

LOCAL GOVERNMENT SPECIALISTS

We are a team of experts providing innovative solutions that meet the public sector's needs.

HOW CAN WE HELP?

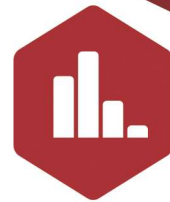

PROJECT MANAGEMENT

From needs assessment, contract negotiations, to implementations our Project Managers can help you succeed. Baecore Group can engage at any point in your project to help you achieve on time and on budget outcomes.

EFFICIENCY IMPROVEMENTS

We know resources are limited and efficiency improvements lead to optimal customer service. Our team of municipal specialists will bring innovative solutions to help you maximize the return on your software and ERP investments.

SOFTWARE SELECTION (RFP)

Let our team of experts manage time-consuming RFPs for you. We provide services ranging from needs assessment, RFP creation, distribution, vendor demonstrations all the way through contract negotiations.

ABOUT US

Our consultants are local government specialists. We are dedicated professionals that can bring knowledge, experience and perspective gained from working exclusively in the public sector across a variety of organizations and throughout all departments.
