PROFESSIONAL EXPERIENCE

Silver Creek High School, Longmont, CO

2016-2023

Science Educator

- Fostered a positive and inclusive learning environment that encouraged active participation and reduced resistance to traditional teaching methods
- Managed and tracked student data to identify needs and deliver quantifiable & qualitative insights to cross-functional teams while emphasizing a development and integration of teaching best practices
- Created and implemented curriculum and projects focused on increasing engagement in accordance with 20+ state standards and utilized superior analytical, writing, and communication skills
- Experienced in e-learning and asynchronous instruction, seamlessly integrating new technologies and innovative teaching methods to enhance student engagement. Willingness and adaptability to changing landscapes, particularly during the pandemic
- Routinely attended educator trainings, in-services, and leadership development opportunities which included earning my teaching license, masters in education and 40+ additional credit hours while teaching

Raptorials • Creator and Operations

2016-2018

Raptorials is a guided after school tutorial initiative aimed at targeting and providing resources and support for underachieving students

- Successfully identified underperforming students and developed individualized plans to address each student's specific needs and challenges while establishing open and consistent communication with parents/guardians and teachers to keep them informed about their student's progress
- Managed the program budget efficiently to maximize resources and sustain its long-term viability

Assistant Cross Country and Track & Field Coach

2018-2023

- Mentored, guided, and trained a team of 60+ athletes, emphasizing building to key goals/milestones
- Fostered a positive team culture that promotes camaraderie, discipline, and sportsmanship

Professional Trail Runner, Global

Present

- Five time National Team member. Represented Canada in Poland, Italy, Austria, Mexico, USA and Canada and managed logistics for travel and training
- Demonstrated disciplined training routines, balancing a demanding career while consistently meeting and exceeding running goals

The Trail Team, Boulder, CO
Co-Founder**2023-Present**

The Trail Team is a 501(c)(3) not for profit corporation created to support and develop rising athletes into the best professional trail runners in the world through mentorship and skill development.

- Collaborated with the co-founder to initiate The Trail Team project, actively contributing to the development of a comprehensive business roadmap. Coordinated the establishment of a diverse athlete selection committee, orchestrated in-person training sessions, oversaw operational functions, and successfully launched three training camps within our inaugural year
- Manage the team's website and spearhead branding initiatives to enhance project visibility and impact
- Lead in initiative to cultivate buy-in and motivation among team members, fostering a shared sense of purpose and commitment, ensuring that team members felt heard and valued

Dawson Summer Initiative, Lafayette, CO
Instructor and Project Manager**Summer 2022 & 2023**

DSI is an unique summer program that provides enriching, intellectual opportunities for high-achieving students to pursue real-world concepts, projects, and ideas

- Created and implemented curriculum focused on increasing engagement and understanding to create environments where we can use technology, local and international experts, and novel approaches to tackle our complex environment
- Provided comprehensive guidance and mentorship to over 80 scholars, offering expert advice on research methodologies, best practices, and presentation skills

Challenge Stellina, Susa, Italy
Team Manager**2023**

- Identified an opportunity for competition, took initiative of recruiting and coordinating athletes for Team Canada. Successfully managed the entire process, ensuring a meticulously organized and highly competitive athletic program
- Served as the primary point of contact between the team and race directors, Athletics Canada, and other stakeholders, facilitating clear and timely communication
- Facilitated funding and budget management

EDUCATION**Masters of Arts, Curriculum and Instruction**

The University of Colorado Denver, Denver, Colorado

Bachelors of Arts, Biology

Minors, Chemistry & Coaching Education

The University of North Carolina, Chapel Hill, North Carolina

- NCAA DI track and cross country athlete: Team Captain 2015-16
- Received "Most Inspirational" award in 2014 and 2016
- Richard A. Baddour Carolina Leadership Academy Veteran Leader of Distinction

Professional Teacher License: Science Education

Google UX Design by Google on Coursera **2023**
