Message from the Chief Secretary for Administration

The past few years have seen Hong Kong caught in the grip of unprecedented challenges posed by the COVID-19 pandemic. But with the resolute determination of the Government, the business sector, the academic sector and our community, Hong Kong is progressing steadily towards normality. It is against this opportune backdrop that the 15th edition of the Social Enterprise Summit will take place this year under the theme “Bounce Forward Together”, drawing delegates from various walks of life to share insights into spearheading social and economic rebound.

I am glad that the summit this year will comprise online and offline plenaries, in-person workshops and networking events, involving more than 70 accomplished speakers from across the globe, to explore advancement of social innovation and social entrepreneurship for the betterment of society. Furthermore, the summit will keep up with the times by not just covering an array of hot topics like innovation and technology, sustainability, the metaverse and industry 4.0, but also holding a Youth Summit to connect the younger generation with social enterprises and nurture a spirit of proactive and innovative entrepreneurship among the youth.

Social enterprises are an important pillar in society to foster the prosperity and stability of Hong Kong. Over the past decade, the number of them in the city has doubled to over 700 and the missions undertaken by them have become increasingly varied. Such missions include poverty alleviation, promotion of sustainable development, social inclusion, and empowerment of the underprivileged, all of which resonate with Government policy. Also, many of the social enterprises have made their way to the global stage to share their success formula, telling good stories about Hong Kong. The Government will continue to support the development of social enterprises by combining community efforts and pooling social capital.

I wish the 15th edition of the Social Enterprise Summit a resounding success and its participants fruitful dialogues!

政務司司長獻辭

過去數年，新冠疫情為香港帶來前所未見的挑戰。但憑藉政、商、學、民各界的無比決心，香港得以踏上復常之路並穩步前行。第15屆社企民間高峰會在今年召開，以「全民啟動 躍變未來」為主題，正合時宜，為促進社會復常和經濟復甦匯聚各界，集思廣益。

我欣悉今年的高峰會涵蓋一系列線上和線下會議、實體工作坊和業內聯繫活動，並邀得70多位來自世界各地的社企精英擔任講者，共同探討推動社會創新和社企精神，以構建更美好社會。高峰會亦緊貼社會大勢，涵蓋創科、可持續發展、元宇宙和工業4.0等多個炙手可熱的議題，亦通過舉辦「社創青年峰會」，將年輕一代與社企聯繫起來，啟發青年培養積極創新的企業精神。

社企是促進香港繁榮穩定的重要一員。本地社企在過去10年間倍增至現時逾700間，其工作範疇亦愈趨多元，涵蓋扶貧、推動可持續發展、促進社區共融，以至扶助弱勢社群走向自強，與政府的施政方針互相呼應。不少社企更衝出香港分享成功之道，向外講好香港故事。政府會繼續凝聚民間力量、匯集社會資本，促進社企長足發展。

謹祝第15屆社企民間高峰會圓滿舉行，參加者收穫豐碩！

Message from the Chairperson of Social Innovation and Entrepreneurship Development Fund Task Force

Congratulations on the 15th anniversary of the Social Enterprise Summit. It has perpetually contributed to fostering cross-sector collaboration among the community, businesses, government and academia to spark innovative ideas. While the COVID-19 pandemic has prevailed for three years, thanks to the resolution of the organising committee, the Summits were held as scheduled with enrichments in programme every year. It provides the social innovation sector with a precious platform for learning and exchanging views.

With the theme “Bounce Forward Together”, the Social Enterprise Summit this year welcomes yet more participants from different sectors, background and age groups, with the presence of young people making the line-up more complete. “Youth entrepreneurship” is the talk of the town in recent years. Various schemes are in place, through which the government, corporations, tertiary institutes, philanthropies, impact investors, etc. provide young entrepreneurs with the support they can count on. Among the young entrepreneurs, many set their sights particularly on creating social value. As a member of the sector, the SIE Fund has provided funding through our intermediaries for numerous innovative projects initiated by young social entrepreneurs, aiming to address social needs and create social value through their products and services.

