Principal's Message

Dear Parents/Carers

A very warm welcome to the 2023 school year! I especially welcome Ms Allira Dickins to our teaching staff and all of our new students and their families to our school community. We have had a lovely start to school with all children settling in and engaging well with our classroom programs. It has also been lovely to see such harmonious multi age games underway in the yard during break times.

A large number of parents, carers, extended family and friends attended our whole school assembly on Monday morning, and it was a wonderful start to our school year. Please note that the weekly assembly will now take place on Friday afternoon at 2:45pm. Parents/carers, extended family and friends are very welcome to come to the weekly assembly. We will hold the Friday assembly in the Big Shed.

We ask every family to attend at least one working bee each year to help maintain our garden and facilities in tip top condition. Families were asked to nominate their preferred working bee late last year and the lists are printed in this week's newsletter. If your family did not specify a preference, we have allocated you to a date. Please let the office know if you need to change which working bee your family will attend. Of course, everyone is welcome to attend any working bee during the year. If you would like to attend more than one working bee,

including the one to be held tomorrow, you would be very welcome!

This school newsletter is published weekly both in hard copy and electronically via the Konnective app on Friday during each term. You will receive a notification on Konnective each Friday afternoon when the newsletter is uploaded. Please always take the time to read the newsletter. It keeps you in touch with what has happened at school during the week, gives information about upcoming events and deals with other items of school administration. We try to make the newsletter as informative and interesting as we can. We also publish our newsletter on the school webpage each week. The school webpage address is <http://www.tyldenps.vic.edu.au/>

As well as the newsletter, the Konnective app is an important information channel used regularly by the school. It is free to download, and you can receive notifications on your phone or via email. Contact the office for assistance if you are having any difficulties downloading Konnective and Livia will assist you. Being connected with Konnective is essential.

The 2023 Family Fun Night (FFN) is scheduled for Wednesday 15th February. The FFN provides an opportunity to get together with other school families and staff. There will be a free sausage sizzle run by school council. **(Continued on page 3)**

WELCOME TO OUR 2023 PREPS

Our 2023 Preps with
Ms Allira Dickins and
Ms Kerry Cross

ZETLAND LODGE AWARD

Past students Carys and Sam were awarded the 2022 Zetland Lodge Grade 6 Scholarships at our graduation ceremony last year. These two very deserving students received their certificates and the scholarship money at a ceremony in Kyneton on Saturday 21st January 2023.

GRADE 6 JACKETS

The Grade 6 students will be presented with their 2023 Grade 6 jackets in assembly on Friday 10th February at 2.45pm during assembly. Parents and carers are welcome to attend this important occasion. If you have not paid for the grade 6 jacket could you do so before the above date.

UNIFORM

Please remember to clearly label all items of clothing your child wears to school. The school sells most items of school uniform and stocks both new and some second hand items.

Please come to the office to make purchases as required. We welcome donations of uniform that children have grown out of and these can be washed and dropped off to the office at any time.

HATS & SUNSCREEN

A reminder that school policy and departmental guidelines requires all students to wear a sun-smart hat when UV Levels are higher than 3. School hats are available from the office.

We encourage you to apply sunscreen to your child before school. We have sunscreen available if they need to reapply during the day.

SPARE CLOTHES

Children in the junior grades, particularly Prep children, should have a spare set of clothes in the bottom of their school bag in case of a "toilet mishap."

If there are no spare clothes in the child's bag, the school will provide a change. Please wash and return these school spares to the office after use.

BREAKFAST CLUB IS BACK

Free breakfast is served from 8:40am every Thursday in Room 4.

Breakfast Club is supported by Food Bank. Everyone is welcome!

SCHOOL LUNCH ORDERS

The Tylden General store provides a lunch order service for the school. Lunch orders are available on **Wednesday, Thursday & Friday**. Please write your child's name, room number and order on a brown paper lunch bag and enclose the money (cash only). The orders then should be placed in the lunch order tubs in the office area before 9am and returned to the school by 12.20pm. A new price list is included in this newsletter.

Please remember it is important to send a fruit snack and play lunch on days when your child has a lunch order.

