreements to which it is a party and to perform its obligations hereunder and thereunder. To the extent that such Purchaser is an individual, such Purchaser is a bona fide resident of the state or country identified in the address or addresses of such Purchaser set forth on Exhibit A, and such Purchaser and possesses full legal capacity and authority to execute and deliver this Agreement and the other Transaction Agreements to which it is a party and to perform its obligations hereunder and thereunder. The execution and delivery by such Purchaser of this Agreement and each other Transaction Agreement to which it is a party, and the consummation of the transactions contemplated hereby and thereby, and the performance of all obligations of such Purchaser hereunder and thereunder, have been, or will be prior to Closing, duly and validly authorized by all necessary action on the part of such Purchaser. The Transaction Agreements to which such Purchaser is a party, when executed and delivered by the Purchaser, will constitute valid and legally binding obligations of such Purchaser, enforceable against such Purchaser in accordance with their terms, except as limited by the Enforceability Exceptions.
3.2 Purchase Entirely for Own Account. This Agreement is made with such Purchaser in reliance upon such Purchaser’s representation to the Company, which by such Purchaser’s execution of this Agreement, such Purchaser hereby confirms that the Purchased Units to be acquired by such Purchaser will be acquired for investment for such Purchaser’s own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof, and that such Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the same. By executing this Agreement, such Purchaser further represents that such Purchaser does not presently have any contract, undertaking, agreement or arrangement with any Person to sell, transfer or grant participations to such Person or to any third Person, with respect to any of the Purchased Units. Such Purchaser has not been formed for the specific purpose of acquiring the Purchased Units.

3.3 Disclosure of Information. Such Purchaser has made its own inquiry and investigation into, and based thereon, has formed an independent judgment concerning, the Company and the Company Subsidiaries and the Transactions. Such Purchaser has been furnished with, had an opportunity to discuss with the Company’s management or given adequate access to, such information regarding the business and finances of the Company and such other matters with respect to the Company as a reasonable person would request and consider in evaluating the Transactions. Such Purchaser understands that such discussions, as well as any information issued by the Company, were intended to describe certain aspects of the Company’s business and prospects, but were not necessarily an exhaustive description. Such Purchaser believes that it has received all the information it considers necessary or appropriate for deciding whether to purchase the Purchased Units. In making its decision to execute and deliver this Agreement and to consummate the Transactions, such Purchaser has (a) independently investigated the Company’s and the Company Subsidiaries’ business operations, assets, liabilities, results of operations and financial condition, and (b) relied solely on the results of such investigation and the representations and warranties in Section 2 of this Agreement (as modified by the Disclosure Schedule). Such Purchaser acknowledges and agrees that the Company, the Company Subsidiaries and each of their respective assets are being furnished “as is”, “where is” and, subject to only the representations and warranties contained in Section 2 (as modified by the Disclosure Schedule), in the other Transaction Agreements to which it is a part and the certificates delivered hereby and thereby, with all faults and without any other representation or warranty of any nature whatsoever. The foregoing, however, does not limit or modify the representations and warranties of the Company in Section 2 of this Agreement or the right of such Purchaser to rely thereon. Nor does the foregoing limit the Purchaser’s reliance or right to rely on the Company’s representation that no representation or warranty of the Company contained in this Agreement as qualified by the Disclosure Schedules and no certificate furnished to the Purchasers at the Closing contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein or therein not misleading in light of the circumstances under which they were made.
3.4 **Restricted Securities.** Such Purchaser understands that the Purchased Units have not been, and will not be, registered under the Securities Act, by reason of a specific exemption from the registration provisions of the Securities Act which depends upon, among other things, the bona fide nature of the investment intent and the accuracy of such Purchaser’s representations as expressed herein. Such Purchaser understands that the Purchased Units are “restricted securities” under applicable U.S. federal and state securities Laws and that, pursuant to these Laws, such Purchaser must hold the Purchased Units indefinitely unless they are registered with the Securities and Exchange Commission and qualified by state authorities, or an exemption from such registration and qualification requirements is available. Such Purchaser acknowledges that the Company has no obligation to register or qualify the Purchased Units for resale except as set forth in the Amended LLC Agreement. Such Purchaser further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the Purchased Units, and on requirements relating to the Company which are outside of such Purchaser’s control, and which the Company is under no obligation and may not be able to satisfy.

3.5 **No Public Market.** Such Purchaser understands that no public market now exists for the Purchased Units, and that the Company has made no assurances that a public market will ever exist for the Purchased Units.

3.6 **Accredited Investor.** Such Purchaser is an accredited investor as defined in Rule 501(a) of Regulation D promulgated under the Securities Act, and shall submit to the Company such further assurances of such status as may be reasonably requested by the Company. Such Purchaser, either alone or together with its Representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Purchased Units and has so evaluated the merits and risks of such investment. Such Purchaser is able to bear the economic risk of an investment in the Purchased Units and, at the present time, is able to afford a complete loss of such investment.

3.7 **Foreign Investors.** If such Purchaser is not a United States person (as defined by Section 7701(a)(30) of the Code), such Purchaser hereby represents that it has satisfied itself as to the full observance of the Laws of its jurisdiction in connection with any invitation to subscribe for the Purchased Units or any use of this Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Purchased Units, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Purchased Units. Such Purchaser’s subscription and payment for and continued beneficial ownership of the Purchased Units will not violate any applicable securities or other Laws of such Purchaser’s jurisdiction.