To introduce to the public these innovative projects founded by young social entrepreneurs and funded by the SIE Fund, we are hosting the “Young Entrepreneur Showcase” on the third day of the International Symposium this year. The Showcase aims to enable the public to have a better understanding of the aspirations of young social entrepreneurs and to inspire more young people to join us as social innovators. I would be glad to see our young social entrepreneurs grasp the opportunity of the Social Enterprise Summit to share experiences among peers and learn from veterans. It would allow them to enrich themselves to reach further in their journey of social innovation, bringing us a more vibrant ecosystem with new powers injected to drive social development.

The pandemic has changed everyone's living but the disadvantaged such as the elderly, persons with disabilities and low-income families are particularly hard hit. At a time when people focus on recovering from the pandemic, we are obliged to pay special attention to the needs of the disadvantaged. I have faith in the Social Enterprise Summit. With its help, we can surely draw on our collective wisdom to generate solutions to diverse social problems, relieve the disadvantaged from hardship, and foster the sustainable development of society.

On behalf of the SIE Fund, I wish the Social Enterprise Summit every success.

社會創新及創業發展基金專責小組主席獻辭

很高興見證社企民間高峰會踏入第15年，持續推動民、商、官、學等跨界別交流協作，啟發社會創新意念。雖然過去三年疫情持續，但感謝籌委會的努力不懈，高峰會不但能如期舉行，而且內容一年比一年豐富，為社創界提供一個珍貴的交流學習平台。

今年高峰會以「全民啟動 躍變未來」為主題，吸引更多來自不同界別、不同背景、不同年齡層的人士參與，年輕人當然不能缺席。近年，「青年創業」成為熱話，社會亦為青年創業提供不少支援，政府、企業、大專院校、慈善基金、創效投資者等，透過各種計劃，為青年創業家提供可靠的支援。不少青年創業家更特別著重創造社會價值；社創基金作為其中一員，亦透過我們的協創機構資助了不少由青年社會創業家推展的創新項目，藉著這些項目所推出的產品或服務回應社會需要，締造社會價值。

為了向公眾介紹獲社創基金支持、由青年社會創業家創立的社創項目，社創基金特意在今年社企民間高峰會國際研討會的第三日舉辦「青年社創展」。希望透過這次展覽，可以讓大家加深了解這些青年社會創業家的抱負，以及啟發更多年輕人加入社創的行列。我亦鼓勵我們的青年社會創業家，把握社企民間高峰會這個機會，與同儕交流，向先行者取經，吸收更多養分，在社創路上走得更遠，令社創生態系統更加興旺，為推動社會發展注入更多動力。

疫情改變了我們的生活，長者、殘疾人士、低收入家庭等弱勢社群尤其受影響。正當大家將注意力放在疫後復常，我們更要格外關注弱勢社群的需要。相信社企民間高峰會定能幫助我們集思廣益，為社會問題找出應對方案，幫助弱勢社群走出困境，並推動社會可持續發展。

我謹代表社創基金祝願社企民間高峰會圓滿舉行。

Message from the Chair

This year, the Social Enterprise Summit (SES) celebrates 15 years of accelerating social innovation. The occasion also coincides with the 25th anniversary of the establishment of the HKSAR government.

2022 has been a pivotal year for us to reflect on our remarkable journey. But we have also identified how important social innovation is in rebuilding our world after COVID-19.

I am very proud to see how SES grew from a local conference to a prominent movement and platform over the last 15 years. SES has fostered cross-sectoral collaborations with over 100 organisations in Hong Kong and beyond. It has engaged over 1,000 thought leaders from different sectors and developed a community of 70,000 participants around the world.

Our theme for SES 2022 is “Bounce Forward Together”. We have curated a special programme to empower and mobilise all change-makers to act and respond through social innovation. The International Symposium features over 70 distinguished global speakers. Our two keynote speakers will explore impact investing and sustainability transformation. At the “Policy Dialogue”, policymakers and social innovators will discuss how we can improve Hong Kong’s social well-being by tapping into our collective power as a society.

