APRIL

Thursday 6th

Last day of term 1.

Early dismissal 2.30pm

Principal's Message

Dear Parents/Carers

We held our first working bee for the year on Saturday 4th February and a huge amount of work was completed. Many thanks to the families who attended and worked so hard. It is great to be able to hold working bees again after a few years without them due to COVID. This means our school grounds and facilities will always be in the best possible condition. We ask all families to attend at least one working bee per year to share the work. You will find a revised roster further into this newsletter. The next working bee will be on Saturday 18th March, to prepare the school for the school fair.

It was very pleasing to have so many families at the 'Start-up Chats' this week. This has opened the communication between home and school for the year and given parents/carers a chance to meet their child's teacher for 2023. Please email your child's teacher to arrange a time if you were unable to attend this week.

I am very pleased to welcome Mr Jeff Tynan to our staff. Jeff has been appointed in an Education Support role and will commence in just over a week. Welcome Jeff!

The start of the year Family Fun Night (FFN) is scheduled for next Wednesday 15th February. 5pm—6:30pm. This gathering gives us a chance to get together as a school community to meet staff and new families and also renew contact with those we have met before. There will be a sausage sizzle (thank you school council!) and staff will run a few activities for the children as needed. We will also start to recruit helpers for the school fair at FFN. Have a chat to any of the fair coordinators and add your name to the roster that will be on display. I look forward to seeing you at the FFN.

It was wonderful to see the proud faces of our grade 6 students in assembly this afternoon when they received their special Grade 6 jackets. This is an important step in their leadership journey during their final year of primary school. Congratulations to all of the grade 6 students!

Have a lovely weekend!

Regards

Lee MacDonald

THIS WEEK IN OUT OF SCHOOL HOURS CARE (OSHC)

Hey Team!

We have had another successful week in OSHC this week!

The mornings have consisted of a lot of colouring in, hangman and general chat amongst students and educators.

Our experiment from week one wasn't quite as successful as we had hoped but we will have many more to come this term when our focus is science!

Our focus this week was still sustainability and so we have been doing some really fun activities! Alphie, Edward, Ben, Flynn, Evie, Rosalie, Ella, Gwen, Julian, Will.S, Johnnie and Ethan made cars out of recycled materials. We had so much fun designing and building the cars and had a little race on the oval afterwards!

Natalie, Isabella, Rosalie and Ethan helped to plant some flowers in the pots that we painted last week and we have started up our own OSHC garden.

We also said goodbye to our educator Beth at the end of last week so you'll no longer be seeing her face around. We have, however, welcomed 2 new educators Jack and Ava so don't forget to introduce yourself if you see them around!

Please feel free to have a look at the 'OSHC 2023' book that's on the sign in table as well. We have been updating that throughout the weeks with photos and info!

Have a great weekend everyone and don't forget your sunscreen!

Hannah ☺

WEEKLY MENU

Breakfast

A selection of healthy cereals, yogurts, toasts and spreads are available for children to choose according to their taste.

Afternoons

A selection of fresh salad vegetables, cold meats, spreads, wraps and bread are available each afternoon in buffet style.

Daily

Fresh fruit, milk, and water are always available throughout each session.

SAVE THE DATE

TYLDEN PRIMARY SCHOOL FAIR

Saturday 25th March 2023

ONLY SIX WEEKS AWAY!

Fair day helper roster

At the Family Fun Night on Wednesday, 15th February, there will be a big sandwich board featuring a giant list of all the fair stalls and how many helpers we need. This roster will have space for you to write down where and when you can help out on fair day. We need every family to volunteer some time to make the fair a success, and it's a great way to contribute to our school fundraiser and get to know other parents.

After Wednesday, the sandwich board will be outside the Prep room in the junior block, and we will also send home copies of the roster with the newsletter in the coming weeks which can be filled out and returned to the office.

Can I bring my jams, trash and treasure, books, mystery jars and auction items to the office yet?

NO! Not yet! Please hold onto any items you have for the fair for a few weeks more, as we don't have the storage capacity in the office to store everything. We will put a call-out for people to start bringing items in two weeks out from the fair, and trash and treasure and books one week out. A huge thank you to everyone who began pre-serving, assembling, collecting and crafting over the holidays in preparation for the fair.

Next Fair Committee meeting:

Friday, February 17th, 2:00pm, staffroom.

Any questions? Want to get involved? Please get in touch at the office or speak to one of our fair coordinators.

2023 WORKING BEE ROSTER –REVISED

In 2023, there will be five Working Bees throughout the year. There will be two in term 1, with one just before the Annual Fair. All families are rostered to help at one Working Bee, and most families have their first preference. If you cannot attend on your rostered day, please contact the office.

We really appreciate your time...many hands make light work!
