### Guidance notes

**Please read this information carefully and complete the form and any additional forms required. If the form is not completed correctly it may be returned to you.**

**How is your application dealt with?** You should take your form to your first preference school to request a place. The school then informs you and the Local Authority whether your child has been offered a place. If a place is not available at a school you request, you have the right to appeal against this decision. The school will send your form to the Local Authority to notify of their decision whether they can offer a place. If your first preference school cannot offer a place, we will send your application on to the other schools you have preferred.

The length of time it takes to process your application varies in each individual case. We aim to process your applications within 20 school days. Please be patient while we deal with your application.

**Further information:** Contact details for schools, admission policies and a list of schools we believe have vacancies (by year group) can be found on our website :

<https://www.leeds.gov.uk/residents/children-families-and-carers/schools-and-learning/school-places/admissions>

**Parental responsibility:** Parents and carers are legally responsible for ensuring their child(ren) access education. In all cases where your child is on roll at a school they should continue to attend until an alternative school place has been offered.

**Fair access criteria** (section 5b) – if you answer yes to any of these questions, please ensure the current or last attended school completes the additional information form and this is attached to your application before it is handed to any school.

**Changing schools may not be the solution:** Transferring schools can be very disruptive to a pupil and your child may miss important work. Before you request to transfer schools, you should talk through any problems with the current school. If you are not happy with the way the school is dealing with the problem, you should speak to the Headteacher or the Chair of Governors at the school.

**House move:** If you move house you must provide evidence to show you are living in your **new** address, and that you have left the **old** address. If you are unable to provide such documents, we will not be able to update your address. This may affect your chances of being offered a place at your preferred school and affect your position on a waiting list.

To update your address we need 2 documents, 1 from each list below:

| <u>Evidence you moved into new address</u>  | <u>Evidence you left the old address</u>   |
|---|--|
| Council tax bill/amendment <b>or</b><br>Tenancy agreement <b>or</b><br>Solicitors completion documents / mortgage statement <b>or</b><br>Updated driving licence / amendment to car insurance showing change of address | Final (exit) utility bill i.e. gas, water, electricity or landline/broadband <b>or</b><br>Formal document showing date you must leave (i.e. landlord notice to quit) |