Delegates can deepen their understanding of Web3, talent development in Asia and channelling resources to rebuild resilience through 3 different tracks. Passionate young social innovators will share their thoughts and showcase their startup projects at the “Youth Summit”. We will harness the power of community entrepreneurship at the “Concluding Session”. We will also bring delegates closer to China through the online session “China Social Entrepreneurship and Impact Investment Exchange”. Delegates participating in our social innovation visits can experience different transformative innovations.

What’s more, our Community Programmes have been proven to effectively mobilise social capital at a district level. This year, we extended our programme reach to 10 districts. At the SE Programmes, aspiring innovators can experiment with pilot actions through in-depth training. At the SE Labs, they can also take part in dynamic conversations about critical social issues.

This year, we will conduct our first social impact assessment for the “International Symposium”. Please share your thoughts with us by filling in a survey form and chatting with our independent assessors. Your feedback is important for us to understand the impact of the event.

The incredible growth of SES could not have been possible without the enduring trust and support of our Advisors, Sponsors, Partners, Supporting Organisations and everyone involved. My special thanks go to the Home and Youth Affairs Bureau and the SIE Fund for their continuous support. This collaboration also highlights how a public-social partnership can generate effective and positive social change.

Looking ahead are more challenges but also exciting opportunities to come. But our belief for the next 15 years stays the same as 15 years ago – that everyone can be a changemaker, and every business can be a social business.

Together, we can change the world for the better.

主席的話

今年，社企民間高峰會在推動社會創新的旅程上昂然邁進15週年，亦適逢是香港特區政府成立25週年。

2022年是我們在推動社創旅程上的關鍵一年，同時新冠疫情亦揭示了社會創新對於重建更美好未來有多麼重要。

過去15年間，社企民間高峰會從一個地區會議，發展成為備受讚譽的運動及平台，促進了香港和其他地區100多個機構的跨界別合作，亦吸引了超過1,000名跨界別領袖，匯集了近70,000名來自世界各地的參加者，我為此引以為傲。

今屆國際研討會以「全民啟動 躍變未來」為主題，動員創新變革者透過社會創新方案應對不同的社會問題。逾70位國際知名演講嘉賓，將啟迪一系列精彩的交流和對話。兩位主題演講嘉賓將探索創效投資和可持續發展轉型兩大議題。「政策對談」環節讓政策制定者和社創人士一起探討社會集體力量如何提升社會福祉。

是次研討會將集中討論三個主題——Web3、亞洲人才發展及如何連結資源復元創新。年青社創家將在「社創青年峰會」分享他們的社創體驗和創業經歷；在「閉幕式：社創本色」環節中我們會集中討論如何在社區發揮社創力量。透過「中國社會企業政策與創效投資」網上交流會，參加者將可拉近與內地社創界的距離。而一系列的社創體驗將讓參加者親身感受社創力量。

此外，我們的社區計劃已有效地調動地區層面的社會資本，並已取得廣受認同的成果。今年，社區計劃已擴展至十個地區。有社會目標的創新者可接受深入的培訓，試行不同的社創試點項目，並在社創實驗室就大眾關切的社會問題進行交流對話。

我們將首次為國際研討會進行社會效益評估。期待通過調查問卷及與獨立評估員的對話，我們能獲得你寶貴的反饋，幫助我們有效評估研討會的影響力。

高峰會的長足發展實有賴我們的顧問成員、贊助機構、合作伙伴、支持機構和所有參與者的信任及支持。藉此機會，我亦特別感謝民政及青年事務局和社創基金多年來的支持。此合作充分體現了政府和民間的協作能為社會帶來有效及正面的改變。

展望未來，我們將面對更多挑戰，同時亦迎來更多令人振奮的機會。但我們對未來15年的信念亦會與過去15年一樣——每個人都是變革者，每個企業也是有社會目標的企業。

讓我們一起令世界變得更美好。

About Social Enterprise Summit

關於社企民間高峰會

Social Enterprise Summit (SES) is a series of non-profit events and programmes organised by Hong Kong Social Entrepreneurship Forum, co-organised by the Home and Youth Affairs Bureau, HKSAR together with over 20 civic groups and NGOs. The International Symposium is an annual event since 2008, attracting an increasing number of delegates each year, from Hong Kong, China, the Asia-Pacific region and beyond. Since 2014, an array of community programmes has expanded the engagement beyond the conference in Hong Kong. SES has become a major cross-sector platform among the civil, business, government, and academic sectors in the region to advance social entrepreneurship and social innovations for positive social changes.