BOOK COLLECTION & ACCOUNTS

Thank you to everyone for the prompt pick up of the book packs and uniform orders. Thank you also to the families who have settled the start of the year payments already. School statements will be sent home at the end of next week and it is helpful to the school if these expenses are finalised by the end of the term. Please have a word to Livia or Lee about your account if there are any difficulties with payment. We are happy to help you to develop a payment plan.

PAYMENTS TO THE SCHOOL

There are times when our office is not staffed, if you are leaving a payment, please place it in an envelope and leave it in the letter-box located near the office door.

Please send money in a sealed envelope with the child's name and grade, the purpose for the money and the amount. This saves confusion. Change is given, however, when possible it is appreciated if the correct amount is enclosed.

Monies can also be paid via Bpay (preferred method) using the Biller code 87361 and your family's reference number found on your family statement or by direct debit using the following school bank details :

BSB: 063 517 Account number: 10031412.

EG: Bourke Uniforms/Excursion/Fees/OSHC

BSB 063 517 ACC: 10031412

You do not need to do separate transfers, one transfer is fine. Cash & EFTPOS also accepted at the office.

Principal's message continued....

The staff and I have scheduled parent teacher 'Start Up Chat' interviews for **week 2**. The 'Start Up Chat' provides an opportunity to meet your child's new teacher and tell them about your child. Teachers really value this information from you because it helps them to get to know your child. The appointment reply slip has been sent home with the children, so check your child's bag to find it. Please return the slip on Monday with your preferred time.

Over the next fortnight, our Grade 6 students will take part in the elections that decide our formal school leadership roles for 2023. However, all Grade 6 students are considered school leaders and to mark their special role in our school, they wear a different school jacket. I will present the Grade 6 students with their special 2023 Grade 6 jackets in assembly on Friday 10th February at 2:45pm. I hope you can attend this assembly to see our senior students receive their Grade 6 jackets.

Have a lovely weekend!

Regards

Lee MacDonald

leeanne.macdonald@education.vic.gov.au

SCHOOL COUNSELLOR

The school contracts a counsellor who can provide counselling for any member of the school community including children, parents and staff, with a referral from a GP. Our counsellor is Heidi Winchester. She visits the school on Tuesdays and can provide up to **ten sessions** of counselling which are bulk billed to Medicare. The school covers the gap fee.

If you believe this could be beneficial for you or your child, please collect the relevant forms from the information display, just inside the office door. For further information, please check with Lee.

SCHOOL FAIR MEETING FRIDAY 10TH FEBRUARY

If you are interested in helping with the upcoming fair we would love to see you on Friday 10th February at 2pm in the staffroom.

If you are not sure what is involved, please come to the meeting or contact the office to find out.

INSTRUMENTAL MUSIC LESSONS—DRUMS, PIANO & GUITAR

Instrumental music lessons in drums, guitar and piano will start next week.

If you submitted an expression of interest at the end of 2022 or at the start of this year, you will be contacted by the music teacher concerned, to inform you of the day for your child's lesson and arrangements for payment. The financial arrangements are made between you and the relevant teacher. Please make sure you pay the relevant teacher promptly. There is currently no more spots left for this year, we will advise if any come available.

Our drum teacher is Lizzy Dynon and Andrew McCubbin teaches both guitar and piano.

OUT OF SCHOOL HOURS CARE (OSHC)

The School Council runs our OSHC program on a not for profit basis. It complies with all federal and state regulations and is a high quality service. OSHC staff are all fully qualified and operate an excellent program. The coordinator is Hannah Lawrence. Our school offers both Before School Care (BSC) and After School Care. (ASC). The fees are set by School Council and are currently \$22 per session for casual booking and \$24 per session for permanent bookings. OSHC programs operate under the National Quality Regulations. Our service uses the "Fully Booked" administration system, and the fortnightly bills include all rebates each family is entitled to receive. The Tylden PS OSHC service was established to meet the needs of our families. However, our OSHC program will only remain viable if school families continue to need and use it. The financial performance of the OSHC service is monitored closely by the School Council Finance Committee.

