

CABIN +1

The Cabin+1 unit is one of the most popular products for open meeting zones, the featured design has combined the idea of individual privacy and open space into consideration, meanwhile the unit can also fit into a variety of working spaces. The acoustic as well as visual privacy is just what the open office needs.

Designed to block distractions, encourage uninterrupted focus, and provide space for meetings the Cabin +1 Privacy Lounge is the open office oasis. Soft padded panels mitigate noise to create a semi-private meeting area in any communal space. Simply pull up to a Cabin +1 Table or Side Table and voila! A mini conference room without calling a contractor.