社企民間高峰會為一系列非牟利活動及項目，由香港社會創業論壇主辦，並聯同香港特別行政區民政及青年事務局及二十多個香港民間團體與非政府組織合辦。其旗艦活動「國際研討會」是自2008年以來的年度盛會，每年參加人數與日俱增，當中不少與會者來自香港、中國、亞太區及海外各地。自2014年起舉辦的一系列社區計劃更將參與範圍延伸出會議室以外的香港各區。高峰會也成功凝聚民、商、官、學以及其他不同界別人士，共同探討及推動社會創新及社企精神，建構更美善的社會。

Social Enterprise Summit 2022 — Bounce Forward Together

社企民間高峰會 2022 — 全民啟動 躍變未來

The global outbreak of COVID-19 has taken a toll on all aspects of our lives and society. As we enter the third year of living with the pandemic, it is time for all of us to seize this valuable moment to capture what we have learned as well as to explore and envisage what living in the aftermath of the pandemic will look like to prepare for societal and economic rebound.

Centring on building back a better society, the SES 2022 International Symposium - with the theme “Bounce Forward Together” - aims at raising awareness and calling for actions among the general public to reimagine a possible future that is restorable and renewable through multiple dimensions in the “next normal”.

Existing and new innovative practices and solutions will be examined, particularly about redirecting resources to connect all ages and sectors, to determine how the civil, business, government, and academic sectors can collaborate in response to emerging social, economic and environmental challenges.

The Chief Executive's 2022 Policy Address launches an exciting array of new policy directions and initiatives to tackle some of the most pressing, deep-rooted social issues that Hong Kong has been facing. As the city is rebounding from the prolonged pandemic, how might social innovation help create hopes and new opportunities, turning the vision into reality?

In the Policy Dialogue, titled "Social Innovation as a Source of Opportunities in the Post-Pandemic Era", we will convene an experienced panel of policymakers, thought-leaders, and innovative movement builders across the public sector and civil society to discuss and expound on the role of social innovation towards more effective and interdisciplinary design and implementation of future-ready policies and services for the sustainable development of our communities and society at large.

Catalysing Societal Change for a Greener Future

Ms Peggy Liu is the Chairperson of Joint US-China Collaboration on Clean Energy (JUCCCE), an NGO at the heart of the greening of China since 2007. Named the "Green Goddess of China" by Chinese press and "Hero of the Environment" by Time, she is one of the most impactful environmentalists globally. She catalysed China's leaps into cleantech, Smart Grid, ecocities, efficient lighting, green bonds, and sustainable diets.

Peggy will share lessons from how her NGO JUCCCE helped China successfully tackle tough environmental health challenges to become a surprise global leader in sustainability. What can other societies learn from China's transformation? How can individuals catalyse societal-scale change?

Master Class "Tornado Leadership: A Better Future Faster" will be conducted by Ms Peggy Liu online on 10 December 2022. For registration details, please stay tuned to SES's website.

Journey of Impact 3.0

The massive problems we are seeing now demand a new wave of innovation, enterprise and scaling.

From the climate crisis to the SDGs, from COVID-19 to the consequences of wars, we are seeing floods and fires, scarcity of food and fuel, harms across continents. We must act.

Mr Cliff Prior, CEO of Global Steering Group for Impact Investment (GSG), will expound the impact journey of bringing together influential stakeholders from private and public sectors to shift economies towards positive outcomes for all people and our shared planet.