AFTER SCHOOL CARE (ASC)

After School Care (ASC) operates every afternoon 3:30 to 6 pm. Please ring the school office to book children into the service. Children attending are provided with afternoon tea and then they participate in indoor and outdoor activities under the guidance of our trained staff.

ASC bookings and cancellations must be made by **12pm on the day of the required session**. Like childcare centres, ASC fees are charged if the session has not been cancelled by the required time.

SHORT AND LONG SESSIONS OF BEFORE SCHOOL CARE (BSC)

The school runs both short and long sessions of Before School Care (BSC) daily. In BSC, children are provided with breakfast and then participate in activities under the guidance of trained staff.

- The short session of BSC costs \$10 and caters for families who only need care between 8am—8:40am. The short session especially assists parents/carers who need to get to work or to pre-school drop off, and find the 8:40am school arrival time awkward.
- The long session of BSC provides care between 6:30am—8:40am and costs the full rate of \$24 (for \$22 for permanent bookings.) BSC bookings are essential and cancellations for all BSC sessions must be made by **12pm on the day prior to the required session**. Like childcare centres, BSC fees are charged if the session has not been cancelled by the required time.

WEEKLY MENU

Breakfast

A selection of healthy cereals, yogurts, toasts and spreads are available for children to choose according to their taste.

Afternoons

A selection of fresh salad vegetables, cold meats, spreads, wraps and bread are available each afternoon in buffet style.

Daily

Fresh fruit, milk, and water are always available throughout each session.

THIS WEEK IN OUT OF SCHOOL HOURS CARE (OSHC)

Hey Team!

Welcome to 2023!! We are so excited to get stuck into OSHC this year and hope you are too.

Our theme this term is 'Fun in the Sun'. This theme was formed through our students' love of being outside and active. As always, each fortnight will have a different focus and we have tried to be as diverse with the focuses as possible! This fortnight, we are looking at sustainability. We have been facilitating conversation around how we can be more sustainable as people and as a school.

Twister has been popular this week in before school care, Thomas, Elsie and Lucas played all morning!

This week, we have looked into the Lunar New Year and have created a display at the front of the room with lanterns and a dragon made out of cut-outs of the students' hands.

Maddie, Peyton, Olivia, Ethan, Eliza & Rosalie have been in the art room painting pots that we will plant some flowers in next week while Sam and Alphie made baby yoda out of origami.

Hayley, Julian, Audrey, Eliza and Matilda helped with a science experiment which showcases the negative effects of landfill on the environment.

Have a happy and safe weekend everyone, Hannah ☺

MESSAGES FROM THE PRINCIPAL

THE SCHOOL CROSSING

Please set the example and use the school crossing every time you cross Clowes Street. Show your children where to stand to check for traffic and explain how to wait until the cars have stopped, before they move onto the road. Remind them to thank the driver for waiting with a smile or a wave.

As a driver, please be aware children do not develop good traffic awareness until around the age of 11 years. They will not always make good decisions, and we need to be ready for the unexpected when driving near the school.

Please take care to park at the legal distance from the crossing, so children can be seen clearly. **There must be no exceptions to this, as accidents can occur in seconds. Never drop off or pick up too close to the crossing.**

The rules are as follows:

When a children's crossing is in operation (ie. when the flags are displayed), you must not stop:

- on the school crossing
- within 20 metres of the crossing on the approach side
- within 20 metres of the crossing on the departure side

You are not permitted to do a U-turn over the solid lines beside the crossing.

ARRIVAL TIME AT SCHOOL

The ideal time for children to arrive at school is around 8:45 am.

This gives them time to unpack their school bag and get organised for the day, connect with some friends and have a short play before the bell at 9am.

Yard supervision at school starts at 8:40am. **To ensure their safety, students should not arrive at school before the gates open at 8:40am.** Students should not be dropped off and left unsupervised outside the school gates before 8:40am.

Please enquire at the office about the Out of School Hours Care (OSHC) service that runs daily before and after school. Before School Care operates from 6:30am—8:40am for parents who need to drop off children before 8:40am. Book at the office on the day prior to needing the service. Children receive breakfast and supervised activities before being taken to their classrooms at 8:40am.

