PROFESSIONAL PROFILE

Ms. Jody Ewers is a results-oriented legal project management professional who is uniquely utilizing her legal and library science education to provide dedicated and diligent legal project management support for Explico's testifying experts and other professional staff. She is exceptionally skilled in written communication, records management, and legal project management.

Outside of work, Pilates is Ms. Ewers' passion; she is a certified instructor with an international Pilates company. She specializes in working with clients who are living with Parkinson's Disease and other neurological disorders to help improve mobility and maintain functionality. She is also an avid equestrian and enjoys riding with her equine partners.
