

Invest in *them*

October 1, 2023

Dear NOVA Community,

Every day I stand outside our front entrance and greet each student as they arrive at school. It is amazing to see them smile, connect with friends, and enjoy the start of their school day. They truly want to be here.

Each day I am reminded that NOVA is more than just a school. It's where the magic happens! Students find their tribe, discover their passions, and dive into their learning with a rigor and excitement that is unique to our experience here. **NOVA empowers youth and sets them up for a successful future.**

This fall, we are coming together to raise the funds that make that magic possible. Your gift is an investment that goes right back to the students—providing financial aid, improving our building, making class trips and extracurricular activities like Volleyball and Winter P.E. accessible, and helping maintain our high quality teachers and staff.

- ✱ **You give students the chance to learn new skills and socialize every day.**
- ✱ **You make it possible to update our school in response to the needs of our students & teachers.**
- ✱ **You make the difference for a child that may not have access to a NOVA education.**

“NOVA was the most impactful experience. It helped me in every ounce of success achieved in my life.”