END OF SCHOOL DAY

School finishes each day at 3:30pm. Please make sure your child knows who will collect them from school and where they will meet them.

If you are delayed unexpectedly but will arrive shortly after the bell, you can ring the school and we will let your child know so they do not worry. The child can then wait with the yard duty teacher. For longer delays, the child can be booked into After School Care until you arrive.

Children who remain at school after the last bus leaves will be booked into After School Care by the staff member on bus duty to ensure their safety until you arrive.

BIKE & SCOOTER SAFETY

Please advise all children riding bikes and scooters to and from school to leave from the Clowes Street 'bus gate' or the main gate near the school crossing. They should not leave through the gate that leads to the Clayton Street car park.

Children should cross Clowes Street at the crossing if they need to proceed to the south side of the road.

Those who stay on the north side of Clowes Street to go home, should cross Clayton Street at the corner where they are clearly visible to drivers.

For everyone's safety all children must dismount and wheel their bikes and scooters in the school grounds and on the paths beside the school.

PARKING AROUND THE SCHOOL

Please be patient when parking and leaving from car parks.

Help to maintain the school's good relationship with our neighbours, by **always keeping clear of their driveways.**

Always load and unload children from the 'footpath side' of the car.

Do not park in the bus zones.

Move slowly and be vigilant when driving, reversing and parking in the Clayton Street car park. Keep the disabled parking spaces free for those who need them and are displaying the required sticker.

LATE ARRIVAL AND EARLY DEPARTURE

Punctual attendance at school every day is extremely important.

Late arrivals can be unsettling for children and also interfere with their learning. A late arrival means the child misses making social connections with their friends before the bell, and misses part or all of their first learning activity for the day. Aim for arrival at school at 8:45am each day to give your child time to settle in before the bell.

Our emergency management procedures require the following:

- Always come to the office to sign students in if they are late to school. The students then receive a late pass to take to their classroom.
- Always come to the office to sign students out for an early departure. Office staff will collect the children from the classrooms if they need to leave early.
- If your child has forgotten something and you bring it to school after the bell, please take it to the office. The object will be delivered to your child by staff.

COMPETITION WINNER

Congratulations to Ryan in grade 3 who entered a competition run by the Macedon Ranges Shire to redesign the library cards.

Ryan's design was one of the four designs chosen for the new children's library card for the Goldfields Library! Congratulations Ryan!

Photo courtesy of: Damjan Janevski

SCHOOL PROCEDURES FOR THE BUSHFIRE SEASON

The school develops and updates its Emergency Management Plan every year. This plan details what we will do to keep our students and staff safe if there is an emergency. Our school uses the oval or the Clayton Street car park as evacuation points. The red brick building is our safe refuge building if we are required to "shelter in place" during any emergency. We also have two "off site" evacuation points: the Tylden Hall and the Tylden Uniting Church. **We do regular emergency drills to prepare students, and to test that our procedures work.**

In this area, and at this time of year particularly, we are all very aware of the threat of fires. Every family is advised to have their own bushfire plan. **On days when there is an increased bushfire risk, every family should enact their plan.** If this plan requires your family to leave the area, due to the heightened risk, then please advise the school of your child's absence. On days of high fire danger that are not deemed as Code Red, the school will operate as usual. Please note that when weather conditions are extreme, we minimise children's outside play time to keep them as comfortable as possible.

The way schools in Victoria respond to bushfires is constantly monitored, and reviewed as needed.

Fire danger ratings and warnings are used in Victoria to provide clear direction on the safest options for preserving life.

Schools – and children's services – identified as being at highest bushfire risk have been included on the Bushfire-At Risk Register (BARR) and will be closed on days determined by fire authorities to be Code Red. Our school has been identified as a school at highest bushfire risk and is listed on the BARR.

Where possible, we will provide parents with up to three days notice of a planned closure following the issue of a Code Red warning by the CFA. We will contact you directly by email or letter sent home with your child with advice on planned closures and will confirm the decision to close by 12 noon the day before the planned closure.

Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast. This is to avoid confusion and help your family plan alternative care arrangements for your child.