Impact investing has developed: from small scale funds into new social enterprises; into larger funds addressing bigger challenges like homes, health and education; into the latest changes where impact tools can be used to identify the positive and negative actions of any listed company.

But the challenges remain. The climate crisis is here now, not 2050. The SDGs have gone backwards during COVID-19. And the global disaster from the Russian war on Ukraine is adding more pain across the world.

So we need you – the innovators, the social entrepreneurs, the angel investors and funders that can take the best ideas to scale. This is our challenge. And this is your opportunity. Let's build the solutions for people and our shared planet.

創效投資3.0的新路向

從氣候變遷惡化到滯後的可持續發展目標，從新冠肺炎肆虐到戰禍塗炭生靈，我們看到人世間災劫連連，洪水淹城，山火焚林，糧食及燃料短缺。現今世界危機此起彼伏，急需要新一浪的創新想法、企業模式及規模效應去對付困境。現在，是時候行動了。

Global Steering Group for Impact Investment (GSG) 行政總裁 Cliff Prior先生將會在本主題演講中解釋創效投資如何匯聚公私營的重量級持份者，一起將各經濟元素轉化為有益於人類與地球的正面力量。

創效投資已經有長足的發展：從小規模基金發展至全新社會企業，再變成規模更大的基金以應付家庭、保健、教育等更大的議題。近年更發展出各種創效工具，用作評估上市公司的活動是否正面。

但危機仍然未解。氣候變化的影響不是等到2050年才浮現，而是已經迫在眉睫。可持續發展目標因疫情而難以達標。俄羅斯與烏克蘭的戰爭亦為全球帶來災難與苦痛。

因此，我們需要你——創新者、社創家、天使投資者、資金提供者，一起將最好的想法化成具規模的行動。這是挑戰，亦是機會。讓我們一起為人類和地球建構解決方案。

Regional Collaboration to Advocate Inclusive Employment 區域互聯 共融就業

25/11/2022 (Friday 星期五) 10:00am – 12:00pm

📍 S423

Inclusion and diversity is on everyone's lips in nowadays' corporate world. A diverse and inclusive workplace brings greater productivity, innovation and well-being to the employees. Promoting and supporting diversity in the workplace is an important part of good management. However, although 90% of the interviewed companies claim to prioritize diversity, only 4% consider disability in their initiatives, according to a report from the Return On Disability Group (<https://www.rod-group.com/>). Obviously, more collective effort has to be put in in advocating inclusive employment.

This session will highlight the practices and challenges of employment enablement for persons with disabilities across the region.

「共融」與「多元」是現今企業的熱議題目。一個多元化及共融的職場可以提升生產力、創意及員工福祉，而支持多元共融是良好企業管治的指標。不過，Return On Disability Group (<https://www.rod-group.com/>) 的一項調查顯示，雖然90%受訪公司表示會優先創造多元化的工作環境，但只有4%公司在多元政策上考慮到殘疾人士。顯而易見，大家需要更努力去鼓勵多元化地聘用員工。

本環節將會審視這地區聘用殘疾人士的做法及挑戰，探討如何促進共融就業。

The Intergenerational Contract at Work in Industry 4.0 工業4.0下職場上的跨代責任

25/11/2022 (Friday 星期五) 1:30pm – 3:00pm

📍 S423

Asia has entered the age of Industry 4.0 with “smart” and connected production systems designed to sense, predict, and interact with the physical world. The rapid adoption of AI in various sectors and industries interrupts conventional contractual relationships as the World Economic Forum estimates 85 million traditional jobs will be replaced by robotics by 2025 and 97 million new roles may emerge. At the same time, the global pandemic has accelerated how we respond to the intergenerational contract at work as we face the transforming nature of jobs. One cannot help but wonder – what would the future of social security at work look like?

In this session, we will explore the nature of Industry 4.0 technologies (especially weakly-monitored algorithms) in business decisions, the future of employment in Asia as a power hub for the young workforce, and the principles to achieve equilibrium of the intergenerational contract at work in Asia as we embark on the Industrial 4.0 era.

