FOR IMMEDIATE RELEASE

River Remedy Opens Medical Marijuana Dispensary in Byram, Mississippi

February 9, 2023 – River Remedy, Mississippi's premier boutique cannabis company, is pleased to announce the opening of our first dispensary. The sale of medical cannabis will commence this Friday, February 10th, at noon at 5925 I-55 South Frontage Rd. in Byram. Ongoing business hours will be 10:00 AM to 6:30 PM, Monday through Saturday.

The River Remedy dispensary will be the first in Hinds County and the only one in Mississippi with cultivation, processing and sales of medical cannabis under one roof. The dispensary will offer various craft medical cannabis products for qualified patients.

"River Remedy is thrilled to open our on-site dispensary in Byram to bring access to medical marijuana to patients in Central Mississippi," said River Remedy's CEO, William Chism. "We are committed to the highest quality products and an exceptional customer experience for our patients."

The new dispensary was designed with patient care and safety as top priorities. The team of experts at River Remedy underwent extensive training on all aspects of medicinal marijuana use so that every patient knows exactly what they're purchasing and can make an informed decision about their health needs.

About River Remedy

River Remedy is dedicated to serving Mississippi patients with the highest quality plant-based medicine. We operate a vertically integrated business model, cultivating carefully selected strains of cannabis, processing with state-of-the-art techniques, and distributing medical cannabis products through a network of dispensaries across the state.

We are headquartered in Byram, Mississippi and our senior management has called central Mississippi home for decades.

Patients can learn more about where the products are sold and how to obtain a medical marijuana card through the Mississippi Department of Health (MSDH) by visiting the River Remedy website, www.riverremedymms.com.