- No staff will be on site on Code Red days when the school is closed by the risk of fire.
- Out-of-school care will be cancelled on these days.
- School camps will be cancelled if the area where the camp is taking place is at risk.
- There may also be changes to school bus routes. Depending on routes, this may also occur on days when the school is not closed.

On Code Red days families are encouraged to enact their Bushfire Survival Plan – **on such days, children should never be left at home unattended or in the care of older children.**

For those of us living in a bushfire-prone area, the safest option when a Code Red day is declared may be to leave the night before, or early in the morning of the Code Red day. As part of preparing our school for the threat of fire we have updated our emergency management plan; reprioritised any maintenance works that may assist in preparing for the threat of fire and cleared our school grounds. We also practise our emergency procedures with the children.

You can access more information about school closures on the Department of Education and Training website – see <http://www.education.vic.gov.au/about/programs/health/pages/emergencies.aspx> For up-to-date information on this year's fire season and Bushfire Survival Planning, visit the CFA website at www.cfa.vic.gov.au or call the 24-hour Victorian Bushfires Information Line on 1800 240 667.

GENERAL INFORMATION

CAMPS & EXCURSION FUND

The Camps, Sports and Excursions Fund (CSEF) will provide payments for eligible students to attend camps, sports and excursions. Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. \$125 per year is paid for eligible primary school students. Payments are made directly to the school and are tied to the student.

CSEF applications open from Term 1, 2023. Forms are available at the office. Parents or legal guardians are required to submit a new CSEF application form each year.

UPDATING RECORDS

It is important that all details we hold for your child at the school and for Out of School Hours Care are current and correct. If you have updated your mobile number, email address or postal address, changed employment or employee please advise the office by email or phone.

STUDENT ABSENCE NOTES REQUIRED

If your child is absent from school at any time you are required to contact the school, in person, by phone, through the Konnective app or by email, so office staff can inform your child's teacher. Please give the reason for the absence. It is a legal requirement that the school receives an explanation for all student absences. The school will contact you if your child is absent and you have not provided an explanation. Please email to email to tylde.ps@education.vic.gov.au

SCHOLASTIC BOOKCLUB

Scholastic book club is one way the school fundraisers to purchase books for our library. We participate once a term and there is usually a two week turnaround from the due date. If your order the books as a gift and you do not want your child to see them, could you advise the office.

Payment can be made online using the scholastic Loop system, paying with your credit card, or **cash only** to the school. Please don't pay into the school account

<https://www.scholastic.com.au/book-club/book-club-parents/> Ordering through LOOP, Click on Book Club Loop

Create an account if you don't have one, Add your child

Search school Victoria then Tylden Primary School in the drop down list, select the correct class group

LUNCH UTENSILS

Supplying utensils— If an item your child's lunch box requires a spoon or fork, please remember to pack one in their lunch box.

PERSONAL GOODS BEING BROUGHT TO SCHOOL

Personal Items/property is often brought to school by students, staff and visitors. This can include mobile phones, electronic games, calculators, toys, musical instruments, sporting equipment, and cars parked on school premises. The DET does not hold insurance for personal property brought to school and it has no capacity to pay for any loss or damage to such property.

VISITORS' BOOK AT OFFICE COUNTER

As part of our emergency procedures, we have a Visitors' Book at the office counter. Visitors who are staying for 15 minutes or longer must sign in at the office so there is a record of who is on the premises in case of emergency. This includes parent helpers who might be assisting with classroom programs such as classroom reading

WORKING WITH CHILDREN CHECKS (WWCC)

It is a requirement that parent helpers have a 'Working With Children' check. Those of you who are involved with sports clubs, youth groups or the like, will probably already have obtained your WWCC. There is no charge for a WWCC for volunteers, it just involves a bit of paperwork (and a photo). If you are a 'reading parent', or regularly help out with other class activities, a WWCC is required. Applications are done online and then processed through the Post Office. It takes a few weeks. You can name the school as the organisation where you volunteer, or another organisation if that suits you better. In the mean time, please continue to come along to school as usual. When your check comes through, take the card to the office so we can record the WWC number. Please come to the office and have a chat about this if you have any questions.