亞洲已進入工業4.0時代，「智能」科技與生產系統連結，用以感知、預測及回應現實世界。各行各業快速廣泛應用人工智能，改變了傳統僱傭關係，世界經濟論壇估計在2025年前將有8500萬個傳統工作崗位被機器取代，但智能科技亦可能創造9700萬個新類型工作崗位。與此同時，新冠肺炎疫情為職場帶來翻天覆地變化，亦影響我們如何實踐跨代責任。未來的社會安全網將會如何運作？

在本環節，我們將探討工業4.0（尤其是監管不足的演算法技術）如何影響商業決定、主要以年輕人為勞動力的亞洲地區的職場在未來有何變化，以及跨代責任在工業4.0時代下於亞洲如何達到平衡。

Academic Forum: NFT for Social Good 學術論壇：公益NFT

25/11/2022 (Friday 星期五) 4:00pm – 5:30pm

📍 S426

Non-fungible token (NFT) is a digital representation of assets that lives in the blockchain and tradeable using cryptocurrency (Chandra, 2022). NFTs have leveled the playing field to enable practically anyone with entrepreneurial and creative ideas to craft and sell “virtual assets” (e.g. painting, photographs, profile pictures, songs, and tickets) to earn income or to support social goals. Worth around US\$40 billion in 2021, NFTs are a new engine of economic, cultural and social progress. Despite the excitement about NFTs and the opportunities they create, NFTs pose challenges to and even raise doubts among the general public. What can NFTs do? Can we use NFTs for social purposes? What are the debates regarding NFTs?

In this Academic Forum, we seek to discuss NFT, and to explore its possibilities and challenges for social good. We aim to serve to bridge scholars, practitioners, policy makers, and the public to consider NFT as a new method to do social good.

非同質化代幣 (NFT) 是一種存於區塊鏈上的數碼資產，可以代表真實世界中的物品，在網上以加密貨幣交易 (Chandra, 2022)。只要富創業精神及創意想法，人人都可以運用NFT在網上創造及出售「虛擬資產」，包括畫作、相片、個人檔案照、歌曲及門票，藉此賺取收入又或為公益籌款。NFT在2021年的交易總值達400億美元，已經成為當今經濟、文化及社會進步的嶄新推動力量。雖然NFT近年引起熱潮，創造機會，但亦帶來不少挑戰，公眾仍對它抱有懷疑。我們可以利用NFT做甚麼？NFT可以帶來社會福祉嗎？NFT有何爭議？

在本學術論壇，我們將討論NFT現象，探討它對公益創造了何種機會，當中有何困難？我們邀請了學者、行內人士、政策制訂者及公眾來一起討論有何新方法運用NFT帶來社會改變。

NGO Power Luncheon: From Co-operation to Co-creation - The Bottom-up Practice of Social Innovation

社企午宴：由合作到共創 — 由下而上的社創實踐

25/11/2022 (Friday 星期五) 12:00pm – 1:30pm

📍 Dragon Gown 龍袍

Shop Nos. 2C and 2D, 2/F, Sun Hung Kai Centre, 30 Harbour Road, Wanchai
灣仔港灣道30號新鴻基中心2樓2C及2D號舖

‘Co-creation’ is a form of innovation different from ‘co-operation’. While cross-sectoral co-operation is crucial in social services development as organizations proactively leveraging different sectoral resources and networks to provide services, ‘co-creation’ emphasizes more on stakeholders’ deep collaboration, bottom-up participation, and values alignment.

The theme of this year’s luncheon is about how ‘co-creation’ takes place in frontline social services. Yan Oi Tong’s ‘Youth Space’ program will share how they bring young social entrepreneurs into the community and nurture community-based social innovation ideas. Project Hap Sap will introduce how the silver-haired can participate in urban design and building assessment. Save the Children will present a successful overseas co-creation case and share its experience of localization.