3.8 **No General Solicitation.** Neither such Purchaser, nor any of its officers, directors, employees, agents, stockholders, members or partners has either directly or indirectly, including, through a broker or finder (a) engaged in any general solicitation, or (b) published any advertisement in connection with the offer and sale of the Purchased Units. **Disqualification.** Such Purchaser represents that neither such Purchaser, nor any Person with whom such Purchaser shares beneficial ownership of the Company securities for purposes of Rule 506(d) of the Securities Act, is subject to any “bad actor” disqualifying event described in Rule 506(d)(1)(i)-(viii) of the Securities Act (a “Disqualification Event”), except, if applicable, for a Disqualification Event as to which rule 506(d)(2)(ii) or (iii) or (d)(3) is applicable.
3.10 **Sufficient Funding.** Such Purchaser has and will have at each Closing unencumbered cash sufficient (or binding commitments therefor) to satisfy its obligations to purchase the Purchased Units in accordance with the terms hereof and when such funding obligations are due pursuant to the terms of this Agreement. Such Purchaser acknowledges and agrees that neither the receipt nor the availability of any financing is a condition to such Purchaser’s obligations under this Agreement.

3.11 **Legal Proceedings.** There is currently no Action by or before any Governmental Authority pending or, to the knowledge of such Purchaser, threatened against the Purchaser, that, individually or in the aggregate, questions the validity of this Agreement or any of the other Transaction Agreements or would reasonably be expected to result in a material adverse effect on the Purchaser’s ability to consummate the Transactions. Such Purchaser is not subject to any order, writ, injunction, judgment or decree of Governmental Authority that, individually or in the aggregate, would reasonably be expected to result in a material adverse effect on such Purchaser’s ability to consummate the Transactions.

3.12 **Exculpation Among Purchasers.** Such Purchaser acknowledges that it is not relying upon any Person, other than the Company and its officers and managers, in making its investment or decision to invest in the Company. Such Purchaser agrees that neither any Purchaser nor the respective Controlling Persons, officers, directors, partners, members, stockholders, agents, or employees of any Purchaser shall be liable to any other Purchaser for any action heretofore taken or omitted to be taken by any of them in connection with the purchase of the Purchased Units.

4. **Conditions Precedent:**

4.1 **Conditions to the Purchasers’ Obligations at the Initial Closing and Each Milestone Closing.** The several obligations of each Purchaser at each Closing, to consummate the transactions to be consummated at such Closing and to purchase and pay for the Purchased Units being purchased by it at such Closing pursuant to this Agreement, are subject to the satisfaction (or waiver, to the extent permitted by Laws) of the following conditions precedent with respect to such Closing:

The obligation of the Company to consummate each transaction to be consummated at applicable Closings and to issue and sell to each Purchaser the Purchased Units to be purchased by it at such Closings pursuant to this Agreement, is subject to the satisfaction (or waiver, to the extent permitted by Laws) of the following conditions precedent:

(a) The representations and warranties contained herein of such Purchaser shall be true and correct on and as of the date of the applicable Closing, except where the failure of any such representation or warranty to be true or correct on and as of the applicable Closing would not have a material adverse effect on such Purchaser’s ability to fulfill its obligations at the applicable Closing.
(b) Such Purchaser shall have performed in all material respects all obligations and covenants herein required to be performed or observed by such Purchaser on or prior to the applicable Closing.

(c) No Governmental Authority has issued, enacted, entered or enforced any permanent injunction that restrains, enjoins or otherwise prohibits the Transactions.

5. **Miscellaneous**

5.1 **Survival of Warranties.** Unless otherwise set forth in this Agreement, the representations and warranties of the Company and the Purchasers contained in, made pursuant to this Agreement or made in any certificate delivered pursuant shall survive the execution and delivery of this Agreement and each Closing through the earlier to occur of the last Milestone Closing and the End Date and shall in no way be affected by any investigation or knowledge of the subject matter thereof made by or on behalf of the Purchasers. Nothing herein shall preclude a Purchaser from seeking to enforce, against the applicable party hereto, any covenant or agreement that contemplates performance after such Closing until such covenant or agreement is performed.

5.7 **No Finder’s Fees.** Each party represents that it neither is nor will be obligated for any finder’s fee or commission in connection with the Transactions. Each Purchaser agrees to indemnify and to hold harmless the Company from any liability for any commission or compensation in the nature of a finder’s or broker’s fee arising out of the Transactions (and the costs and expenses of defending against such liability or asserted liability) for which each Purchaser or any of its officers, employees or Representatives is responsible. The Company agrees to indemnify and hold harmless each Purchaser from any liability for any commission or compensation in the nature of a finder’s or broker’s fee arising out of the Transactions (and the costs and expenses of defending against such liability or asserted liability) for which the Company or any of its officers, employees or Representatives is responsible.

Any waiver, permit, consent or approval of any kind or character on the part of any party of any breach or default under this Agreement, or any waiver on the part of any party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement or by Law or otherwise afforded to any party, shall be cumulative and not alternative.

5.15  WAIVER OF JURY TRIAL. EACH PARTY HEREBY WAIVES ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT, THE OTHER TRANSACTION AGREEMENTS AND DOCUMENTS DELIVERED IN CONNECTION HEREWITH, THE SECURITIES OR THE SUBJECT MATTER HEREOF OR THEREOF.
