

Vitaros® Cookies Policy

The Simple Pharma Company UK Limited (“**our Company**”) is the marketing authorisation holder of Vitaros®. The purpose of this cookie policy is to inform you of the source and use of browsing information collected during your visit.

What are cookies?

Cookies are text files placed on your computer to collect standard Internet log information and visitor behavior information. When you visit our websites, we may collect information from you automatically through cookies or similar technology.

For further information, visit allaboutcookies.org or aboutcookies.org.

How do we use cookies?

Our Company uses cookies in a range of ways to improve your experience on our website, including:

- Understanding how you use our website
- Identifying how you found our website
- Whether you have accessed our website before
- Saving any preferences you provide

What types of cookies do we use?

There are a number of different types of cookies including cookies which improve functionality of the website - Our Company uses these cookies so that we recognise you on our website and remember your previously selected preferences. These could include what language you prefer and location you are in. A mix of first-party and third-party cookies are used.

How to manage cookies

You can set your browser not to accept cookies, and the above website tells you how to remove cookies from your browser. However, in a few cases, some of our website features may not function as a result.