「共創」與「合作」在社創上發揮不同作用。跨界合作是社會服務發展的重要一環，各機構主動尋求不同界別的資源與網絡，攜手推動服務發展，而「共創」則更強調各持分者的深度協作，大家由下而上參與，將各種價值觀揉合。

今年的社企午宴主題是「共創」，探討共創如何在前線社會服務中實踐。仁愛堂的「青年夢工場」代表將分享他們如何把年青社創家帶入社區，構想出以社區為本的社創點子。合十企畫將介紹銀髮族如何參與城市設計以及建築物評估。救助兒童會將會介紹成功的海外共創案例，以及該機構在本地的實踐經驗。

In recent years, numerous aids are available to encourage young people to explore innovation and start their business. Among which, the Social Innovation and Entrepreneurship Development Fund (SIE Fund) provides, through innovative programmes designed and delivered by intermediaries it engages, funding and diverse support to social entrepreneurs.

Since its inauguration, the SIE Fund has nurtured many social entrepreneurs whose innovative ideas, products and services address social needs and create social value. The SIE Fund is hosting a “Young Entrepreneur Showcase” on the third day of the International Symposium of the Social Enterprise Summit this year. It aims to enable the public to have a better understanding of the aspirations of these young social entrepreneurs and to inspire more young people to become social innovators.

Corporations, investors and philanthropies are welcome to exchange views with the young social entrepreneurs and explore opportunities for collaboration.

近年，社會提供不少支援以鼓勵年青人創新創業，當中包括社會創新及創業發展基金（社創基金）。社創基金委聘協創機構，設計及推行創新計劃，為社會創業家提供資金和各種支援。

社創基金自成立至今，培育了不少青年社會創業家，並資助他們推展創新項目，推出產品或服務回應社會需要，締造社會價值。今年，我們特別安排於社企民間高峰會國際研討會的第三日舉行「青年社創展」，讓大家加深了解青年社會創業家的創意及抱負，以及啟發更多年輕人加入社創的行列。

歡迎企業、投資者和慈善基金蒞臨「青年社創展」與青年社會創業家交流切磋及探索合作機會。

EFG 10th Anniversary Event: Life on Life - A Fireside Chat with Changemakers 仁人學社十週年： 「以生命影響生命—與社會變革者深度對談」

02/11/2022, 09/11/2022, 16/11/2022, 23/11/2022, 30/11/2022

10 years ago, Education for Good (EFG) was born in Hong Kong. We have had the pleasure and the opportunities to work with different partners, allowing us not only to facilitate social change and innovation in Hong Kong but also plant seeds of change in people's hearts. These workshops, training and projects, whether large or small, are experiences forever dear to our hearts.

The impact of our work has been recognized not just by our network but also internationally when our co-founder Dr KK Tse was honoured Schwab Foundation Social Innovation Thought Leader in 2020.

As we celebrate our 10th year of promoting social innovation in Hong Kong, a series of Fireside Chats with 13 changemakers from 5 sectors have been and will be held in this November, which will be in the form of an in-depth interactive webinar on a social topic every Wednesday evening. Through the dialogues between the guest speakers and the audience, we hope to spark new conversations as we grow with future generations of social innovators.

Let's inspire one another for more ideas and changes to come!

十年前，仁人學社誕生了。我們依然記得很多推動創新路上的第一次，感恩這些工作不但得到各位同行者認同，我們的創辦人謝家駒博士更於前年獲選為「施瓦布基金會2020年度社會創新前瞻思想家」。我們相信，不論是分享、工作坊，或是顧問項目，這些活動不單能啟發參加者，更透過各位的工作和身體力行，把改變傳到社會的不同角落。

在十一月，我們會與13位來自5個界別、十年來一直與我們同行的社會變革者交流。在十一月的連續5個星期三，他們將與大家就各自議題進行深入交流，這系列座談會將以Fireside Chat形式進行，除了講者分享過往經驗外，我們更希望參加者和講者能夠直接就經驗和觀點對談，互相啟發，共同成長。因為我們相信，生命會影響生命。

