Israel's Resilience The Struggle to Survive

At Bethany—March 23...9 am-3 pm

Why is it that Israel is still standing...after millennia of attacks, and innumerable enemies whose sole purpose was to not just destroy the people of Israel—but to annihilate them? Why, when October 7 happened, did it rightfully crush the souls of every Jewish person, but not wipe out their strength completely?

Learn the history, the future, and the ongoing struggle today for Israel's survival—and from where that undying strength comes. Scan code to register.

We have been serving dinner to our Highschool students since 2008.

This has proven to be a vital ministry for social interaction and practical purposes for staff and students who work or participate in after school sports. It is also a great way to get to know