Thank you for your co-operation with this requirement

FEEDBACK

We welcome feedback when we are doing a good job and when you think there is something that might be improved. If there is a classroom problem, please talk first to your child's teacher.

If the problem is not resolved, please speak to the principal, Lee MacDonald. The feedback policy is on our school website if you need extra information. www.tyldenps.vic.edu.au

We respectfully acknowledge the Traditional Owners of country throughout Victoria

and pay respect to the ongoing living cultures of First Peoples.

Our School Values are: Integrity—Personal Best—Respect—Friendliness—Resilience—Teamwork—Creativity

Tylden Primary School is a Child Safe School.

SAVE THE DATE

TYLDEN PRIMARY SCHOOL FAIR

Saturday 25th March

Start getting ready for the 2023 Tylden PS Fair

Now is the perfect time to start collecting items for the 2023 Fair. We will find that the Fair arrives very quickly once school resumes in the New Year. There are lots of things that don't take much time or effort, but will really help maximise the money we raise at next year's Fair. Why not try one or more of these ideas?

Preserve the excess fruit and vegetables from your garden

If you find yourself with a harvest that you can't use, please consider making jams, chutneys or other preserves that can be sold on the Produce Stall. Homemade items always sell well.

Trash and Treasure

Go through your house/shed and put items aside for the Trash and Treasure Stall. Pop them into a box and set them aside in the shed until March. One person's trash is someone else's treasure.

Craft items

All the incredible items sold at our Craft Stall are made by talented parents and other members of our school community. If you are crafty and have some time, please consider making something you can donate to the Craft Stall.

Mystery Jars

You make a Mystery Jar by saving and washing a glass jar and then filling it with inexpensive but desirable items. Children love them! Try filling the jar with small toys, marbles, plastic dinosaurs, bouncy balls, tiny racing cars, pencils, erasers, hair clips and ties, children's 'jewellery' or similar. Closer to the day you can fill jars with packaged lollies too! We usually have a few hundred to sell, and the number depends on your generosity.

Re-gifting

Christmas time can be re-gifting time! Excess or unwanted gifts from Christmas? Why not save them up and then re-gift them to the Silent Auction or the Trash and Treasure Stall.

Sponsorship & donations needed

Right now, we are seeking businesses to sponsor a ride at the Fair. The rides cost quite a bit of money to hire. If they are sponsored with a donation, this increases the profits for the school. Can you or one of your contacts help?

Please contact Lee or Fair Coordinators Alisha McGilp, Belinda De-Maria or Catherine Ferres if you can assist. A request for sponsorship letter is available from the office.

PARENT / TEACHER START UP CHATS

PARENT/CARER—TEACHER “START UP CHATS” Tuesday 7th & Wednesday 8th February

The ‘Start Up Chat’ is scheduled very early in the school year. The purpose of this interview is to give parents/carers an opportunity to meet their child’s new teacher and give them time to tell the teacher about the child. Teachers really value this input from you. It is an important way to strengthen the partnership between home and school. Please come to the chat prepared to talk about your child to their teacher.

Family Name: _____

I/We would like to meet with the following teachers for a start up chat.

Teacher	Tuesday 7th or Wednesday 8th February (3.40 – 5.20 pm) PLEASE INDICATE PREFERRED TIME BELOW (10 minute appointments)
Miss Flens	
Miss O’Keefe	
Miss Dickins	
Mr Miller	
Ms Hughes	
Mr Bracher	
Mrs Redman	
Ms Farrelly	
PLEASE RETURN THIS SLIP BY 9AM MONDAY 6TH APRIL	

FAMILY FUN NIGHT

Family Fun Night Wednesday 15th February 5:00—6.30pm

Name: _____

Our family would love to come to the Family Fun Night!

Number of adults _____

Number of children _____

Number needing a vegetarian BBQ option _____

Number needing a gluten free option _____

For catering purposes, please return this slip to the office by Friday 10th February

2023 WORKING BEE ROSTER

In 2023, there will be five Working Bees throughout the year. There will be two in term 1, with one just before the Annual Fair. All families are rostered to help at one Working Bee, and most families have their first preference. If you cannot attend on your rostered day, please contact the office.

We really appreciate your time...many hands make light work