期待與大家深度對話，在往後的日子一起發掘更多新點子、新合作。

華懋集團與社區同心抗疫 應對新挑戰

集團與荃灣民政事務處合作，於荃灣西如心酒店舉辦社區疫苗接種日。

攜手建設更宜居城市

經歷兩年多新冠疫情，社會各界受到不同程度的影響。逆境之中，華懋集團與不同界別攜手合作，發揮出「一加一大於二」的影響力，共同應對社會、經濟、環境等新挑戰，繼續推動社會可持續發展，用心構建更宜居城市。

跨界合作 發揮團隊精神

華懋集團心繫社區，自新冠肺炎爆發以來，一直透過捐贈及提供其他支援，並與志同道合的夥伴合力助市民共渡難關。

第五波疫情襲港期間，集團聯同希慎興業向政府提供其合資的銅鑼灣加路連山道項目地皮，協助政府在短時間內，於方便的地點設立全港私人物業內最大的臨時社區疫苗中心，並承擔相關的建設和設置費用。中心由香港理工大學護理學院以非牟利模式營運三個月，每日可

為 800 至 1,000 人接種疫苗，並可因應需要，增加至每日 3,000 人。
此次合作，充分體現官、商、學跨界合作帶來的協同效應。

集團亦曾與荃灣民政事務處合作，在荃灣西如心酒店舉辦社區疫苗接種日；又將旗下多間酒店用作檢疫或隔離用途，善用物業場地設立社區抗疫設施，助社區應對疫情。

捐助物資 及時為基層送暖

同時，在疫情關鍵時期，多個非牟利機構缺乏人手及資源支援基層家庭。除了向香港聖公會福利協會捐款 50 萬港元，用作減輕聘用臨時護理員、發放特別津貼、購買防疫及消毒物資等方面的巨額開支外；集團又與夥伴合作，助非牟利機構為有需要人士送上抗疫物資。

集團覓得希瑪眼科醫療股份有限公司，聯同亞輝龍生物科技股份有限公司進行配對捐贈，合共捐出 100,000 份檢測包，50,000 份由集團捐出。當中 20,000 份贈予扶康會，分發到旗下院舍及日間中心應對疫情；餘下的檢測包則同時結合其他抗疫物資及生活必需品，如口罩、消毒搓手液、罐頭食品等，製成 8,000 份抗疫包，送予荃灣、深水埗及油尖旺區的劏房住戶，合共約 4,000 個家庭受惠。為了確保物資及時和安全送達，集團透過有份投資的智能物流科創 Zeek 配送部分物資，為非牟利機構提供物流便利。

華懋集團執行董事兼行政總裁蔡宏興表示：「自疫情之初，我們一直努力尋找可利用的物業場地和其他資源，協助政府和社區對抗疫情。我們更與志同道合的夥伴攜手，盡全力提供最大的支持；並發揮團隊精神，以助香港加快復甦。這體現了我們以人為本，造就人、繁榮和環境『三重基線』均勻發展，實踐為社區創造共享價值的願景。」

香港政策研究所是在1995年成立的非牟利獨立智庫，創辦人包括葉國華先生(主席)及一群學者、專業人士和行政管理人員，目標為因應1997年中國對香港恢復行使主權，通過公共政策研究為促進一國兩制、港人治港的成功落實作出貢獻。

Hong Kong Policy Research Institute (HKPRI) was ranked for six consecutive years in 2015 -2020 among the Top 100 think tanks in the regions of China, India, Japan and South Korea in the Global Go To Think Tank Index Report: The Think Tanks and Civil Societies Program (TTCSP) of the Lauder Institute at the University of Pennsylvania。

HKPRI is a non-profit and independent public policy think tank set up in 1995, upon China's resumption of its execution of sovereignty over Hong Kong in 1997 and with the objective to contribute, through public policy research, to the success of Hong Kong People Governing Hong Kong.

Our mission is to conduct quality research and provide effective recommendations by polling together local, mainland and international minds, and to create social impact by collaborating with stakeholders to form policy communities. By this we hope to contribute to the continued success of “One Country Two Systems” and of The Hong Kong Special Administrative Region (HKSAR) exercising a high degree of autonomy.
