Exclusive Opportunity: Own the Legendary **Glennster S-12** – A 7-Year Masterpiece (2013-2021)

Step into the world of vintage racing royalty with the **Glennster S-12**! Skilfully build over an incredible 7-year journey by the visionary duo, Glenn and Kalle Billqvist, this isn't merely a car - it's a living legend, a thrilling salute to the golden era of racing. Drawing inspiration from the iconic Mercedes W25, famously driven by Rudolf Caracciola in the 1930s, the **Glennster S-12** is a dream come true for vintage race car enthusiasts!

With its chassis echoing the timeless elegance of a 1928 Buick and powered by the heart-thumping Lincoln Zephyr V12 engine (1939-40), boosted by an exhilarating Marshall Supercharger 200K, this car promises not just a ride, but an adrenaline-fueled journey back in time. The meticulously handcrafted aluminium body is not just about looks; it's a testament to bespoke craftsmanship and attention to detail.

This automotive genius isn't just about its breathtaking creation story. It's a proven track warrior, having gloriously competed in prestigious events like the Rømø Motor Festival, Normandy Beach Race, Gasoline Revival Grängesberg, Jakriborg Prix, Kilométré Lance (1st in the pre-war class and 2nd prize in the Design Award), and the Jochpass Memorial. Each appearance is a story of awe and admiration.

Owning the **Glennster S-12** transcends the usual car ownership – it's about embracing a piece of vintage racing history, a tribute to the enduring spirit of vintage motorsports. This is your once-in-a-lifetime chance to claim more than a car; it's an heirloom, a slice of racing heritage, a celebration of automotive excellence. Don't miss out on the chance to make the **Glennster S-12** yours! €110.000,-
