About

Catering to various levels of English, we offer a One Day Program for under 6-year-olds (4 lessons including lunch from 10am to 3pm, Tuesday - Saturday), afternoon and evening lessons (various levels and ages). All instruction is in English by experienced and professional native English teachers. Online lessons for afternoon and evening lessons are available on request.

Educational Philosophy

We aim to prepare our students to be able to succeed and thrive in an English environment, anywhere in the world. Instruction is geared towards each student's ability and students are actively encouraged to use their English skills at all times. We offer students the opportunity to complete various English tests, such as Eiken, so as to prepare them for entering higher educational settings.
