BY YOUR
FUTURE PARTNERS AT
FEARLESS INSIDE™

THE DECISION TO BRING DARRYL BELLAMY TO SPEAK WITH OUR 6TH THROUGH 12TH-GRADE STUDENTS WAS ONE OF THE BEST DECISIONS OUR ORGANIZATIONS HAS MADE THIS YEAR, AND POSSIBLY EVER.

STUDENTS TODAY
ARE **MORE**
FEARFUL &
DISTRACTED THAN
EVER...

YOU KNOW WHAT YOUR
STUDENTS ARE CAPABLE
OF, BUT THEY LET THE
FEAR OF **FAILURE**, THE
VOICE OF “**NOT ENOUGH**,
”AND **WHAT** THEIR PEERS
AND **OTHERS THINK TO**
CARRY FAR TOO MUCH
WEIGHT.

LET’S DO SOMETHING
ABOUT IT.

DARRYL BELLAMY JR.

FEARFUL TO FEARLESS

OVERCOMING YOUR FEARS TO STEP UP

Leading is hard; doing it without fear is even harder! After reading thousands of students' written fears, Darryl noticed a pattern. The majority of our leaders' concerns boiled down into four questions: Am I enough, what if I fail, what will they think, and do I have the resources to succeed?

In this program, students can identify their fears in leading fully and see the similarities with their peers in an engaging **LIVE** or **Virtual** program. In both formats, students leave more connected with their fellow student leaders and more empowered to take risks to leave a positive legacy.

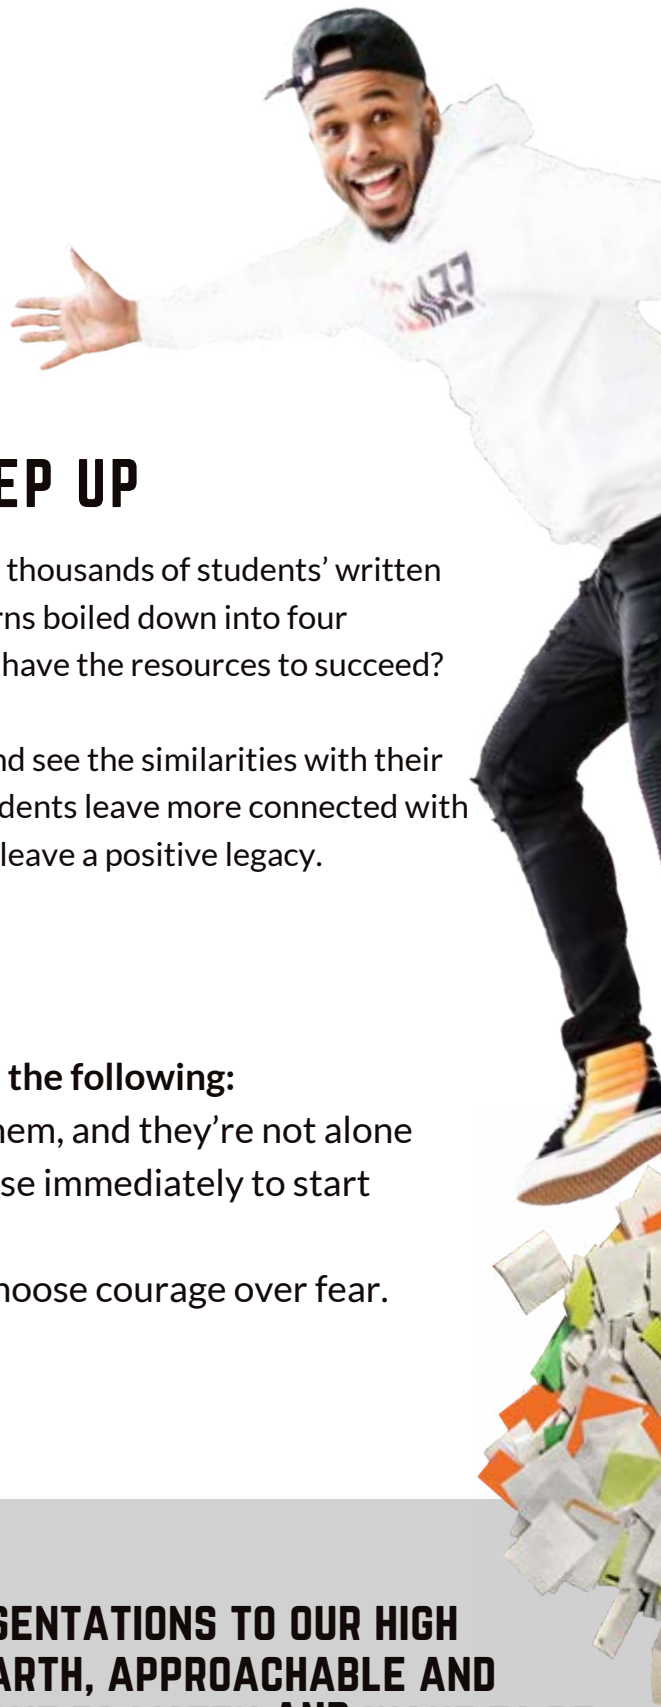

LEARNING OUTCOMES

As a result of attending this program, students will learn the following:

- their fears are no different from their peers around them, and they're not alone
- actionable and research-backed strategies they can use immediately to start creating and leading with more courage
- how to use The Fearless Band™ a daily reminder to choose courage over fear.

WHAT IS THE FEARLESS BAND?

No Words
All black on the outside

**THE BAND IS A DAILY REMINDER
OF THE FEARLESSNESS YOU HAVE**

Anxiety is at an all-time high today. I have an interview and a speech, and wow, my confidence is lacking. BUT I'm wearing this as a reminder that I've GOT THIS.ha.

I gained the courage to share the story of my sexual assault, something that I had denied since the night it happened. If I hadn't gone to your assembly, if I hadn't met my friend who helped me realize what happened to me, and if I hadn't told my boyfriend what had happened 4 years ago, I would've never been able to start my healing process. I wear the bracelet as a reminder that each day things will get better.

**EVERY STUDENT
RECEIVES A BAND**
